INTRODUCTION

Budget Cover Page

CITY OF PALMVIEW
FY 2024-2025
BUDGET COVER PAGE
September 17, 2024

This budget will raise more revenue from property taxes than last year's budget by an amount of \$447,886, which is a 10.42 percent increase from last year's budget. The property tax revenue to be raised from new property added to the tax roll this year is \$89,794.

The members of the governing body voted on the budget as follows:

FOR: Mayor Ricardo Villarreal, Member of Council Cesar Pena, Member of Council Alexandria Flores

AGAINST: None

PRESENT and not voting: **None**

ABSENT: Member of council Benito Hernande, Member of council Javier Ramirez

Property Tax Rate Comparison		
	2023-2024	2024-2025
Property Tax Rate:	\$0.5586/100	\$0.5700/100
No-new-revenue tax rate:	\$0.4870/100	\$0.5240/100
No-new-revenue Maintenance & Operations		
Tax Rate:	\$0.3439/100	\$0.3913/100
Vote-approval tax rate:	\$0.5290/100	\$0.5700/100
M & O Rate:	\$0.4155/100	\$0.4266/100
Debt Rate:	\$0.1431/100	\$0.1434/100

This year's debt obligation for the City of Palmview secured by property taxes is \$1,194,539. The total debt obligation outstanding for the City of Palmview secured by property taxes is \$5,064,000.

Transmittal Letter

Mayor Ricardo "Rick" Villarreal

September 17, 2024

Palmview City Council
c/o The Honorable Ricardo Villarreal
400 West Veterans Boulevard
Palmview, Texas 78572-8327

Re: Budget Message for Municipal Budget, Fiscal Year 2024 - 2025

Dear Mayor Villarreal and Council:

In accordance with the City of Palmview Municipal Charter and statutory requirements, it is my honor to submit the 2024-2025 Adopted Municipal Budget to the Palmview City Council, along with the accompanying Budget Message for Fiscal Year 2024-2025. This is a baseline budget that will allow us to commence our budget workshops while we seek input from council and all departments as we move forward to formal adoption in September, before the new fiscal year beginning October 1, 2024. While we have had numerous challenges throughout the years, the city continues to move forward to provide the highest level of service that the citizens of the great City of Palmview deserve as we continue to grow.

The following information explains the Municipal Budget "... both in fiscal terms and in terms of the work programs."

1. Important Budget Features

This Budget is compliant with financial procedures in Article V of the Palmview City Charter.

Each Department continues to have the source of Departmental Authority and Personnel Levels (e.g., Full-Time, Part-Time).

2. Major Changes & Highlights

Retirement Benefits

With the support of the City Council, we were able to increase our retirement match up to two dollars for every dollar from an employee, which now reflects a 2:1 match. This will make the city competitive and increase recruitment and retention efforts. During our budget workshops we will focus on applying that match retroactively for years of service. This adopted budget includes an Updated Service Credit (USC), which the city will coordinate with the Texas Municipal Retirement System (TMRS), which will increase eligible employee's retirement benefits based on factors such as years and contributions, changes in salary, and changes in the city's retirement plan.

Education Pay

In our prior budget, the city adopted education pay which incentivizes employees at the following levels:

Associates Degree/60+ hours of college \$ 500 annually.

Bachelors Degree \$1,000 annually.

Masters Degree \$1,500 annually

This will continue through our current budget.

Holiday Pay

The city continues to provide additional holiday pay for all personnel for holiday work. City administration is currently working on a Holiday Pay policy.

City wide wages

The City Council approved changes to entry level positions throughout all departments, effectively increasing the city minimum wage up to \$12 per hour. This budget now includes a minimum wage for part-time employees starting at \$10 per hour.

Grant Funding

With the support of the council, we continue to actively pursue grants through our various public and private partnerships. Palmview was previously awarded \$540,476 for drainage improvements to the Riverside Subdivision, located in the southwestern part of our city limits. These projects are expected to commence in the latter part of 2024. In addition, Palmview was awarded \$609,986 for drainage improvements to the Ramirez Subdivision, located in the northeastern part of our city limits. These projects will provide major stormwater relief during heavy rains and will signify the largest drainage improvements undertaken by the City of Palmview. Earlier in 2024, the City was awarded a \$500,000 grant for an all-inclusive park from the Valley Baptist Legacy Foundation. Furthermore, in May, the City received \$13,000 from the United Way for our Library program. Lastly, the City was just awarded \$20,000 from the United Way for our youth club operations, making Palmview a partner agency for the United Way of South Texas. Furthermore, the Planning Department and Solid Waste worked in conjunction to secure \$30,000 from the Lower Rio Grande Development Council for surveillance system cameras to curtail illegal dumping.

