

**TOWNSHIP OF WEST DEPTFORD COMMITTEE MEETING MINUTES**

**400 CROWN POINT ROAD, WEST DEPTFORD, NJ 08086**

October 19, 2016 7:00 P.M.

The meeting was called to order at 7:00 p.m. by Acting Municipal Clerk, Lee Ann DeHart.

The following statement was read by the Acting Municipal Clerk: Adequate notice of this meeting has been given by notifying the South Jersey Times and the Courier Post, posting the meeting date on the official bulletin board of the Township, and filing written notice with the Township Clerk on January 8<sup>th</sup>, 2016.

The Pledge of Allegiance and Prayer were recited.

**Roll Call:**

Mr. Hansen, Mr. Maher, Mr. Reid, Deputy Mayor Mehaffey and Mayor DiCarlo were in attendance.

**Correspondence:**

- Correspondence, David Rosoff, EPA, Birchly Court
- Supplemental Debt Statement
- Raffle Applications, (2), West Deptford Super Booster Club, November 12<sup>th</sup>
- Social Affair Permit Application, West Deptford Super Booster Club, Colonial Manor Fire Hall, November 12<sup>th</sup>
- Raffle Applications, (2), West Deptford Super Booster Club, November 17, 2016
- Bingo Application, West Deptford Super Booster Club, November 17, 2016

Mayor DiCarlo called for a motion for the acceptance and approval of the correspondence. A motion was made by Deputy Mayor Mehaffey and seconded by Mr. Reid. Mr. Maher asked for an explanation regarding the Supplemental Debt Statement, Mayor DiCarlo gave an overview of the Supplemental Debt Statement and noted that Bond Counsel would be present at the next meeting to answer any questions regarding the Refunding Bond Ordinance as it is scheduled for the public hearing at the next meeting. Mr. Maher requested clarification as to why the Supplemental Debt Statement decreased. Mayor DiCarlo responded. Ms. Turner-Fox added to the discussion and explained the decrease and how it relates to the Sunoco Tax Appeal. Discussion followed. As there were no further questions from the Committee, the Mayor requested a roll call vote. The vote was as follows:

|                       |   |
|-----------------------|---|
| Mr. Hansen            | Y |
| Mr. Maher             | Y |
| Mr. Reid              | Y |
| Deputy Mayor Mehaffey | Y |
| Mayor DiCarlo         | Y |

**Approval of Previous Meeting Minutes:**

No minutes were submitted for approval.

Mayor DiCarlo read the proclamation for Breast Cancer Awareness Month.

**#258 PROCLAMATION – Breast Cancer Awareness Month**

**TOWNSHIP OF WEST DEPTFORD COMMITTEE MEETING MINUTES**

**400 CROWN POINT ROAD, WEST DEPTFORD, NJ 08086**

October 19, 2016 7:00 P.M.

Mayor DiCarlo then read the proclamation for Mr. Wayne Hires III.

**#259 PROCLAMATION - EAGLE SCOUT – Wayne Hires III**

Mayor DiCarlo called for a motion to accept the Proclamations, Deputy Mayor Mehaffey made the motion and was seconded by Mr. Reid and approved by the entire Committee.

**Engineer's Report:**

Mr. Steck, updated the Committee and noted that the executive order to hold all projects funding with the Transportation Trust Fund has been repealed. The preconstruction meetings for Sterling Avenue reconstruction project will be held next Wednesday, and there should be news regarding funding for next year's projects shortly. Mr. Steck also mentioned that Well #5 bid will be opened tomorrow and results submitted at the next Township Committee meeting. Mr. Maher had questions regarding Red Bank and Queen Street Pump Stations, Mr. Steck responded. Mr. Hansen asked for clarification on how the Pump Stations would be financed. Ms. Turner-Fox responded.

**Water and Sewer Issues:**

**Westwood Court/Queen Street Sanitary Sewer:**

**No Change** - T&M recommends that the section of line crossing the stream be removed and replaced with a new pump station and force-main following the same general path but installed in more substantial conformance with NJDEP regulations.

The Township will need to initiate the project with the NJEIT online. T&M has prepared an NJEIT funding application to facilitate the permanent replacement of this old gravity pipe line with a pump station and force main.

The NJEIT has altered their rules and will now allow rolling funding applications so that there are no time deadlines to contend with. Also, they will allow disbursement of funding during the design phase to facilitate and assist municipalities with funding of that work.

