**CITY OF KINGSLAND
FINANCE DEPARTMENT**

Kenneth E. Smith, Sr.
Mayor

Filiz Morrow, CPA, MPA
Director of Finance

October 1, 2015

Honorable Mayor Kenneth E. Smith, Sr.,
Distinguished Members of City Council,
Employees and Citizens of the City of Kingsland:

On behalf of the Finance Department, I respectfully submit the Fiscal Year (FY) 2015-16 Budget for the City of Kingsland. The budget reflects Kingsland's continued commitment to provide the highest quality services to the community in the most cost-effective manner, while working towards building and sustaining the City's long-term financial viability.

This document represents a balanced budget that conforms to all applicable laws and regulations. The adoption of the budget is one of the most important actions taken by the City Council each year. It authorizes resources and establishes direction for the City's programs and services for the coming year. Through many months of reflection, discussion, and coordination of all City departments the result of this major planning effort sets forth the resources to deliver services to our constituents and reflects the fiscal conservatism of the City Council.

As the local economy begins to show signs of growth, including businesses and governments, a slow growth and recovery period is anticipated. The City strives to provide the best possible services to our community at the lowest attainable cost. Our focus is to provide quality services and make investments in infrastructure that support our comprehensive plan while keeping taxes and cost of services affordable. A conservative approach was maintained throughout the budget planning process. This

proactive and responsible approach has enabled the city to keep taxes at their current level for the past nine years, continue to provide the services that our citizens desire, and work towards building our fund balance back up to a healthy level.

There are several differences from a local government's budget and those of private businesses. One difference is federal and state mandates. At any given time Atlanta and Washington can pass down mandates that can cost the local government funds to implement these mandates. Another significant difference is the restriction put on the City on how certain funds can be used. Although some revenues such as property taxes can be spent on just about any governmental purpose in the general fund, others are restricted for specific purposes. This results in the City having 23 different bank accounts. Another difference is that profit is not the bottom line for a government. The bottom line is the level of service the City needs to provide for services; such as, police, fire, roads, and utilities and what the citizens are willing to pay for them.

The budgets for the governmental funds are mandated by law and the enterprise funds are prepared as management tools. An in depth discussion of the budgetary process is found in the financial policies section. Each fund represents its own unique characteristics, goals, and priorities of which a summary is presented in the following pages. A more detailed overview is presented with each fund.

Budget Purpose

The City of Kingsland is a full-service city, providing police and fire protection, construction and repair of roads, community planning and development, building and code enforcement services to our citizens and businesses, along with water, sewer, and sanitation services and the other administrative and ministerial duties of city government. As explained and illustrated throughout this document, this budget provides a comprehensive financial framework for all City activities for fiscal year 2016. It is a tool that provides the foundation for controlling the financial well-being of the government. The budget is meant to serve the following four major purposes:

- A policy document for elected officials and administration to understand how the current year goals and priorities link with the overall long-term policies of the City and what processes will be used in adopting and amending the budget.
- A financial plan for administration and department heads to know exactly how to

pay for the services we provide and to utilize three year financial comparisons to easily identify fluctuations.

- An operations guide for departments that receive funding to be able to identify the resources needed including staffing to meet the departments' objectives.
- A communication device for the varied users who require budget information; such as, elected officials, media, investors, and the public. This document will allow users to be able to easily gather needed information through the graphs, summaries, and narratives that are used through-out the document.

Budget Organization

The budget contains three major parts:

- Summary Statements – provide an over-all description of the City and financial summaries and policies. It includes statistical indicators that help to depict where the City is heading. This section includes a city-wide personnel summary to easily understand staffing requirements at a glance, as well as a city-wide debt summary. Also included in this section are projected available fund balances along with revenues and expenditures by fund. Prior year's actual results, estimates for the current year and the next fiscal year are shown to allow readers to compare, on a historical basis, the financial results of the City. A glossary and acronym summary is provided at the end of the document.
- Departmental Budgets – presents each fund in total and each individual operating unit's budget. Each department is shown separately by line item expenditure in the same three-year format as the summary financial information in order to compare historical results. The unit's goals and objectives are described here and how they relate to the City's overall objectives. Performance measures are presented for each department in the three year format to historically measure inflows and outflows.
- Capital Outlay – provides the five year plan for capital acquisitions of the City. Included in this section is a detailed explanation of the projected projects and assets that will be completed or purchased during the year. The effect on future years' budgets due to the acquisition of these current year projects are discussed.

Fund Overview

General Fund

The general fund is the City's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund. It is a major governmental fund of the City. It is the City's goal to increase the general

fund's fund balance to an acceptable level as discussed in the financial policies

section. We were able to move the fund balance into the positive for the year ended September 30, 2004 after years of a negative balance. That positive fund balance stayed intact and it even increased for the year ended September 30, 2007. Unfortunately FY08 showed an actual use of fund balance and FY09 also did the same. FY 2010 & 2011 only used a very small amount of fund balance and 2012 showed a very small addition to fund balance. This was due to the economy, particularly the declining tax digest and slowdown in sales tax collections and building permits. However, we are optimistic this trend will reverse for the year ending September 30, 2015 due to an increase in building permits we are seeing in the last quarter which we feel will continue into FY 15/16 budget. As always, this year's budget is being prepared in a conservative manner. Taxes remained the same 8.00 mills. The proposed budget represents a moderate financial cash flow for the coming year.

This graph displays the cumulative result of excess (shortage of) General Fund Revenues over expenditures and total fund balance as a percentage of General Fund revenues. Data is based on actual numbers, except for FY15 and FY16 are budgeted non-GAAP basis.

Total revenues are estimated at \$9,661,680 which represents a 2.02% decrease over prior year's amended budget. This decrease is a result of a conservative estimate on revenues until the economy shows attainable signs of actual growth and recovery. A delinquent property tax collection service began in the middle of FY 14 which did increase revenues and will continue in this budget year to increase revenues for delinquent property taxes.

Total expenditures are estimated at \$9,230,528. This represents a 2.15% decrease over prior year budget. This is attributable to sharing costs and services between local entities; such as, economic development and fleet services. Additional savings in personnel costs is a result of implementing an early retirement incentive plan in FY 14.

This graph displays revenues compared to expenditures in the General Fund. Other Financing Sources and Uses are not included. Data is based on actual numbers, except for FY15 and FY16 are budgeted non-GAAP basis.

More results of the voluntary separation incentive plan are being seen in this budget as a full year of savings begins to take effect. With 11 employees taking part in plan, in addition to salary savings, the city was able to realize \$200,000 in retirement contribution savings beginning with this budget along with a 6.6% reduction in workers compensation expense.

Capital expenditures include replacing 20% of police vehicle fleet, equipment, and infrastructure improvements.