Office Creations

A new milestone in the history of Palmview, last year's budget created the first ever Palmview Sanitation program. Our current budget estimates revenues at \$1,130,343 and expenditures of \$952,021, leaving \$178,322 for administrative and future capital project investments. Residential pickup commenced on October 1, 2023, and commercial pick-up started on January 1, 2024. This budget includes commercial revenues combined with residential, for an estimated \$1,596,500 in revenues and \$1,379,692, resulting in a surplus of \$216,808.

This budget continues to build upon the new library division, which opened in early 2024, with one full-time librarian and one full-time library clerk. This was another first for the City of Palmview and the community has welcomed our library graciously. It is more than just a library, serving as a community resource center which, aside from library functions, provides computer and internet access, access to tutors, and numerous summer learning and activity programs. We will work to transfer Palmview Passport services to the library, an initiative approved by the City Council in 2022. Due to the positive community response, the program will continue at our new library facility.

Stormwater Drainage Assessment

An assessment of \$2.50 per residential account and \$5.00 for commercial accounts continues to fund \$111,002 for three full-time drainage positions. This division will continue to maintain drainage systems throughout the city, which includes drainage swells, inlets, pumps and detention and retention ponds. This was a pilot program initiated by the city council in 2021, and will now have permanent funding.

3. Departmental highlights and changes

Departmental additions and line item renaming schedule (Appendix E): Additions and deletions to individual line items have been made with input from department heads and the city council, which have been implemented in this budget. Some items were moved to other departments to more accurately reflect the expenses associated with each respective department. Refer to Appendix E for details.

Police Department

- Hired new Police Chief in December of 2022.
- Provided dispatch services for the City of Penitas since March, 2023.
- Housing inmates for the City of Penitas since March, 2023.
- Last year's budget increased starting and current pay for patrol officers by 5.26%.
- All police officers are eligible for merit increases due to Step and Grade approved by the City Council in 2022.
- Assignment pay has been revised in accordance with the needs of the department.
- Six new patrol vehicles have been procured over the last two years.
- New hand guns and rifles were purchased.
- This budget includes an increase of \$304,922 for operational expenses and salary adjustments.

Fire Department/Emergency Medical Services

- Previously deleted the position of Assistant Fire Chief and spread the responsibilities among command staff.
- Captains were reclassified to Battalion Chiefs, with additional responsibilities and pay.

- Lieutenants were assigned additional responsibilities and pay.
- Shift Firefighters were reclassified to Engineers with additional responsibilities and pay.
- Emergency Medical Services (ambulance) revenues have been increased by \$770,000 due the creation of three (3) new Firefighter/EMT basics and the purchase of an additional ambulance to meet the needs of our community.

City Secretary

- This year we do not expect election expenses, which should save \$35,000 from the prior budget year.
- The passport program will be transferred to the Palmview Library, with assistance from the City Secretary, who implemented the initiative in 2022.
- 326 passport applications were processed and 263 photos from October 2022 through July 31, 2023.
- \$15,847 additional revenue received for the same period due to the Passport Program.

Finance

- Solid waste billing and collection clerks were transferred to finance and reclassified as municipal cashiers.
 - These positions will be at the new minimum wage of \$12 per hour.
- Finance Director position will continue on a contractual basis.
- Position of Cashier has been combined with the Finance Clerk position to meet the needs of the department.

Human Resources

- Focusing on retirement benefit options by providing fiscal impacts for various options.
 - This led to the adoption of the 2:1 match by the City of Palmview last year and the Updated Service Credit in the current adopted budget.
- We were able to maintain insurance benefits for employees with the same provider after successful negotiating rates through the City's Insurance Agent of Record.
- Continues to work on Step and Grade scales for the remaining employees after implementation at the Police Department, Fire Department and Public Works.

Public Works

- Last year's budget increased starting pay for entry level positions up to \$12 per hour, a major initiative by the City Council.
 - This led to changes and increases for the department.
- Provided the stepping stone for the new Palmview Sanitation Program.

