ARTICLE I - RECOGNITION

The Board of Education of the Mount Prospect School District 57, Cook County, Mount Prospect, Illinois, hereinafter referred to as the "Board," recognizes the Mount Prospect Educational Support Professional Association, IEA-NEA, hereinafter referred to as the "Association," as the exclusive bargaining agent for wages, hours, and other terms and conditions of employment for all non certificated staff, including Kids' Comer staff, hereinafter referred to as "Employee". Excluded from this unit are all supervisors, managerial, and confidential employees as defined under the Illinois Educational Labor Relations Act (IELRA).

ARTICLE II - ASSOCIATION RIGHTS

2-1 New Employee Onboarding

The District will provide new Employees with an electronic copy of the Collective Bargaining Agreement. Upon request, new Employees will be provided a printed copy. The District will also provide time for the Association to speak at District-sponsored new Employee onboarding events.

2-2 Association Dues Deduction

The Board will deduct the current dues of the Association from the pay of any Employee who has executed an annual authorization for dues deduction. The Association will annually certify the amount of the dues. The Association will furnish the authorization form which will include a hold harmless clause exempting the Board from liability to the individual or the Association for any omissions of deductions. The Board will notify the Association in writing of the receipt of any revocation and the Association shall promptly notify the Board of any revocation notice it receives. Upon receipt of a revocation notice from either the Employee or the Association, the Board shall cease making deductions from the Employee's pay and shall cease remittance of such deductions to the Association beginning with the first full pay period following the revocation. All dues deducted by the Board will be remitted to the Association within twenty-one (21) days of that deduction.

2-3 New Employee Information

Within five (5) work days of the date of Board of Education approval of hire, the District will provide the Association with the names, addresses, phone numbers, email addresses, positions, job locations, and wage placements of newly hired Employees. Within five (5) work days of Board of Education approval of separation, the District will notify the Association of the names of individuals no longer employed.

2-4 Information Regarding School Board Meetings

The Administration will provide the Association President or designee with written notice of all regular meetings of the School Board, a copy of the agenda and the public information media packet prior to the scheduled time of the meeting.

2-5 Use of School Facilities

- A. The Association may use the District mail service, e-mail and internet service in compliance with the Board's Acceptable Use Policy, mailboxes, and bulletin boards for the following purposes: Notices of Association meetings, minutes of Association meetings, elections, results of elections, appointment of officers and committees, general information letters, and social, educational, and recreational activities of the Association.
- B. The Board will designate a bulletin board at each work site for Association use.
- C. The Board will provide space for an Association supplied secure storage cabinet for Association materials.
- D. Upon request by the Association President, the Board will allocate time for Association business at each regularly scheduled District-wide meeting with Employees. Such time will include at least ten (10) minutes at such meetings.

2-6 Communications Council

The Superintendent and Association President will conduct monthly communication meetings, when possible, for the purpose of maintaining ongoing communications and discussing issues that affect Employees.

2-7 Association Leave

The Association President or President's Designee(s) will be granted up to ten (10) days a year of paid leave for Association business.

The Association will request approval from the Superintendent for any Association leave days. Application for use of these days must be filed as soon as practical with the Superintendent for approval.

2-8 Hold Harmless Provision

In the event any legal action against the Board is brought in a court or administrative agency because of its compliance with this Article, the Association agrees to defend such action, at its own expense and through its own counsel, provided:

- A. The Board notifies the Association promptly in writing and permits the Association to intervene as a party if it so desires.
- B. The Board gives full and complete cooperation to the Association and its counsel in securing and giving evidence, obtaining witnesses and making relevant information available at both trial and all appellate levels.
- C. The Association will indemnify and hold harmless the Association, its members, officers, agents and Employees from and against any and all claims, demands, actions, complaints, suits, or other forms of liability that shall arise out of or by reason of action taken by the Board for the purposes of complying with the above provisions of this Article, or in reliance of any list, notice, certification, affidavit, or assignment furnished under any of such provisions.

It is expressly understood that this Hold Harmless Provision will not apply to any claim, demand, suit or other form of liability which may arise as a result of willful misconduct by the Board.

ARTICLE III - MANAGEMENT RIGHTS

The Board hereby retains and reserves unto itself all powers, rights, authority, duties and responsibilities, subject to the terms of the collective bargaining agreement, conferred upon it and vested in it by the laws and Constitutions of the State of Illinois and the United States of America, including, but without limiting the generality of the foregoing, the right:

1. To the exclusive management, organization, and administrative control of the District and its properties and facilities;
2. To direct the work of its Employees, and determine the kinds and levels of services to be provided and the methods and means of providing those services including entering into Agreements with private vendors for services;
3. To hire all Employees, and subject to the provisions of law, to determine their qualifications and the condition for continued employment;
4. To establish educational policies, goals and objectives; to ensure rights and educational opportunities of students; to determine staffing patterns, to determine the number, deployment and kinds of personnel required in order to maintain the efficiency of District operations; and
5. To build, move or modify facilities; establish budget procedures and determine budgetary allocation.