Convention and Visitors Bureau Fund

The City contracts with the Kingsland Convention & Visitors Bureau (CVB) to promote tourism within the City. Per state law, in order for the City to collect a hotel/motel tax rate of 6%, the City must spend 43.3% on the promotion of tourism. The CVB accomplishes this through the intergovernmental contract.

The City appoints all board members of the CVB. The City possesses the authority to review, approve, and revise the budget and governs collection and disbursement of funds. The CVB is presented as a discreetly presented component unit in the City's Financial Statements. Although it is legally separate from the City, it does not meet the criteria of a blended unit.

Total revenues are estimated at \$367,387 with the total expenditures being \$167,387. As with all of the City's budgets, this budget is prepared on the cash basis and any excess funds will be carried forward to be spent as required by law.

Other Governmental Funds

These are funds that are required by Georgia law to be separated from the general fund and they are discussed in detail in the section labeled "Other Funds." "Other Funds" is expected to be a major governmental fund for FY 15/16 and include the following:

- ↳ SPLOST Fund accounts for funds received from a special local option sales tax and the expenditures of those funds. By voter referendum, these funds may only be spent on qualifying projects. The majority of this SPLOST is to be used on roads, streets, and bridges. This is expected to be a major governmental fund for FY 15/16. This fund is budgeted on the cash basis.
- ↳ Multiple Grant Fund accounts for all other grants that do not exceed 2% of the general funds expenditures.
- ↳ EPA Grant Fund accounts for a grant through the Environmental Protection Agency to assist funding on a project to provide expanded wastewater collection service to the northern area of the city.

A more detailed description of all funds can be found in the financial policies section.

Water and Sewer Enterprise Fund

All revenues and expenses of the City's water and sewer system are accounted for in this fund. This proposed budget represents a solid financial position. The Water and Sewer budget is prepared on the cash basis resulting in depreciation and compensated absences not being budgeted.

Total revenues are estimated at \$7,542,450. The cash basis allows for capital recovery fees to be budgeted as revenues. Operating revenues have increased due to an increase in tap fees and capital recovery fees. Non-operating revenues have decreased

due to transfers in from SPLOST funded water and sewer projects.

Total expenses are estimated at \$6,658,613. Expenses show a decrease over last fiscal year due to a decrease in capital outlays. Capital expenditures include pick-up trucks, equipment, heavy equipment, infrastructure improvements, and water/sewer projects. The cash basis allows for bond and other liabilities' principal payments. Major capital expenses are detailed in the capital improvement section.

Solid Waste Fund

All revenues and expenses associated with solid waste collection and disposal are accounted for in this fund. The revenues are estimated at \$1,257,060 with expenses being estimated at \$1,148,445. This fund shows an increase in revenues from SPLOST transfers in for SPLOST funded equipment and related expenses show an increase in capital outlays.

This fund is also prepared on the cash basis which allows for principal payments on liabilities, but depreciation and compensated absences are not budgeted.

BUDGET SUMMARY

Adopted Budget FY 2016

Fund	Adopted Budget FY 2016	Revised Budget FY 2015	Inc/Dec Over FY 2015	% Change
General Fund	\$ 9,661,680	\$ 9,860,864	\$ (199,184)	-2.02%
CVB Fund	367,387	389,439	(22,052)	-5.66%
Special Revenue Funds	2,120,140	1,478,265	641,875	43.42%
Capital Project Funds	4,360,450	4,301,627	58,823	1.37%
Debt Service Funds	458,251	395,449	62,802	15.88%
Water/Sewer Fund	7,542,450	8,968,206	(1,425,756)	-15.90%
Solid Waste Fund	1,257,060	1,140,344	116,716	10.24%
Totals	\$ 25,767,418	\$ 26,534,194	\$ (766,776)	-2.89%

BUDGET HIGHLIGHTS

1. The current budget was prepared to ensure current revenues support current expenditures.
2. A total of \$4,681,271 in capital outlays is planned. Of this amount, \$124,000 will be paid out of the current budget or the “pay as you go” method, \$4,360,450 will be funded from SPLOST funds, and \$196,821 will be financed with lease to purchase funds. A detailed schedule can be found in the capital outlay section.
3. The current approved budget did not fill 4 vacant positions and eliminated 1 position through a transfer of services to the County. Positions previously funded that are not funded in this budget include: (1) computer support technician, (3) water operations technicians and (1) animal control officer. Animal control services were transferred to the county saving the city approximately \$82,000 in salaries, supplies, and shelter funding expenses. Approximately \$153,000 in savings for personnel costs (salaries plus benefits) is being realized from the implementation of these cost saving measures.
4. Total expenditures of \$9,738,719 were requested in the General Fund, of this amount requested \$9,230,528 were recommended and approved.
5. A total of \$4,360,450 is estimated to be available for various SPLOST funded projects. A project list over the life of SPLOST VII is included in the capital outlay section.
6. This budget reflects a continued high level of service at a reasonable cost for providing these services. Continued cost savings measures are in effect with this budget through implementation of functional consolidation of fire services with the county and cities and through shared services with the county for economic development and fleet services. Also, a new shared service beginning in this budget year will initiate more savings through co-location of the county and city’s planning and zoning departments.

FY 2015-16 GOALS & PRIORITIES

Each department has developed specific priorities as the basis for budget proposals. Following are some of the major goals and priorities. There are no significant changes over current year priorities as they pertain to the basic premise of providing quality services. The long term policies are discussed in the Financial Policies section and in each department section it is shown how these 2015 goals relate to the long term goals of the City.

Economic/Cultural

- Continue to explore innovative ideas to enhance services to the citizens.
- Continue utilization of the Joint Comprehensive Plan.
- Continue to be proactive in planning for growth and development.
- Continue to be proactive in implementing cost savings measures.
- Continue condemnation of dilapidated houses.
- Complete Kingsland Downtown Master Plan and Strategic Plan.
- Continue to meet Georgia program standards for Main Street Designation.
- Continue to develop and strengthen partner relationships focusing on the Hospitality Industry in Kingsland.
- Continue with monitoring of illegal waste dumping.
- Continue to enhance recycling program.

Public Safety

- Complete implementation for record retrieval and storage procedures.
- Streamline the recording and disposition of fines for quicker access to final dispositions.
- Further develop and continue Internet Crimes Against Children (ICAC) and Child Safe Hood Program.
- Eliminate opportunities for crime and reduce fear of crime through proactive prevention.
- Improve the quality of life in every neighborhood through community partnership.
- Continue to recruit and retain current and future volunteer fire fighters and explorers.
- Purchase and maintain necessary public safety equipment and vehicles.
- Repair pot holes in a timely manner on various city owned streets to

ensure safety of drivers and passengers.

- Provide timely maintenance and repairs on all City vehicles to ensure safety for all drivers.