Planning and Zoning

- Current budget increased starting pay for entry level positions up to \$12 per hour, a major initiative by the City Council.
 - This led to other changes and increases for the department, including our Animal Control Officer and our Code Enforcement Officer.
- Trash billing clerks have been transferred from P&Z to the finance department.
- This department was very instrumental in launching our Sanitation Program, and started the billing back in 2021.
- This budget includes an increase of \$37,200 for animal control and \$18,000 for subscription cost. Stray animals continue to be a challenge throughout the region.

Municipal Courts

- The City passed an election for charter referendums that included stipulations for the following:
 - "The Court shall consist of one (1) Presiding Judge and two (2) Associate Judges. At least one Municipal Court Judge must be an attorney licensed to practice by the State Bar of Texas."
- Court staff increased efforts to reduce outstanding citations.
- City administration will work with Texas Workforce Solutions for seasonal help during peak collection seasons.

4. Population: 2020 CENSUS

The city's population consists of Palmview as defined by the U.S. Census Bureau. The City has had exceptional growth over the past decade, growing more than the national average. The city has grown by 189.9 % over the past decade, showing an increase of 10,370 residents from 5,460 residents according to the 2010 Census,¹ for a total population of 15,830 residents.

The City was also recognized by the Rio Grande Guardian International News Service for its amazing growth.²

² <https://riograndeguardian.com/census-2020-edinburg-alton-palmview-los-fresnos-show-big-gains/>

Lastly, while it is my sole responsibility to deliver this budget to the Palmview City Council, I must acknowledge the work and efforts put forth by all department heads and our Chief of Staff, Irma Garza. I would like to give special thanks to Art Resendez, our acting Finance Director, Arely Barrera, our Assistant Finance Director, and Jerry Villarreal, our Human Resources Director, with whom I've been working with to provide this 2024-2025 Budget Book.

Sincerely,

Michael Leo, MBA, EDFP, CPM
City Manager

ML:AR, AB, GV

xc: Annette Villarreal, City Secretary's Office

History of City

Palmview, Texas is centrally located approximately eight miles west of McAllen and is considered the largest city in Western Hidalgo County. The City of Palmview was incorporated on April 15, 1972, with a population of about 200 residents. The city's name was derived from two business establishments in the early 1970's known as Palmview Fruit Stand and thereafter, Palmview Drive In.

Palmview's founders were known as directors, serving voluntarily in an unofficial capacity from inception until the first election was held in 1983.

By 1990, the population increased to an estimated 1,818 and reached 4,107 residents by 2000. Today, the city's population has exponentially increased to 15,830 according to 2020 census data.

Palmview has also increased from 2.25 square miles up to 7.75 square miles, of which 2.89 are expressway miles with accessible ingress and egress, making it prime location for new businesses.

Palmview has also experienced an increase in permit activity. During the current Fiscal Year 2023-2024, the city issued building permits for 358 projects at an estimated value of \$16.9 million.

With one of the lowest costs of living in the nation, there are more than \$35 million in infrastructure improvements taking place which was preceded by over \$20 million in wastewater infrastructure.

The City of Palmview is a home-ruled city and has the power to ordain and establish such acts, laws, rules, regulations, resolutions, and ordinances. In 2016, the voters of Palmview approved and adopted a City Charter providing for self-governance. All powers of the city are vested in the City Council, except as otherwise provided by law or the City's Charter. The City Council consists of one Mayor and four Councilmembers elected at large, by place and they serve four-year terms.

The day-to-day operations of the city are under the direction of the City Manager, who serves as the Chief Administrative and executive officer of the city.

Population Overview

TOTAL POPULATION

15,245

Organization Chart

Financial Policies

General Fund Reserve

The City's General Fund of approximately \$10.4 million will continue to target a reserve balance of 25.0 percent of annual operating expenditures (Part V: Net Surplus). This was established on September 14, 2017, when the Council adopted a five-year program to achieve this goal (infra). This will result in operational efficiencies while establishing sound fiscal management.

Master Fee Schedule

The Master Fee Schedule (Appendix A) itemizing all municipal fees charged by Departments was initially adopted on September 14, 2017 and amended in March and November of 2018, August and September 2019, and most recently May 2021, to modify various Solid Waste Fees.

The Master Fee schedule will be modified in the upcoming weeks to reflect all approved fee changes as discussed during this budget process.

This budget does not include the Municipal Price Index (MPI) or other inflation adjustments.

Budget Amendments

The City Charter allows for budget amendments after adoption, specifically:

SECTION 5.06 BUDGET AMENDMENTS AFTER ADOPTION.

