Presentation and Consideration of the FY 2023-2024 Recommended

Budget

Ladies and Gentlemen:

In accordance with the Henderson City Charter and the Statutes of the State of North Carolina, the FY 2023-24 Recommended Budget is herewith submitted to the City Council for its review, deliberation, amendments and adjustments as deemed appropriate, and adoption prior to July 1st. The City Administration looks forward to working with the Mayor and members of City Council on the budget during the next several weeks, and helping it achieve a spending plan which addresses the needs and aspirations of both the community and municipal organization.

OVERVIEW

State law requires localities adopt and operate within a balanced budget at all times. To that end, revenues have shown some growth, but continue to be projected in a conservative manner and expenditures have been limited to capital needs. Revenues in the Enterprise Funds continue to remain stable and there have been increases in real and personal property values. FY 22 collections trended down from FY 21, but a property tax revaluation in FY 23 should positively affect the General Fund projected tax revenue.

Many projects continue towards completion and other initiatives such as the outdoor pavilion are in the final construction phase which will further our goals for downtown development. With new retail outlets and new housing developments on the horizon, the City is positioned to strengthen its economic base.

GENERAL FUND

The General Fund recommended budget for FY 2023-24 is \$23,487,034

Revenues

- Personal property and real property tax is gaining value, and signs of new growth are taking shape. The tax rate is recommended to remain at .712 per \$100 of property value.
 - 2022 City Value (property, personal, utilities, and gap) \$839,213,376
 - 2023 City Value (property, personal, utilities, and gap) \$837,990,357
- The tax collection rate reported in our FY 22 held steady at 97.57% from the previous year of 97.59% and collections for FY 23 are tracking ahead of last year.
- Revenues from sales tax and other hold harmless taxes have continued to surpass previous year's marks.
- Appropriation of \$2,550,000 of Fund Balance. This is a slight reduction from what was recommended last year, but the use of ARPA funds will need to be used to balance the budget. Per the City's 2022 audit, the fund balance remained sound and well above the minimum requirements as set by the Local Government Commission (LGC).
- As part of the budget process, some changes in the schedule of fees and revenues are expected for FY 24.
- Provided that the City will eventually establish a storm-water utility fee, this will help fund much needed stormwater infrastructure projects for future budgets.

Highlights on the expenditure side of the General Fund are as follows:

- Some ARPA appropriations will assist in funding targeted CIP initiatives that may include IT systems replacement, Food Truck Court, McGregor Hall signs, the Outdoor Pavilion enhancements.
- The Police Department law enforcement officers currently receive a 5.0% 401-K match as mandated by state law. Salary enhancements have been put into place to improve retention and longevity.
- Downtown Development Commission (DDC) - \$25,000 is proposed to pay for continued funding of downtown development incentives and grants.
- Capital outlay of equipment in the Police Department and Fire Department is a combination of lease purchase and outright purchase:

- Police Department — replacement vehicles — to be loan purchased over a five-year period with the first payment due in FY 25. Radios, computers, and vehicle upfit items are budgeted for equipment.
- Information Technology — Cyber security/data storage.
- Fire Department – New fire engine.
- Redevelopment – Property development and rehab for revitalization and economic opportunity.
- Includes funding of \$100,000 for Economic Development Incentive grants.
- Funding for outside local agencies such as Crime Stoppers, Boys and Girls Club and Arts Council.
- Funding for shared programs with Vance County such as Board of Elections, Tax Office, E-911 and H. Leslie Parham Library.

REGIONAL WATER

The Regional Water Fund Budget is proposed at \$5,626,125; a slight increase from the current year budget. Regional Water production has remained steady throughout the past fiscal year.

Expense highlights are as follows:

- Rate increases will be incorporated as part of the financial model for the plant expansion project.
- Funds in the amount of \$1,350,000 will be placed in Regional Water Reserve.
- Capital Outlay in the total amount of \$307,000 for motors, pumps and incubator.

WATER FUND

The Water Fund budget is proposed at \$8,015,470 which is a slight increase from the past year. Highlights of the Water Fund are as follows:

- No rate increase is proposed.
- Capital Outlay - 3 service trucks.

SEWER FUND

The Sewer Fund budget is proposed at \$5,574,250 which is a slight increase from the past year. No use of Rate Stabilization funds is proposed to be used this year.

Some highlights of the expense side include funding for the following:

- No rate increase is proposed.
- Capital Outlay - Combo sewer cleaner truck shared between Sewer Collection and Sewer Collection I&I.

EMPLOYEE PAY AND OTHER BENEFITS CONSIDERED IN THE FY 24 BUDGET:

Personnel - Salaries and wages continue to be a major concern for the City in many departments as we must find ways to increase our competitiveness to hire and retain the best staff. For FY24 a \$1,500 bonus is recommended for full time staff.

Health insurance — The City maintains its association with insurance broker, Mark III, as negotiations continue to establish the FY 24 benefits.

Proposed Monthly Premium per Employee with \$5,000 deductible:

\$693.24 – With an HRA offering of \$1,500 (after \$3,500 met).

Worker's Compensation - The City has received an estimated premium for Worker's Compensation insurance rates from the League of Municipalities which represents a slight increase from last year, but lower than what has been initially budgeted.

Debt — Other than the KLRW plant upgrade, which will increase the debt service in the future, and current long-term projects already forecasted for years to come, no other major projects have been added to our debt facility.

Combining all funds, this represents a combined budget of \$44,830,579. Whereas not all needs are met, as in most budgets, I believe this budget represents further positive steps in areas not funded previously which will help the City continue to grow and reach its full potential. We must continue to work towards innovative ways to promote and energize redevelopment initiatives now to position the City to be ready for near-future business prospects and citizenship.

Again, I appreciate the opportunity to work for the City of Henderson in providing a high level of service that our citizens deserve and look forward to working with the staff in carrying out the necessary work to ensure that our goals are realized as outlined in the Strategic Plan.

I want to take this opportunity to especially thank our Finance department staff. I am extremely grateful in the team's efforts in putting this budget together as well as the cooperation of the Department Directors.

I welcome your suggestions and comments as we prepare for our Budget Hearing as well as upcoming meetings, as needed, to discuss this proposed budget.

Sincerely,

A handwritten signature in cursive script, reading "Terrell T. Blackmon".

Executive Summary

The purpose of this strategic plan is to provide a framework, overall direction, and specific guidance to the city staff.

The city council of the City of Henderson, with support from staff, held a strategic planning board retreat on February 24 and 25, 2022. Chris Aycock, President of The Aycock Group, was engaged to facilitate the strategic planning process and create this strategic planning document.

First, the city manager presented a report on “the state of the city.” Secondly, the department heads presented valuable information. Then the city council completed a SWOT (analysis of external opportunities and threats, and internal analysis of strengths and weaknesses).

Based on this foundation, the city council established four priorities. Priorities are not listed in order of importance.

Priority 1. Improve the perception of the city.

Priority 2. Attract and retain employees with a focus on succession planning.

Priority 3. Encourage housing stock that is diverse, safe, and affordable.

Priority 4. Promote economic development/develop and revitalize downtown.

The city council developed specific objectives for each of the four priorities to provide guidance and specific direction on how these priorities should be addressed. These are included in this strategic plan.

The city council will formally monitor this strategic plan quarterly at board meetings and update this strategic plan in 2023.

The city council of The City of Henderson values continuous improvement, investing in their staff, and actively listening to their citizens. They proudly seek to serve the needs, opportunities, and desires of the people of their great city.

The Strategic Plan

The priorities are not listed in order of importance.

Priority 1 Improve the perception of the city.

Objective 1A: The city manager will present manpower options to the city council for a specific person (internally or on contract) to coordinate the methods, and partnerships needed to remove litter (budget process, Feb.--June 2022).

Objective 1B: Collaborate with The Henderson-Vance County Chamber of Commerce on enhancing the attractiveness of the city including removing litter. The city manager and council members will meet with The Chamber of Commerce (by the end of April 2022).

Objective 1C Enhance the safety and beauty of the city.

- Increase the police presence in high crime areas. In addition, encourage the use of community watch.
- Place slow down road signs on identified streets by 6/30/23.
- Encourage youth groups, schools, churches, and others to participate in the beautification of their city.
- Partner more effectively with the Vance County Sheriff's Office.

Objective 1D: Each council member will hold quarterly ward meetings.

Objective 1E: Complete the beautification of the entry ways to the city around North Carolina Highway 39 and by Raleigh Road by 6/30/24.

Priority 2. Attract and retain employees and focus on succession planning.

Objective 2A: The city manager will evaluate the feasibility of using funds from The American Rescue Plan (ARP) for employee compensation. The city manager will present his recommendations to the city council by 6/30/22.

Objective 2B: Develop options for flexible hours, incentives, internships, open houses, and professional development plans. The manger will present options to the city council by 6/30/23.

Objective 2C: Benchmark methods other cities and counties are using to attract and retain employees and promote succession planning.

Objective 2D: Review and update the City's Human Resources policy manual by 6/30/24.

Priority 3. Encourage housing stock that is diverse, safe, and affordable.

Objective 3A: The manager will create a listing of landlords and their properties by 6/30/22.

Objective 3B: The council will establish or affirm a policy regarding landlord registration.

Objective 3C: The council will review code enforcement policies and update as needed by 12/31/22. The city will enforce the code consistently and equitably.

Objective 3D: Continue to find grants to benefit the quality of life for employees and the citizens as a whole including exploring funding options for housing through The American Rescue Plan (ARP).

Priority 4: Promote economic development/develop and revitalize downtown.

Objective 4A: Develop and revitalize downtown.

- Evaluate the possibility of new uses for current vacant buildings.
- Assess potential incentives for businesses.
- Recognize the contributions of current businesses.
- Build on current efforts to have young people be engaged and have a voice in their city government.

Objective 4B: Support the S-Line Project.

Objective 4C: Explore options for the use of shell buildings and the use of incentives.

Objective 4D: The manager will provide recommendations on the feasibility of the city buying identified properties by 6/30/2022.

BUDGET GUIDE

The FY 2023-24 Budget has been prepared in a reader friendly, program-oriented budget format. The following summary provides information on how the reader might best understand the budget by first explaining the format of the budget.

The budget describes recommended City services and revenue sources proposed for the fiscal year beginning 1 July 2023 and ending 30 June 2024. Adopting an annual budget is one of the most important tasks the Mayor and City Council undertake each year. Indeed, it is the single most important policy document that the Mayor and Council will approve. It is through the adoption and implementation of the budget that the interests and values of our community are translated into plans for and the service delivery of programs, projects, services, and resources intended to benefit the citizens of Henderson.

- This book is divided into sections.
- Read the Budget Calendar found on *page BG-8*. All budget work sessions are open to the public and the public is cordially invited to attend.
- Read the Budget Process and Accounting Policies beginning on *page BG-2*.
- This document provides information on the overall budget and identifies major policy recommendations and shifts in policy direction found within the budget document.
- Read the Program Narratives for each budget division. These narratives will provide the reader with information about the division's purpose and budget highlights.
- Read the Glossary found in *Appendix A*. The Glossary provides definitions for various words and phrases used within the budget that may not be generally understood by the lay reader.
- If you have any questions about the budget, please feel free to contact the City Manager at (252) 430-5701.

BUDGET ADOPTION

The City of Henderson's annual operating budget is adopted by ordinance in accordance with the North Carolina Local Government Budget and Fiscal Control Act (LGBFCA) which states that estimated revenues and appropriated fund balances equal appropriations. The budget is developed on a cash basis, including only expenditures and revenues expected to be realized during the fiscal year. State statute also sets the fiscal year as beginning July 1 and ending June 30: therefore, the City Council must adopt a budget prior to July 1st of each year.

ACCOUNTING POLICIES

Summary

The accounting policies of the City of Henderson conform to generally accepted accounting principles (GAAP) as applicable to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The following is a summary of the more significant accounting policies:

Reporting Entity

The City of Henderson is a Municipal Corporation governed by an elected mayor and an eight-member council.

ACCOUNTING POLICIES (CONT.)

Fund Accounting

The accounts of the City are organized and operate on the basis of funds and account groups. A fund is an independent fiscal and accounting entity with a self-balancing set of accounts comprised of assets, liabilities, fund equity, revenues, and expenditures or expenses, as appropriate. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance-related legal and contractual provisions. The minimum number of funds is maintained consistent with legal and managerial requirements. The account groups are not funds but are a reporting device used to account for certain assets and liabilities of the governmental funds that are not recorded directly in those funds. The City uses the following fund categories:

Governmental Funds

Governmental Funds are used to account for the City's governmental functions. Governmental funds include the following fund types:

General Fund - The General Fund is the general operating fund of the City. It is used to account for all financial resources except those required to be accounted for in another fund. The primary revenue sources are ad valorem taxes and State-shared revenues. The primary expenditures are for public safety, streets, sanitation, parks and recreation, and general government services.

Powell Bill Fund - The Powell Bill Fund serves as a transfer account for expenditures incurred with Powell Bill Street allocations for accounting purposes.

Grant Revenue Funds – The Grant Revenue Funds are used to account for the proceeds of specific revenue sources (other than special assessments, expendable trusts, or major capital projects) that are legally restricted to expenditures for specified purposes.

Capital Projects Funds - Capital Projects Funds account for financial resources to be used for the acquisition and construction of major capital facilities (other than those financed by proprietary funds and trust funds). The City has two Capital Projects funds within its governmental fund types, the General Capital Projects Fund, and the Powell Bill Capital Projects Fund.

Proprietary Funds

Enterprise Fund - The Enterprise Fund is used to account for operations (a) that are financed and operated in a manner similar to private business enterprises - where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods and services to the general public on a continuing basis be financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes. The Enterprise Fund includes the Water Fund, Regional Water System Fund, Sewer Fund, Capital Reserve

Utilities Fund, Capital Reserve Regional Fund, and Water, Sewer, and Regional Water Capital Project Funds.

Fiduciary Fund

Pension Trust Fund - The Pension Trust Fund accounts for the Law Enforcement Officers' Special Separation Allowance enacted by the State Legislature and effective January 1, 1987.

BASIS OF BUDGETING

In accordance with the North Carolina General Statutes, the City is required to budget and account for its funds on the modified accrual basis of accounting. Under this method, revenues are recognized in the accounting period in which they become available. Expenditures are recognized in the accounting period in which the goods and services are received (except for unmatured interest on general long-term debt, which is recognized when due). The City's accounting records for general governmental operations are reported on the modified accrual basis. Enterprise and pension trust operations are reported on the accrual basis.

The General Statutes also provide for balanced project ordinances for the life of the projects, including both capital and grant activities, which are expected to extend beyond the end of the fiscal year. The budgeted appropriations for capital and grant projects do not lapse until the completion of the project, while appropriations for funds that adopt annual budgets lapse at the end of the fiscal year.

In keeping with state law, the budget is prepared and accounted for on a modified accrual basis for the general fund, enterprise funds, and the Powell Bill fund. All other funds, including capital project and grant funds adopt multi-year budgets.