Financial

- Continue to secure funding for priorities as outlined in the operating budget and by Mayor and Council.
- Obtain GFOA Budget and CAFR awards in order to provide the public, officials, and management with sound financial instruments.
- Continue to monitor, assess, and realign staff for overall efficiency and effectiveness in providing services to the City.
- Review City policies and Code of Ordinances to determine continued feasibility and effectiveness.
- Extend current water supply system throughout the City.
- Maintain and construct infrastructure to meet the needs of the City.
- Maintain and purchase capital outlay to meet the needs of the City.

ISSUES IN DEVELOPING THE BUDGET

The following issues should be considered by the Council in its review of the FY 2015-16 Budget.

1. In the current times, with the slow recovery of the national and state economies, local governments are faced with the dilemma of providing the same level of service with fewer revenues, thereby putting more pressure on providing a balanced budget. However, we are starting to see subtle signs of a recovering economy while some revenues under performed others exceeded expectations.
2. On the revenue side, the weakened real estate market is still affecting values in the tax digest. In the General Fund, due to the slow recovery of the housing market, our property tax revenues are down 4% or \$125,000 from FY 2014/15. This should increase over the coming years due to the City contracting with a collection company for delinquent property taxes and the expected upward turn for the housing market. The Mayor and Council made the decision not to increase the millage rate, thereby eliminating any additional burden on the

taxpayers. The millage rate remained the same 8 mills it has been since 2007. Fiscal year 2013-14 building permits showed signs of economic recovery by nearly doubling in amount from the two previous years. However, building permits are still 28% short of reaching prerecession amounts collected in FY 2008-09. This also affects our water and sewer revenues as connection fees are still down by 38% from FY 2008-09, but these revenues did increase by more than double from the prior year. The last rate increase for water and sewer usage was implemented in 2010. To avoid putting a financial strain on our customers, the City has keep costs at a minimum and no rate increase is calculated into the current budget.

3. On the expenditure side, for the third year in a row all department heads analyzed their budgets closely. Historically most employees received 3.5% merit raises. In FY 2009-10 they did not receive any raises. In FY 2010-11 year's budget they received 2.5%. The last three years did not have any increases for merit raises. Last year employees received up to \$500 as a performance incentive and this year's budget is \$750. Our health insurance increased 8% last year and another 19% this year. With the City absorbing the increase last year, the City paid its share along with employees paying their share of the increase for this budget year. Our retirement had 71% since FY 2008-09, but fortunately through last year's voluntary separation incentive plan we were able to see a 2.70% or \$200,000 decrease in retirement funding for this year. With diminishing revenues it is very difficult to find the budget amounts needed to maintain levels of service. This was accomplished through cutting unnecessary costs and sharing some services with local entities.
4. We are keeping a very close watch on the actual revenue and expenditures to continue our goals to provide services as efficiently as possible. With a continued conservative approach and new cost saving measures in place, the City's financial stability is promising.

Long Range Financial Policies

More specific financial policies are shown at the financial policies tab. Every five years, the departments along with the City Manager prepare a "Short Term Work Program" identifying their next 5 years goals and how it will be financed. This program is shown

in the capital outlay section. Each year it is reviewed to see if these goals/plans can be incorporated in the coming budget. These goals are prioritized and recommended by the City Manager. This budget seeks a balanced relationship between revenues and expenditures for all funds as well as sets the direction of other services not driven by the general fund. Direction by the City Council will enable our FY 2015-16 Budget to be balanced and reflective of the City's attempt to maintain our quality of services in an efficient manner under challenging parameters.

Each year, staff reviews the financial policies regarding purchasing, cash management and other policies and make recommendations if any changes are needed. Non-financial goals are set in the Joint Comprehensive plan with the County and the other two municipalities that reside within the County. In addition a Master Plan for Water and Wastewater is in place.

Long Range Financial Outlook

As discussed in the issues in developing the budget, our Ad Valorem taxes are down as well as other revenues due to the slow recovering economy. It is anticipated that these revenue trends are going to rebound soon. There are signs of a recovering economy with recent increases in building permits and tap fees.

In 2007, just before the economy fell, the City annexed land that doubled the size of the City's land mass. Nothing has materialized with this additional land as of yet, but we continue to be proactive to plan for the future development. This will put pressure on the City to provide additional services before we are able to tax those homes and businesses. The City does not receive taxes until well after the structure is completed and does not receive user fees until after the homes or businesses are occupied.

In FY 2014-15 the City Council re-approved a development agreement for a proposed sports and multi-themed entertainment resort project to be located inside the city limits that will stimulate tourism and economic growth for our community and surrounding communities. The City created a Community Improvement District (CID) to construct and finance the public infrastructure that will coincide with the private components of this project. The CID's debt on the public infrastructure is anticipated to be repaid through incremental tax received from the Tax Allocation District (TAD) without having any liability to the City. It is estimated the project will attract thousands of visitors,

create over 2,300 jobs locally, and increase the City's revenues by \$2.2 million annually. The project is still in the development stage.

As always all departments are trying to keep their costs down while maintaining our level of service. Essential equipment and vehicles are being purchased and vacant positions are being evaluated and filled on an as needed basis. It is basically a watch as we go in determining any new projects that may be started.

I think once again through the efforts of Mayor, Council, City Manager, and Department Heads; we have produced a solid document. I give them my sincere thank you for their assistance in earning our GFOA Award for prior years' budgets and for their participation and planning of this year's budget. I also would like to commend each department on their fiscal responsibility in conducting their FY 2014-15 operations.

In closing, I believe this FY 2015-16 Budget shows a reasonable approach to fulfill the goals of Council by providing the needed services to the citizens and their desire to address the needs of the community. I hope I have provided the future reader with a concise knowledge of where the City of Kingsland has been and the financial issues we face in the coming year.

Preparation of this budget was a team effort, but I would like to give a special thanks to Cindy McCollough, Jo Pearson, and Michelle Palmer for their assistance in this year's preparation. I hope that preparing a budget document in this form has assisted all readers in gaining a deeper understanding and knowledge of what resources we have and what we do with them.

Respectfully submitted,

Filiz Morrow, CPA, MPA
Director of Finance

In Loving Memory

Linda Sue Horn

January 20 1947—July 8, 2015

In loving memory of our friend and Kingsland Welcome Center Manager Linda Sue Horn. Linda worked for the City of Kingsland from July 2007 until her passing in July of 2015. She spent many volunteer hours at the Kingsland Catfish Festival and could be seen around the county greeting people and wishing them well with her big smile and southern twang! Hand in hand with her husband, Randy Horn, the loving couple portrayed the epitome of Southern Charm & Hospitality.

Linda is dearly missed by her City of Kingsland and Tourism family. She is waiting on us; to serve us up some 'sweet tea' and a smile. She may be gone, but she will never be forgotten.