(A) If during the fiscal year the City Manager certifies that there are revenues available for appropriation in excess of those estimated in the budget, the City Council by ordinance may make supplemental appropriations for the year up to the amount of the excess.

(B) To meet a public emergency, as defined by state law, the City Council may make emergency appropriations. Such appropriations may be made by emergency ordinance in accordance with the provisions of Article III, Section 3.13 (https://codelibrary.amlegal.com/codes/palmview/latest/palmview_tx/0-0-0-205#JD_Chtr.3.13) of this Charter. To the extent that, there are no available unappropriated revenues to meet such appropriations, the City Council may by emergency ordinance authorize the issuance of emergency notes, which may be renewed from time to time. The emergency notes and renewal of those notes during any fiscal year shall be paid not later than the last day of the current fiscal year.

(C) If at any time during the fiscal year it appears probable to the City Manager that the revenues available will be insufficient to meet the amount appropriated, he shall report to the City Council without delay, indicating the estimated amount of the deficit, any remedial action taken, and recommendations as to any other steps to be taken. The City Council shall then take such further action as it deems necessary to prevent or minimize any deficit and for that purpose it may by ordinance reduce one (1) or more appropriations.

(D) At any time during the fiscal year the City Manager may transfer part or all of any unencumbered appropriation balance among programs within a department, office, or agency, but no funds may be transferred to increase a salary appropriation without the approval of the City Council. Upon written request by the City Manager, the City Council may by ordinance transfer part or all of any unencumbered appropriation balance from one department, office, or agency to another.

(E) No appropriations for debt service may be reduced or transferred, and no appropriation may be reduced below any amount required by law to be appropriated or by more than the amount of the unencumbered balance thereof. The supplemental and emergency appropriations and reduction or transfer of appropriations authorized by this Section may be made effective immediately upon adoption.

Budget Timeline

FUND SUMMARIES

Summary

The City of Palmview is projecting \$10.4M of revenue in FY2025, which represents a 16.4% increase over the prior year. Budgeted expenditures are projected to increase by 16.4% or \$1.47M to \$10.4M in FY2025.

APPENDIX

Glossary

Abatement: A reduction or elimination of a real or personal property tax, motor vehicle excise, a fee, charge, or special assessment imposed by a governmental unit. Granted only on application of the person seeking the abatement and only by the committing governmental unit.

Accounting System: The total structure of records and procedures that identify record, classify, and report information on the financial position and operations of a governmental unit or any of its funds, account groups, and organizational components.

Accrued Interest: The amount of interest that has accumulated on the debt since the date of the last interest payment, and on the sale of a bond, the amount accrued up to but not including the date of delivery (settlement date). (See Interest)

Amortization: The gradual repayment of an obligation over time and in accordance with a predetermined payment schedule.

Appropriation: A legal authorization from the community's legislative body to expend money and incur obligations for specific public purposes. An appropriation is usually limited in amount and as to the time period within which it may be expended.

Arbitrage: As applied to municipal debt, the investment of tax-exempt bonds or note proceeds in higher yielding, taxable securities. Section 103 of the Internal Revenue Service (IRS) Code restricts this practice and requires (beyond certain limits) that earnings be rebated (paid) to the IRS.

Assessed Valuation: A value assigned to real estate or other property by a government as the basis for levying taxes.

Audit: An examination of a community's financial systems, procedures, and data by a certified public accountant (independent auditor), and a report on the fairness of financial statements and on local compliance with statutes and regulations. The audit serves as a valuable management tool in evaluating the fiscal performance of a community.

Audit Report: Prepared by an independent auditor, an audit report includes: (a) a statement of the scope of the audit; (b) explanatory comments as to application of auditing procedures; (c) findings and opinions. It is almost always accompanied by a management letter which contains supplementary comments and recommendations.

Available Funds: Balances in the various fund types that represent non-recurring revenue sources. As a matter of sound practice, they are frequently appropriated to meet unforeseen expenses, for capital expenditures or other one-time costs.

Balance Sheet: A statement that discloses the assets, liabilities, reserves and equities of a fund or governmental unit at a specified date.