In keeping with Generally Accepted Accounting Principles (GAAP), financial statements for proprietary funds are prepared on a full accrual basis. A reconciliation of the full accrual basis to modified accrual basis (budgetary basis) is included in the annual financial statements for enterprise funds.

Budget Structure

Fund Accounting, required for governmental units, is the style of accounting used to segregate and account for restricted resources. The City of Henderson develops its source and use of funds estimates contained in the annual budget in a manner that follows general accepted accounting principles (GAAP). The budget is organized on the basis of funds, each of which is considered a separate budgetary and accounting entity. Governmental resources are accounted for in individual funds based upon the purposes for which they are to be spent.

The primary focuses of most budget documents are the revenue and expenditure appropriations. The City's operating expenditures are organized into the following hierarchy: Funds, Departments, Categories and Line Items. To better understand the budget documents, the terms in the City's financial structure should be understood.

FUNDS

The budget is organized on the basis of funds, each of which is considered a separate budgetary and accounting entity. Government resources are allocated to, and accounted for, in individual funds based upon the purposes for which they are to be spent.

- A. OPERATING BUDGET - The City of Henderson's annual budget is adopted as required by the North Carolina General Statutes. The annual budget is divided into twelve separate funds as indicated below:

Governmental Funds

10: General Fund - handles the general operations of the City such as administration, police protection, fire services, planning/zoning, recreational programs, street maintenance, sanitation services and Elmwood Cemetery operations. Resources are provided primarily through ad valorem taxes and intergovernmental revenues and are expended for services which are not compatible with a user fee financing method.

11: Powell Bill Fund - serves as a transfer account to properly account for expenditures incurred with Powell Bill Street Allocations. This annual State allocation is restricted to street, sidewalk and right-of-way maintenance, resurfacing and the purchase of equipment directly related to streets and right-of-ways. Transfers are made monthly to the General Fund or Capital Improvement Project Fund for the expenses incurred for these specific uses.

Enterprise Funds

30: Water Enterprise Fund - accounts for the provision of water services to utility customers and the revenue associated with the distribution of this water service. This enterprise fund is operated in a manner similar to private business enterprise. This fund is fully self-supporting by user charges for its service.

31: Sewer Enterprise Fund - provides for the activities necessary to furnish sewer treatment, sanitary sewer collection and inflow and infiltration of sewer. This enterprise fund is operated in a manner similar to private business enterprise. This fund is fully self-supporting by user charges for its service.

64: Regional Water System Fund - accounts for all revenue and expenditure sources to the City's Kerr Lake Regional Water System which is under the control of Henderson (60%), Oxford (20%) and Warren County (20%). The City of Henderson as the majority and controlling partner operates the system which serves over 40,000 customers for the joint use and benefit of all three entities and their respective service areas.

Capital Reserve Funds

70: Capital Reserve Utilities Fund - provides for the accumulation of revenues for future expansion and/or construction of water and sewer system and related improvements.

72: Capital Reserve General Fund - provides for the accumulation of revenues for future large capital equipment purchases and/or construction of facilities normally funded through General Fund resources including infrastructure components such as streets, sidewalks, storm drainage systems, public buildings, etc.

73: Capital Reserve Economic Development Fund - provides for a small reserve for economic development grant matches and incentives. It has no fund balance since the fund is just now being established.

78: *Capital Reserve Regional Water Fund* - consolidates three Regional Capital Reserve Funds into one. 75: Capital Reserve Regional Water COE, 76: Capital Reserve Regional Water 20 MGD and 77: Capital Reserve Regional General.

79: *Capital Reserve Rate Stabilization Fund* - was established in March 2012 for the purpose of reserving money for rate stability while performing potential upgrades in the water and sewer systems.

FUNDS CONTINUED

- B. **CAPITAL IMPROVEMENT PROJECTS FUND BUDGETS** - The Capital Improvement Projects fund budgets account for financial resources to be used for the acquisition and construction of major capital facilities (other than those financed by proprietary funds and trust funds). The City has two Capital Projects Funds within its governmental fund type (General and Powell Bill), and three Capital Projects Funds within its proprietary fund type (Water, Sewer & Regional Water). Capital Improvement Projects Fund projects are not considered to be part of the annual budget process since these projects remain “open” for the life of the project.

Governmental Funds

41: *General Capital Improvement Projects Fund* - accounts for the costs of general projects currently in the planning and/or construction stage.

42: *Powell Bill Capital Improvement Projects Fund* - accounts for the costs of Powell Bill projects currently in the planning and/or constructions stage.

Proprietary Funds

43: *Water Capital Improvements Projects Fund* - accounts for the costs of water projects currently in the planning and/or construction stage.

44: *Sewer Capital Improvements Projects Fund* - accounts for the costs of sewer projects currently in the planning and/or construction stage.

46: *Regional Water Improvements Projects Fund* - accounts for the costs of Regional Water projects currently in the planning and/or construction stage.

- C. **GRANT PROJECT FUNDS** - Grant Project Funds are projects that are set up by project ordinances that are funded in full or in part by Federal or State funds and have more than one year duration.

EXPENDITURE CLASSIFICATION

Departments are divisions of a fund that are responsible for performing specific government functions within their area of accountability. The departments represent the highest level of summarization used in the City's budget structure. Each department is divided by department budget as noted below:

Fund Department

- A. **General Fund:** Governing Body, City Attorney, Administration, Human Resources, Finance, Development Services, Henderson-Vance Downtown Development, Public Buildings, Bennett Perry House, IT Services, Police, Fire, Admin/Public Works, Garage, Cemetery, Street, Sanitation, Recreation, Recreation/Youth Services, Aycock Aquatics Center, Non-Departmental, Vance County Shared Programs, Contribution to Local Agencies and Debt Service.
- B. **Water Fund:** Engineering, Water Distribution, Administrative, Customer Service, Non-Departmental and Debt Service.
- C. **Sewer Fund:** Wastewater Treatment, Sewer Collection, I & I, Non-Departmental and Debt Service.
- D. **Regional Water Fund:** Water Treatment, Non-Departmental and Debt Service.
- E. **Capital Reserve:** Utilities, General Fund, Economic Development, Regional Water and Rate Stabilization

DEPARTMENTAL EXPENDITURES CATEGORIES

Each department is broken down into four categories:

- A. **Personnel Services** includes salaries and wages (full-time and part-time), pensions, health insurance, merit and other fringe benefits.
- B. **Operating** pertains to the daily operations that provide basic governmental services such as supplies, utilities, materials and travel.
- C. **Debt Service** includes appropriated principal and interest payments for any outstanding debt within each funds department.
- D. **Capital Outlay** includes funds for the purchase of equipment, land or other fixed assets valued at more than \$1,000 with a lifespan of at least 5 years.

LINE ITEMS

Each budget consists of individual line items which identify specific expenditures and revenues. Line items are the most detailed way to list budget information.

BUDGET AMENDMENTS

Throughout the fiscal year, adjustments to the original budget ordinance may become necessary to meet changing circumstances, better carry out planned programs and provide for new Council initiatives. Two types of changes can occur – budget amendments and budget transfers. Such changes are required at the line-item level of the budget underlying the budget ordinance.

A budget amendment increases or decreases the revenue and expenditures of an appropriated fund (this may involve decreases or increases in revenue and expenditures or shifting of monies between funds). Budget amendments, in accordance with North Carolina Statute 159-15, require the approval of City Council. Amendment requests are submitted to the Finance Department and approved by the City Manager prior to submittal to City Council.

BUDGET TRANSFERS

A budget transfer changes line-item appropriations within a particular fund without changing the fund total. Interdepartmental budget transfers are prepared by the Department Directors. All transfer actions are reviewed and approved by both the Finance Director and the City Manager.

BUDGET CALENDAR

The City of Henderson begins its annual budget process early in the fiscal year, with the distribution of the Capital Improvements Program (a ten year planning document), and the annual operating budget instructions and forms to Department Directors and Local Agencies.

The Department Directors have approximately three (3) months to concentrate on developing goals and objectives, requesting expenses and justifying any capital outlay for their department for the upcoming fiscal year.

After reviewing initial development requests, the City Manager and select staff meet with Department Directors. These informal meetings allow Department Heads to fully explain their requests and respond to questions from the City Manager. After these review meetings, expenditure and revenue decisions are made and line item recommendations are put into draft form, and presented to the Mayor, City Council and Department Directors.

Several Council/Staff work sessions are held that focus on the Operating and CIP Budgets for the upcoming year. Council directives are stated during these meetings and then incorporated into each budget document.

A public hearing on the proposed budget is held in June prior to budget adoption. Citizen concerns are voiced to the Mayor and Council at this public hearing. The budget is adopted at the City Council's last regular meeting in June or at a special called meeting set for the purpose of adopting the budget subsequent to the Budget hearing.

September	Final Budget/CIP Summary printed and distributed to City Council, Staff and appropriate agencies
October	Budget instructions and forms are distributed to Department Directors and Local Agencies
January	City Council develops goals and objectives during their Strategic Planning Retreat
February	City Manager reviews Department Budget requests with the Department Directors
March	Funding requests from Local Agencies are due
April	Year-end revenue estimates are projected for current budget year Revenue projections for the upcoming budget year are developed Adjustments to all budgets, revenue projections, etc. necessary to balance budget Follow-up with individual Department Heads as needed and subject to City Manager's discretion
May	Budget Summary Draft prepared and presented to City Council at either a Regular Council Meeting or a Special Called Meeting. Budget Work Sessions held with Department Directors and Council for budget review Budget Hearing
June	Budget Adoption Notification to Local Agencies/Organizations who requested appropriation of City funds of funding status
July 1	New Fiscal Year begins

CITY OF HENDERSON, N C
FY 23-24
ANNUAL FEE SCHEDULE

Approved Budget

THIS PAGE INTENTIONALLY LEFT BLANK

**Annual Fee Schedule
FY 23-24**

Code Compliance

Chapter 21 (Minimum Housing Code)

Sec. 21-20. - Certificate of minimum housing compliance.

Minimum Housing Inspection	1st Inspection Fee	Subsequent Re-inspection Fee
	FREE	\$50.00
*Minimum Housing Civil Penalty	Initial Violation Fee	After 3rd day of noncompliance
	\$500.00	\$10.00 per day until max of \$4,500

Chapter 21A (Abandoned Structure)

Sec. 21A-8. - Cost of removal or demolition to be lien on premises

Administrative Costs	Cost	Comments
Preliminary work in ascertaining owner of property	\$150.00 (or greater amount actually paid by the city)	Completed by a contracted attorney
Inspection of the property to ascertain condition	\$50.00	Completed by Code Compliance staff
Notice of complaint and/or of hearing issued by the city (cost per each notice)	\$40.00	Prepared by Code Compliance staff
Conduct hearing (cost per each hearing)	\$20.00	Held by Code Compliance staff
Findings of fact and/or order issued by the city (cost per each order)	\$40.00	Prepared by Code Compliance staff
Order issued by city council	\$100.00	Prepare notice and order for city council and appearance of Code Compliance staff at city council meeting

Implementation Costs	Cost
Removal of nuisance (ordered demolition)	Actual charge paid to third parties for the respective action authorized (plus a five (5) percent administrative fee in addition to actual charge)
Reimbursement Costs	Cost
Certified letters (per each individual letter)	\$5.00 (or greater amount city actually paid)
Newspaper notices (per notice)	\$175.00 (or greater amount city actually paid)
Recording fees (per document)	\$45.00 (or greater amount city actually paid)
Allowances for Delinquent Accounts	Cost
Percentage increase in total , amount due	10% percent

*Abandoned Civil Penalty	Initial Violation Fee	After 3rd day of noncompliance
	\$500.00	\$10.00 per day until max of \$4,500

Chapter 21D (Non-Residential Code)

*Non-Residential Civil Penalty	Initial Violation Fee	After 3rd day of noncompliance
	\$500.00	\$10.00 day until max of \$4,500

Chapter 23 (Weeded Lot)

Sec. 23-8. - Costs of abatement; when due; lien.

The cost incurred by the city in removing or otherwise remedying a public nuisance shall be charged to the owner(s) of the lot or parcel of land. The costs incurred by the city shall be as set out below and are designed to include an administrative cost reflecting the typical time spent on processing these complaints through various stages in the proceedings, and an implementation cost reflecting the time spent in clearing the lot or otherwise removing the nuisance; a reimbursement for costs of notice and publication, and an allocation for delinquent accounts under this chapter.

These costs are set out by the stage of the proceeding which is reached or the service rendered and are as follows. The costs under each of the categories, to wit, administrative costs, implementation costs, etc., are to be added together.

	Cost	Comment
Administrative Costs		
Notice and order issued by department director, but not appealed, nuisance removed by owner	\$0	
Notice and order issued by department director, no appeal taken, nuisance removed by city	\$100	intended to cover costs of determining ownership, investigating site, preparation of notice and order, scheduling work
Order issued by city council, nuisance removed by owner	\$80	intended to cover staff preparation and meeting time before council
Order issued by city council, nuisance removed by city	\$120	intended to cover staff preparation and meeting time before council and cost of scheduling work, preparing notice of lien
Implementation Costs		
Per hour, or any part thereof, in removing or abating any nuisance	\$40	
Reimbursement Costs		
Registered letters (per letter)	\$3	
Newspaper notices (per notice)	\$175	reflects both newspaper costs and administrative costs in preparing and publishing the notice
Allowance for Delinquent Accounts		
Percentage increase total amount due	25%	
*(Weeded Lot) Civil Penalty	FEE	
	After 7 days of Non-Compliance, \$50.00 per day maximum of \$ 500.00	

**All Civil Penalty Fees go to School System*

Late Fee (One Time Waiver within a rolling 12 month period with Good Standing History).....	\$12.00
Service Fee.....	\$13.00
Non-Payment Fee.....	\$25.00
Security Deposits (see below)	
Failure to Provide Social Security Card	\$50.00

Schedule for Water and Sewer Security Deposits				
Approved Ordinance 13-10 March 11, 2013				
Residential In-City		Current	R-Tier 1 Deposit	R-Tier 2 Deposit
	Water, Sewer & Sanitation		\$150.00	2.5 times average monthly bill
	Water & Sewer Only (for those living in apartment complexes providing commercial green boxes)		\$150.00	2.5 times average monthly bill
	Water or Sewer & Sanitation		\$150.00	2.5 times average monthly bill
Residential Out-of-City				
	Water & Sewer		\$200.00	2.5 times average monthly bill
	Water Only		\$150.00	2.5 times average monthly bill
	Sewer Only		\$200.00	2.5 times average monthly bill
	R-Tier 1 Deposit is the deposit required by any new residential customer establishing an account and not able to provide a satisfactory letter of good payment history from his/her most recent water/sewer utility provider. Additionally, any existing residential customer as of the effective date of this Ordinance (1 April 2013) whose service is subject to disconnection because of non-payment will be required to increase his/her security deposit to the R-Tier 1 Deposit rate in order to re-establish service. (The Social Security number is collected from any person who may become a debtor for purposes of Setoff Debt Collection, G.S. § 105A-3(c). This information may be used for collection procedures. The disclosure of the social security number is not mandatory; however, if a Social Security Card is not presented, the customer may be required to pay an additional deposit fee as stated in the Schedule of fees.)			
	R-Tier 2 Deposit is the deposit required of any existing residential customer whose service has been subject to disconnection for non-payment twice within a rolling 18-month period. Such customers will have to increase their security deposit on-file to 2.5 times their average monthly			

¹ City stopped opening/closing graves in 2011

	bill in order to have service restored. Additionally, if any person seeking to establish service with the City is found to have an arrears balance from prior service with the City, he/she shall be required to establish a security deposit equal to 2.5 times an average residential monthly bill, even if he/she can provide a letter of good payment history from his/her most recent water/sewer utility provider.		
Commercial/Non-Profit & Industrial In-City			
	<i>Based on Total Consumption</i>	Current	<u>CNI-Tier Deposit</u>
	Water, Sewer & Sanitation (for downtown businesses not able to use commercial green box services)		2.5 times average monthly bill, or \$150, whichever is larger
	Water & Sewer Only		2.5 times average monthly bill, or \$150, whichever is larger
Commercial/Non-Profit & Industrial Out-of-City			
	<i>Based on Total Consumption</i>		
	Water & Sewer		2.5 times average monthly bill, or \$150, whichever is larger
	Water Only		2.5 times average monthly bill, or \$150, whichever is larger
	CNI-Tier Deposit is the deposit required by any new commercial, non-profit or industrial customer applying for service with the City and cannot provide a satisfactory letter of good payment from his/her most recent water/sewer utility provider. Existing customers whose service is subject to disconnection due to non-payment will be required to increase his/her security deposits to 2.5 times their average monthly bill in order to re-establish service.”