**Connection of Private Wells to Water System**

The list of properties with private wells that are to be connected to the municipal water system currently stands at 21 properties. (Officially 16 properties are listed on the State Contract) One new property was added on Jessup Road. These are wells which the NJDEP will fund based on the 10 PPT limits for PFNA's. We have divided the list into three groups. The next group (Phase 2) can be readily put out to bid based on ease of installation/connection.

The Solicitor has been pursuing access agreements from these property owners to facilitate our inspection and survey of the work areas. We have completed (12) inspection/surveys of the homes to date. The Phase 3 group will require more extensive design and permitting (County and State road opening permits). The Phase 2 group appears to have about (5) properties and the

## **TOWNSHIP OF WEST DEPTFORD COMMITTEE MEETING MINUTES**

**400 CROWN POINT ROAD, WEST DEPTFORD, NJ 08086**

October 19, 2016 7:00 P.M.

Phase 3 group would have (8) properties. The Phase 1 group was the three properties on Clement Drive.

We will continue to coordinate with the Township Solicitor to obtain agreements to access all of the properties so that we can complete the design, permitting, and construction on the properties.

### **PHASE 1 (Clement Drive)**

The contract for these three properties was awarded to Neri Construction.

The Pre-Construction meeting was held on July 6<sup>th</sup> and the Notice to Proceed was dated July 11<sup>th</sup>; the contract calls for a 30 day Substantial Completion. Closure of wells is permitted shortly thereafter. As of August 2nd, the water main and lateral connections (to the roadside) have been completed and the trench restored with 6" of asphalt base material. Service laterals from the roadside were completed on August 5<sup>th</sup>. Interior plumbing connections were completed on August 9th.

**The contractor is scheduling his return to mill the top 2" of asphalt over the trench plus a foot wider on either side. This will straighten out the edges, and then he will place a new 2" top course of asphalt. A few other punch list items are also to be addressed.**

**The NJDEP is finalizing their first reimbursement payment for Phase 1 engineering, legal, and construction costs. It is anticipated the week of October 17<sup>th</sup>. They are also preparing a Change Order to fund the future work of Phase 2, Phase 3, and Future Phases as outlined below.**

### **PHASE 2**

**No Change - Phase 2 consisting of the following 5 properties in the base bid plus one more property as an Alternate Bid item were awarded at the September 7<sup>th</sup> meeting to Neri Construction; Construction will begin after the NJDEP issues a Change Order to the Township to cover the full cost of the work.**

1822 Second Street (Dameika) B 4, L4

1024 Kings Highway (Phifer) B357, L4.04

1018 Kings Highway (Phifer) B357, L4.01

1062 Kings Highway (Clarke-estate of Mary Feo) B357.03. L8

1030 Kings Highway (Pheifer) B357, L4

Alternate: 951 Kings Highway (Buch) B351, 8

### **PHASE 3**

**No Change - Phase 3 consisting of the remaining seven (7) properties will be bid after the NJDEP issues a Change Order for that work scope. The Township will need to also have funding of the**

## **TOWNSHIP OF WEST DEPTFORD COMMITTEE MEETING MINUTES**

**400 CROWN POINT ROAD, WEST DEPTFORD, NJ 08086**

October 19, 2016 7:00 P.M.

**project in place.**

### **FUTURE PHASES**

**No Change** - On July 25<sup>th</sup> the NJDEP sent the Township a new list of 41 properties that may need to be hooked up to the system under “future” phases and NJDEP Change Orders. These are beyond the original 16 contracted properties. Some of these 41 properties were already contemplated by the Township for connections and others were new to the list. We are working with the Township to review that list and also to indicate to the NJDEP additional locations that may need to be added.

#### **Water and Sewer Mapping:**

**No Change** - We have prepared an updated single page map of the Township’s water and sewer infrastructure systems. The map is colorized and indexed for easier use. The map will also be used for the Township’s NJ Environmental Infrastructure Trust Loan Applications.

We are proceeding with the Water System mapping for use in a computer water system model. We have completed the pipe input for over 1000 pipe segments and we have coordinated with the Water Department and have now input the basic system operational parameters including water tanks, pumps, and well equipment. We can now use the model to simulate system operation and impacts to the system when various components are added or removed.