ARTICLE IV - EMPLOYEE RIGHTS

4-1 Probationary Period

The first twelve (12) calendar months of employment for an Employee (regardless of work year, i.e., 12 months, 11 months, or 10 months) will be a probationary period. The twelve (12) month probationary period will begin on the Employee's first day of work. During the probationary period, the Board will have the sole and absolute right to discipline, suspend or dismiss an Employee for any reason, with or without just cause. Re-employment and discipline of a probationary Employee are not subject to the grievance procedure in Article VIII.

4-2 Discipline

A. Discipline and Dismissal

Suspension without pay and dismissal from employment for disciplinary reasons will be for just cause. This provision does not apply to dismissal or changes in employment status which occur for non-disciplinary reasons, such as a reduction in force.

Employee discipline will, in the usual case, follow progressive discipline concepts, with the disciplinary steps being:

1. Verbal warning and/or written reprimand, depending on the severity of the incident as determined by the administration
2. Suspension without pay
3. Discharge

The disciplinary steps may be used and initiated at the appropriate level within the context of any initiating incident or set of behaviors deemed inappropriate. All disciplinary action will remain in the Employee's personnel file and be considered, as appropriate, if and when future incidents occur. Where, in the Superintendent's or designee's judgment, the circumstances of a particular case and/or the seriousness of a particular offense make the application of progressive discipline inappropriate, the appropriate disciplinary step to be used will be determined by the Superintendent or designee. As related to Employee discipline, only suspension without pay and discharge are subject to the Grievance Procedure in Article VIII.

B. Right of Representation

Employees will have the right to be accompanied by an Association representative at any investigatory interview. An investigatory interview is a meeting called by the Administration or the Board for the purpose of questioning an Employee to obtain information and the Employee reasonably believes that discipline may result. It will be the responsibility of the Employee to request a representative, and to ensure the representative's attendance. Evaluation meetings and/or conferences are not considered disciplinary in nature and Employees are not entitled to an Association representative at these meetings.

Any Employee required to attend a conference called for the purpose of written reprimand, suspension or dismissal is entitled to be accompanied by an Association representative.

4-3 Seniority

The Board will maintain and furnish to the Association a bargaining unit seniority roster by February 1 annually. As used in this Agreement "seniority" means continuous employment by the Board. As long as Employees are employed in their position for the full work year, they will earn one (1) year of seniority regardless of full-time or part-time status. (Seniority for an Employee working less than the full work year for his/her position will be computed on a pro-rata basis.) Seniority will not accrue during any leave-of-absence without pay. Seniority will not be interrupted due to excused absence. No employee will lose seniority when transferring to a different position in the bargaining unit.

Seniority categories are listed as follows:

1. Administrative Assistant Specialist – Administration Building, to include:
 - Administrative Assistant Specialist for Teaching & Learning
 - Administrative Assistant Specialist for Student Services
 - Administrative Assistant Specialist for Purchasing/Transportation
2. Administrative Assistant – School Building, to include:
 - 12-month Building Secretary
 - 11-month Building Secretary
 - 10-month Clerical Assistant (to include transportation and curriculum)
3. Building Technology Assistant, to include:
 - 12-month BTA
 - 11-month BTA
4. Facility Supervisor, to include:
 - Facility Supervisor
 - Maintenance Courier

5. Custodian
6. Nurse, to include:
 - Building Nurse
 - District Nurse
7. Health Assistant
8. Instructional Assistant
9. Kids' Corner Supervisor
10. Kids' Corner Assistant
11. Occupational Therapist
12. Physical Therapist
13. Board Certified Behavior Analyst

For the purpose of determining seniority an Employee's start date is synonymous with the first date of paid employment.

Ties in seniority will be broken by the date the Board took action to hire the Employees. If the Employees have the same Board action date, the tie will be broken by the first day on the job. In the event there is still a tie, seniority will be broken by lottery.

4-4 Years of Service

For the purpose of determining years of service for benefits which are not otherwise provided for within the contract, a year of service credit will be granted on July 1 after the initial year of work (provided no circumstances involving prolonged unpaid break in service.) If an Employee starts work on or after July 1 and on or before December 1, the Employee will receive a first year of service credit for benefits on the following July 1.

If an Employee starts work on or after December 2 or on or before June 30, the Employee will not receive a first year of service credit for benefits until after completing the following work year.

For example:

1. If an Employee starts work on October 30, 2020, the Employee would receive the first year of service credit on July 1, 2021.
2. If an Employee starts work on February 1, 2020, the Employee would receive the first year of service credit on July 1, 2022.
3. For the purpose of determining service credit an Employee's start date is synonymous with hire date.

4-5 Reduction in Force (RIF)

- A. If it is necessary for the District to reduce the number of Employees, this reduction shall be done according to Section 10-23.5 of the Illinois School Code. Probationary Employees will be released first, part-time Employees will be released second, and full-time Employees will be released last in order of least senior to most senior.
- B. The order in which vacancies are offered to honorably dismissed Employees shall be in order of seniority within each category of position (most senior recalled first) as set forth in Section 4-3. Notices of all vacancies shall be sent by the District. Within the affected category of position dismissed Employees being recalled will be contacted by the District via the most recent and up-to-date email and phone number provided to the District by the Employee. The Employee being recalled shall notify the District of acceptance of an available job position within two (2) business days (e.g., if the District notifies the Employee on Monday, the Employee must respond to the District by the close of business on Wednesday). If the Employee being offered the recall position does not accept within two business days, the District may move to the next most senior Employee.