No approved plan/grading without a permit (includes single family lots).....\$5,000

Failure to renew permit -\$500

Failure to follow approved plan, or obtain signed plan prior to work -\$3,000

Failure to submit revised plan -\$2,500

Failure to provide adequate ground cover

Slight -	\$500
50' x 50' area	
Less than 3:1 slope	
Little possibility for erosion	
Moderate -	\$1,000
100' x 100' area	
3:1-2:1 slope	
Slight rilling	
Severe -	\$3,500
200' x 200' area	
2:1 slope or more	
Large rills to gullies and washing	

Insufficient measures to retain sediment onsite

Failure to take all reasonable measures (see also insufficient measures)	\$500
Large storm (non-hurricane) -	\$500
At start of project prior to full installation	\$500
In between phased grading -	\$750
Graded slopes and fill too steep -	\$1,500
Unprotected slopes (see failure to provide ground cover in 7 days) -	\$1,000
Lack of maintenance -	\$2,000
Inadequate buffer zone (30 feet Roanoke, 50 feet for Tar-Pam) -	\$3,000

Check 401/404 permits

Grading in floodplain -	\$5,000
Call Army Corp of Engineers/DWQ	
Filling in Wetland, Creek or water course -	\$5,000
Call Army Corp of Engineers/DWQ	

Erosion Problems (failure to take all reasonable measures)

<u>Slight potential for erosion problem</u> -	\$500/day
<u>Moderate potential for erosion problem</u> -	\$1,000/day
Interior of basin not seeded	
baffles not installed or maintained	
skimmer not dewatering	
silt fence blown over (slightly)	
construction entrance failing	
<u>Severe potential for erosion problem</u> -	\$2,000/day
Silt fence blown out (top or bottom)	
Sediment basin over half full	
tree protection fence down	

Sediment offsite

Slight (each can be separate violations, examples only) -\$500/day
 Construction entrance violation, mud tracking
 Average 10' x 10' area
 Seeded area that did not take and eroded offsite
 Up to one 5-gallon bucket full

Moderate (each can be separate violations, examples only) -\$1,000/day
 Silt fence overtopped, concentrated water, not into inlet
 Less than two 5-gallon buckets
 Average area is 20' x 30'
 Skimmer dewatering too fast, over 50 NTU

Severe (each can be separate violations, examples only) -\$4,000/day
 Sediment in water course buffered stream (intermittent & ephemeral), wetland, pond, floodplain
 Sediment onto private property (including ponds)
 Sediment area larger than 20' x 30'
 More than three 5-gallon buckets full
 Sediment overtopping silt fence into unprotected inlet

Penalty for Violation of Stop Work Order\$4,000

Stormwater Fines

Work without a stormwater permit\$5,000 per day
 Failure to correct a violation after notice\$5,000 per day
 Failure to obey a stop-work order\$5,000 per day
 Submitting false information and/or certification\$3,000
 Failure to follow an approved permit\$3,000
 Failure to maintain required BMPs\$2,500
 Failure to file required maintenance inspection report\$2,500
 Failure to submit required certifications\$2,500
 Failure to submit required as-built plans\$2,000
 Illegal connection/discharge (more than 5 gallons\$1,000
 Illegal connection/discharge repeat offenders (more than 5 gallons\$10,000

Total - General Fund	\$ 22,688,450	\$ 28,749,614	\$ 23,576,434	3.91%

\$2,550,000 of Fund Balance has been appropriated to balance this year's budget to help cover staff increases, insurance increases and other operational expenses, however projected savings and revenue results typically negate the use of fund balance. Also, 2,617,215 of ARPA funds has been appropriated to balance budget.

\$625,594 has been budgeted for loan purchase of capital outlay to include a new Fire engine and Police vehicles.

\$1,364,282 has been budgeted for County shared programs to cover the City's portion of Elections, Tax Office, 911, H. Leslie Perry Library, and NCDMV.

\$34,050 has been budgeted for Local Agencies such as Vance/Granville Airport, Corbitt Assn., Crime Stoppers, Boys & Girls Club, and the Vance Arts Council.

\$25,000 has been budgeted for the contributions to the Downtown Development Commission.

GOVERNMENTAL FUNDS**

10-410: GENERAL FUND GOVERNING BODY SUMMARY

PURPOSE

The City of Henderson is structured as a Council-Manager form of government pursuant to the North Carolina General Statutes. The Mayor is elected at large and eight Council Members are elected to represent four (4) wards. Each ward has one council member elected by ward vote only and one council member is elected at-large. Council members and the mayor are elected for four-year staggered terms.

The City Council is the legislative board of City government and sets the policies for the City. It appoints the City Manager, City Attorney and City Clerk.

FY 23 ACCOMPLISHMENTS

- **Strategic Plan:** Council held a Strategic Planning Retreat in February 2023.
- **Infrastructure:**
 - All financing has been secured and construction has begun for the Kerr Lake Regional Water Plant upgrade and expansion project
 - CIP projects underway including Water/Sewer Financial Analysis
- **Major Accomplishments:**
 - Adopted Comprehensive Land Use Plan for the City of Henderson
 - Acquired all jointly owned city/county properties for redevelopment purposes
 - Adopted a minimum hourly rate of \$15 per hour for all full-time City employees
 - Construction has begun on E. Montgomery William Street Park
 - Downtown pavilion completion 2023
 - Support for the acquisition and development of the NCDOT S-Line
 - Declared gun violence a public health crisis
 - Adopted Juneteenth (June 19) as an official City holiday
 - Creation of a full-time non-sworn Animal Control Officer position
 - Renamed E. Winder Street in honor of Mr. Eddie Hicks
 - Approved FY Ending June 30, 2022 Audit

KEY BUDGET ISSUES

- Continue to increase tax base and stability of existing housing stock
- Staff retention and competitive salaries
- Fire Station #3
- KLRW Improvements
- Redevelopment

GOVERNMENTAL FUNDS**

10-414: GENERAL FUND CITY ATTORNEY SUMMARY

PURPOSE

To provide legal counsel to the Mayor, City Council, City Manager and City staff; review Ordinances and Resolutions as well as contracts and agreements; and to represent the City as needed.

The City Attorney, D. Rix Edwards, provides part-time services to the City via a contract with the firm of Stainback, Satterwhite, & Zollicoffer.

KEY BUDGET ISSUES

- Additional funding for legal counsel outside the realm of the City Attorney's expertise
- Additional funding for extensive title searches performed by outside contractors.

10-420: GENERAL FUND ADMINISTRATIVE SUMMARY

PURPOSE

To guide, lead and direct all City departments in administrative matters related to and necessary for implementing City Council's policy.

The Administration Department consists of the City Manager, Assistant to the City Manager, Executive Assistant to the City Manager, Administrative Support Specialist and Special Projects Manager. The Special Projects Manager and the Administrative Support Specialist positions have been frozen and unfunded for years.

GOALS & OBJECTIVES

1. Priority 1. Improve the perception of the city.
2. Priority 2. Attract and retain employees with a focus on succession planning.
3. Priority 3. Encourage housing stock that is diverse, safe, and affordable.
4. Priority 4. Promote economic development/develop and revitalize downtown.

FY22 ACCOMPLISHMENTS

- Successfully met all U.S Treasury reporting requirements for receipt of American Rescue Plan Act (ARPA) funds.
- Adopted the West End Urban Redevelopment Plan.
- Received a \$750,000 Community Development Block Grant (CDBG) from the NC Department of Commerce to rehabilitate several homes in disrepair as part of the City's revitalization efforts.
- Began construction of the Williams/Montgomery Street Park utilizing grant funding from the National Fitness Campaign and the NC Park and Recreation Trust (PARTF) grant program.
- Received \$3.5 million in federal funding secured by Congressman G.K. Butterfield. for the Kerr Lake Regional Water System.

KEY BUDGET ISSUES

- Addressing the disparities in hiring salaries for various City departments.
- Identifying a location and funding source for the construction of a 3rd Fire Station.
- Finding additional funds for upcoming capital needs related to building and infrastructure.
- Identifying funding sources for the implementation of the City's redevelopment efforts.
- Securing additional funding to fill the shortfall for the Kerr Lake Regional Water System upgrade and expansion project.

**FY 23-24 BUDGET
GOVERNMENTAL FUNDS**

10-425: GENERAL FUND HUMAN RESOURCES SUMMARY

PURPOSE

To plan and manage programs related to the recruitment, benefits, classification and compensation, training, employee safety, and employee and labor relations functions of the City. Each function should be performed in accordance with the City of Henderson's policies and procedures as well as local, state and federal regulations.

GOALS & OBJECTIVES

- Goal 1:** Coordinate and provide support to a comprehensive city-wide classification and pay study that will be conducted by an outside consultant. Study will include review of position description questionnaires (PDQs), conducting interviews/focus groups, conducting labor market surveys, preparing class specifications, etc.
- Objective 1:** To prepare a Request for Proposal (RFP) and receive proposals from consultants that are interested in completing a comprehensive classification and pay study for the City of Henderson employees.
- Goal 2:** Expand the employee wellness program for City employees.
- Objective 1:** To expand the wellness program so that it will promote healthy lifestyles and enhance the physical, mental and emotional health of employees.
- Goal 3:** Expand recruitment efforts in an attempt to attract and retain qualified applicants for vacant positions.
- Objective 1:** To expand recruitment efforts by investing time in developing relationships with University placement offices; using professional association websites and magazines; looking for potential employees on social media outlets, etc.

FY 23 ACCOMPLISHMENTS

- Effective November 14, 2022, Council adopted a City-wide minimum hiring rate of \$15 per hour for all permanent, full-time City employees.
- Effective November 14, 2022, Council approved amending the City of Henderson's Administrative Policy, Article III – Section 13, "Call-Back Pay". The policy was amended to state that an employee would receive ten (10) hours of wages for being on-call at the employee's regular pay rate plus time worked as already outlined in the existing policy.
- Effective January 1, 2023, permanent, full-time City employees and eligible family members began receiving services from a comprehensive employee assistance program (EAP) with Employee Network Inc. (ENI). This EAP addresses the employee's total wellbeing from providing counseling services to maximizing work/life balance to assistance with navigating health plans to providing personalized wellness resources.

KEY BUDGET ISSUES

- Recruitment: There is difficulty in attracting and retaining employees in some positions due to salaries that are not competitive to those of other agencies.

**FY 23-24 BUDGET
GOVERNMENTAL FUNDS
10-440: GENERAL FUND FINANCE SUMMARY**

PURPOSE

To administer the fiscal affairs of the City in compliance with local, state and federal regulations and in accordance with generally accepted accounting principles of governmental accounting and the rules and regulations of the North Carolina Local Government Commission. The Finance Department's responsibilities include the collection and disbursement of funds, control of expenditures, cash and asset management, payroll and purchasing. The Department is responsible for insuring that all of the City's disbursements are in strict compliance with laws and regulations and the City's budget ordinance.

GOALS & OBJECTIVES

- Goal 1:** Earn the GFOA Certificate of Achievement Award for Excellence in Financial Reporting.
Objective 1: Work closely with auditors to ensure that the FY22 Annual Comprehensive Financial Report meets or exceeds the requirements for the GFOA award and assist with preparation of the FY23 audit in compliance with GFOA guidelines.
- Goal 2:** To record and post financial data in a timely and efficient manner.
Objective 1: To utilize and/or expand the comprehensive checklist of critical dates for various items and/or tasks including revenue receipts (sales tax, utility franchise tax, etc.), debt service payments, reporting deadlines, etc.
- Objective 2:** To continue to review and monitor this checklist on an on-going basis to ensure that deadlines are met and that financial data is recorded accurately and in a timely manner in order to provide meaningful and reliable up-to-date financial information to management and department heads and submit all "outside" reports (Powell Bill, various LGC reports, NC Dept. of Revenue reports, etc.) by their required due dates.
- Goal 3:** Improve current departmental processes and procedures and cross-train all Finance staff.
Objective 1: Review current processes and procedures for potential improvements. Determine if distribution of departmental tasks and responsibilities are assigned in the most efficient manner and re-align/re-assign duties and responsibilities where efficiencies could be improved.

FY 23 ACCOMPLISHMENTS

- Audit: Received a "clean," unmodified opinion on the FY22 financial audit report.
- Automated procedures surrounding electronic procurement and related accounting processes has generated over \$75,000 in rebate revenue for the City since its inception. In FY23, we are expecting to approach over \$90,000 in accrued revenue. Not only do these innovations build revenue, but significantly reduce costs and time in processing the City's expense budgets.

**FY 23-24 BUDGET
GOVERNMENTAL FUNDS**

10-450: GENERAL FUND INFORMATION SERVICES SUMMARY

PURPOSE

To provide support, assistance, and development to all departments regarding Information Technology systems.

GOALS & OBJECTIVES

- Goal:** To update and maintain the City's Information Technology (IT) infrastructure.
- Objective 1:** Meet and exceed the needs of the City's workforce to operate, serve, and protect the public, in a timely manner.
- Objective 2:** To keep the City's critical systems and sensitive information from digital attacks.
- Objective 3:** Improve upon the existing IT disaster recovery plan.

FY22 ACCOMPLISHMENTS

- NCOL has been retained on a two-year contract to provide on-site IT Administration
- New firewalls were purchased and installed for all locations to heighten security and standardize the network.
- IT ticketing system
- Key fob access network
- Migration to NCDIT operating domain
- Homeland Security review of the City's IT network has been scheduled.