One quick example from the model is that normally the Mantua Grove Road water tower does not fluctuate significantly during daily operations, but that if the Jessup Road water tower is taken off-line (such as for painting or other maintenance), then we can see that the Mantua Grove water tower will encounter a significant increase in daily flow demand and level fluctuation.

This will require that the operation of the well pumps will become more critical and time intensive to ensure that the mantua Grove Road tank is kept within proper operational levels. We will be able to work with the Water Department staff to develop a plan for operating under those conditions.

#### **Warren Street I/I Investigation**

**No Change** - After meeting with the Administrator, T&M will focus on first mapping the sanitary sewer system in the Warren Street catchment area, then develop a model to further investigate the possible sources of I/I in the area in 2016, once the mapping on the area is complete.

#### **Red Bank and Queen Street Pump Stations:**

In December we were notified that the funding application was assigned to technical reviewers and we responded to their requests for additional information. The NJDEP has issued Administrative Completeness letters (dated March 29<sup>th</sup>) for both pump station applications as a first step in their review process. Technical Review and approval of the TWA applications was

**TOWNSHIP OF WEST DEPTFORD COMMITTEE MEETING MINUTES**

**400 CROWN POINT ROAD, WEST DEPTFORD, NJ 08086**

October 19, 2016 7:00 P.M.

completed and approval letters are dated June 1, 2016. A decision on the funding application should also occur within the next few months. The NJEIT has requested some informational updates from us on other permitting tasks and a minor information request on flooding elevations. We have provided the appropriate responses.

**An August 26, 2016 letter from the NJDEP has been received regarding Technical Review of Contract Documents. They had three comments, primarily regarding Wage Rate Determinations, within the specifications that we addressed. We have verbal indication that they will approve the Township to bid the work within a few weeks. We also received a notice on October 6<sup>th</sup>, from DEP that a reviewer from the Socially & Economically Disadvantaged (SED) Business Unit has been assigned, which is usually the last step in the approval process.**

**Water Meter Replacement Specifications:**

**We will provide technical assistance to the Township regarding the re-advertisement of the water meter specifications on as needed basis.**

**Well No. 5 Improvements:**

**The project is being advertised for bids. The bid opening is scheduled for Thursday, October 20<sup>th</sup>. The NJDEP permit application was submitted for processing on October 11<sup>th</sup>.**

**Well #8**

**This project has been placed on temporary hold, pending the availability of financing to fund project costs which would include design of a treatment process, through a grant or alternative financing from PFNA removal.**

**Test results from the September sampling event has revealed a drop in PFNA levels below NJDEP Guidelines for both wells 3 and 8. The next sampling event is scheduled for November 7<sup>th</sup>. We recommend no action at this time and to wait for test results from the next sampling event.**

**2 Million Gallon Jessup Rd Water Storage Tank**

**An evaluation of the exterior and interior of the Jessup Road Tank was performed by T&M's subcontractor, Mumford-Bjorkman Associates (MBA) on January 6<sup>th</sup>.**

**A report of the findings of the evaluation has been prepared by MBA, which identifies a list of recommended tank maintenance items and their associated probable cost.**

**The report is recommending the tank be scheduled for repainting within 1 year since the exterior coating has been found to be brittle and has exceeded its expected service life. The estimated cost of the internal and external painting and metal repairs is \$2.1 million.**

**T&M continues to prepare the initial submission documents for an EIT loan application to fund**

## **TOWNSHIP OF WEST DEPTFORD COMMITTEE MEETING MINUTES**

**400 CROWN POINT ROAD, WEST DEPTFORD, NJ 08086**

October 19, 2016 7:00 P.M.

internal and external repairs and painting. These include the planning document and letter of intent. Once complete, we will need the Township to log on to the NJEIT system, to designate a new project.

As noted above, the NJEIT has altered their rules and will now allow rolling funding applications so that there are no time deadlines to contend with. Also, they will allow disbursement of funding during the design phase to facilitate and assist municipalities with funding of that work.

A draft of the planning document was submitted to the Township for review on July 29<sup>th</sup>. Following us incorporating any revisions to the document, the next step is for a Township representative to log on to the EIT website and create a new project for the Jessup Road Water Storage Tank Improvements. Once that is complete, T&M will finalize the application process by uploading the final Planning Document to the EIT website. With the project application process complete, plans and specifications can be created and submitted at any time.