City Overview

Government

The City of Kingsland is a municipal corporation created and existing under the laws of the State of Georgia. The Mayor and a four-member Council conduct the affairs of the City. Under the City's Charter, all legislative powers are vested in the Council. No person is eligible to serve as Mayor or as a Council member unless he or she is a qualified voter of the City at the time of his or her election to such office. The Mayor and the members of the Council are elected at-large by the voters of the entire City.

Under the City's Charter, the Mayor is the chief executive officer of the City and has general jurisdiction of all affairs of the City. The Mayor presides at all meetings of the Council and has a vote only in the case of a tie vote by the members of the Council. The Mayor has the power to veto every ordinance or resolution passed by the council, which veto may be overridden only upon the affirmative vote of the four members of the Council. Under the City's Charter, the City Manager, who is appointed by and serves at the pleasure of the Council, is the chief administrative officer of the City responsible to the Mayor and Council for the administration of all City affairs placed in his/her charge pursuant to the Charter of the City.

Information concerning the current Mayor and members of the Council is set forth below:

<u>Name and Office Held</u>	<u>Expiration of Term</u>	<u># of Yrs in Office</u>	<u>Age</u>	<u>Principal Occupation</u>
Kenneth Smith, Sr., Mayor	12/31/15	14*	70	Civil Service
Alex Blount, Mayor Pro Tem	12/31/17	13	36	Lockheed Martin
Grayson Day, Council	12/31/15	5	39	Educator
James Ham, Jr., Council	12/31/17	.3	55	Pastor
James McClain, Council	12/31/15	3	58	Self Employed

**Past Council Member for sixteen years.*

Geography

Camden County has three municipalities with Kingsland being the second largest. After having annexed 24.3 square miles in FY 07/08, the City is now the 8th largest in the state of Georgia as far as land mass. The City is located in the southeastern portion of the state of Georgia in Camden County, which is bordered on the south by the state of Florida. The City presently has a total area of approximately 45 square miles. The City is approximately 25 feet above sea level.

Demographics

According to the U.S. Bureau of Census, the City of Kingsland's population was 2,008 in 1980; 4,699 in 1990; 10,507 in 2000; and estimated at 16,416 estimated for 2014. Our population continues to grow with an increase in growth of 55% from 2000 to 2013. Some major reasons for the continued growth have been attributed to the common wealth our community has to offer; such as, a good public school system, parks and recreation, low crime rate, proximity to Interstate 95 and Jacksonville (FL) International Airport, and lower than average cost of living. Also, the Kings Bay Naval Submarine Base has contributed significantly to the area's growth.

There are 5,783 households out of which 41.4% have children under the age of 18 living with them, 54.2% are married couples living together, 15.4% have a female head of household without a spouse present, and 25.8% are non-families. Of all the households, 20.0% are made up of individuals and 4.5% have someone living alone who is 65 years of age or older. The average household size is 2.76 and the average family size is 3.19. *(Source: www.nationmaster.com).*

Since the early 1980's, the City has added two new city halls, a police station, a new public works facility, three new fire stations, and significant outlays for water, sewer, and storm water infrastructures. The City constructed a new welcome center close to the Interstate 95 overpass and has renovated a train depot in the downtown district to serve as a second welcome center and museum.

Demographic Data

Set forth below is selected population data for the City with comparative totals for County, State, and United States.

<u>Year</u>	<u>City</u>	<u>County</u>	<u>State of Georgia</u>	<u>United States</u>
	<i>Population</i>		<i>Population in Millions</i>	
2014*	16,416	52,027	10.1	318.9
2013*	16,241	51,517	10.0	316.5
2012*	16,258	51,402	9.9	314.1
2011*	15,867	50,332	9.8	311.9

Following is a table showing the industry mix for Camden County as of December 31, 2015. The table is intended to provide information regarding the types of industries employing residents of the County and the compensation paid to those employees. The table does not provide information with respect to all industries and firms. It is based upon and includes only those industries and firms that participate in the State Unemployment Insurance Program.

Accommodations

There are currently twenty-one hotels located in Kingsland off Interstate 95 with 1,461 guestrooms. Three additional hotel properties catering to long-term guests are located in downtown Kingsland offering a combined total of 68 guestrooms. Currently, the City of Kingsland offers one RV/Camping park and one RV only park with a total of 66 RV sites.

There are several meeting spaces available for rent to the general public. These facilities include meeting spaces at local hotels from 10-200 guests; banquet accommodations at local restaurants for up to 350; or rentals at local facilities for groups up to 250. The Law Enforcement Training Center located in the Kingsland Welcome Center hosts law enforcement training for up to 100 participants. Camden County High School Theater is located in Kingsland and seats 1,275 guests.

(The remainder of this page intentionally left blank.)

Climate

With a pleasurable coastal atmosphere, the residents and visitors of Kingsland enjoy a relatively mild climate. The average yearly temperature is 67.2 degrees Fahrenheit, with an average temperature of 89.80 degrees Fahrenheit in July and 44.50 degrees Fahrenheit in January.

Communications

Three newspapers serve Kingsland; the *Georgia Times Union*, the *Camden County Tribune & Georgian*, and the *Periscope (Kings Bay Naval Base)*. WECC-FM, WOKF-FM and WKBX-FM radio stations provide music, news, and local broadcasts to Kingsland residents.

City Amenities

Kingsland residents enjoy participating in the numerous leisure activities offered by the County's Recreation Center located in Kingsland. The Camden County Community Recreation Center is a 38,000 square foot, multi-purpose, state of the art facility. It offers leisure opportunities for everyone; including, but not limited to a, weight training and fitness room, gymnasium for basketball, heated pool for aquatics, track facilities, and racquetball, baseball, and softball courts. They offer a wide range of youth athletics; such as, gymnastics and swimming teams as well as a complete aquatic program and daily aerobics. Also, they offer senior fitness programs and social dances for all ages. The local area offers twelve tennis courts, seventeen parks, two swimming pools, and an attractive municipal golf course, one country club that has a semi-private golf course and one community theater group in the county. Camden Sports Center located in Kingsland includes an 8,000 seat football stadium, three softball fields, a baseball field, a running track, two soccer fields, and several practice fields. Crooked River State Park located 12 miles from Kingsland, offers camping, swimming, fishing, picnicking, water skiing, motor boating, and cottages. St. Marys River, Crooked River, Satilla River, and Little Satilla River have public boating and fishing. Cumberland Island National Seashore is a local scenic attraction.