KEY BUDGET ISSUES

- Maintain a hardware replacement rate of 20% to facilitate continuous modernization of the IT system.
- Telephone System Upgrade: Currently, the City uses a telephone system where the hardware and software are no longer supported by the manufacturer. Replacement parts are being vended from discarded systems. Our telephone technology, if upgraded, would be a voice-over-internet protocol (VOIP) system.
- Continue to improve the City's website, firewalls, viral threat education, virus, and ransomware protection.

10-496: GENERAL FUND DOWNTOWN DEVELOPMENT SUMMARY

PURPOSE

To promote, enhance, facilitate and encourage a vibrant, healthy and historically significant downtown historic central business district. To ensure the Downtown business district is being managed using the four-point approach of the Main Street program: organization, promotion, design and economic vitality. To lead the Henderson-Vance Downtown Development Commission, a volunteer member group organized as a 501c3, in Main Street Community best practices resulting in community transformation and improvement.

GOALS & OBJECTIVES

- Goal 1:** Downtown Henderson is the destination for diverse cultural experiences in Vance County.
- Objective 1:** Increase job opportunities and growth of tax base through expansion of small businesses that are complimentary or compatible with existing cultural amenities by 10% over the next three years.
- Goal 2:** Create an environment that promotes community involvement downtown to build a progressive environment supporting business and tourism.
- Objective 1:** Add three new businesses in the next 12 months and increase participation in community events/festivals by 5% during the next three years. Increase the walking score by 10%.
- Goal 3:** Enhance the appearance and attractiveness of the central downtown district through structural improvements to downtown buildings, beautification projects and litter control.
- Objective1:** Promote façade improvement projects to downtown buildings by awarding three new Façade Grants and one Revolving Loan.
- Objective 2:** Implement the Downtown Planter Project by installing and maintaining ten new flower planters and provide upkeep for the new and existing planters and gardens. Install additional benches throughout downtown. Replace the downtown light pole banners with Progress/Duke Energy compliant banners. Partner with the Aquest Group on the Downtown Heritage Art Walk Project. Attractive window art/pictures for vacant downtown buildings. Way-finding signs project.

FY22 ACCOMPLISHMENTS

- The Henderson Main Street program earned re-accreditation for its work in 2020-21 and maintained National Main Street Community and NC Main Street Community status. Downtown Development Director completed all required training and certifications.
- Facilitated seven downtown events including Juneteenth, Trick-or-Treat, Live On Young and the Christmas parade.
- Awarded three Façade Grants; Seven new businesses opened downtown; Net 20 new jobs added downtown.
- Completed beautification project at Orange Street parklet and renamed it The Dr. Stephen Pearson Park.
- Added four new benches downtown.

KEY BUDGET ISSUES

- Façade improvements and elimination of warehousing on Garnett Street: There are numerous buildings in downtown in need of façade improvements to attract businesses and improve the overall appearance of downtown Henderson. Promotion of the USDA Revolving Loan Fund.
- Funding for beautification projects and downtown banners to enhance the downtown appearance and celebrate the four season sales and marketing efforts of the downtown merchants.

**FY 23-24 BUDGET
GOVERNMENTAL FUNDS
10-498: GENERAL FUND DEVELOPMENT SERVICES**

PURPOSE

Planning, Community Development & Zoning, along with Code Compliance operates under the Development Services Department. Planning, Zoning, and Community Development administers land use regulations for the City of Henderson. Code Compliance ensures that all neighborhoods and business areas are safe and decent by enforcing the Minimum Housing, Abandoned, Weeded Lot (Nuisances) ordinances and other applicable codes. Our overall objective is to promote smart growth, development and economic opportunity for the City and Extraterritorial Jurisdiction.

GOALS & OBJECTIVES

Goal 1: Create and Identify Community Development projects that will produce an Enforcement housing plan and potential infill housing development.

Objective 1: Identify neighborhoods where city and county vacant properties exist, evaluate the surrounding housing stock, determine if dwellings are deteriorated or dilapidated and create a neighborhood plan that can address needs (including infrastructure and housing) and potentially locate new housing developments.

Goal 2: Evaluate city neighborhoods to ensure habitable and safe housing stock.

Objective 1: With strategic planning and creating a periodic inspection/housing education program that will also include landlord / tenant best practices. The Code Compliance Department will continue to enforce the Minimum Housing Code and Abandoned Structure Code by evaluation of each dwelling within the neighborhoods and responding to complaints of substandard dwellings. The department, under the orders of the City Council, needs to remove the abandoned structures that are ready for demolition.

Goal 3: Assist Redevelopment Commission and the Downtown Development Commission in redevelopment of the downtown and adjacent areas.

Objective 1: In order to deal with blight and the lack of development, the City and others must officially define / establish a redevelopment zone and encourage / promote the rebuilding of these blighted areas.

Goal 4: Update and Non-Residential Code

Objective 1: The Non-Residential Code in essence is the minimum standard code for non-residential buildings. This code needs updating in order to deal with building facades, site maintenance, and conditions that create hazardous issues for public.

FY 23 ACCOMPLISHMENTS

- Infill single family has begun with Berry Ave housing development.
- Unified Development Ordinance (UDO) process is expected to be completed by summer 2023.
- Community Development Manager hired.

KEY BUDGET ISSUES

- Funding for Code Compliance Inspector, retention of staff, and new vehicle.

GOVERNMENTAL FUNDS

10-500: GENERAL FUND PUBLIC BUILDINGS & GROUNDS SUMMARY

PURPOSE

To provide funds on a centralized basis for general building maintenance at City Hall, First National Bank building and former Municipal Building 110 Young St. and associated insurance and utility costs for these public buildings. City Hall administration is responsible for administering this budget.

GOALS & OBJECTIVES

Goal: Continue to make improvements to public buildings.

Objective 1: Increase worker productivity and safety through a better working environment.

Objective 2: Continue to improve the look and capability of public buildings and thereby encourage private redevelopment efforts, including promotion of the downtown district.

FY 23 ACCOMPLISHMENTS

- Municipal Building (110 Young St.): The Vance County Arts Council and HUBZone Technology Initiative continue to utilize the building albeit on a largely charitable basis.
- First National Bank building (213 S Garnett St.): Purchase of the S-line by NCDOT (Rail Division) gives prospect to this building as a commuter station and greatly enhances prospective downtown redevelopment. The building interior was recently cleaned.
- City Hall (134 Rose Ave.): Security camera system upgraded; IT equipment room now has generator coverage in the event of power failure.

KEY BUDGET ISSUES

- The Municipal Building would have greater market appeal if dedicated parking were provided.
- The First National Bank building will need planning for its integration into a mobility hub station.
- The City Hall grounds need landscaping.

GOVERNMENTAL FUNDS**

10-510: GENERAL FUND POLICE DEPARTMENT SUMMARY

PURPOSE

The prevention of crime, the protection of life and property, and the general preservation of the public peace.

GOALS AND OBJECTIVES

- GOAL 1:** Reduce the overall violent crime rate for Henderson and continue to reduce the overall Part 1 Crime Volume along the current ten-year trend.
- Objective 1:** Continue to use the Federal Judicial system to prosecute violent and habitual felons that affect the City of Henderson.
- Objective 2:** Utilize the NIBIN System to submit shell casings for comparison in an attempt to connect violent crime cases.
- Objective 3:** Continue to engage/partner with community groups and organizations to increase trust and synergy between our citizens and the Police Department.
- Objective 4:** Continue working closely with the 11th District Attorney's Office on prosecution and diversion strategies.
-
- GOAL 2:** To reach and maintain full sworn officer staffing.
- Objective 1:** To work toward competitive wage in order to recruit new officers and retain existing officers.
- Objective 2:** Increase in-service training and training in the areas of supervision and command staff.
- Objective 3:** Innovatively advertise and recruit a diverse workforce that compliments and projects our values.
-
- GOAL 3:** Continue to seek resources to address needed CIP purchases.
- Objective 1:** Continue the upgrades of agency technology and improve IT support.
- Objective 2:** Maintain the current level of operation, efficiency and expenditures of our individually assigned Police Department vehicle fleet program.
- Objective 3:** Fulfill the 25% replacement process set for communication equipment and computers.
- Objective 4:** Place a communication repeater within the city limits to ensure public safety and continuous radio contact.

FY 23 ACCOMPLISHMENTS

- Maintained a comparable Part 1 Crime Rate to the prior years.
- Completed our first year using the NIBN system with extraordinary results. (*We are the smallest agency in the US with this system*)
- Purchased and began the implementation phase of our Body Camera program.

KEY BUDGET ISSUES

- **Larger capital items:** Includes replacement vehicles and equipment using General Fund monies.
- **Maintenance and Capital Improvements:** The Police Department is nearly 20 years old and is in need of upgrades and repairs. This will help prevent larger cost in the future if these issues are addressed now.
- **Technology:** Law Enforcement has taken huge steps in technology and it is imperative that we keep up with this trend. The Police Department will need a specialist in IT to be able to maintain equipment and communicate with various agencies. A more costly portion of this will be annual fees and data storage.
- **Recruitment and Retention:** We must cultivate a staff of employees that can see obtainable growth in the profession, education, and finances. We are a leading agency in North Carolina, and we must be competitive in our compensation. The profession of law enforcement is struggling to recruit qualified employees.

GOVERNMENTAL FUNDS**

10-530: GENERAL FUND FIRE DEPARTMENT SUMMARY

PURPOSE

To prevent fires and fire hazards throughout the City, suppression and containment of fires, education and related initiatives in fire prevention, the provision of rescue and emergency medical services, and interpretation and enforcement of Chapter V of the State Fire Prevention Code.

GOALS & OBJECTIVES

- Goal 1:** To hire remaining 6 firefighters to staff four (4) fire fighters per responding apparatus for fire suppression/prevention activities as recommended by the 2019 Fire Study.
- Objective 1:** Secure approval and funding for this recommendation
- Goal 2:** To comply with NFPA 1710 to provide four-minute response times to commercial and residential areas west of Dabney Dr. and I-85 which fall outside the 1 ½ mile response area.
- Objective 1:** Secure funding for design and construction of a third fire station as recommended by the 2019 Fire Study
- Goal 3:** To replace apparatus in our fleet that are aging, unreliable and showing signs irreparable wear.
- Objective 1:** Replace Ladder 1 and move it to reserve status. (We currently have no reserve Ladder).
- Objective 2:** Replace 1 small vehicle (2 have been retired without replacement).
- Goal 4:** To continue to improve the retention of qualified and seasoned personnel at all levels.
- Objective 1:** Employee compensation must be evaluated and adjusted annually to keep pace with our competitors.
- Goal 5:** To decrease exposure to carcinogens for all firefighters.
- Objective 1:** Limit exposure to firefighters with better technology in personal protective equipment.
- Objective 2:** Continue to employ and improve practices that provide for clean cabs and station quarters.

FY 23 ACCOMPLISHMENTS

- The department reached out to 266,546 participants regarding public fire education. This was accomplished through home inspections, seminars, social media, and activities in the schools. (Increase from last year due to more social media posts)
- 100 % of the required fire inspections were completed.
- Our personnel completed 20,227 man-hours of fire/rescue, EMS, and special training.
- Completed comprehensive training in ladder company operations using an established third-party instructor group.

KEY BUDGET ISSUES

- Funding is needed for construction of a third station as recommended by the 2019 Fire Study.
- Funding is needed to hire the 6 remaining fire fighters as recommended by the 2019 Fire Study.
- Funding is needed for apparatus and other vehicles that have already been taken out of service and for those that have reached their lifespan of frontline service.
- Funding is needed to continue the reduction of acute and chronic exposures of fire fighters to carcinogens and other harmful compounds associated with firefighting activities.
- Maintain salaries that are in line with competitive departments.

**FY 23-24 BUDGET
GOVERNMENTAL FUNDS**

10-545: GENERAL FUND PUBLIC WORKS ADMINISTRATION SUMMARY

PURPOSE

To provide for the overall fiscal and compliance management and support functions for the Cemetery, Sanitation, Garage, Street, Water Distribution, Sewer Collection and Sewer I&I Divisions.

This department manages the budget for the Operations and Service Center. Sixty (60%) percent of the total cost associated with the Operations Center is reimbursed by the Water and Sewer funds. Additionally, this office (as part of Sanitation Division Management) is charged with contract compliance responsibilities, and complaint resolution, for any contract or franchise agreements with private waste haulers or collectors operating within the city, including commercial/industrial bulk container collection and monitoring customer service.

GOALS & OBJECTIVES

Goal 1: Provide overall management of contracts and other fiscal matters.

Objective 1: Track spending, checking for compliance with contracts and customer service, and collecting and analyzing data to improve efficiency and track customer service issues.

Goal 2: Further development of graphs and other data relative to revenues.

Objective 1: Consistent monitoring of revenues to ensure budget projections are met.

Goal 3: Improve record keeping.

Objective 1: Continue with training in use of the work order system.

FY 23 ACCOMPLISHMENTS

- **Continued to utilize more data** in tracking expenditures and monitoring contracts for compliance. As well as tracking expenses within all budgets of the Public Works Department.
- **New HVAC** units were installed at Operations Center. These were the last units to be replaced on the building.

**FY 23-24 BUDGET
GOVERNMENTAL FUNDS
10-555: GENERAL FUND GARAGE SUMMARY**

PURPOSE

To provide maintenance and repair services and dispense fuel, oil and other parts and supplies to the City's vehicle fleet.

Departmental expenses are "charged back" to the appropriate operations, included (for the most part) in the individual expenditure accounts of Maintenance and Repair – Equipment (5016-05), Maintenance and Repair – Auto Repair and Maintenance (5031-05) and Motor Fuels (5031-06). This has the effect of artificially increasing the size of the General Fund Reserves including the Garage.

GOALS & OBJECTIVES

- Goal 1:** Provide quality preventative maintenance to vehicles and equipment in a timely manner.
- Objective 1:** Documentation of time and materials associated with repairs and maintenance performed to reduce major repairs and extend the longevity of the equipment.
- Goal 2:** Further development of reporting, record keeping and inventory control.
- Objective 1:** Consistent monitoring work to ensure accurate monthly and yearly reports.

FY 23 ACCOMPLISHMENTS

- **Preventative Maintenance:** Continued to improve preventative maintenance on equipment, which has helped reduce downtime and cost of repairing the equipment.
- **Leaf Equipment:** Continued maintenance and repair on our leaf machines lead to a safe and productive leaf season.
- **Fuel Master System:** Continued training and implementation of the fuel system. This has been more reliable and easier to use at the pump.

KEY BUDGET ISSUES

- **Motor Fuels Costs:** Unleaded and Diesel fuel costs remain volatile and unpredictable.
- **Aging Fleet:** Maintenance and repair costs are increasing as the fleet ages, particularly in the General Fund.

GOVERNMENTAL FUNDS
10-560: GENERAL FUND CEMETERY SUMMARY**

PURPOSE

To provide for the perpetual care and maintenance of Elmwood and Blacknall Cemeteries, as well as the coordination of funeral services and burials in Elmwood Cemetery.

GOALS & OBJECTIVES

Goal 1: Further enhance the beauty of the cemetery as well as providing better accessibility for citizens within the cemetery.