**We received the Township's comments on the Planning Document and have made all the necessary revisions. Only two questions remain that must be answered before the Planning Document can be finalized and submitted to NJEIT. We are working with Township officials and expect to finalize and submit the document in the next few days. Keep in mind that if it hasn't been completed already, we do need a Township official to create this new project with EIT by logging into the EIT website and following the prompts. Once that is complete, we can login and upload the required documents. Please let us know when the project setup is completed and if we are authorized to proceed with the preparation of plans and specifications.**

### **Water Allocation Permit Renewal**

The final Water Allocation Permit Renewal application was submitted to the NJDEP on September 16<sup>th</sup>. We will be following up with NJDEP during the review.

### **ROAD PROJECTS:**

#### **2015 CDBG Grant Application Fifth & Sixth Avenues Roadway Improvements**

The final close-out change order was approved and the final payment application was submitted including the maintenance bond from the contractor to close the project.

#### **Meadowcroft Road Reconstruction**

**No Change** - Several attempts have made to contact the Contractor (Arawak Paving) to obtain their signature for the final close-out change order. The approved change order does not reflect any additional payments to the Contractor. The executed change order is needed to close the project. Should the Contractor fail or continues to refuse to execute the document, then the change order needs to be processed unilaterally.

#### **NJDOT 2015 GRANT for Sterling Road**

**TOWNSHIP OF WEST DEPTFORD COMMITTEE MEETING MINUTES**

**400 CROWN POINT ROAD, WEST DEPTFORD, NJ 08086**

October 19, 2016 7:00 P.M.

NJDOT has awarded a Grant to West Deptford Township in the amount of \$170,000.

Five bids were received on Thursday June 23, 2016 for the Resurfacing of Sterling Road with Arawak Paving submitting the lowest bid in the amount of \$138,900.00. On July 6, 2016 the Township passed a Resolution awarding the contract to Arawak Paving subject to NJDOT funds being available.

Additional work will be added to the contract in order to use all of the available Grant funding. This work will be on Lansing Avenue at the intersection with Sterling Road. Approximately 100' each way (200' total) from Sterling Rd. on Lansing Ave. will be re-surfaced.

**The Project remains on hold until the Executive Order temporarily shutting down all work on State Aid Projects is lifted. The State Assembly and Senate have passed Legislation funding the NJ Transportation Trust Fund and forwarded it to the Governor for his signature. As soon as the order is lifted T&M will forward the Contract documents to Arawak for signing.**

**NJDOT 2016 Funding Application – North Roosevelt Ave (Grant to Riverview) and Riverview (Roosevelt to Middlesex)**

The application for 2016 NJDOT funding has been approved by NJDOT and the Township has been notified of a \$192,000 grant award.

**We are planning to submit plans and specifications to NJDOT this month for review and approval. Construction will be delayed until 2017 based on the current executive order shutting down all construction work funded by the Transportation Trust Fund.**

**2016 Community Development Block Grant Application**

**No Change** - On April 29<sup>th</sup> a grant application was submitted to Gloucester County for a Community Development Block Grant. The project submitted was for the mill and overlay of a portion of DuBois Avenue between Oakview School and Harker Ave.

The project will also include new ADA ramps and striped walkways at the intersections of Harker Ave and Lynn Drive. Award notifications are expected in the fall of this year.

**RIVERWINDS:**

**RiverWinds-Pool Areas – Exterior Roof/Soffit/Fascia and Interior Items**

**No Change** - The exterior improvements bidding plans and specifications will be finalized once we the bidding schedule is finalized. We estimate a construction duration of 5 months to construct the improvements once a contract is awarded. The design of the interior improvement bid documents will be initiated next. We assisted with removal of the existing deteriorated lights

**TOWNSHIP OF WEST DEPTFORD COMMITTEE MEETING MINUTES**

**400 CROWN POINT ROAD, WEST DEPTFORD, NJ 08086**

October 19, 2016 7:00 P.M.

suspended from the clerestory in the pool area.

**RiverWinds Redevelopment Area**

We have been working with the County and Redeveloper to have the Sewer Service Area map corrected by NJDEP.

The current map is currently indicates that RiverWinds is outside the sewer service area. We submitted application to the NJDEP to revise the mapping to reflect the already developed areas and an amendment request to include the proposed development areas into the plan.