Education

The Camden County School System is home to one comprehensive high school (with a separate center for ninth graders), two middle schools, nine elementary schools, an Alternative School, and the Coastal Academy for Special Education students. The high school, ninth grade center, one middle school and four elementary schools are located in Kingsland. The system serves approximately 9,250 students with 706 certified employees and nearly 800 support employees. Overall student to teacher ratio is 13 to 1. Student percentages by ethnicity are: 64% white, 24% black, 5% mixed race, 11% Hispanic, and 1% Asian. Kingsland houses the high school, ninth grade center, one middle school, four elementary schools, and one county public library. Also, three private school options are available in the county for grades kindergarten through twelfth.

Source: Camden County School Board

Higher Education

College of Coastal Georgia (CCG) serves the needs of the community by offering select college-level courses at the CCG's 17.5 million dollar Camden Center located in Kingsland. The Camden Center opened its 90,000 square foot permanent facility in May of 2004 which

features a 260 seat auditorium, a full service library/learning center, classrooms, chemistry and biology laboratories and a teaching kitchen and demonstration dining room. The College of Coastal Georgia has been designated as a state college, which means they may offer certain targeted baccalaureate degree programs designed to meet the workforce and advancement needs of our communities in addition to the associate degree programs provided. This change added several bachelor's degree programs which will allow Camden & surrounding area students to pursue baccalaureate degrees. This opportunity of the college becoming a four-year program could become a destination for students in surrounding counties to attend college away from home. Altamaha Technical Institute offers some technical courses through CCG, but has been approved for a new campus in Kingsland as soon as funding is available from the State. In addition to the Camden Campus, College of Coastal Georgia in Brunswick (30 minutes North), University System of Georgia, offers courses in programs designed to provide opportunities in three areas: two-year associate degree programs

which prepare students to transfer to senior colleges and universities; one and two-year career programs which prepare students for immediate employment; and developmental and remedial courses for students who need to refresh or strengthen their academic background.

Source: Camden County Tribune & Georgian

Naval Submarine Base Kings Bay located adjacent to Kingsland also offers several degree programs from Associate's level to Master's through on-site campuses from Brenau University, Valdosta State University, and Troy State University.

Okefenokee Technical College at Waycross is 55 miles from the County and has approximately 1,900 students. College of Coastal Georgia at Brunswick, a two-year & four-year school, is 35 miles from the County and has approximately 2,000 students. The University of North Florida at Jacksonville, Florida, a four-year school, is 30 miles from the county and has approximately 14,120 students. Valdosta State University at Valdosta, a four-year school, is 95 miles from the County and has approximately 11,000 students.

Health Care

The local hospital, Camden Medical Center, has 40 beds and offers 24-hour emergency service and medical care. Construction is now complete on a 90,000 square foot addition that also houses the 78 bed St. Marys Convalescent Center. Within the new two-story addition is a new Emergency Department with 17 private treatment rooms, an expanded Surgery Department with four operating rooms, a new Outpatient Services Department and a new Imaging Department with a Woman's imaging area and the Cardiopulmonary Department. In addition, on the second floor of the new construction is a 23-bed medical-surgical unit with all private rooms and a five-bed intensive care unit. In the renovated areas of the existing hospital facilities it was expanded for the laboratory, pharmacy, labor and delivery, various support services and the cafeteria. In addition to the hospital expansion, a new VA Clinic was opened fall 2008 to provide primary and mental health care. Also, Southeast Georgia Regional Medical Center in Brunswick (30 miles away) has 340 beds. Magnolia Manor and The Mews of St. Marys provide services for elderly residents in the area. In addition, there are over 150 physicians, sixteen dentists, and five local veterinarians' offices.

Source: Southeast Georgia Health System webpage: www.sghs.org

Public Safety

Fire and police protection are provided to the residents of the City. Kingsland's police force consists of 42 employees, including three School Resource Officers. Three fire stations service Kingsland residents with 25 full-time firefighters (including EMTs & Paramedics), 16 part-time firefighters, and about 30 volunteers. Kingsland Fire Department is rated by the Insurance Services Office. The ISO makes independent evaluations of Fire Departments and assigns a rating from a Class 1 (the best) to Class 10 (unprotected). Residents of Kingsland enjoy a low ISO rating of class three. Many fire insurance companies use the ISO rating as one factor in setting the amount of premium that is paid on a particular property. Thus, low ISO ratings equal lower insurance premiums and better service.

Transportation

Kingsland is easily accessible, as Interstate 95 (north and south), U.S. Highway 17 (north and south), and Georgia Highway 40 (east and west) all run through the City. Kingsland's strategic location is ideal for connecting to the rest of the world. Jacksonville (Florida) International and Commercial Airport is only 25 minutes south, and the Georgia Port Authority in Brunswick, one of only two deep water ports in Georgia, is 30 minutes to the north. Also, 30 minutes to the South is the Jacksonville Port Authority (JAXPORT) an international trade seaport in Northeast Florida. JAXPORT has multiple cargo terminals capable of handling container, automobile, bulk, breakbulk and refrigerated cargoes, as well as cruise passenger service and local ferry service. The St. Marys Municipal Airport also serves the area. The nearest navigable river is the St. Marys River, which has a 32-foot channel depth and a public barge dock. Norfolk Southern rail service is available in Savannah, 95 miles away, and CSX rail service is offered locally in the City.

Camden County Industrial Park

Camden County Industrial Park consists of approximately 164 acres located one-quarter mile west of Interstate 95 in Kingsland. The Park is centrally located between the port cities of Jacksonville and Brunswick (35 miles north of Jacksonville and 30 miles south of Brunswick).

Kingsland Industrial Park consists of 148 acres and is located in the city.

Utilities

Kingsland has excellent ability to supply industrial and residential demand for electricity through Georgia's modern integrated electrical transmission system. Natural gas, water and sewerage, and solid waste services are available to the residents of the City.

Summary of Significant Accounting Policies and Procedures

Measurement Focus, Basis of Accounting, and Basis of Presentation

The accounts of the City are organized and operated on the basis of funds. A fund is an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance-related legal and contractual provisions. The minimum number of funds is maintained consistent with legal and managerial requirements.

The City has the following fund types:

Governmental funds are used to account for the City's general government activities. Governmental fund types use the flow of current financial resources, measurement focus, and the modified accrual basis of accounting. Under the modified accrual basis of accounting revenues are recognized when susceptible to accrual (i.e., when they are "measurable and available"). "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter to pay liabilities of the current period. The City considers all revenues available if they are collected within 60 days after year end. Expenditures are recorded when the related fund liability is incurred, except unmatured interest on general long-term debt which is recognized when due, and certain compensated absences, claims, and judgments which are recognized when the obligations are expected to be liquidated with expendable available financial resources.

Property taxes, franchise taxes, licenses, interest, and special assessments are susceptible to accrual. Other receipts and taxes become measurable and available when cash is received by the City and are recognized as revenue at that time.