ARTICLE V - EVALUATIONS & FILES

5-1 Evaluations

Every Employee will be evaluated at least once every two (2) years. Such evaluation will be completed by May 15. If the Board evaluates an Employee more than once every two (2) years, the Board will notify the affected Employee. Evaluation is based on the premise that feedback is essential for improvement in job performance. Evaluation is a continuing process of identifying and monitoring behaviors which are related to successful performance. Throughout the evaluation process, the administrator, immediate supervisor and Employee will work together in a cooperative relationship and will focus on opportunities for improvement. Hearsay, unsubstantiated claims, or anonymous communications shall not be part of the evaluation process. Employee evaluations are not subject to the Grievance Procedure in Article VIII.

The positions of occupational therapist and physical therapist, nurses, and board certified behavior analyst will be evaluated per the MPEA CBA as outlined in Section 4.4.

The District will meet with the Association for agreement prior to the implementation of any changes to the above evaluation process. The content of the evaluation instrument shall be subject to the discretion of the District with input from the Association.

5-2 Personnel Files

A. Only one personnel file shall be kept for each Employee in the District, and such file shall be maintained by the Office of the Superintendent. References to the sole personnel file will include both hard copies and computer records. The individual Employee may have access, upon request and at a mutually agreed time, and may add comment(s) to the file upon any of the material contained therein. Any time a document is placed in the Employee's file, the Employee shall receive a copy of that document. However, routine onboarding records and records that are not disciplinary, investigatory or evaluative records are not necessary to be automatically disclosed to the Employee. Any Employee may request and receive a copy of such records at any time.

B. Any time a personnel file document is to be disclosed to the Employee, proof of such disclosure shall be included in the file by either: (1) the Employee shall sign and date the written material when shown; however, the signature will not necessarily indicate agreement; or (2) the District shall include a copy of the email notification to the Employee in the file. The Employee shall have the right to attach dissenting material to any item in the file. If the general subject of a complaint

from a parent is not repeated from any source for a year, the complaint shall be removed from the official file at the request of the Employee.

C. Administrators and principals shall take all reasonable precautions to ensure the confidentiality of employee records, positive documents or commendations, disciplinary notices, grievance documents, and any other material not generally accessible to staff, parents, or members of the community.

D. Anonymous communications may not be entered in the official personnel file.

ARTICLE VI - WORKING CONDITIONS

6-1 Employee Workday and Work Year

See Appendix A.

- A. Variations in the annually approved School Calendar (e.g., staff institute days and half days) may create fluctuation in hours worked per week, which will be reflected in pay for Employees compensated on an hourly basis. The supervising administrator may modify an Employee's work schedule within the parameters of the "Paid Hours Per Week" column in Appendix A (e.g., scheduling a custodian four 10-hour days per week instead of five 8-hour days). If the duration of the schedule modification will exceed one (1) work week, the supervising administrator will provide Employees with notice of the modification thirty (30) days in advance. The supervising administrator may require Employees to work additional hours when necessary.
- B. Employees in the positions of Occupational Therapist, Physical Therapist, Board Certified Behavior Analyst, and Nurses are paid on a salary basis. Employees in all other positions are paid on an hourly basis.
- C. With notice to the Association by May 1 prior to the winter break closure, the Superintendent may close buildings during the week between Christmas and New Year's Day for a maximum of three (3) workdays. Employees must declare by June 30 (via email to Human Resources Coordinator) use of personal and/or vacation days during this closure or the days will be designated as unpaid.
- D. Employees will be given access to their assigned buildings for work related purposes. Building administrators will facilitate an Employee's access to a building at a time other than the Employee's scheduled work time.
- E. Required Trainings:
 - a. All Employees will be given time during their normal workday to complete online District-required trainings.
 - b. All Employees will participate in building-specific safety trainings. If a safety training occurs at a time outside an Employee's normal workday, the Employee will be invited to the training and compensated at their regular rate of pay for attendance. If the Employee is unable to attend the training outside of the Employee's normal workday, and it is not feasible for the District to replicate the training during the Employee's normal workday, the Employee will be provided with an alternative training option during the Employee's normal work hours.

6-2 Duty-Free Meal Break

See Appendix A.

6-3 Paid Breaks

All ESP Employees who work at least eight (8) paid hours per workday will receive two (2) fifteen (15) minute paid breaks per workday. Central office and custodial Employees who work more than four (4) paid hours but less than eight (8) hours per workday will receive one (1) fifteen (15) minute paid break per workday. Paid breaks may not be used to delay the start or accelerate the end of the workday. Paid breaks are optional, but break time is lost if not utilized. Employees may combine paid breaks to extend their lunch period.