Betterments (Special Assessments): Whenever a specific area of a community receives benefit from a public improvement (e.g., water, sewer, sidewalk, etc.), special property taxes may be assessed to reimburse the governmental entity for all or part of the costs it incurred. Each parcel receiving benefit from the improvement is assessed for its proportionate share of the cost of such improvements. The proportionate share may be paid in full or the property owner may request that the assessors apportion the betterment over 20 years. Over the life of the betterment, one year's apportionment along with one year's committed interest computed from October 1 to October 1 is added to the tax bill until the betterment has been paid.

Bond: A means to raise money through the issuance of debt. A bond issuer/borrower promises in writing to repay a specified sum of money, alternately referred to as face value, par value or bond principal, to the buyer of the bond on a specified future date (maturity date), together with periodic interest at a specified rate. The term of a bond is always greater than one year. (See Note)

Bond and Interest Record: (Bond Register) – The permanent and complete record maintained by a treasurer for each bond issue. It shows the amount of interest and principal coming due each date and all other pertinent information concerning the bond issue.

Bonds Authorized and Unissued: Balance of a bond authorization not yet sold. Upon completion or abandonment of a project, any remaining balance of authorized and unissued bonds may not be used for other purposes, but must be rescinded by the community's legislative body to be removed from community's books.

Bond Issue: Generally, the sale of a certain number of bonds at one time by a governmental unit.

Bond Rating (Municipal): A credit rating assigned to a municipality to help investors assess the future ability, legal obligation, and willingness of the municipality (bond issuer) to make timely debt service payments. Stated otherwise, a rating helps prospective investors determine the level of risk associated with a given fixed-income investment. Rating agencies, such as Moody's and Standard and Poors, use rating systems, which designate a letter or a combination of letters and numerals where AAA is the highest rating and CI is a very low rating.

Budget: A plan for allocating resources to support particular services, purposes and functions over a specified period of time. (See Performance Budget, Program Budget)

Capital Assets: All real and tangible property used in the operation of government, which is not easily converted into cash, and has an initial useful life extending beyond a single financial reporting period. Capital assets include land and land improvements; infrastructure such as roads, bridges, water and sewer lines; easements; buildings and building improvements; vehicles, machinery and equipment. Communities typically define capital assets in terms of a minimum useful life and a minimum initial cost. (See Fixed Assets)

Capital Budget: An appropriation or spending plan that uses borrowing or direct outlay for capital or fixed asset improvements. Among other information, a capital budget should identify the method of financing each recommended expenditure, i.e., tax levy or rates, and identify those items that were not recommended. (See Capital Assets, Fixed Assets)

Cash: Currency, coin, checks, postal and express money orders and bankers' drafts on hand or on deposit with an official or agent designated as custodian of cash and bank deposits.

Cash Management: The process of monitoring the ebb and flow of money in an out of municipal accounts to ensure cash availability to pay bills and to facilitate decisions on the need for short-term borrowing and investment of idle cash.

Certificate of Deposit (CD): A bank deposit evidenced by a negotiable or non-negotiable instrument, which provides on its face that the amount of such deposit plus a specified interest payable to a bearer or to any specified person on a certain specified date, at the expiration of a certain specified time, or upon notice in writing.

Classification of Real Property: Assessors are required to classify all real property according to use into one of four classes: residential, open space, commercial, and industrial. Having classified its real properties, local officials are permitted to determine locally, within limitations established by statute and the Commissioner of Revenue, what percentage of the tax burden is to be borne by each class of real property and by personal property owners.

Collective Bargaining: The process of negotiating workers' wages, hours, benefits, working conditions, etc., between an employer and some or all of its employees, who are represented by a recognized labor union. regarding wages, hours and working conditions.

Consumer Price Index: The statistical measure of changes, if any, in the overall price level of consumer goods and services. The index is often called the "cost-of-living index."

Cost-Benefit Analysis: A decision-making tool that allows a comparison of options based on the level of benefit derived and the cost to achieve the benefit from different alternatives.

Debt Burden: The amount of debt carried by an issuer usually expressed as a measure of value (i.e., debt as a percentage of assessed value, debt per capita, etc.). Sometimes debt burden refers to debt service costs as a percentage of the total annual budget.

Debt Service: The repayment cost, usually stated in annual terms and based on an amortization schedule, of the principal and interest on any particular bond issue.

Encumbrance: A reservation of funds to cover obligations arising from purchase orders, contracts, or salary commitments that are chargeable to, but not yet paid from, a specific appropriation account.