On July 28, 2016, the NJDEP Tri-County Water Quality Management Plan (WQMP) (Program Interest Number 435433 Activity Number REV160003) was revised to include the developed portions of the RiverWinds development into the RiverWinds Sewer Service Area.

The properties included in the Tri-County WQMP are Block 323, Lots 3.03, and 3.31, Block 328, Lots 3.11, 3.12, 7 (portion), 7.05 (portion), 7.07 (portion), Block 328.03 – 328.09, Lots all and Block 328.11 Lot 1 (portion).

The application for the Tri-County WQMP amendment to include the undeveloped portions of the RiverWinds Sewer Service Area is still under review and pending approval. **As of November 7, 2016, the latest rule adoption of the Water Quality Management Planning rules (NJAC. 7:15) will be effective and the NJDEP may move forward with the approval process. The application will require a public notice period and comment period of up to 60 days (combined). The application will also require endorsement by the Gloucester County Utilities Authority. We coordinate with both agencies through the process.**

**The Wetlands Letter of Interpretation (LOI) extension application is still pending before the NJDEP. Based on our conversation with the NJDEP on October 11, 2016, it is anticipated that the LOI will be approved within the next two (2) weeks.**

Upon approval by the NJDEP, the LOI will be extended through October 28, 2019. The LOI provides formal verification of the freshwater wetland and transition area boundaries on the site and is important in the future planning of the site.

**RiverWinds Point**

**An Individual Waterfront Development Permit application to the NJDEP Division of Land Use Regulation (DLUR) to obtain the necessary approvals to perform the walkway stabilization at RiverWinds Point is pending. To address additional comments raised by the NJDEP DLUR, information regarding recorded occurrences of threatened and endangered species in the project area was provided by T&M on October 12, 2016. We will keep the Township informed of the application status.**

**TOWNSHIP OF WEST DEPTFORD COMMITTEE MEETING MINUTES**

**400 CROWN POINT ROAD, WEST DEPTFORD, NJ 08086**

October 19, 2016 7:00 P.M.

In addition to the walkway stabilization measures, T&M has been working with the Township and the NJDEP to resolve issues associated with unpermitted clearing of the riparian zone along RiverWinds Point and cove area. This issue has been ongoing.

On August 30, 2016, the NJDEP approved the riparian mitigation plan with conditions as a corrective action measure of the unpermitted clearing. We are working with the Township to address the conditions of the approval, and to assist, as necessary, through the planting process.

It is anticipated that planting of the vegetation will be in the fall 2016 and the plantings will require monitoring for at least a three (3) year period to ensure survivability. The Township will be responsible for the planting and monitoring.

**RiverWinds Restaurant Addition:**

**We received the required engineering drawings as-built and previously revised deed notice to reflect the Restaurant Addition. We now are in possession of all the required documents. The Biennial Certification will be submitted by October 21<sup>st</sup>.**

**RiverWinds Golf Remediation:**

**No Change** - Discussion with Redeveloper's Attorney took place on September 12<sup>th</sup> resulting in a meeting scheduled for September 16<sup>th</sup> to review and provide available information regarding test results on the golf course and the proposed clubhouse site.

**RiverWinds Community Center Landscaping Improvements:**

**We are meeting on October 13<sup>th</sup> to discuss the implementation of a master landscaping plan for the Community Center landscaped areas. The emphasis of the plan will be low maintenance and aesthetics.**

**MISCELLANEOUS PROJECTS:**

**Rivergate Park:**

**A process to develop a master park plan is being developed for Rivergate Park. We are meeting to discuss the project and process on October 13<sup>th</sup>. We will be scheduling the topographic survey this month.**

**Asbury Avenue/Sunoco Drainage:**

As result of our March 13, 2015 meeting with Sunoco and their Professionals, we prepared and submitted a Stream Cleaning Plan to the NJDEP. The plan was prepared in support of the Stream Cleaning Permit application under review by the agency

The plan addressed comment raised by Sunoco and their professionals, along with those raised

**TOWNSHIP OF WEST DEPTFORD COMMITTEE MEETING MINUTES**

**400 CROWN POINT ROAD, WEST DEPTFORD, NJ 08086**

October 19, 2016 7:00 P.M.

by the NJDEP. Recent comment by the NJDEP includes request for the detailing of a disposal action plan for the material to be removed from the stream/ditch. **On October 11<sup>th</sup>, NJDEP made an inquiry on the status of the requested information. We informed the NJDEP to keep the application in active status and would provide the information upon reaching an understanding with Sunoco.**

The project has been on hold, however a meeting was held with Sunoco and Township representatives on July 27<sup>th</sup>. The purpose of the meeting was to discuss current conditions and options available to mitigate the drainage issues with the assistance of Sunoco. It was agreed to keep the lines of communications open and to monitor the areas of concern.