6-4 Emergency School Closings

If the Superintendent or designee closes the District or specific building(s) due to an emergency, the Superintendent or designee will determine which Employees are required to report to work. Twelve-month Employees who are not required to report to work on-site will be paid for a normal day's work. Twelve-month Employees who are required to report to work on-site during an emergency closing due to dangerous winter weather will be paid at 1.5 times their normal rate of pay. Employees who are not required to report to work on-site during an emergency closing will be permitted to work on-site with supervisor approval; in such cases, the Employee will be compensated at their normal rate of pay. In the event a twelve-month Employee is required to report to work on-site during an emergency closing and is unable to report to work, the Employee may use personal days or vacation leave to avoid being "docked" pay for the day. For all other Employees, a make-up day will be scheduled by the Superintendent or designee as the fiscal year allows.

6-5 Paid Holidays

See Appendix A.

Holiday pay will be based on the Employee's normal workday and paid at the Employee's normal daily rate of pay, to include Instructional Assistant stipends (e.g. personal care and high need).

- All ten (10) month Employees will receive nine (9) paid holidays.
- All eleven (11) month Employees will receive ten (10) paid holidays.
- All twelve (12) month Employees will receive sixteen (16) paid holidays.

Each year the District will designate which holidays are paid via distributed staff calendars.

To qualify for a paid holiday, an Employee must work on the last workday before the paid holiday and the first workday after the paid holiday, unless otherwise approved by the Superintendent or designee.

If an Employee is sick on the day before or after a holiday, he/she may be required to furnish the District with a doctor's statement in order to receive holiday pay.

Regardless of calendar changes, there will be no diminishment in the total number of yearly paid holidays.

6-6 Overtime

Overtime work is all work performed in excess of forty (40) hours per week. The "week" begins on Sunday and ends on Saturday. Hours actually worked count toward the forty (40) hours. Paid leave time (e.g., vacation, sick leave, personal leave, jury duty, etc.) and paid holidays count toward the forty (40) hours.

No overtime will be performed by an Employee without prior, specific written authorization by the supervising administrator or designee. Overtime may be assigned at the discretion of the supervising administrator.

Overtime is paid at "time and one-half" of an Employee's hourly rate.

6-7 Vacancies, Transfers & New Positions

Vacancies

The Board has the right to determine whether to fill Employee vacancies as they occur. A vacancy is defined as a position within the bargaining unit that is unfilled, including newly created positions, after all Employees have been assigned. If the Board chooses to fill a vacancy, a vacancy notice will be posted by email to all Employees. Any Employee interested in transferring to the open position

must apply for the position as described in the posting. All postings will be held open internally for five (5) business days, except in emergency situations. Current Employees who apply for a vacancy will receive an interview, except in emergency situations. The Board will consider performance, ability, and the best interest of the District when filling a vacancy.

Emergency Situations

In an emergency situation, the District can immediately fill any emergency vacancy for a maximum of thirty (30) workdays. During this time the District will post the vacant position. After the thirty (30) workdays, the District will fill the position through a new hire, voluntary transfer, or involuntary transfer.

Voluntary Transfers

Voluntary transfers are those transfers that are requested by the Employee or otherwise freely accepted by the Employee.

Involuntary Transfers

It will be within the District's inherent managerial authority to involuntarily transfer Employees within the bargaining unit.

An involuntary transfer pursuant to this Section is defined as the reassignment of an Employee member from one job to another anywhere in the District. Should it become necessary to transfer Employees, the following procedure will be followed:

1. Volunteers will first be requested. If more volunteers apply than are necessary for a transfer, the District will select the applicant based on the most qualified Employee.
2. Involuntary transfers will be decided based on the Superintendent's determination of the most qualified Employee to fill the position.
3. In the case of an involuntary transfer due to a mid-year separation or additional staff need, the District will make a good-faith effort to return the Employee to their original position except where the best interest of the students requires otherwise as determined by the District.

6-8 Additional Work

A. Summer Work Opportunities

1. Summer work opportunities will be offered to ten or eleven-month Employees currently working in the same job position as the summer work opportunity. If there are not enough positions to accommodate interested Employees working in the

same job position, staffing decisions for the summer work will be based on performance and any ties will be broken by seniority. If an insufficient number of Employees currently working in the same job position volunteer for the available summer work, the Board will post the vacancies to all other Employees and external applicants.

2. Employees who perform summer work will be paid at their regular rate of pay or the new hire rate of pay for the summer job position, whichever is higher.
3. Twelve-month Employees will continue to work their normal job position at their normal rate of pay during summer months.

B. Additional Work for Salaried Employee

Salaried Employees who are exempt from the Fair Labor Standards Act when performing work directed by the Superintendent or his/her designee on days not on the regular school calendar (weekends, and winter, spring or summer breaks) will be paid at the curricular rate of pay as defined in Section 5-13 of the MPEA contract.