Enterprise Funds: An enterprise fund is a separate accounting and financial reporting mechanism for municipal services for which a fee is charged in exchange for goods or services. It allows a community to demonstrate to the public the portion of total costs of a service that is recovered through user charges and the portion that is subsidized by the tax levy, if any. With an enterprise fund, all costs of service delivery--direct, indirect, and capital costs—are identified. This allows the community to recover total service costs through user fees if it chooses. Enterprise accounting also enables communities to reserve the

"surplus" or net assets unrestricted generated by the operation of the enterprise rather than closing it out to the general fund at year-end. Services that may be treated as enterprises include, but are not limited to, water, sewer, hospital, and airport services.

Equalized Valuations (EQVs): The determination of the full and fair cash value of all property in the community that is subject to local taxation.

Estimated Receipts: A term that typically refers to anticipated local revenues often based on the previous year's receipts and represent funding sources necessary to support a community's annual budget. (See Local Receipts)

Exemptions: A discharge, established by statute, from the obligation to pay all or a portion of a property tax. The exemption is available to particular categories of property or persons upon the timely submission and approval of an application to the assessors. Properties exempt from taxation include hospitals, schools, houses of worship, and cultural institutions. Persons who may qualify for exemptions include disabled veterans, blind individuals, surviving spouses, and seniors.

Expenditure: An outlay of money made by municipalities to provide the programs and services within their approved budget.

Fiduciary Funds: Repository of money held by a municipality in a trustee capacity or as an agent for individuals, private organizations, other governmental units, and other funds. These include pension (and other employee benefit) trust funds, investment trust funds, private- purpose trust funds, and agency funds.

Fixed Assets: Long-lived, assets such as buildings, equipment and land obtained or controlled as a result of past transactions or circumstances.

Fixed Costs: Costs that are legally or contractually mandated such as retirement, FICA/Social Security, insurance, debt service costs or interest on loans.

Float: The difference between the bank balance for a local government's account and its book balance at the end of the day. The primary factor creating float is clearing time on checks and deposits. Delays in receiving deposit and withdrawal information also influence float.

Full Faith and Credit: A pledge of the general taxing powers for the payment of governmental obligations. Bonds carrying such pledges are usually referred to as general obligation or full faith and credit bonds.

Fund: An accounting entity with a self-balancing set of accounts that are segregated for the purpose of carrying on identified activities or attaining certain objectives in accordance with specific regulations, restrictions, or limitations.

Fund Accounting: Organizing financial records into multiple, segregated locations for money. A fund is a distinct entity within the municipal government in which financial resources and activity (assets, liabilities, fund balances, revenues, and expenditures) are accounted for independently in accordance with specific regulations, restrictions or limitations. Examples of funds include the general fund and enterprise funds. Communities whose accounting records are organized according to the Uniform Municipal Accounting System (UMAS) use multiple funds.

GASB 34: A major pronouncement of the Governmental Accounting Standards Board that establishes new criteria on the form and content of governmental financial statements. GASB 34 requires a report on overall financial health, not just on individual funds. It requires more complete information on the cost of delivering value estimates on public infrastructure assets, such as bridges, road, sewers, etc. It also requires the presentation of a narrative statement the government's financial performance, trends and prospects for the future.

GASB 45: This is another Governmental Accounting Standards Board major pronouncement that each public entity account for and report other postemployment benefits in its accounting statements. Through actuarial analysis, municipalities must identify the true costs of the OPEB earned by employees over their estimated years of actual service.

General Fund: The fund used to account for most financial resources and activities governed by the normal appropriation process.

General Obligation Bonds: Bonds issued by a municipality for purposes allowed by statute that are backed by the full faith and credit of its taxing authority.

Governing Body: A board, committee, commission, or other executive or policymaking body of a municipality or school district.

Indirect Cost: Costs of a service not reflected in the operating budget of the entity providing the service. An example of an indirect cost of providing water service would be the value of time spent by non-water department employees processing water bills. A determination of these costs is necessary to analyze the total cost of service delivery. The matter of indirect costs arises most often in the context of enterprise funds.

Interest: Compensation paid or to be paid for the use of money, including amounts payable at periodic intervals or discounted at the time a loan is made. In the case of municipal bonds, interest payments accrue on a day-to-day basis, but are paid every six months.

Interest Rate: The interest payable, expressed as a percentage of the principal available for use during a specified period of time. It is always expressed in annual terms.

Investments: Securities and real estate held for the production of income in the form of interest, dividends, rentals or lease payments. The term does not include fixed assets used in governmental operations.