**Site Monitoring and pumping as necessary continues by the Township.**

**Energy Studies**

**This project is on hold until authorized.**

**Public Works Garage - Removal of Underground Storage Tank**

**No Change** - The tank has been successfully removed and no evidence of leaks was detected. We have recommended payment to the contractor.

**Public Works Garage HVAC System**

**No Change** - Last month we have made two site visits to obtain information to develop conceptual plans, cost estimates and engineering proposal for the installation of a new heating system for the garage. Also being included to the project is an air conditioning system for designated areas. The work is planned for 2017 and a temporary above ground oil storage tank is being provided for the upcoming winter months.

**Municipal Lien Searches:**

No Activity this month.

**Curb and Sidewalk Waivers:**

No Activity this month.

**ACTIVE ESCROW PROJECTS**

**Certificate of Occupancy:**

**A CO was issued for 196 Roosevelt Blvd, a single family home.**

**DocuVault Delaware Valley, LLC**

**TOWNSHIP OF WEST DEPTFORD COMMITTEE MEETING MINUTES**

**400 CROWN POINT ROAD, WEST DEPTFORD, NJ 08086**

October 19, 2016 7:00 P.M.

Installation of all storm drainage piping, inlets and manholes is completed. Concrete vertical curbs are complete. Concrete sidewalks were completed. The stormwater basin work was completed including grading, drainage piping and slope matting & stabilization. The basin is showing excellent vegetative cover growth and no erosion has occurred. The parking lot grading and base paving has been completed.

Building construction continues. No further releases of the escrow amount have been recommended for municipal improvements since July 27, 2016, as per the approved Performance Guarantee Estimate. Developer is waiting to finish next phase before submitting a third reduction request.

**Atlantic Food Distributors**

Earthwork and grading are complete. Storm drainage piping and inlets are installed. All concrete curb work is complete.

Pervious asphalt was placed and seeding and mulching is completed. A CO inspection was made on August 30. A CO recommendation letter was submitted.

**Park West (AKA. Huntington Green and formerly The Club)**

**No Change** - We attended a work session on February 1<sup>st</sup> with the applicant present to review the General Development Plan. As a result of the meeting it is expected that a revised submission will be made addressing the comments provided. It is our understanding that the Applicant has made a presentation to the Planning Board on June 28<sup>th</sup>. We are prepared to review the offsite improvements once the plans are finalized.

**Paradise Estates: Performance Bond No. B98809020417, \$164,940.00**

T&M visited the site, measured the existing sidewalks, counted the trees and prepared updated cost estimates of the pending improvements as they are presently needed. Additionally, a consolidated list of the pending improvements based on the original performance bond items was prepared.

A meeting was held on May 19 with the developer's counsel and their sub-contractor/project manager. The power bills for the street lighting are being paid by the developer. Items within the list of pending improvements were discussed. WDT will present their demands to the developer.

**As a result of recent correspondence between Mr. Scaffidi and the developer's attorney a proposal was presented for the possible paving of the roadway. If the developer decides to proceed in accordance with the Township's term, we will be inspecting the work.**

**Jessup Run: Performance Bond No. 105706261, \$952,434.00**

**TOWNSHIP OF WEST DEPTFORD COMMITTEE MEETING MINUTES**

**400 CROWN POINT ROAD, WEST DEPTFORD, NJ 08086**

October 19, 2016 7:00 P.M.

**No Activity this month - A punch-list was previously transmitted to the applicant's attention. A bond reduction was approved on August 7, 2014.**

**Patsy Court, Nottingham Estates – Apron, Sidewalks and Grading Inspections**

**No further apron and sidewalk construction have been constructed nor inspected after September 7.**

**Solvay Specialty Polymers USA, Aquifer Study Drill Site**

**No Change** - The wells were finished and the site was graded and restored.

**LS Power:**

**No Change** - We conducted a site visit with Township Representatives on August 23rd to confirm that the illicit water connection has been disconnected as reported. As a result of the site visit we confirmed that the connection was in fact disconnected to our satisfaction.