6-9 Extra Duty Stipend Assignments

1. Once certified staff have been given right of first refusal for extra duty stipend assignments (consistent with the Mount Prospect Education Association (MPEA) Agreement), the District will post open extra duty stipend assignments internally for five (5) working days. The District reserves the right to assign any and all extra duty stipend assignments.
2. Any Employee who performs extra duty/stipend work outside of his/her normal workday will be paid in accordance with the MPEA Agreement if the work is ongoing. If the District-requested work is occasional and temporary, an Employee will be paid at his/her regular rate of pay via a timesheet.
3. When an Employee is unable to fulfill an extra duty assignment due to an extended leave of absence of the assignment, a prorated adjustment will be made to their stipend.

6-10 Classroom Subbing

Employees who are directed by an administrator to substitute teach will be paid at the rate of \$36/hour to be paid in 15-minute increments by time sheet.

6-11 Electronic Access

1. Employees will be provided a District-issued email account and access to the District computer network. Employees are not required or expected to check their email or perform District work on an electronic device during non-working hours.
2. The District will ensure every Employee has access to a District computer which is located in a secure and private location (e.g. staff lounge or staff work room).
3. An Employee may request the District provide a personal computing device for work purposes. If the District is unable to accommodate the request, the District will provide a written explanation for the denial of the request to the Employee and the Association.
4. When an Employee separates from the District, the Employee will return all District-issued personal computing devices to the District.

6-12 Travel Compensation

- A. For Employees other than the District Nurse, expenses for regularly assigned in-district travel shall be reimbursed on an annual basis for within workday travel between schools as follows

2 schools each workday - 5 days a week \$255
2 schools each workday - 4 days a week \$205

4 schools each workday - 3 days a week \$255
4 schools each workday - 2 days a week \$205
4 schools each workday - 1 day a week \$155

- B. Employees required to travel during the workday shall be allowed to travel exclusive of planning time and lunchtime.
- C. Travel expenses, when approved in advance, shall be reimbursed in accord with IRS regulations in effect at the start of each contract year.
- D. The District Nurse shall receive \$255 annually as a travel stipend.

6-13 Custodial Maintenance Work Uniforms

Custodial Maintenance Employees are eligible to receive five (5) complete uniforms consisting of shirts and pants each fiscal year (July 1 to June 30). After the regular student attendance school year is completed, custodial maintenance employees are required to wear their uniform shirt and are allowed to wear pants or shorts of their choosing.

Custodial maintenance employees may request in writing the District purchase additional apparel items necessary for the completion of their duties, including protective footwear, and such requests shall be granted at the discretion of the District. Employee notification of approval, denial, or the need for additional time of an Employee request will occur within five (5) working days of the request. If a request is denied, the District will provide the Employee and Association with written notification of the reason for the denial.

6-14 Emergency Call-in

If an Employee is called into work on-site for emergency reasons at a time other than their normal workday, they shall be guaranteed a minimum of three (3) hours pay at 1.5 times their regular rate of pay.

6-15 Safety in the Workplace

1. The Board recognizes its obligation to maintain a safe and healthy environment in compliance with applicable law. In the event that Employees should become aware of an unsafe or hazardous condition, they should report it to administration.
2. Employees shall be provided a copy of the District's crisis intervention plan within the first two (2) weeks of the school year or the date of hire. This may be in written or electronic

format. The administration shall review the plan annually with Employees and any changes made will be shared with Employees in printed or electronic format.

3. The District will maintain and publish a District and building emergency plan in conjunction with the Village of Mount Prospect. This may be in written or electronic format.
4. Employees who experience any type of fall or injury should report the incident to the school office and fill out an injury report as soon as possible.
5. Employees have the rights as referenced in the Student Code of Conduct located in the District Handbook, which is updated annually by a committee of administrators, MPEA, and the Association and approved by the Board of Education.

6-16 Mentor Program

The District and the Association are committed to the mentorship of our Employees. The mentor program will minimally include four (4) hourly Employees who are identified as Mentors by an application process. The Association and the District will create the responsibilities of Mentors, and each Mentor will be paid an extra duty stipend of \$600/year.

6-17 Continuing Education Funding

1. Only Occupational Therapists, Physical Therapists, Nurses, and Board Certified Behavior Analysts (BCBA) are eligible to receive District funding for continuing education reimbursement. To receive District funding, the Employee must:
 - a. Receive prior approval from the District
 - b. Demonstrate the proposed continuing education coursework is directly tied to maintaining the Employee's professional licensure.
2. If funding is not approved by the District, the District will provide a written rationale to the Association and Employee with the reason(s) for the denial.
3. Occupational Therapists, Physical Therapists, Nurses, and Board Certified Behavior Analysts (BCBA) will be reimbursed for annual professional organizational dues up to \$50.

ARTICLE VII - LEAVES

7-1 County Paid Leave Ordinance Waiver

The Parties to this Agreement have negotiated various leave benefits, including but not limited to sick leave, personal leave, bereavement leave and vacation leave. The parties do not wish to adopt or incorporate any other forms of leave. The parties fully waive all requirements of the Cook County PAID Leave Ordinance, which they have reviewed with the assistance of counsel.

7-2 Leave - Sick/Personal Leave

A. Definition of Sick/Personal Leave

1. Sick leave may be used for personal illness, quarantine at home, serious illness or death in the immediate family or household, for birth, adoption or placement for adoption, or as otherwise defined by the Illinois School Code. The definition of "immediate family" includes parents, spouses and partners in a legally recognized civil union, brothers, sisters, children, grandparents, grandchildren, parents-in-law, brothers-in-law, sisters-in-law, and legal guardians.