Objective 1: Work in conjunction with contractor to ensure cemetery is well maintained and kept clean of trash and other debris.

Goal 2: Provide professional and courteous service to funeral home directors and families.

Objective 1: Assist with locating graves and with the purchase of new plots.

Goal 3: Work in conjunction with Engineering to improve mapping.

Objective 1: Make the process of finding graves quicker and easier.

FY 23 ACCOMPLISHMENTS

- We have high resolution imagery of the cemetery from flying of City Drone.
- Surveying of Section E for new family plots of 4 or 6 graves.
- Surveying of the property boundaries for Elmwood Cemetery

KEY BUDGET ISSUES

- Limited funds for road and storm drain improvements.
- Additional funding needed for continued surveying for records to be accurate.
- New software needed in order to combine all cemetery records into one easily accessible program.

**FY 23-24 BUDGET
GOVERNMENTAL FUNDS
10-570: GENERAL FUND STREET SUMMARY**

PURPOSE

To provide for the general maintenance of streets, curbs, gutters, sidewalks, storm drains and ditches throughout the city including snow removal as needed. The City has approximately 80 miles of City-maintained streets and 17 miles of State-maintained/owned roadways.

GOALS & OBJECTIVES

Goal 1: Provide further extensive training to all Street Division employees.

Objective 1: To ensure that staff performs at the highest level with safety being the top priority.

Goal 2: Identify a comprehensive list of needed storm drain repairs.

Objective 1: Ensure problems are prioritized so that the integrity of the streets are not compromised and remain safe for travel.

Goal 3: Identify and prioritize sidewalk repair/replacement projects.

Objective 1: To encourage pedestrian traffic by improving the appearance and safety of sidewalks.

Goal 4: Improve appearance of city streets.

Objective 1: To foster a sense of pride in the community as well as encourage citizens to maintain their homes and surroundings in a well-kept manner.

FY 23 ACCOMPLISHMENTS

- **Sidewalk Repair:** The City is continuing to repair and replace broken sidewalk. The street department is prioritizing and preparing to replace more sidewalks in the coming months.
- **Storm Drainage Improvements:** City staff has worked in conjunction with contractors to repair several major storm drain issues and will do several more in the next few months.

KEY BUDGET ISSUES

- **Materials and Parts:** Increasing prices and availability of parts and materials for day-to-day operations.
- **Aging Fleet and Equipment:** Existing fleet is getting older and needs to be replaced. We are proposing several new vehicles and other equipment for the upcoming year.

10-580: GENERAL FUND SANITATION SUMMARY**

PURPOSE

To provide solid waste collection and management for approximately 5,400 residential customers. This includes loose leaf collection (at curbside) during the fall and early winter months, recycling waste and the bulk item collection program.

GOALS & OBJECTIVES

Goal 1: Improve consistency of fleet by ensuring that each truck follows the same path every time they run a particular route.

Objective 1: Improved customer service and consistency with pick up times for citizens.

Goal 2: Improve Communication with citizens relative to sanitation collection procedures.

Objective 1: Educate citizens to help with the efficiency in the collection of yard debris and recyclables, collection times and to continue to improve the overall appearance of the City.

FY 23 ACCOMPLISHMENTS

- **Leaf Collection:** Provided loose-leaf collection throughout the city in a timely manner. Collected 902.92 tons of leaves from October 1– January 31.
- **Yard Debris and Recyclables:** Collected 709.03 tons of yard debris, 308.02 tons of garbage and 82 tons of recyclable material through the first seven months of the year.
- **Reduced Customer Complaints:** Improved communication and productivity among sanitation division personnel. We continued to improve overall yard debris, recycling, and bulky waste pickup, in turn reducing customer complaints.
- **Audit:** Audit of existing charges and services provided by Waste Industries to ensure revenues and expenditures are in compliance. This is an ongoing process.

KEY BUDGET ISSUES

- **Contract Cost Increase:** The contract for Waste Industries includes a 4.59% increase based on the Consumer Price Index (excluding fuel) for sanitation.
- **Aging Fleet and Equipment:** Existing sanitation fleet is getting older and needs to be replaced. We are proposing a single operator leaf truck, garbage truck and pickup truck for the upcoming year.

10-620: GENERAL FUND RECREATION SUMMARY**

PURPOSE

To provide a variety of recreational opportunities for all segments of the community in addition to providing management oversight for the Youth Services/Community/Outreach/Community Service and Restitution Program. Staff support is also provided to (and policy direction is obtained from) the Recreation and Parks Commission. All costs are funded by the City of Henderson (55%) and Vance County (45%).

GOALS & OBJECTIVES

- Goal 1:** Continue to develop and implement action plans from the recommendations outlined in the Comprehensive System-Wide Master Plan approved by City Council in June 2014.
- Objective 1:** Establish program and facility needs for the future.
- Goal 2:** Expand existing youth athletic programs and implement new youth and adult athletic programs.
- Objective 1:** Request funding to advertise/operate/reinstate the adult athletic programs that were previously cut from the budget, and funding to implement new youth athletic programs.
- Goal 3:** Increase and expand facilities and parks to include diverse leisure activities and indemnities to increase participation.
- Objective 1:** Provide opportunities for citizens to enjoy facilities and parks by providing paddle boats, kayaks, inclusive playground sets, outside fitness and aquatic equipment.

FY 23 ACCOMPLISHMENTS

- Fox Pond Tennis Courts transitioning two courts to multi-purpose courts. Pickle ball regulation lines will be added.
 - Recreation and Park Department (1) Full Times positions; Park Maintenance Worker
 - Fall Festival returned on Thursday October 13, 2022, at the Aycock Recreation Center. There were approximately 400 participants that attended and \$1,039 was collected.
 - Trail of Terror held on Tuesday October 21, 2022, at Kings Daughter Park1, there were 79 cars that came thru the trail with approximately 748 people that came thru the trail. There was \$732 that was collected.
 - 2022 East Wake Football league had a total 158 participants. Our 22-22 youth basketball league had a total of 162 participants. Basketball skills and drill on October 15th registered 53 participants. 2022 soccer had 41 participants.
- * The Henderson-Vance Recreation & Parks was granted funding from the NC Park and Recreation Authority in the amount of \$357,000 (North Carolina Parks and Recreation Trust Fund Grant) which will assist with the formation of the William & Montgomery Street Park.
- Senior Trip Program is a new program that offers senior citizen 55 and better the opportunity to be able to go out and visit and explore places with other seniors monthly averaging 11 participants.
 - Recreation Program Supervisor Crystal Allen became a certified leader for Arthritis Foundation Program Walk with Ease on January 25, 2022. Walk with Ease is an exercise program that can reduce pain and improve overall health for all fitness levels. Walk with Ease was a new program offered to any participant. This program was held on Monday, Tuesday, and Fridays. There was a total of 63 in attendance for the 15 classes.

**FY 23-24 BUDGET
GOVERNMENTAL FUNDS**

10-622: GENERAL FUND YOUTH SERVICES SUMMARY

PURPOSE

To provide the following array of services for referred youth to prevent and reduce juvenile crime and deter commitments to Youth Development Centers.

- Community Service/Restitution provides a means where adjudicated delinquents can demonstrate responsibility by completing Juvenile Court mandated community service/restitution hours at assigned work sites to compensate the community and/or victims of their offenses.
- Project Youth Outreach promotes interpersonal skills addressing conflict resolution, character education, informal counseling, bullying, school drop-out prevention, healthy choices and recreational outings for youth referred to the program.
- Vance County Teen Court is a diversion program for first time juvenile offenders who admit responsibility for committing minor misdemeanor offenses. They now have been allowed through new laws to come through Teen Court for a second case.

GOALS & OBJECTIVES

- Goal 1:** Continue to offer Community Service/Restitution, Project Youth Outreach, Bounce Back and Teen Court for referred youth and their families in Vance County.
- Objective 1:** Submit program proposals to the NC Department of Public Safety – Division of Adult Correction and Juvenile Justice, Vance County and United Way of Vance County to secure funding to sustain services offered through Youth Services.
- Goal 2:** Serve Juvenile Court referred (top priority) and youth referred from School Resource Officers for youth at risk for delinquent and undisciplined behaviors through an array of services under Youth Services.
- Objective 1:** Give priority placement for juvenile court referrals through juvenile court counselors and program staff consensus and admit other at-risk youth through school and law enforcement referrals.
- Goal 3:** Enhance professional and personal development of staff.
- Objective 1:** Division staff will explore training options to obtain at least 40 hours of training for professional and personal development.
- Goal 4:** Utilizing Eaton Johnson Gymnasium area to provide alternative recreation for at-risk youth.
- Objective:** Division Staff will provide trending outreach activities, programs, and events to deter at-risk participant's criminal activity by enhance knowledge in areas of education, job readiness, self-esteem and self-awareness.

FY 23 ACCOMPLISHMENTS

- Vance County Administrative Office provided Youth Services Outreach Unit space at Eaton Johnson Gymnasium area to offer juvenile and outreach services to their participants.
- Training: All division staff exceeded the 40 hours of professional training for the year.
- The Book Bag Drive Thru was held on Saturday, August 27, 2022. Over 200 families were served.
- Vance County Teen Court attended 22nd Annual North Carolina Teen Court Association Summit in Atlantic Beach, March 17-19, 2023. 7 youth attended the Summit.
- Outreach programs attendance and participation are steadily increasing for the designed population.

KEY BUDGET ISSUES

- State funds controlled by General Assembly and NC General Statute: 100% reimbursable by Vance County via State allocations and County's matching funds.

**FY 23-24 BUDGET
GOVERNMENTAL FUNDS**

10-623: GENERAL FUND AYCOCK AQUATICS CENTER SUMMARY

PURPOSE

To provide a variety of educational, recreational, and athletic programs including indoor swimming, indoor volleyball, indoor basketball, indoor walking track, multi-purpose rooms and restroom/dressing room facilities. This recreational facility is a joint City of Henderson-Vance County project that began in 1996 with the construction of the Aycock Multi-field Complex. The County pays 50% of the debt service and 45% of the operations cost.

GOALS & OBJECTIVES

- Goal 1:** Provide a safe environment for swimmers.
Objective 1: Conduct in-service training for Lifeguards and meet all health department guidelines for swimming pool operation. Cross train full-time staff and facility supervisors and get all staff first aid/CPR/AED certified.
- Goal 2:** Expand the program base offered and increase participation in existing programs and/or rentals.
Objective 1: Continue to offer existing popular programs while researching and implementing new programs based on customer requests, as well as review current programs to make data-based decisions as needed and increase program marketing efforts. While enhancing program and equipment opportunities for participant and/or renters.
- Goal 3:** Increase accessibility in rental space at the Center.
Objective1: Provide accessible restrooms on the 2nd floor to increase rental opportunities for those with mobility difficulties.

FY 23 ACCOMPLISHMENTS

- Dectron Unit for the Aquatic Center had maintenance updated, has allowed participations to enjoy a clean and safe environment through general maintenance.
- Continued innovative programs were developed and maintained ie. Monthly seasonal preschool crafts (Thankful hands, Artic Blast, Hearts Galore, Lucky Leprechaun, Earth Day, Muddy Boots, Insects and Bugs), Kids Gym, Water Exercise, Lifeguard Prep Practice.
- Summer Camp was held June 13, 2022 – August 12, 2022, with 56 registered participants.
- Eight swim teams within the region used the Aycock pool to hold practices Tuesday-Friday evenings from 5:00p.m.- 8:00p.m. during the months of November-February. One swim meet was held at Aycock Recreation Center on January 24, 2023.

KEY BUDGET ISSUES

- Adding (1) Full Time Program Specialists to assist with the increasing participation of all programs, activities and special events.
- Increasing part time wages to compete with surrounding/local agencies offering lifeguard positions
- Increase staffing to allow for adequate coverage at greenspace facilities and outside rental opportunities.
- Increase budget to provide more special events to the public.
- Increase pool activity and usage by providing an inflatable water obstacle course.

Total Expenditures	\$ 1,223,950	\$ 1,167,865	\$ 1,325,100	\$ 1,364,282	\$ 1,364,282	\$ 1,364,282

PURPOSE

This budget is designed to account for the appropriation and transfer of funds directly from the City to Vance County and the Perry Memorial Library to jointly fund programs that benefit both the citizens of Vance County and the City of Henderson.

KEY BUDGET ISSUES

- **Tax Office:** Provides for the contract with Vance County to bill and collect city taxes. This figure is based on 25% of the budget that is managed by Vance County.
- **911 Emergency Services:** The City provides 50% of the funding of this County managed joint operation.
- **Perry Memorial Library:** Provided on a 75% County and 25% City financial sharing.
- **Board of Elections:** Provides 17% of the annual operating budget and 100% of City elections to Vance County.

FY 23-24 BUDGET

**GOVERNMENTAL FUNDS 10-660: GENERAL FUND NON-DEPARTMENT &
10-670: LOCAL AGENCIES SUMMARY**

10-660: NON-DEPARTMENTAL SUMMARY					
	Actual 20-21	Actual 21-22	Budget 22-23	Recommended 23-24	Approved 23-24
Personnel Services	\$ 441,300	\$ 473,200	\$ 480,000	\$ 528,000	\$ 528,000
Operating	23,000	47,085	32,000	167,000	167,000
Transfers to other Accounts	167,560	89,915	100,000	100,000	100,000
Economic Dev. Incentive	100,000	100,000	100,000	100,000	100,000
Reserve	246,994	110,330	180,000	67,003	67,003
Total Expenditures	\$ 978,854	\$ 820,530	\$ 892,000	\$ 962,003	\$ 962,003

PURPOSE

The purpose of the Non-Departmental Budget is to provide a system to account for items of a general nature that apply to all General Fund Departments, but which can not be easily assignable into specific cost components for particular operations.

The City's retiree insurance is budgeted in Non-Departmental and includes total cost City-wide. The cost for Enterprise Fund retiree insurance is made by a transfer from those funds to the General Fund. Pay increases for General Fund employees is budgeted in Non-Departmental.

10-670: CONTRIBUTIONS - LOCAL AGENCIES - SUMMARY						
	Actual 20-21	Actual 21-22	Budget 22-23	Requested 23-24	Recommended 23-24	Approved 23-24

Total Expenditures	\$ 33,050	\$ 33,050	\$ 33,050	\$ 35,050	\$ 34,050	\$ 34,050

PURPOSE

This budget is designed to account for the appropriation and transfer of funds directly from the City to various affiliated agencies. Each of these organizations/agencies supplement the services and programs provided by the City. Their funding meets the "public purpose" definition as outlined in the North Carolina General Statutes and their continuing eligibility is periodically reviewed by the City Attorney and/or an independent Auditor. Most are also supported, to some extent either by contractual arrangement with the City or through general practice, by Vance County.