**AT&T Site Number NJL03726, LTE 3C WCS at the Water Tank on 3400 Jessup Road**

**A pre-construction meeting with WDT, T&M and AT&T was conducted on August 10. The AT&T subcontractor completed the work the following week.**

**AT&T Mobility Cell Site Number NJL03738 - Antenna System Upgrade Project  
Colonial Manor Water Tank, Red Bank Avenue**

**A pre-construction meeting was held with WDT, T&M and AT&T on Monday, Sept. 12. The work was completed. A CO letter will be submitted.**

**AT&T Site Number NJL03702, 690 Mantua Grove Rd. Water Tank Antennas Replacements**

**A pre-construction meeting was held with WDT, T&M and AT&T on Monday, Sept. 27. The work started on October 3 and will take approximately one week to complete.**

**St. Regis Walk Condominiums:**

**No Change** - This project remained with the Alaimo Group.

**Victorian Walk: Performance Bond No. 379, \$275,399.10**

**No Change** - This project remained with the Alaimo Group.

**The Farm:**

**No activity to report this month, the project remains on hold.**

**TOWNSHIP OF WEST DEPTFORD COMMITTEE MEETING MINUTES**

**400 CROWN POINT ROAD, WEST DEPTFORD, NJ 08086**

October 19, 2016 7:00 P.M.

**Projects Under Maintenance Bond**

**RiverWinds-Pool Area HVAC Upgrades**

Project began warranty phase on November 15, 2015 for five years on the mechanical portions of the project.

**Road Segment Reconstruction of Maple Avenue and North Roosevelt:**

**The project was completed and began the 2 year maintenance period on Dec. 31, 2015.**

**Ogden Station Road/Mantua Pike Sanitary Sewer Repairs:**

On maintenance warranty for 1 year from the final completion on February 22, 2016.

**INACTIVE PROJECTS:**

**NJDOT Bicycle Route Grant**

**No Change** - We have contacted NJDOT following an inquiry by NJDOT of the status of the project. We have requested a confirmation that the grant is still open. NJDOT is checking and will be responding back to us.

If you should have any questions or require additional information, please do not hesitate to call

**Solicitor:**

Mr. Tim Scaffidi, No Comment

**Administrator:**

Ms. Turner-Fox updated the Committee on the sound system in the Court Room, the Potable Well Project regarding reimbursement and a request from the NJDEP to help identify additional wells. It was noted that there will be a meeting scheduled with Solvay to discuss water testing results and Green Acres approval for the water remediation at West Deptford Park. Other items discussed were; Tempo Development regarding remediation of the effected properties and the additional sites at West Deptford High School fields that will be sampled, the resolution for accepting RFPs for Professional Services, the Supplemental Debt Statement and noted the 2<sup>nd</sup> reading for the Refunding Bond Ordinance on November 2<sup>nd</sup>, the full team of professionals will be in attendance at the November 2<sup>nd</sup> meeting to answer any questions. The Emergency Operations Plan work is continuing, Incident Command System Training has been scheduled on December 7<sup>th</sup> at 5:00 pm at the Municipal Building. Ms. Turner-Fox noted there was an amended Salary Ordinance on the agenda this evening and requested that Salary Ordinance #2016-19, introduced at the October 5<sup>th</sup> meeting be tabled and Ordinance #2016-21 be considered in its place. Ordinance #2016-21 clarifies Titles and Salaries between the Sub-Code Official under the UCC and Fire Code Official under the UFC. The Committee was also updated on the NJDEP Public Hearing on the drought watch and drought warning currently in effect in New Jersey. Mayor DiCarlo asked

**TOWNSHIP OF WEST DEPTFORD COMMITTEE MEETING MINUTES**

**400 CROWN POINT ROAD, WEST DEPTFORD, NJ 08086**

October 19, 2016 7:00 P.M.

for an update from the Administrator once the NJDEP public hearing is concluded. Mr. Reid asked about scheduling of the Incident Command Systems Training date, Ms. Turner-Fox responded. Discussion followed. Mr. Maher asked if the Committee-Elect could attend. Mr. Scaffidi responded. Discussion followed. Mr. Maher requested clarification on the Salary Ordinance. Ms. Turner-Fox responded. Discussion followed.