Entitlements and shared revenues are recorded at the time of receipt or earlier if the susceptible to accrual criteria are met. Expenditure driven grants are recognized as revenue when the qualifying expenditures have been incurred and all other grant requirements have been met.

Governmental funds include the following General, Special Revenue, Capital Projects,

and Debt Service Funds, as described below:

General Fund:

General Fund - The General Fund is the general operating fund of the City. It is used to account for all financial resources except those required to be accounted for in another fund. The City's General Fund consists of nine departments: Administration, Finance, Municipal Court, Police, Fire, Public Works, Planning & Zoning, Economic Development, and Fleet Services. It is a major governmental fund of the City.

Special Revenue Funds:

Revolving Loan Fund – The Revolving Loan Fund is used to account for repayments for a previous grant given to businesses.

Confiscated Assets Fund - The Confiscated Assets Fund is used to account for proceeds received from confiscated cash and assets.

EPA Grant Fund - The EPA Grant Fund is used to account for grant proceeds awarded from the Environmental Protection Agency to be used on the North Force Main project.

DOT Grant Fund – The DOT Grant Fund is used to account for any Department of Transportation paving grants. It is unknown at this time if any funds will be available for the coming year.

Multiple Grant Fund - The Multiple Grant Fund is used to account for grant expenditures below 2% of the general fund expenditures.

Georgia Gateway CID Fund - The Georgia Gateway Community Improvement District (CID) Fund is used to account for the component unit whose purpose is to account for the activities of the CID.

Convention & Visitors Bureau (CVB) Fund – This fund is used to account for Tourism's portion of the hotel/motel tax revenue and related expenditures in the Tourism and Welcome Center Departments.

Hotel/Motel Tax Fund - The Hotel/Motel Tax Fund is used to account for the hotel/motel taxes collected as required by law.

Downtown Development Authority (DDA) – This fund is used to account for revenues created by the authority and related expenditures.

Kingsland Development Authority (KDA) – This fund is used to account for the blended component unit whose purpose is to finance construction of the City's public buildings.

Capital Projects Funds:

Special Purpose Local Option Sales Tax Fund - The SPLOST fund is used to account for projects financed from SPLOST funds. The SPLOST fund is expected to be a major governmental fund in the coming year.

Debt Service Funds:

Revenue Bond Fund - The Revenue Bond Fund is a debt service fund which is used to account for the accumulation of resources for, and retirement of, revenue bonds.

Debt Service Fund - The Debt Service Fund is used to account for revenue and other financing sources generated to service long-term debt, and for expenditures for debt service.

Proprietary funds are used to account for operations that are financed and operated in a manner similar to private business enterprise. The intent of the governing body is that the costs of providing goods or services to the general public on a continuing basis should be financed or recovered primarily through user charges or where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy management control, accountability, or other purposes. Proprietary fund types are accounted for on the flow of economic resources measurement focus and use the accrual basis of accounting. Under this method, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred. The City applies all applicable FASB pronouncements in accounting and reporting for its proprietary operations.

Proprietary funds include the following Enterprise Funds:

Enterprise Funds:

Water & Sewer Fund - The Water & Sewer Fund is used to account for government-provided water and sewer services financed by user charges and other revenues. This

is the only major business-type fund of the City.

Solid Waste Fund - The Solid Waste Fund is used to account for all solid waste management services financed by user charges.

(The remainder of this page intentionally left blank.)

FUND ORGANIZATION

Governmental Funds use the modified accrual basis for financial statement, but budget on the cash basis.

Enterprise Funds use full accrual basis for financial statements, but budget on the cash basis.

STRATEGIC PLAN/JOINT COMPREHENSIVE PLAN

The City of Kingsland has prepared a strategic plan for 5, 10 and 15 years. Every year in July and prior to the budget process, all department heads attend a retreat and update their departments long range plan. This assists in the reallocation of the current and long term strategic goals and objectives. It also assists in the budgetary process in order to prioritize City-wide the assets needed for continued and/or new services. This plan and the five year short term work program that is discussed in the Capital Outlay section are the starting point for the yearly budgetary process.

In addition to the City's strategic plan, a comprehensive joint plan was completed this past year with all cities within the county and the County participating. This is a 20 year plan that was based on a Coastal Georgia regional plan. It identifies the expected future growth and ways to manage that growth in an orderly way. This plan will assist the Managers with the decision making knowledge needed for each year's budget. What will be needed and which entity or entities will provide the needed service or infrastructure.

BUDGETARY PROCEDURES

The budgetary process begins in July of each year with each department receiving forms and the instructions to request personal services, capital outlay, and operating expenditures. After these are completed, each Department Head meets with the Budget Committee (City Manager and Finance Director) in order to answer any questions.

After these meetings, the Budget Committee assesses priorities and makes adjustments to the "requested" budget as needed. This becomes the "recommended" budget that is presented to the Mayor and Council at the second council meeting in August (fourth Monday).

If there are more adjustments to be made, they are implemented and a public hearing is advertised and held during the first council (second Monday) meeting in September where the "proposed" budget is presented to the public. Council then passes the final budget during the last meeting of our fiscal year. At the time of adoption the City requires a balanced budget. A "balanced" budget means that expenditures may not exceed estimated revenues. No increase may be made to the budget without a

provision for financing such an increase. All prior year budget amounts reflect any revisions. The long-term policies and goals of the City are the basic premise of the budget process.

Basis of Budgeting

Budgetary integration is employed as a management control device for the General Fund, SPLOST Fund, Water & Sewer Enterprise Fund, Solid Waste Enterprise Fund, and the other Governmental Funds as listed in the table of contents. Budgets adopted for all funds are on a cash basis. However, the actual amounts for the governmental funds are shown on the modified accrual basis and the enterprise funds reflect full accrual basis.

The major differences between the budget and GAAP are as follows:

1. Repayments on debts are budgeted as expenditures rather than as a reduction in liabilities.
2. Proceeds from borrowing are budgeted as revenues rather than as an increase in liabilities.
3. Depreciation expense on the Proprietary Funds is not budgeted.

Budget Control

Financial reports are prepared by the Finance Department that enables the City Manager, Deputy City Manager, Finance Director and Department Heads to monitor and manage their budgets. Financial information is presented to Mayor and Council, as well as, the aforementioned on a monthly basis in a format that is understandable to ascertain the financial position of the City.

Budget Amendment

The City of Kingsland's budget amendment process is regulated by the official Code of Georgia along with local policies. The level of control or level at which expenditures may not legally exceed the budget is the department level. Any increase in expenditure in any department of the City, even if accomplished through a transfer of expenditures among departments, shall require the approval of the governing authority.

FY 2015-16 Budget Process

Revised copies of the budget are distributed to dept directors	5/02/2016

Long-term Policy Goals and Financial Goals were implemented to provide guidance in order to achieve a well-structured budget.