10-680: GENERAL FUND DEBT SERVICE SUMMARY

10-680: DEBT SERVICE SUMMARY							
	Actual	Actual	Budget	Estimated	Requested	Recommended	Approved
	20-21	21-22	22-23	30-Jun-23	23-24	23-24	23-24
Debt Service Principal	\$ 83,000	\$ 637,450	\$ 743,207	\$ 743,207	\$ 782,025	\$ 782,025	\$ 782,025
Debt Service Interest	16,069	37,100	61,415	61,415	70,467	70,470	70,470
Lease Purchase Payment	365,648	-	-	-	-	-	-
Total Expenditures	\$ 464,717	\$ 674,550	\$ 804,622	\$ 804,622	\$ 852,492	\$ 852,495	\$ 852,495

PURPOSE

The purpose of the debt service budget department is: 1) to provide for the payment of the Fund's long-term and short-term debt interest and principal payments; and 2) to provide long-term information and understanding as to the Fund's debt service requirements and how that might impact utility rates as well as day-to-day operations.

KEY BUDGET ISSUES

- **The Ability to Support New Debt Service** in the General Fund is limited given the modest growth of the tax base.
- **Increase in debt service** is attributable to authorized equipment purchases and former municipal building.

POWELL BILL

Key Fund Issues

There are several key issues facing the Powell Bill Fund that serve to impact not only FY24, but the next several fiscal years as well. A brief summary of these key issues is provided below:

- **Powell Bill Allocation Formula** is based on three major factors as follows: 1) amount of State gasoline tax collected, 2) number of lane miles within a locality and 3) the locality's population.

Basic Fund Information

The Powell Bill fund is used as a transfer mechanism to properly account for revenues received from the State and expenditures incurred by the Street Division of the Public Works Department related to street, sidewalk and right-of-way maintenance, resurfacing and the purchase of equipment directly related to streets and right-of-ways authorized by "Powell Bill" legislation. In addition, funds are transferred from this fund on a monthly basis to the City's General Fund, 10-570: Street Powell Bill, related to maintenance of streets, sidewalks and right-of-ways.

Financial Summary

A financial summary of the Powell Bill fund is provided on the following page.

**FY 23-24 BUDGET

The Non-Departmental Budget group was established for this fund, as well as others, during FY 11-12 in order to better account for inter-fund transfers and other expenditures that should not be located in an operating budget group. No personnel are assigned to the Non-Departmental budget group; however, some personnel related expenditures, such as retiree health insurance and reserves for incumbent liabilities for accrued vacation and compensatory time, are accounted for in this budget department. Additionally, the Fund's share of the recommended Pay & Classification Study is included in this budget.

30-680: WATER FUND DEBT SERVICE

30-680: DEBT SERVICE SUMMARY						
	Actual 21-22	Budget 22-23	Estimated 30-Jun-23	Requested 23-24	Recommended 23-24	Approved 23-24
Long-Term Debt Service- P&I	\$ 308,700	\$ 346,880	\$ 346,880	\$ 316,771	\$ 316,779	\$ 316,779
Lease Purchase Debt Service- P&I	-	-	-	-	-	-
Total Expenditures	\$ 308,700	\$ 346,880	\$ 346,880	\$ 316,771	\$ 316,779	\$ 316,779

PURPOSE

The purpose of the debt service budget department is: 1) to provide for the payment of the Fund's long-term and short-term debt interest and principal; and 2) to provide long-term information and understanding as to the Fund's debt service requirements and how that might impact utility rates as well as day-to-day operations.

KEY BUDGET ISSUES

- The City has retired significant debt in recent years. This gives the City an opportunity to re-invest in the water system infrastructure for replacement of old lines and provide for new extensions within the City's un-served utility service area as well as pay for needed capital equipment.

PURPOSE

To provide overall leadership and supervision of the Public Works Department including Cemetery, Sanitation, Garage, Street, Water Distribution, Sewer Collection and Sewer I&I Divisions. To provide reliable and dependable services to the citizens of Henderson.

GOALS & OBJECTIVES

- Goal 1:** Evaluating existing services and providing improvements and changes as needed.
Objective 1: To provide the best service in a safe and cost-effective manner.
- Goal 2:** To ensure a well-trained work force.
Objective 1: Continued implementation of Career Development Plan.
Objective 2: Attend schools and seminars for future education to stay abreast of rules and regulations in the Public Works field.
- Goal 3:** Personnel restructuring within the department.
Objective 1: To provide concise hierarchy within the department.
Objective 2: To provide advancement goals in conjunction with career development.

FY 23 ACCOMPLISHMENTS

- **Training and Safety:** Continued safety and performance training to ensure that staff performs at the highest level with safety being the top priority.

KEY BUDGET ISSUES

- **Personnel:** Competing with surrounding employers to hire and retain a qualified work force.
- **Materials and Parts:** Increasing prices and availability of parts and materials for day-to-day operations.

**FY 23-24 BUDGET
ENTERPRISE FUNDS
30-720: WATER FUND ENGINEERING**

PURPOSE

Provide overall engineering design, planning, project management and inspection services to utility; water distribution, sewer collections, streets, stormwater, wastewater and water treatment and general governmental operations. In addition, this division provides extensive technical support and assistance to the City Manager's office, and other City departments upon request. The planning and administrative responsibilities for the City's two delegated authorities (Erosion Control and Stormwater) are managed by this department as well.

GOALS & OBJECTIVES

- Goal 1:** Continued implementation of our Geographical Information System (GIS) mapping to include a 100 percent audit of City infrastructure.
- Objective 1:** To have the best available mapping to ensure that valuable information on existing utilities is recorded on GIS and easily available to staff. This will help to serve trucks and other field personnel to increase response times and repairs.
- Goal 2:** Assessment and Management of various projects in the proposed CIP.
- Objective 2:** Sandy Creek Sewer Rehabilitation Project. Develop data driven decision matrices to identify water, sewer and pavement infrastructure needs and roll this into a Capital Improvement Plan. The City owns 200 miles of water, 200 miles of sewer, 80 miles of streets an unknown quantity of stormwater pipe and structures.
Section 504-ADA compliant facilities and sidewalks – develop and implement 8-year plan to improve these facilities so they are compliant.
- Goal 3:** Implement a Stormwater Utility.
- Objective 3:** Start developing policies and processes to bring the City into compliance with the State with respect to our Delegated Authority. Hire a Stormwater Engineer to run the program and develop a CIP for the stormwater infrastructure.

FY 23 ACCOMPLISHMENTS

- **Various Water, Sewer and Storm Water Projects.** Worked on various storm water designs and projects to correct or improve drainage. Working actively to develop a stormwater utility and Storm Water Management Plan (SWMP).
- **Project Reviews.** Provide engineering project reviews on various projects throughout the year for new developments.
- **Expand GIS Role.** GIS is a map-based database that in conjunction with hyperlinking of the data, permits public work crews to see as-built drawings of the utility systems and permits Public Safety a floor plan of each facility which allows quick assessment of entrapment locations or active shooter mitigation.
- **Work Order System.** Engineering wished to expand the work order/asset management software to serve other departments and help them track their workflows and associated costs.
- **File System**-complete restructuring to be expandable and future proof.
- **Beckford Drive**-completed a loop for resiliency within part of the water system in the area

KEY BUDGET ISSUES

Securing funds to unfreeze the administrative position.

New position for a stormwater engineer and hire part-time help to collect data.

Staff is needed address all regulatory and compliance issues.

PURPOSE

To provide excellent customer service to the City's approximate 9,100 utility customers through the reading of water meters, billing and collections and working with customers if they have special needs.

GOALS & OBJECTIVES

- Goal 1:** Continue to collect delinquent charges from inactive utility accounts and fire inspection charges.
- Objective 1:** Resume updating unpaid account balances to Debt Setoff Program, which will collect customers' State Tax Refunds and State Lottery winnings to pay off delinquencies.
- Objective 2:** Collecting balances from previous inactive accounts as customers establish new accounts.
- Goal 2:** Continue with Radio Read Meter replacements and update meter reading software and hardware used in retrieving meter readings.
- Objective 1:** The department continues to replace existing manual read meters with Radio Read meters, which will reduce read time for billing cycles and consistently ensure accurate readings. This goal has already reduced the cost of retrieving reading data.
The e-coder registers stores data to confirm the meter usage for the most recent 90 days. This information is used to verify the billed consumption to customers and can assist in troubleshooting unexplained high usage to the customer.

FY 23 ACCOMPLISHMENTS

- Meter replacement from manual read to radio read has been 156 for the current fiscal year as of January 31. Currently there are 5515 radio read meters servicing approximately 9160 active accounts. We have 248 radio read meters in stock that will be put into service this fiscal year.
- NC Debt Setoff program allowed the city to collect \$25,060.40 on delinquent utility accounts over the 2022 calendar year.

KEY BUDGET ISSUES

- Requesting funds to upgrade meter reading software and hardware. The new software is cloud based and will be accessible in the field if needed.
- Requesting funds to purchase a new meter reader truck to replace a 2010 Ford Ranger that is not safe to operate.

ENTERPRISE FUNDS**

30-818: WATER FUND WATER DISTRIBUTION SYSTEM

PURPOSE

To provide maintenance and repair on water transmission and distribution mains throughout the City's service area (as part of the Regional System); and to install water taps, provide force labor and management for improvements and extensions to the water system. The City owns and maintains over 230 miles of water lines serving roughly 9,000 customers.

GOALS & OBJECTIVES

- Goal 1:** Provide better water quality and service to meet or exceed customer demands with ample pressure.
- Objective 1:** Continue to identify and provide improvements to areas with water quality issues such as dead-end mains and small waterlines operating at minimum pressure.
- Objective 2:** Continue to identify areas where we can switch water services from small older water mains to larger newer water mains. Discontinue service on small older water mains.
- Goal 2:** Provide better fire protection and consistency of service as it relates to flushing and fire protection services.
- Objective 1:** Continue to change out older style fire hydrants without pumper nozzle which do not conform to NCDEQ standards.
- Goal 3:** Become better prepared for emergency situations when turning water off becomes a necessity.
- Objective 1:** Develop a valve maintenance program to clean valve boxes, exercise valves and verify valve location on a consistent basis.
- Goal 4:** Ensure that all distribution and regional waterlines are accessible for maintenance.
- Objective 1:** Continue with mowing schedule for waterline right-of-ways.

FY 23 ACCOMPLISHMENTS

- **Regional Waterline:** Repaired 5 major leaks on two 24" regional water lines with minimal interruption of service to our customers.
- **Training:** All employees with Water Distribution Certifications met requirements to renew. Several employees obtained new Water Distribution Certifications.

KEY BUDGET ISSUES

- **Aging Fleet and Equipment:** Existing fleet is aging and in need of replacement. We have proposed several items in the upcoming budget.
- **Materials and Parts:** Increasing prices and availability of parts and materials for day-to-day operations.

The Non-Departmental Budget group was established for this fund, as well as others, during FY 11-12 in order to better account for inter-fund transfers and other expenditures that should not be located in an operating budget group. No personnel are assigned to the Non-Departmental budget group; however, some personnel related expenditures such as retiree health insurance and reserves for incumbent liabilities for accrued vacation and compensatory time are accounted for in this budget department.

The majority of this debt is due to the renovations at the Henderson Water Reclamation Facility (HWRF).

PURPOSE

The purpose of the debt service budget department is: 1) to provide for the payment of the Fund's long-term and short-term debt interest and principal; and 2) to provide long-term information and understanding as to the Fund's debt service requirements and how that might impact utility rates as well as day-to-day operations.

KEY BUDGET ISSUES

- **Scheduled Debt Service** is currently comprised of HWRF improvements; Sandy Creek pump stations, Sewer Rehab Project and Elmwood Interceptor.

**FY 23-24 BUDGET
ENTERPRISE FUNDS**

31-822: SEWER FUND WATER RECLAMATION FACILITY

PURPOSE

To provide adequate treatment of wastewater to meet the effluent limits set forth in the City's National Pollutant Discharge Elimination System (NPDES) permit; to provide adequate management and maintenance of the City's pump station facilities (6 major and 8 minor stations) and sludge disposal program; and to make available adequate capacity for continued residential, commercial and industrial growth within Henderson's corporate limits and throughout the service area.

GOALS & OBJECTIVES

Goal 1: Operate the HWRF, pump stations, laboratory, SCADA, stormwater, odor control and land application of sludge efficiently and maintain compliance with all NPDES, laboratory, land application of sludge and stormwater permit limits including the Environmental Protection Agency (EPA)/Division of Water (DWQ) regulations in a cost effective manner.

Objective 1: Analyze the operational parameters of the treatment plant and train staff in its interpretation. Coordinate with the lab, operations and maintenance staff to make needed adjustments to the plant and other processes to maintain compliance with the current NPDES limits.

Goal 2: Continue to improve and maintain the safety record at the HWRF.

Objective 1: Continue plant safety inspections and staff training; correct any issues or concerns that rise.

Goal 3: Continue using Cartegraph asset management system.

Objective 1: Manage assets, request, community's work and resources.

FY 23 ACCOMPLISHMENTS

- Cleaned substantial sludge out of the oxidation ditch # 1.
- Multiple repairs done to equipment at the treatment plant.
- Electrical improvements to smaller lift stations.
- Repaired cracks in oxidation ditch # 1.

KEY BUDGET ISSUES

- Filter building needs an upgrade.
- Chemical prices are increasing.
- Septic Station needed for septic haulers.

PURPOSE

To perform both scheduled and emergency maintenance and repair on more than 200 miles of sanitary sewer lines (both gravity and force mains); to install sewer taps; provide force labor and management for improvements to the system. To provide quality service for roughly 7,600 sewer customers.

GOALS & OBJECTIVES

- Goal 1:** To stay in compliance with sanitary sewer collections permits and avoid potential fines from sanitary sewer overflows.
- Objective 1:** Continue to clean and monitor sewer mains and manholes to reduce the risk of spills/overflows.
- Goal 2:** Further reduce infiltration/inflow to maximize capacity within the collection system.
- Objective 1:** Continue to work in conjunction with Sewer I&I Division to inspect sewer mains with CCTV inspection equipment and smoke testing equipment to find potential sources of I&I.
- Goal 3:** Ensure that all sanitary sewer outfalls are accessible for maintenance.
- Objective 1:** Continue with mowing schedule for sanitary sewer outfalls.

FY 23 ACCOMPLISHMENTS

- **Line Rehabilitation:** Successfully completed foam injection to existing sewer mains to eliminate root problems which can cause spills.
- **Right-of-Way Clearing:** Continued right of way clearing on Sanitary Sewer outfalls. Repaired several creek crossings to enable accessibility.
- **Line Cleaning:** Crews are on track to complete cleaning of the 10% of gravity sewer mains as mandated by the Water Resources Division for North Carolina Department of Environmental Quality.
- **Training:** All employees with Sewer Collection Certifications met requirements to renew. Several employees obtained new Sewer Collection Certifications.

KEY BUDGET ISSUES

- **Funding:** Needed for projects relative to capital improvement projects as well as other sewer improvement projects.
- **Aging Fleet and Equipment:** Funding of new and aging equipment to ensure quality and timely work for maintenance of sewer mains and services. We have proposed several items in the upcoming budget included a Combo Truck for cleaning sewer lines.

Total Funded Positions	3	3	3	3	3	3	3

PURPOSE

To perform scheduled maintenance of sanitary sewer mains relative to the identification and reduction of storm and groundwater inflow/infiltration (I&I) into the sanitary sewer system.