Sick leave for birth is limited to thirty (30) workdays, unless otherwise certified by a physician. Sick leave for adoption or placement for adoption is limited to thirty (30) workdays.

2. Personal leave days may be used for any purpose including sick leave, with the exception of "blackout" workdays which require Superintendent or designee special approval. A blackout workday is the day immediately before or immediately after a holiday, winter break, spring break, or Thanksgiving break. Examples of blackout workday events which require special approval from the Superintendent or designee in order for an Employee to receive paid personal leave, include but are not limited to the following: emergency events (such as burst pipes), uncontrollable circumstances, attendance at a religious occasion, wedding, graduation, college move-in/move-out, or funeral not covered by bereavement leave.
3. Sick/Personal leave days must be taken in one-half (1/2) day or full day increments.

B. Annual Allocation of Sick/Personal Leave

1. The following schedule applies to sick leave and personal leave allocation for all twelve (12) month and eleven (11) month Employees who qualify for IMRF:

Years of Service	Days Per Year		
	Sick Leave	Personal Leave	Total
1	10	3	13
2	11	3	14
3	12	3	15
4	13	3	16
5	14	4	18
6+	15	4	19

2. The following schedule applies to sick leave and personal leave allocation for all ten (10) month Employees who qualify for IMRF.

Years of Service	Days Per Year		
	Sick Leave	Personal Leave	Total
1 -4	12	2	14
5 - 9	14	4	18
10 +	15	4	19

C. Notification of Use of Sick/Personal Leave

Employees will submit an absence using the District's absence management system as soon as possible. In the event an Employee is unable to access the absence management system, the Employee must contact their administrator or designee before the Employee is scheduled to report to work.

D. Documentation of Sick Leave

The District may require documentation from a physician licensed to practice medicine, or a properly authorized physician assistant, as a basis for pay during sick leave after an absence of three (3) consecutive days for personal illness or injury, or as it may deem necessary in other cases.

E. Unused Sick/Personal Leave

Unused sick/personal leave days may be accumulated to a maximum carryover of two hundred and forty (240) sick leave days.

F. Proration of Sick/Personal Leave

1. A full-time Employee who is hired after the start of the work year for his/her position will receive a prorated amount of sick/personal leave days equal to the percentage of workdays remaining in the Employee's work year.
2. Sick/personal leave days will be prorated for Employees who do not work full time.

G. Sick/Personal Leave During a Leave of Absence

Employees will not accrue sick/personal leave while on a leave of absence.

7-3 Leave - Vacation

Each twelve (12) month Employee will receive vacation days based on years of service in accordance with the following:

Years of Service	Days Per Year
1 -5	10
6 - 10	15
11 +	20

Vacation days must be taken in one-half ($\frac{1}{2}$) day or full day increments. Vacation leave must be approved by the Employee's immediate supervisor at least ten (10) days in advance of the proposed vacation.

During the first year of employment in a twelve (12) month position and until an Employee has worked a full fiscal year (July 1 through June 30), each twelve (12) month Employee will accrue two and one-half ($2\frac{1}{2}$) days of vacation every three (3) months. For example, an Employee who begins employment on March 1, 2024, will accrue vacation days at a rate of two and one-half ($2\frac{1}{2}$) days every three (3) months until July 1, 2025.

During the summer months of nonstudent attendance (excluding ESY), custodians may not take more than six (6) vacation days except with Superintendent or his/her designee approval.

Vacation days may not be carried forward to the following year. Vacation days, however, from one fiscal year can be used through July of the subsequent fiscal year (e.g. an Employee with three unused vacation days on June 30, 2025 may use those three days through July 31, 2025)

7-4 Leave - Military Obligation

Absence for involuntary military service will be granted. The Employee's seniority in position and other benefits in the school system will continue during military service. Upon release from military service, the Employee will be returned to his or her original position or an equivalent position, and receive compensation of equal remuneration, provided such application is made within the time limits then in effect under federal law.

Pursuant to Section 8-2, this Section of the Agreement is not subject to the grievance procedure.

7-5 Leave - Jury Duty

In the event an Employee is selected to serve on a jury during the school year, the Board will continue to pay the Employee's regular rate of pay for the period the Employee is on jury duty.

7-6 Leave for Part-Time Employees

Part-time Employees qualifying for benefit leave must take such leave in accordance with their regularly scheduled workday. Scheduled workdays will not be altered in lieu of leave time.

7-7 Leave - Catastrophic

In the event of a catastrophic illness, (defined as a prolonged, serious, personal illness, affliction, or incapacitation requiring verification via medical documentation) and upon written application to the Superintendent for use of catastrophic leave, Employees may use additional sick days which are granted by the Board of Education immediately after the depletion of their own personal/sick and vacation days. Employees are eligible for catastrophic leave after two years of employment with the District. Eligible Employees may request up to one hundred (100) workdays per event. The Superintendent and the Association President will jointly recommend approval or denial of each request. In the event the Superintendent and Association President cannot come to consensus, the request will be heard by the Board of Education for final determination.