LONG-TERM POLICY GOALS AND OBJECTIVES

Vision Statement

City of Kingsland's vision statement is to enhance the quality of life for all the citizens of Kingsland through innovation, technology, and excellence in governmental operations.

Mission Statement

1. To promote quality and ethical political leadership which will represent a united community.
2. To provide the necessary tools whereby municipal employees can excel in providing the services which the citizens of Kingsland deserve.
3. To promote a sense of community involvement through open meetings in order for the citizens of Kingsland to be a part in the decision making process.
4. To create a balance between available finances and the needs of all citizens to enhance the quality of life for the community.
5. To be a recognized leader in the promotion and support of community activities; such as, educational, cultural, environmental, and economic development that will demonstrate Kingsland is a community of excellence.

Values Statement

Public service is our business and our goal. We believe in commitment – not just to our job, but to our faith, our beliefs, and our family. Our pride in our work and the organization compels us to a high degree of professionalism.

(The remainder of this page intentionally left blank.)

LONG-TERM ECONOMIC/CULTURAL GOALS

The following goals are intended to promote growth, efficiency, stability, security, equity and freedom for our citizens while providing the highest level of service at the lowest possible tax rate.

1. Promote orderly growth and ensure it has positive impact on the community.
2. Create and ensure an excellent economic environment by maximizing output, by carefully using resources, providing steady and secure jobs for all, and by providing fair and equitable distribution of resources.
3. Ensure the demonstration of governmental excellence, leadership, and management so that all citizens have confidence in the integrity of city government.
4. Promote environmental concerns in order for the quality of life in Kingsland to be excellent.
5. Ensure Kingsland citizens have available diverse recreational, educational, and cultural opportunities.
6. Provide the necessary municipal services in the most efficient, safe, and innovative manner.

LONG-TERM PUBLIC SAFETY GOALS

The following goals are intended to promote the health, safety, and welfare of the community.

1. Preserve life.
2. Protect property.
3. Implement community oriented policing throughout the community.

4. Recruit and train qualified public safety and code enforcement employees.
5. Protect the health of the community by providing high quality and reliable water, sewer and refuse service.

LONG-TERM FINANCIAL GOALS

Financial Management Policy Statement

The purpose of these policies is to establish and document a policy framework for fiscal decision making, the City of Kingsland will develop and maintain a comprehensive set of Financial Management Policy Statements. The other purpose of these policies is to ensure that financial resources are available to meet the present and future needs of the citizens of Kingsland by protecting the City from short-term economic fluctuations and to assure long-term fiscal stability.

The development of the City's mission statement, strategic plan, and goals are critical elements in the successful development of a Financial Management Policy. The finances are merely the tools to carry out the City's mission. It is a mechanism to ensure that the City is financially able to meet its current and long-term service objectives. It also enhances financial planning and assures improved internal controls.

Operating Budget Policies

The purpose is to assure that the City allocates its available resources with the expenditures needed to assure the level of service to the citizens can be maintained at an enhanced level.

Balanced Funds

All funds are required to be balanced. Total anticipated revenues shall equal the sum of the budgeted expenditures for each fund.

(The remainder of this page intentionally left blank.)

Relationship to Strategic Plan

Requests for allocations are considered in conjunction with the City's current year needs that are determined at the annual strategic planning session in which all departments participate in. These current year expenditures are approved or rejected depending on their priority in the long range strategic plan at that point in time.

One time Revenue sources

Ongoing expenses are never funded by any nonrecurring or one time revenue sources. Current and future funding sources are identified for all new programs.

Authorized Personnel

The budget shall contain the proposed full time equivalent personnel by department or function. Any increase in these FTE's during the year shall have City Council approval.

Revisions

At a minimum, the budget will be revised at mid year to adjust for unforeseen expenditures and revenue streams.

Awards

The City shall strive to continue to produce a budget document in the Government Finance Officers Association's recommended format that qualifies for their Distinguished Budget Presentation Award.

Budget in Brief

The City may also produce a "Budget in Brief" to provide the citizens who do not want to read the entire budget document with an abbreviated document whereby they can still have the knowledge of the City's information.

Revenue Policies

The purpose is to design, maintain and administer a revenue system that will assure a reliable, equitable, diversified and sufficient revenue stream to support desired City services.

Balance and Diversification in Revenue Sources

The City shall attempt to maintain a balanced and diversified revenue system to protect the City from fluctuations in anyone source and to distribute the revenue burden equitably. Local economic conditions are to be monitored which could adversely impact any one source.

User Fees

For services that benefit specific users, the City shall implement and collect fees to recover the costs of those services. The City shall determine the appropriate cost recovery level and establish the fees. Where feasible and productive, the City shall seek to recover full direct and indirect costs. User fees shall be reviewed on a regular basis to calculate their full cost recovery levels, to compare them to the current fee structure, and to recommend adjustments where necessary. The City will consider rates and charges levied by other public and private organizations for similar services when levying the same.

Property Tax Revenues

In order to fulfill funding needs without excessive dependence on property taxes, the City shall endeavor to reduce its reliance on property tax revenues by revenue diversification, implementation of user fees, and economic development. The City shall also strive to work to encourage the State of Georgia to adopt legislation that will not hinder, but rather enhance local government revenues.

Utility/Enterprise Funds User Fees

It is the intention of the City that all utilities and enterprise funds be self-supporting. As a result, utility rates and enterprise funds user fees shall be set at levels sufficient to cover operating expenditures, meet debt obligations, provide additional funding for capital improvements, and provide adequate levels of working capital. When appropriate, the City will establish these funds where the true relationship between costs and expenses are clearly established.

(The remainder of this page intentionally left blank.)

Administrative Services Charges

The City shall implement a method to determine administrative services charges due the General Fund from enterprise funds for overhead and staff support. Where applicable, the enterprise funds shall pay the General Fund for direct services rendered.

Revenue Estimates

In order to maintain a stable level of services, the City shall use a conservative, objective, and analytical approach when preparing revenue estimates. The process shall include analyzing the current economic environment and its impacts on revenues, historical collection rates, and trends in revenues. Using this conservative approach should result in actual revenues being consistently equal to or exceeding budget amounts.

Revenue Collection

The City shall maintain effective collection systems for all revenue sources. Since revenue should exceed the cost of producing it, the City shall strive to control and reduce administrative costs. The City shall aggressively pursue to the full extent allowed by state law all delinquent taxpayers and others overdue in payments to the City.

Write-Off of Uncollectible Accounts

The City shall monitor payments due to the City (accounts receivable) and periodically write-off accounts where collection efforts have been exhausted and/or collection efforts are not feasible or cost-effective.