GOALS & OBJECTIVES

Goal 1: Inflow & Infiltration Reduction and Identification.

Objective 1: I&I work to include CCTV inspection, smoke testing, die testing and other visual inspections of the collection system to find sources of inflow and infiltration.

Objective 2: Perform repairs and other day-to-day I&I preventive maintenance as required of this system.

Goal 2: Identify I&I issues on private property and ensure appropriate repairs are made.

Objective 1: Issue notice to property owners when I&I problems are found to give them an opportunity to make repairs within a set time frame.

FY 23 ACCOMPLISHMENTS

- **I&I Work:** Received notification that we will receive \$5 million ARP grant from the Clean Water State Revolving Fund for sewer rehabilitation to alleviate sources of I/I. This is our Find and Fix it Project.
- **Fats, Oils & Grease Compliance:** The Sewer Collection I&I Division continues to work in identifying accumulation of grease build-up within the mains and help HWRF to identify potential businesses which may be depositing excessive amounts of fats, oils and grease.

KEY BUDGET ISSUES

- **Personnel:** Competing with surrounding employers to hire and retain a qualified work force.

The Non-Departmental Budget group provides for a better accounting of inter-fund transfers and other expenditures that should not be located in an operating budget group. No personnel are assigned to the Non-Departmental budget group; however, some personnel related expenditures such as retiree health insurance and the fund's share of the recommended pay and classification study are accounted for in this budget department.

The largest expenditure center for the non-departmental budget is the transfer to the Capital Reserve Fund.

**FY 23-24 BUDGET
ENTERPRISE FUNDS
64-900: REGIONAL WATER FUND WATER PLANT**

PURPOSE

To provide safe and aesthetically pleasing water to approximately 55,000 customers in the cities of Henderson, Oxford and Warren County by continuously meeting all state and federal regulations.

GOALS & OBJECTIVES

- Goal 1:** Continue with Duke Energy Time-of-Use Program.
Objective 1: The high service pumps at the plant are operated during off-peak times as established by the Time-of-Use Program. KLRWS is looking at further ways to reduce power cost.
- Goal 2:** Meet and exceed EPA regulations.
Objective 1: Meet all state and federal regulations throughout the year thus providing high quality water to all customers.
- Goal 3:** Continue working to complete the 20MGD upgrade.
Objective 1: Meet future growth projections and demands of the regional water partners and customers.
- Goal 4:** Devise a consumer education plan.
Objective 1: Meet state mandates and keep the public informed and educated about conservation and water regulations.
- Goal 5:** Increase staff training.
Objective 1: Meet state mandates and keep the public informed and educated about conservation and water regulations.

FY 23 ACCOMPLISHMENTS

- Continuously provided a supply of safe, clean drinking water to all customers of KLRWS.
- Met or exceeded regulations as they were promulgated and became law.
- Started the construction of the upgrade to 20MGD

KEY BUDGET ISSUES

- Chemical costs volatile and unstable which may lead to higher costs during the year.
- Continue to increase the Regional Operating Fund Reserve.
- Increase staff in the Lab by one Lab Technician.
- Continue funding to develop the knowledge and skill of all employees.

CAPITAL IMPROVEMENT PROJECTS

1. GENERAL FUND CIP

2. POWELL BILL CIP

3. WATER FUND CIP

4. SEWER FUND CIP

5. REGIONAL WATER FUND CIP

Capital Improvement Projects Funds projects are not considered to be part of the annual budget process since these projects remain “open” for the life of the project. At times a project may only be “open”, or active, for several months and in other cases the project remains active for several years. With this said, the annual operating and capital budget must provide a summary of the capital improvement fund projects for information purposes.

The following charts provide information on each of the active and proposed capital improvement projects.

FY 23-24 BUDGET
CAPITAL RESERVE FUNDS
ALL FUNDS SUMMARY

70: Capital Reserve Utilities Fund

The basic purpose of the Capital Reserve Utilities Fund is to accumulate revenues and hold them in reserve for future expansion and/or construction of the water distribution and sewer collection systems improvements and related improvements. The City's original Capital Reserve Funds were established in 1970 for the purpose of reserving revenue to construct or assist in the financing of major improvements to the City's utility system or to purchase major capital equipment for other operating departments/divisions. During the intervening years, the fund has served the purpose for which it was intended by providing resources for construction of major water and sewer projects at the Council's discretion following specific authorization.

In FY13, the fund was restructured to provide for separate accounting of water and sewer revenues to be held in reserve for future water and sewer projects. Prior to FY13, the funds had been comingled.

The revenue sources for this fund are the inter-fund transfers from the parent funds—30: Water and 31: Sewer, investments and periodic transfers of project reversions from the capital projects funds 43: Water and 44: Sewer. In short, the primary revenue source is from the water and sewer user rates.

A tremendous amount of work has been funded from this fund during the past several years for smaller water and sewer main improvement projects that are typically designed by the City Engineering Department. At the end of FY18 the Capital Reserve Utility Fund was \$357,416.

72: Capital Reserve General Fund

The Capital Reserve General Fund accumulates revenues and holds them in reserve for future large capital equipment purchases, such as fire trucks, sanitation vehicles, etc. and for the purchase and/or construction of facilities normally funded through General Fund resources, including infrastructure components, such as streets, sidewalks, storm drainage systems, public buildings, etc. This fund has been inactive for several years and no activity is planned for FY19. There is no activity at this time, but it is recommended to start allocating funds for this in the future for large purchases such as fire trucks and other large pieces of equipment. A possible stormwater fee could provide revenue for this fund.

73: Capital Reserve Economic Development Fund

This fund was established in FY12 as a means to 'house' funding for future economic development incentive grant matches, such as funding from the Rural Center. Funding is provided via inter-fund transfer from the General Fund's general revenues. The budget is divided into two main expenditure categories: capital reserve for future allocation by City Council and economic incentives allocated by Council for specific projects. All funds not utilized roll over into the fund balance. The undesignated fund balance for FY18 is \$15,828. Since no transfers from General Fund are budgeted for FY19, no growth is expected in the Fund.

78: Capital Reserve Regional Water Fund

This fund was created in March 2012 in order to consolidate three Regional Capital Reserve Funds into one. 75: Capital Reserve Regional Water COE, 76: Capital Reserve Regional Water 20 MGD and 77: Capital Reserve Regional General, were merged to form 78: Capital Reserve Regional Water System Fund. Reserves are established for these Regional Water system needs: 911: Corp of Engineer Reserve; 922: 20 MGD Plant Expansion Reserve and 865: General Capital Reserve.

The funding source for this fund is the inter-fund transfer from the 64: Regional Water Fund. Revenues are derived from charges for water to the Regional Partners of Oxford, Warren County and Henderson. All funds are held in reserve until needed. When needed, the funds are transferred to a capital project established in 46: CIP Regional Water Fund.

79: Capital Reserve Rate Stabilization Fund

This fund was established for the purpose of reserving City funds for major water system infrastructure needs, and major upgrades completed at the Water Reclamation Facility (Sewer Plant).

The funding source for the sewer plant rate stabilization reserve is the sewer rate transferred from 31: Sewer Fund. The initial transfer to establish this fund was made from 70: Capital Reserve Utilities Fund during FY12.

The 30: Water Fund has several sources of income to fund its rate stabilization reserve as follows: Investments and transfers of other revenue sources from 30: Water Fund.

APPENDIX A

GLOSSARY OF TERMS

ABC: Alcoholic Beverage Control Commission.

Account Number: A system of numbering or otherwise designating accounts, entries, invoices, vouchers, etc., in such a manner that the symbol used quickly reveals certain required and/or desired information. This is also referred to as the Budget/Accounting Line Item.

Accounts Payable: A liability account reflecting amounts of open accounts owing to private persons or organizations for goods and services received.

Accounts Receivable: An asset account reflecting amounts owing on open accounts from private persons or organizations for goods and services provided.

Accrual Basis: A basis of accounting in which revenues are recognized when they are earned rather than received and expenses are recognized when incurred rather than paid.

Activity Classification: A grouping of expenditures based on specific lines of work performed by organizational units, i.e., public safety.

Actuals: The actual expenditures, which are historically verifiable in the City's Accounting System.

ADA: Americans with Disabilities Act.

Adaptability: The flexibility of the system or process to handle future changing customer expectations to meet today's special needs and future requirement changes.

Ad Valorem Taxes: A tax based on the assessed value of real estate or personal property and the tax rate. Property ad valorem taxes are the major source of revenue for state and municipal governments.

Administrative Support: A calculated amount of money transferred from one fund to another to offset administrative or related support.

Adopted Budget: A budget that has been prepared and reviewed in accordance with State law and has been duly adopted by the City Council.

Allocate: To set aside portions of budgeted expenditures that are specifically designated to organizations, departments, etc.

Allowance for Doubtful Accounts: A contra account, related to accounts receivable, that holds the estimated amount of collection losses.

Annual Budget: A budget covering a single fiscal year (1 July – 30 June).

Annual Routine Debt: Bond debt issued on an annual basis to fund routine needed capital improvements such as street improvements, storm drainage, facilities renovation, etc.

Appendices: Supplemental material.

Appropriations: An authorization made by the City Council permitting the City to incur obligations and make expenditures.

Appropriation Ordinance: An official enactment by the City Council to establish legal authority for City officials to obligate and expend resources.

Assessed Valuation: The value of real estate and/or personal property and equipment as determined by tax assessors and used as a basis for levying property taxes.

Assessment: The process for determining values of real and personal property for taxation purposes.

Agency Fund: A fund consisting of resources received and held by the governmental unit as an agent for others.

Audit: A methodical examination of the utilization of resources it concludes in a written report of its findings to the governing body. An audit is a test of management's accounting system to determine the extent to which the internal accounting controls are both available and being used. In Henderson, an independent auditor is hired to examine the City's financial records.

Austerity: Rigorous, self-disciplined life; life without excess.

Authorized Positions: These are employee positions which are authorized in the adopted budget to be filled during the fiscal year.

BALI: Budget/Accounting Line Item.

Balanced Budget: A budget in which anticipated revenues are equal to planned expenditures.

Bond: A long-term promise to pay a specified amount of money on a particular date. Bonds are used primarily to finance capital projects.

Bonds Issued: Bonds that have been sold.

Budget/Accounting Line Item: A system of numbering or otherwise designating accounts, entries, invoices, voucher, etc., in such a manner that the symbol used quickly reveals certain required and/or desired information. This is also referred to as the Account Number.

Budget Amendment: A procedure used by the City staff and the City Council to revise a budget appropriation.

Budget Document: A financial plan containing projected expenditures and resources covering a fiscal year prepared by the City Manager and his staff and enacted by the City Council.

Budget Calendar: The schedule of key dates, which a government follows in the preparation, and adoption of its budget.

Budget Message: An overview of the recommended budget, written by the City Manager to the City Council that discusses the major budget items and the City's present and future financial condition.

Budget Ordinance: The official enactment by the City Council to establish legal authority for City staff to obligate and expend resources.

Capital Expenses: Appropriations for the purpose of satisfying one-time expenses for new value added projects such as new roads, buildings, utility lines and facilities, recreation facilities, etc., and large capital maintenance expenses such as street milling and resurfacing, re-roofing and new windows for buildings, repairs to major facilities. Capital expenses are generally financed in one of two methods: annual cash appropriations or bonded indebtedness. The former is generally associated with routine projects such as street milling and resurfacing, facility maintenance such as roofing, etc. The latter is generally associated with very large projects such as renovation of 134 Rose Avenue (new City Hall), construction of a major new road, etc.

Capital Improvement Budget (CIP): A plan of proposed capital expenditures and the means of financing them. The capital budget is usually enacted as part of the complete annual budget, which includes both operating and capital outlays.

Capital Outlay: Expenditures that result in the acquisition of or addition to fixed assets.

Capital Reserve: An account used to indicate that a portion of fund balance is legally restricted for a specific capital purchase and is therefore not available for general appropriation.

Capitalized Interest: An equity account reflecting the accumulated earnings from bonds/loans while in escrow.

Cash Basis: A basis of accounting in which revenue is recorded only when cash is received and expenses are recorded when the cash is paid.

Cash Management: The management of cash necessary to pay for governmental services, while investing temporary cash excesses in order to earn interest revenue. Cash management refers to the activities of forecasting the inflows and outflows of cash, mobilizing cash to improve its availability for investment, establishing and maintaining banking relationships.

CBO: Community Based Organization.

CIP: Capital Improvements Plan.

CDBG: Community Development Block Grant, a federal entitlement program designed to benefit low and moderate-income persons, specifically in the areas of housing and quality of life.

City Manager: The chief executive officer of the City of Henderson, appointed by the City Council.

CMO: City Manager's Office.

COE: Corps of Engineers.

COG: Council of Governments.

COLA: Cost of living adjustment.

Commodities: Supplies; anything bought and sold.

Contingency: A budgetary reserve set aside for emergencies or unforeseen expenditures not otherwise budgeted.

Contractual Services: Services rendered to a government by private firms, individuals, or other government entities. Examples include utilities, rent and consulting services.

COPS: Certificate of Participation.

Crime Clearance Rate: The percentage of crimes cleared/solved compared to those reported.

Data Response Time: The time it takes to respond to a call for service from the time it is received until a response has been made, i.e., the time it takes to dispatch a fire engine from the station to a house fire after the call has been received.

DCA: Department of Community Assistance.

DDC: Downtown Development Commission.

Debt Ceiling: See debt limit.

Debt Limit: The maximum amount of gross or net debt that is legally permitted. In Henderson, the legal debt limit for tax-supported debt (General Fund) is 8% of assessed value of property.

Debt Management Policy: A policy dealing with the issues of debt, how it is managed, and the manner in which debt is issued.

Debt Reduction Plan: A strategic plan and policy designed to eliminate the need for annual bond issues for annual capital projects while, at the same time, increasing the amount of annual cash appropriations for capital projects.

Debt Service: The City's obligation to pay principal and interest on bonds and other debt instruments according to a pre-determined payment schedule.

Debt Service Fund: Governmental fund type used to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

Debt Service Ratio: The ratio of total liabilities to total assets. This tells the proportion of a government's assets that it has financed with debt.

Deficit: An excess of expenditures over revenues or expense over income.

Department: The highest levels of operation in the structural organization of the City, which indicates overall management responsibility for a division or a group of related operational divisions.

Depreciation: A decrease in value of property through wear, deterioration, or obsolescence.

Dillon's Rule: A rule of judicial interpretation of the legal powers of local government

Discretionary General Funds: Funds that the City Council has full control over and authority to appropriate in support of general fund activities.

Distinguished Budget Presentation Awards Program: A voluntary program administered by the Government Finance Officers Association (GFOA) to encourage governments to publish efficiently organized and easily readable budget documents and to provide peer recognition and technical assistance to the fiscal officers preparing them.

Diverse: In addition to race, nationality, gender, culture, what part of the United States one may be from and the like, this concept has to do with the way we think, the respect we have for each other's opinions turning differences into advantages and similar concepts.

Draconian: unusually severe or cruel.