Line Item Budget: A budget that separates spending into categories, or greater detail, such as supplies, equipment, maintenance, or salaries, as opposed to a program budget.

Local Aid: Revenue allocated by the state or counties to municipalities and school districts.

Maturity Date: The date that the principal of a bond becomes due and payable in full.

Municipal(s): (As used in the bond trade) "Municipal" refers to any state or subordinate governmental unit. "Municipals" (i.e., municipal bonds) include not only the bonds of all political subdivisions, such as cities, towns, school districts, special districts, counties but also bonds of the state and agencies of the state.

Note: A short-term loan, typically with a maturity date of a year or less.

Objects of Expenditures: A classification of expenditures that is used for coding any department disbursement, such as "personal services," "expenses," or "capital outlay."

Official Statement: A document prepared for potential investors that contains information about a prospective bond or note issue and the issuer. The official statement is typically published with the notice of sale. It is sometimes called an offering circular or prospectus.

Operating Budget: A plan of proposed expenditures for personnel, supplies, and other expenses for the coming fiscal year.

Overlapping Debt: A community's proportionate share of the debt incurred by an overlapping government entity, such as a regional school district, regional transit authority, etc.

Performance Budget: A budget that stresses output both in terms of economy and efficiency.

Principal: The face amount of a bond, exclusive of accrued interest.

Program: A combination of activities to accomplish an end.

Program Budget: A budget that relates expenditures to the programs they fund. The emphasis of a program budget is on output.

Purchased Services: The cost of services that are provided by a vendor.

Refunding of Debt: Transaction where one bond issue is redeemed and replaced by a new bond issue under conditions generally more favorable to the issuer.

Reserve Fund: An amount set aside annually within the budget of a town to provide a funding source for extraordinary or unforeseen expenditures.

Revaluation: The assessors of each community are responsible for developing a reasonable and realistic program to achieve the fair cash valuation of property in accordance with constitutional and statutory requirements. The nature and extent of that program will depend on the assessors' analysis and consideration of many factors, including, but not limited to, the status of

the existing valuation system, the results of an in-depth sales ratio study, and the accuracy of existing property record information.

Revenue Anticipation Note (RAN): A short-term loan issued to be paid off by revenues, such as tax collections and state aid. RANs are full faith and credit obligations.

Revenue Bond: A bond payable from and secured solely by specific revenues and thereby not a full faith and credit obligation.

Revolving Fund: Allows a community to raise revenues from a specific service and use those revenues without appropriation to support the service.

Sale of Real Estate Fund: A fund established to account for the proceeds of the sale of municipal real estate other than proceeds acquired through tax title foreclosure.

Stabilization Fund: A fund designed to accumulate amounts for capital and other future spending purposes, although it may be appropriated for any lawful purpose.

Surplus Revenue: The amount by which cash, accounts receivable, and other assets exceed liabilities and reserves.

Tax Rate: The amount of property tax stated in terms of a unit of the municipal tax base; for example, \$14.80 per \$1,000 of assessed valuation of taxable real and personal property.

Tax Title Foreclosure: The procedure initiated by a municipality to obtain legal title to real property already in tax title and on which property taxes are overdue.

Trust Fund: In general, a fund for money donated or transferred to a municipality with specific instructions on its use. As custodian of trust funds, the treasurer invests and expends such funds as stipulated by trust agreements, as directed by the commissioners of trust funds or by the community's legislative body. Both principal and interest may be used if the trust is established as an expendable trust. For nonexpendable trust funds, only interest (not principal) may be expended as directed.

Uncollected Funds: Recently deposited checks included in an account's balance but drawn on other banks and not yet credited by the Federal Reserve Bank or local clearinghouse to the bank cashing the checks. (These funds may not be loaned or used as part of the bank's reserves and they are not available for disbursement.)

Undesignated Fund Balance: Monies in the various government funds as of the end of the fiscal year that are neither encumbered nor reserved, and are therefore available for expenditure once certified as part of free cash.

Unreserved Fund Balance (Surplus Revenue Account): The amount by which cash, accounts receivable, and other assets exceed liabilities and restricted reserves. It is akin to a "stockholders' equity" account on a corporate balance sheet. It is not, however, available for appropriation in full because a portion of the assets listed as "accounts receivable" may be taxes receivable and uncollected. (See Free Cash)

Valuation (100 Percent): The legal requirement that a community's assessed value on property must reflect its market, or full and fair cash value.