7-8 Leave - Bereavement

In addition to sick leave, an Employee shall be allowed, at his/her option, up to three (3) bereavement days per occurrence without loss of pay for an absence due to death in the immediate family or an individual sharing the Employee's residence on a permanent basis.

For purposes of this Section, immediate family is defined as parents, spouse, brothers, sisters, children, aunts/uncles, nieces/nephews, grandparents, cousins, grandparents-in-law, grandchildren, parents-in-law, brothers-in-law, sisters-in-law, daughters-in-law, sons-in-law, party to a civil union as defined by Illinois law and legal guardians (of and for).

An Employee shall be permitted to use sick leave days for the purpose of essential traveling obligations directly related to the death causing the use of such sick leave for bereavement.

7-9 Leave - Family and Medical Leave (FMLA)

The following is a synopsis of FMLA law. This language does not diminish or replace any contractual benefits provided to Employees.

- A. Full-time Employees are eligible for medical and/or family leave in accordance with the provisions in the Family and Medical Leave Act (FMLA) IL PA 102-0335, and Illinois School Code. Such leave is available to a full-time Employee who has been employed for at least one year and has at least 1,000 hours of service with the Board during the previous twelve (12) months. FMLA leave is unpaid unless accumulated sick leave or personal leave is available. Nothing in this provision shall prohibit the Employee from use of accumulated sick leave as provided for in this Agreement during the FMLA leave. The Board of Education may require the use of available sick leave and personal leave during FMLA leave. The total FMLA leave, paid or unpaid under this provision, cannot exceed twelve (12) weeks during any fiscal year (July 1 through June 30), except where longer leaves are provided under the FMLA for certain military related reasons. A written medical certification may be required, and a second medical opinion may be requested and paid for by the Board of Education. The FMLA leave should be requested thirty (30) days in advance of the first day of absence for the leave or as soon as reasonably practicable.

The following reasons are eligible for FMLA leave:

1. the birth of a child and to care for the newborn child, provided the leave is completed no later than twelve (12) months after the birth of the child;
 2. the placement of a child with the Employee for adoption or foster care, provided the leave is completed no later than twelve (12) months after the placement of the child;
 3. because the Employee is needed to care for the Employee's spouse, child under 18 years old (unless the child has a mental or physical disability and is incapable of self-care), or parent, with a serious health condition; or
 4. the treatment of a serious health condition that makes the Employee unable to perform the functions of the job.
- B. An Employee on FMLA leave will continue to be covered under the District's health and dental insurance plans under the same terms as if the Employee had been continuously working during the leave period, provided that:
1. Coverage shall end when the Employee notifies the District of their intent not to return to work, fails to return on the scheduled date or exhausts their FMLA leave rights under this provision;
 2. The Employee will be required to pay their share of applicable premium payments at the same time as such payments would be made if by payroll deductions. Coverage may lapse if an Employee's premium payment is more than thirty (30) days late;
 3. The District may recover its premium cost if the Employee fails to return to work following an approved, unpaid leave unless the reason for the failure to return is a serious health condition of the Employee, spouse, parent or child or other circumstance beyond the Employee's control. In this event, the District may require a certification of the existence of a serious health condition which the Employee must provide within thirty (30) days of the request.
- C. Upon conclusion of an FMLA leave, the Employee will be restored to their former position or to an equivalent position as established by school board policies and practices and this Agreement (with respect to pay, benefits and other terms and conditions of employment)

with any general pay increases or benefit enhancements granted during the leave, provided that:

1. An Employee will be required to submit a physician's release prior to returning from a personal medical leave;
2. An Employee returning from FMLA leave has no greater rights to a position than had he/she been continuously working during the leave period (e.g. in case of RIF);
3. Where the Employee seeks an intermittent/reduced schedule medical leave, the District may temporarily transfer the Employee to an available alternative position with equivalent pay and benefits for which the Employee is qualified if the transfer better accommodates the requested recurring periods of leave; and
4. An Employee on an approved FMLA leave may not perform work for another educational employer during the leave.

ARTICLE VIII - GRIEVANCE PROCEDURE

8-1 General Definition of Grievance

A grievance is defined as a complaint by any Employee in the bargaining unit based on an event or condition that is claimed to be or considered a violation, misinterpretation, or misapplication of this Agreement.

8-2 Additional Definitions and Understandings About the Grievance Process

- A. It is agreed that no grievance will be presented hereunder which occurred prior to the effective date of this Agreement.
- B. A grievance may be withdrawn at any level without establishing precedent.
- C. The failure of the aggrieved to act within the time limits set forth will preclude further appeal of the grievance.
- D. Time limits set forth in this procedure may be extended by mutual agreement.
- E. Days are defined as days the District Office is open.
- F. Re-employment or discharge of probationary Employees is not a proper subject for grievances under the Grievance Procedure (non-retention).
- G. Matters covered by statute and governmental agencies are not subject to the Grievance Procedure.