**O-2016-19, ORDINANCE PROVIDING FOR THE 2016 SALARIES AND COMPENSATION OF THE OFFICERS AND EMPLOYEES OF THE TOWNSHIP OF WEST DEPTFORD, COUNTY OF GLOUCESTER, STATE OF NEW JERSEY**

Mayor DiCarlo called for a motion to approve Ordinance #2016-21, 2016 Salaries and Compensation of Officers and Employees of the Township of West Deptford, this is the first reading, and second reading and public hearing will be December 7<sup>th</sup>. Deputy Mayor Mehaffey made a motion, and was seconded by Mr. Reid. Mr. Maher requested a job description for the HR Manager and requested an explanation for the need of this position. Ms. Turner-Fox gave examples of the Payroll Benefits Supervisor's duties and the duties of an HR Manager. Mr. Maher made a motion to amend the Salary Ordinance by removing the HR Manager's position and move the Mayor and Committee's salary back to \$5,000.00. Mr. Hansen seconded his motion. Mr. Hansen requested clarification as to who decided to change the Mayor and Committee's salaries. Mayor DiCarlo responded. As there were no further questions from the Committee, the Mayor requested a roll call vote and the vote was as follows:

|                       |   |
|-----------------------|---|
| Mr. Hansen            | Y |
| Mr. Maher             | Y |
| Mr. Reid              | N |
| Deputy Mayor Mehaffey | N |
| Mayor DiCarlo         | N |

The motion failed, Deputy Mayor Mehaffey noted that he had not received a raise and a discussion followed regarding the Committee's salaries. As there were no further questions from the Committee, the Mayor requested a roll call vote on the Ordinance as it was originally presented and the vote was as follows:

|                       |   |
|-----------------------|---|
| Mr. Hansen            | N |
| Mr. Maher             | N |
| Mr. Reid              | Y |
| Deputy Mayor Mehaffey | Y |
| Mayor DiCarlo         | Y |

**TOWNSHIP OF WEST DEPTFORD COMMITTEE MEETING MINUTES**

**400 CROWN POINT ROAD, WEST DEPTFORD, NJ 08086**

October 19, 2016 7:00 P.M.

**O-2016-21, ORDINANCE PROVIDING FOR THE 2016 SALARIES AND COMPENSATION OF THE OFFICERS AND EMPLOYEES OF THE TOWNSHIP OF WEST DEPTFORD, COUNTY OF GLOUCESTER, STATE OF NEW JERSEY**

Deputy Mayor Mehaffey asked for clarification from the Administrator regarding the HR Manager's position and noted that there would be no addition to the staff to fill the HR Manager position. Mayor DiCarlo also noted that the staff would be paid for the job they are performing.

None

**Open meeting to public:**

Mayor DiCarlo called for a motion to open the meeting to the public, Mr. Hansen made a motion, and his motion was seconded by Deputy Mayor Mehaffey and approved by the entire Committee.

Mr. Ed Komczyk, Hillside Road invited all the Committee members to the Mantua Grove Citizen Advisory Panel, aka The CAP, as the Delaware Valley Regional Planning Commission will be the guest speaker at the next meeting and will be giving an update on the ERI for West Deptford. Mr. Komczyk also asked for the background on the bulletin boards "Keeping West Deptford Clean", Mayor DiCarlo, Ms. Turner-Fox, Mr. Reid and Mr. DePrince responded.

Mr. Jim Lee, 155 Dunop Street addressed the Committee regarding leaf collection and the signs posted in his neighborhood. Mayor DiCarlo, Mr. Reid and Deputy Mayor Mehaffey responded and a discussion followed. Ms. Turner-Fox added that due to the potential storms and the areas of town that had large piles of leaves it was decided to start the collection to keep the storm drains clear.

As no one else chose to address the Committee, Mayor DiCarlo called for a motion to close the meeting to the public, Deputy Mayor Mehaffey motioned and was seconded by Mr. Reid. The motion carried unanimously.

Mayor DiCarlo called for a motion to adjourn, Deputy Mayor Mehaffey made a motion and his motion was seconded by Mr. Reid. The motion was approved by all members present.

Respectfully Submitted,

Lee Ann DeHart  
Acting Municipal Clerk