Efficiency: The extent to which resources are minimized and waste is eliminated in the pursuit of effectiveness. Productivity is a measure of efficiency. Efficiency is not customer driven but rather controlled by the process – resources are minimized and waste eliminated.

Effectiveness: The extent to which the outputs of the system or process meet the needs and expectations of the customers (A synonym for effectiveness is quality). Effectiveness influences the customer. The individuals who receive the output (internal and external customers) should set the effectiveness standards.

Encumbrance: The commitment of appropriated funds for future expenditures of specified goods or services.

Enterprise Funds: A governmental accounting fund in which the services provided are financed and operated similarly to those of private business. The rate schedules for these services are established to insure that revenues are adequate to meet all necessary expenditures.

Estimated Revenue: The amount of projected revenue to be collected during the fiscal year.

Expenditure: The outflow of funds paid or to be paid for an asset obtained or goods and services. Regardless of when the expense is actually paid, this term applies to all funds.

External Customer: People that live within the City of Henderson, citizens, people that receive services from the City but live outside of the City and people that live outside of the City but work here, shop and trade here, and use the City for recreational and cultural activities.

Fiscal Year (FY): The time period signifying the beginning and ending period for the recording of financial transactions. The City of Henderson's Fiscal Year begins July 1 and ends June 30, of the following year.

Fixed Assets: Assets of a long-term character intended to continue to be held or used, such as land, buildings, machinery, furniture, and other equipment.

Fund: An accounting entity which has a set of self-balancing accounts and where all financial transactions for specific activities or governmental functions are recorded.

Fund Balance: Refers to the excess of assets over liabilities and is therefore also known as a surplus fund. The portion of Fund Equity which is available for appropriation.

GAAP: Generally Accepted Accounting Principles; uniform minimum standards for financial accounting and recording, encompassing the conventions, rules and procedures that define accepted accounting principles.

General Fund: One of five governmental fund types. The general fund typically serves as the chief operating fund of a government. The general fund is used to account for all financial resources except those required to be accounted for in another fund.

General Ledger: An accounting file which is a grouping of accounts in which the activities of the City are recorded.

General Obligation Bonds: Bonds issued by a government that are backed by the full faith and credit of its taxing authority.

GFOA: The acronym used for Government Finance Officers Association of the United States and Canada.

GIS: Geographical Information System.

GO Debt: General obligation debt.

Goal: A broad/general statement of direction based on the needs of the community and government.

Governmental Funds: A generic classification adopted by the National Council on Governmental Accounting to refer to all funds other than proprietary and fiduciary funds.

GPD: Gallons per day.

Grants: A contribution or gift in cash or other assets from other government units to be used for a specific purpose.

High Performance Organization: An organization that seeks continuous improvement, strong customer service, and best practices in the delivery of public services.

Impacts: The effects which would exist as a result of making one decision or another.

Infrastructure: Streets, bridges, water and sewer lines and treatment facilities, storm drainage, traffic signals, etc.

Interest and Penalties Receivable on Taxes: Uncollected interest and penalties on property taxes.

Interest Income: Revenue earned on investments with a third party. The City uses a pooled cash system, investing the total amount of cash regardless of fund boundaries. The interest earned is then allocated back to the individual funds by average cash balance in that fund.

Inter-fund Accounts: Accounts in which transactions between funds are reflected.

Inter-fund Recoveries: Charges from the General Fund to enterprise funds to recover the cost of general government's support of the enterprise funds. Examples would be financial accounting management, data processing services, purchasing, legal and general government management, etc.

Interfund Transfers: Flows of assets (such as cash or goods) between funds of the governmental unit without equivalent flows of assets in return and without a requirement for repayment.

Inter-governmental Revenues: Revenues from other governments that can be in the form of grants, entitlements, or shared revenues.

Internal Customers: Employees and agencies of the City of Henderson that seek services and assistance from other parts of the City and its agencies.

Internal Service Fund: A proprietary fund type that may be used to report any activity that provides goods or services to other funds, departments, or agencies of the primary government.

Investments: Securities held for the production of revenues in the form of interest, dividends, and rentals or lease payments.

ISO: International Organization for Standardization.

Justifications: A defensible explanation for making one decision or another.

Lease Purchase Agreements: A contractual agreement by which capital outlay, usually equipment, may be purchased over a period not exceeding 60 months through annual lease payments.

Legal Debt Margin: Excess of the amount of debt legally authorized over the amount of debt outstanding.

LEO: Law Enforcement Officer.

Levy: The amount of tax, service charges and assessments imposed by a government.

Local Government Budget and Fiscal Control Act: An act which governs all agencies of local government in the State of North Carolina. It spells out how all monies received or expended by local governments must be budgeted, disbursed, and accounted for. It requires that certain types of funds be maintained depending on the functions and activities performed by local governments and how those functions and activities are financed.

Metric: Performance measures and indicators – numerical information that quantifies input, output, and performance dimensions of processes, products, programs, projects, services, and the overall organization (outcomes).

Long-term Debt: Debt with a maturity of more than one year after the date of issuance

Mandate: A requirement imposed upon a local government by the federal and/or state governments to provide certain levels of service.

Merit Pay System: See Performance Pay System.

MGD: Million gallons per day.

Modified Accrual Basis of Accounting: Basis of accounting used in conjunction with the current financial resources measurement focus that modifies the accrual basis in accounting in two important ways 1) revenues are not recognized until they are measurable and available, and 2) expenditures are recognized in the period in which governments in general normally liquidate the related liability rather than when that liability is first incurred (if earlier).

Municipal Bonds: A bond issued by a unit of local government.

NCDOT: North Carolina Department of Transportation.

Non-Departmental: Items of expenditure essential to the operation of the City government that do not fall within the function of any department, or which provide for expenditures related to more than one department.

Non-Operating Expenses: Expenses that are not directly related to the provision of services such as debt service.

Non-Operating Revenues: Revenues that are generated from other sources, such as interest income, and are not directly related to service activities.

Objective: A specific statement about that which is to be accomplished or achieved for a particular program during the fiscal year.

Object/Element Codes: An expenditure category, such as salaries, supplies, or professional services.

Obligations: Amounts that a government may be required legally to meet from its resources; i.e., liabilities and encumbrances.

Operating Expenses: Appropriations for the purpose of satisfying recurring annual expenses. Examples of such expenses include salaries and wages, fringe benefits, vehicle maintenance and supplies, utilities, insurance, facility maintenance and supplies, contractual services, annual appropriation to capital improvements plan, etc. Such expenses are routine expenses associated with the operations of the business. Capital expenditures can impact the operating budget in the form of debt service payments and maintenance expenses for infrastructure additions. Additionally, some capital projects can have the effect of lowering annual operating expenses.

Operating Budget: The expenditure plan for continuing everyday service programs and activities. Generally, operating expenditures are made in a single fiscal year. Expenditures include personnel services, contractual services, commodities, minor capital outlay, and debt service requirements.

Operating Transfers: Legally authorized interfund transfers from a fund receiving revenue to the fund that is to make the expenditures.

O & M: Operation and Maintenance of the Water and Waste Water Systems.

OP Ratio: The Operating Ratio is determined by comparing the cost of the goods sold and other operating expenses with net sales. The formula used to calculate the operating ratio is $[(\text{Cost of goods sold plus operating expenses divided by net sales})] \times 100$. This ratio is a test of the efficiency of management in their business operation.

Ordinance: A formal legislative action enacted by a majority vote by the City Council. It has the effect of law within the community and it must not conflict with federal and/or state law.

Overtime: Extra time worked beyond an employee's normal work schedule. This can be affected by holidays, sick and annual leave.

People: A demographically balanced population in which all of its segments that comprise the whole are valued for their contributions, diversity, and strengths.

Performance Pay System: An established system to recognize and financially reward employee performance that exceeds the City's standards for a classification.

Personnel Services: Expenditures for salaries, wages, and fringe benefits of a government's employees.

PIT: Process Improvement Team.

Planned: Forward-thinking, innovative, and dynamic actions resulting in a sustainable, well-balanced community where the natural environment, businesses, and residential developments work in harmony resulting in an exceptionally high quality of life.

Postemployment healthcare benefits: Medical, dental, vision, and other health-related benefits provided to terminated employees, retired employees, dependents, and beneficiaries.

Powell Bill Street Allocation: Funding from state-shared gasoline tax made to incorporated municipalities which establish their eligibility and qualify as provided by General Statutes. These funds shall be expended only for the purposes of maintaining, repairing, constructing, reconstructing or widening of local streets that are the responsibility of the municipalities or for planning, construction, and maintenance of bikeways or sidewalks along public streets and highways.

Premise: An assumption that is a foundation or basis for submission.

Prodigious: Enormous, beyond capacity.

Program: A distinct, clearly identifiable activity, function, cost center or organizational unit.

Property Tax: A tax levied on the assessed value of real and personal property.

Proprietary Funds: Funds that focus on the determination of operating income, changes in net assets (or cost recovery), financial position, and cash flows. There are two different types of proprietary funds: enterprise funds and internal service funds.

Public Hearing: An open meeting of the City Council specifically for the purpose of obtaining public comment and input on a particular issue.

Rate Stabilization Fund: A fund created to set aside reserves in order to help smooth out anticipated annual increases in service rates.

Regional Center: A well planned community whose economic, cultural, and demographic strengths are such that it attracts people and business opportunities well beyond its geo-political boundaries to take advantage of its health care services, tourism, diversified employment, and entrepreneurial opportunities, and leisure and cultural offerings.

Reserve: An account designated for a portion of the fund balance that is to be used for a specific purpose.

Resources: Resources are the people, buildings, equipment, and funds required to produce a product and/or perform services.

Retained Earnings: An equity account reflecting the accumulated earnings of an enterprise or internal service fund

Revenues: Funds the government receives as income. It includes items such as tax payments, fees from certain services, fines and forfeitures, grants, shared revenue, and interest income.

Risk Management: An organized effort to protect a government's assets against accidental loss by the most economic method.

SCADA: Supervisory Control and Data Acquisition.

Service Area: A generic title for the grouping of departments according to common areas of service; i.e., information services.

Special Assessments: A compulsory levy made against certain properties to defray part or all of the cost of a specific improvement or service which is presumed to be a general benefit to the public and of special benefit to such properties.

Special Revenue Fund: Governmental fund type used to account for the proceeds of specific revenue sources (other than for major capital projects) that are legally restricted to expenditure for specified purposed.

State Shared Revenue: Revenues levied and collected by the State of North Carolina but shared with its localities on a predetermined method.

Strategic Plan: A Strategic Plan is the product of an organization's strategic planning process that defines its strategy, or direction, and making decisions on allocating resources to pursue this strategy, including its capital and people. Strategic planning is the formal consideration of an organization's future course. All strategic planning deals with at least one of three key questions: 1) what do we do?, 2) for who do we do it?, and 3) how do we excel?.

Tax Base: The assessed valuation of all taxable real and personal property within the City's corporate limits.

Tax Levy: The total amount of revenue to be raised by property (ad valorem) taxes.

Transfers: Amounts transferred from one fund to another fund to assist in financing the services of the recipient fund.

Trust and Agency Fund: Fiduciary funds which are used to account for many of the more significant amounts of resources that a government receives and holds in a trust or agency capacity for the benefit of others. Trust Funds are used if the government is acting in the capacity of a trustee. Agency funds are used to account for assets received and held by a government in an agency relationship for the benefit of others.

Un-audited: Accounts or numbers that have not been verified for their accuracy.

Unencumbered Balance: The amount of an appropriation that is neither expended nor encumbered. It is the amount of money still available for future purposes.

Vibrant: Robust, energetic, alive, enthusiastic, vitality.

Work Budget: A balanced budget prepared by the City Manager's Office and Finance Department and presented to the governing body.

GUIDANCE FOR STAFF

NEW BUSINESS

CAF 23-32 Ratifying the Acceptance of The North Carolina Drinking Water State Revolving Fund for the Purpose of the Regional Water Plant Expansion Project

Requested by: City Manager Terrell Blackmon

Explanation: The City of Henderson (City) has been given authorization to proceed with the Kerr Lake Regional Water System upgrade and expansion project from the NC Local Government Commission (LGC) and the NC Department of Environmental Quality (NCDEQ). The total cost of the project is \$79.6 million dollars. The City is required to submit to the North Carolina Drinking Water State Reserve Program a signed funding acceptance offer in the amount of \$3,000,000 for the purpose of contracted construction and all other related services needed for the planned expansion of the Regional Water Plant.

Fiscal Note: The City of Henderson has been awarded a \$3,000,000 grant from the NC Drinking Water State Reserve Program for the Kerr Lake Region Water Expansion project.

Recommendation: Approval of the Resolution and Ordinance which authorizes the Mayor to sign the funding and acceptance offer in the amount of \$3,000,000.

Attachments: Resolution 23-15
Ordinance 23-12

CAF 23-33 Ratifying the Acceptance of The North Carolina Drinking Water State Reserve Grant for the Purpose of the Regional Water Plant Expansion Project

Requested by: City Manager Terrell Blackmon

Explanation: The City of Henderson has been given authorization to proceed with the Kerr Lake Regional Water System upgrade and expansion project from the NC Local Government Commission (LGC) and the NC Department of Environmental Quality (DEQ). The total cost of the project is \$79.6 million dollars. The City of Henderson (City) is required to submit to the North Carolina Drinking Water State Revolving Fund a signed funding and acceptance offer in the amount of \$31,893,000 for the purpose of contracted construction and all other related services needed for the planned expansion of the Regional Water Plant.

Fiscal Note: The City of Henderson has been awarded \$31,893,000 at 1.53 percent interest per annum from the NC Drinking Water State Revolving Fund for the Kerr Lake Region Water Expansion project.

Recommendation: Approval of the Resolution and Ordinance which authorizes the Mayor to sign the funding and acceptance offer in the amount of \$31,893,000.

Attachments: Resolution 23-16
Ordinance 23-13

CAF 23-34 Opposition to Senate Bill 675 Land Use Clarification and Changes

Requested by: City Manager Terrell Blackmon

Explanation: The NC Senate is considering a bill SB675 “Land Use Clarification and Change” which is designed to remove extraterritorial jurisdiction authority from North Carolina municipalities. The use of Extra-Territorial Planning and Zoning serves to protect the property values of communities by regulating the types of uses that can be constructed in areas that transcend from rural to urban in nature. The extraterritorial jurisdiction is vital to protect residents by regulating the establishment of incompatible uses adjacent to their residential neighborhoods.

Residents of Extra-Territorial areas are represented on the City’s Planning and Zoning Board of Adjustment by members appointed by the Vance County Board of Commissioners, thereby providing a voice in the future development of the Extra-Territorial Areas. Elimination of Extra-Territorial areas in Vance County will result in residents of the Extra-Territorial areas having no voice in the development of properties immediately adjacent to their residences.

Fiscal Note: None.

Recommendation: Authorize the Mayor to sign the resolution opposing SB 675 and send the resolution along with a letter stating our opposition to our elected State Senator and the Senate leadership in the NC General Assembly.

Attachments: Resolution 23-17

CLOSED SESSION