8-3 Procedural Requirements for Filing a Grievance

The parties acknowledge that it is most advantageous that an Employee and his or her immediate supervisor resolve problems through free and informal communication. If, however, this process does not resolve the issue(s) to the satisfaction of both parties, a grievance may be processed as follows:

Step 1

The grievant or the grievant and the Association will present a written statement of the alleged violation and remedy requested to the appropriate supervising administrator within fifteen (15) days of the alleged violation. The administrator will, within ten (10) days of the receipt of the grievance, confer with the grievant and/or his/her representative to try to resolve the grievance. Within ten (10) days after the completion of the conference, the administrator will give his/her written decision. A copy of this decision will be given to the grievant and to the Association.

Step 2

In the event the grievance has not been resolved at Step 1, the Association may appeal to the Superintendent or designee. The appeal will be made within ten (10) days after the receipt of the administrator's Step 1 decision. Within ten (10) days of the receipt of the appeal, the Superintendent or designee will confer with the grievant or the grievant and the Association in an effort to resolve the grievance. The Superintendent or designee, within ten (10) days following the conference, will file his/her written decision with the grievant and the Association.

Step 3

If the grievance is not resolved satisfactorily at Step 2, the Association may advance the grievance to binding arbitration. The Federal Mediation and Conciliation Service ("FMCS") will act as the administrator of the proceedings. In the event FMCS is, in the opinion of the parties to this agreement, unable to administer the proceedings, the parties agree to utilize the services of the American Arbitration Association (AAA) and proceed under the rules of the AAA. The demand for arbitration must be submitted in writing to the Superintendent within thirty (30) days from the receipt of the Step 2 decision. The parties may agree on a mutually selected arbitrator within seven (7) days of receipt of the demand. If the parties fail to reach agreement on an arbitrator within seven (7) days, the grievance will be submitted to FMCS and the parties will select an arbitrator using the striking method. The Association will be responsible for the initial FMCS fee. Each party may request one (1) new panel

during the arbitrator selection process and the other party will agree. The party requesting the new panel will be responsible for the fee associated with a new panel. Each party will bear the cost of its representation in the arbitration. Both parties will share the cost of the arbitrator.

The arbitrator's decision will not amend, modify, nullify, ignore, or add to the provisions of this Agreement. The arbitrator's authority will be strictly limited to deciding only the issue or issues presented to him/her in writing by the Board and Association. The decision must be based solely upon the arbitrator's interpretation of the meaning or application of the express relevant language of the Agreement.

4. Employees starting work between April 1 and June 30 of any fiscal year (beginning in 2025) will receive the new hire rate of pay increase on July 1 (which is the start of the next fiscal year.) After the affected Employee has worked a complete fiscal year, the Employee will receive subsequent negotiated yearly wage increases consistent with this Agreement.
5. If an Employee moves between job categories the Employee's salary will be increased or decreased by the percent difference of the two base salaries or be matched to the starting wage of the new job category, whichever is higher.
6. All salary increases for the 2024-2025 school year for all Employees will be retroactive to July 1, 2024.

9-2. Stipends

If a Building Administrator requests that an Employee provide language translation services outside of his/her regular workday, the Employee will be paid at his/her normal rate of pay or thirty dollars (\$30.00) per hour, whichever is higher.

B. Custodian Stipend

A stipend of \$2,000 will be paid annually to the Custodian designated to be a middle school Lead Night Custodian. 9-3 Special Increments

9-4 Payroll

Pay will be on the 15th and final day of the month. In the event the payday falls on a Saturday, Sunday, or a day when the District’s Business Office is not open, the pay will be issued on the business day prior thereto.

Employee pay and standard payroll deductions (e.g., income taxes, health insurance premiums and IMRF contributions) will be equalized over the Employee’s work year, as follows:

1. Twelve (12) month Employees will be paid over 24 pays with the first payment on July 15 and the last payment on June 30.
2. Ten (10) and Eleven (11) month Employees will be paid over 24 pays with the first payment on August 31 and the last payment on August 15. The first pay period of the new school year (August 31) will reflect any new pay increase.

All hourly Employees are required to submit timesheets if there is a deviation from the normal work schedule (e.g., additional/reduced hours or certified substitutions). These adjustments will be processed by the Business Office in accordance with the annual payroll schedule.

Payroll will be directly deposited into the bank account designated by the Employee at no charge to the Employee.

No later than May 15 of each year, the District will provide every Employee with a statement which includes the Employee's anticipated hourly wage, anticipated annualized pay, and anticipated equalized pay calculation for the following school year.

9-5 Final Pay

Final pay shall be in the form of a direct deposit. The final pay is calculated by counting the number of days worked times the daily rate minus what has previously been paid (based on a fiscal year July through June). For Employees who receive vacation days, vacation days earned but not used will be paid at the Employee's regular daily rate of pay.

9-6 Insurance Eligibility

- A. The District will provide health insurance and other insurance benefits as set forth in this Article 9-5 for Employees who are employed by the District thirty (30) hours or more per week, which will include a medical, dental, and prescription drug plan. The terms and conditions of the plan(s) and the contribution rates shall be equivalent to those set forth in the MPEA CBA.