Expenditures

The purpose is to assure the effective and efficient delivery of services, through the identification of necessary services, establishment of appropriate service levels, and prudent administration of the expenditures of available resources.

Current Year Funding Basis

The City shall operate on a current year funding basis. Expenditures shall be budgeted and monitored so as not to exceed current revenues plus the intended use of fund balance/retained earnings accumulated through prior year savings that shall be guided

by the Fund Balance/Retained Earnings Policy Statements.

Prevention of Operating Deficits

The City shall take immediate corrective actions if at any time during the fiscal year expenditure and revenue recalculations are such that an operating deficit is projected at year-end. Corrective actions can include a hiring freeze, expenditure reductions, fee increases, or use of fund balance within the Fund Balance/Retained Earnings Policy. Expenditure deferrals into the following fiscal year, short-term loans, or use of one-time revenue sources shall be avoided to balance the budget.

Maintenance of Capital Assets

Within the resources available each fiscal year, the City shall preserve and maintain capital assets and infrastructure at a level adequate to protect the City's investment, to minimize future replacement and maintenance costs, and to continue service levels.

Annual Program Reviews

Annually, the City Manager shall assign staff and third-party reviews of City programs for both efficiency and effectiveness. Whether to privatize or contract for services with other governmental agencies or private entities will be evaluated as alternative approaches to service delivery. Programs which are determined to be inefficient and/or ineffective shall be reduced in scope or eliminated.

Purchasing

The City shall conduct its purchasing and procurement functions efficiently and effectively, fully complying with applicable State of Georgia laws and City ordinances. Staff shall make every effort to maximize discounts and capitalize on savings available through competitive bidding in order to provide the best product or service for the best value.

Fund Balance/Retained Earnings

The purpose is to maintain the fund balance and retained earnings of the various operating funds with sufficient working capital levels sufficient to protect the City's creditworthiness and to address emergencies and unexpected declines in revenues without having to borrow funds. The fund balance or retained earnings should not be

used to support reoccurring operating expenditures.

General Fund Undesignated Fund Balance

In order to offset possible future funding deficiencies, the City shall strive to maintain the General Fund undesignated fund balance at an upper limit of 20 percent and a lower limit of 10 percent of the prior year's actual revenues. It will be determined annually if this is an excessive percentage as the City grows. Any percentage above the upper limit amount may be used to supplement future capital outlay on a "pay as you go" basis or pay off existing debt.

Retained Earnings of Other Operating Funds

In other enterprise operating funds, the City shall strive to maintain positive retained earnings positions to provide sufficient reserves for emergencies and revenue shortfalls. Specifically, in the Water and Sewer Enterprise Fund, an operating reserve will be established and maintained at an upper limit of 20 percent and a lower limit of 10 percent of the prior year's actual revenues.

Use of Fund Balance/Retained Earnings

Fund Balance/Retained Earnings shall be used only for emergencies or non-recurring expenditures, any excess may be considered to supplement "pay as you go" capital outlay expenditures or pay into existing debt.

Debt Service Funds

The City shall maintain sufficient reserves in its debt service funds, which shall equal or exceed the reserve fund balances required by bond ordinances, consistent with the covenants in the bond ordinances pertaining to such bonds.

Capital Improvements/Expenditures

The purpose is to review and monitor the state of the City's capital assets, setting priorities for the addition, replacement and renovation of such assets based on needs and availability of resources.

Strategic Plan/Capital Improvements

A five-year program for infrastructure capital improvements will be updated annually. The City shall review the needs for capital improvements and equipment, the current status of the City's infrastructure, replacement and renovation needs, and potential new projects. All projects, ongoing and proposed, shall be prioritized based on an analysis of current needs and resource availability. To prevent erosion of the City's ability to provide basic services, new programs initiated should be self-sustaining with sufficient income to offset operating expenses and program investment costs.

Replacement of Capital Assets on an Annual Basis

The City shall annually prepare a schedule for the replacement of its non-infrastructure capital assets. Within the resources available each fiscal year, the City shall replace these assets according to the aforesaid schedule.

Coordination with Operating Budget

The City will coordinate the development of the Capital Budget with the preparation of the annual operating budget. Future costs associated with the capital improvements will be forecast and included in the operation budget.

Cash Management / Investments

The purpose is to invest the cash in a way to protect the principle and interest where it is liquid enough to meet the daily expenses of the City while earning the highest rate of return.

Safeguarding of Assets

All aspects of cash management operations shall be designed to ensure the absolute safety and integrity of the City's or any fiduciary fund's financial assets. The City will deposit all funds on the next working day to insure safe keeping.

Legal Compliance

Cash management activities shall be conducted in full compliance with prevailing local, state and federal regulations. Such activities shall be designed to adhere to guidelines and standards promulgated by such professional organizations as the American

Institute of Certified Public Accountants (AICPA), the Governmental Accounting Standards Board (GASB) and the Government Finance Officers Association (GFOA).

Allowable Investments

Investments are limited to United States Treasury Bills, Notes and Bonds as well as Certificates of Deposit, State of Georgia Investment Pool and Repurchase Agreements. It is encouraged to invest funds locally unless it would result in loss of the rate of return. The City will utilize Money Market accounts whenever possible to increase the rate of return on the daily operating funds.

Collateralization

Collateralization is used to secure all funds held at financial institutions, including but not limited to demand deposits and Certificates of Deposit.

Interest

Accrued interest shall be allocated to the funds participating in the investment based on the equity each has in the investment.

Risk Controls

Investments have maturity dates that are at or prior to the time the projected cash is required to be made available for current expenditures. This shall be done to insure liquidity and market risks.

Fiduciary Responsibilities

Investments of the City, or of funds held in its possession in a fiduciary capacity, shall be made with the exercise of that judgment and care, under circumstances then prevailing, which persons of prudence, discretion, and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital, as well as the probable income to be derived.

(The remainder of this page intentionally left blank.)

Debt Management

The purpose is to authorize the issuance of debt financing which will provide needed capital equipment and infrastructure improvements while minimizing the impact of debt payments on current revenues.

Use of Debt Financing

Use of general obligation bonds, revenue bonds, certificates of obligation, certificates of participation, lease/purchase agreements or any other instrument of debt authorized by the State of Georgia shall only be used to purchase capital equipment and fund infrastructure that cannot be acquired with current resources or the use of fund balance/retained earnings. All debt will be retired before and will not exceed the expected useful life of the capital expenditure.

Limitations on Long-Term Debt

The Constitution on the State of Georgia provides that the City may not incur long-term obligations payable out of general property taxes without the approval of a majority of the qualified voters of the City voting at an election called to approve the obligations. In addition, under the Constitution of the State of Georgia, the City may not incur long-term obligations payable out of general property taxes in excess of ten percent of the assessed value of all taxable property within the city. Proceeds of long-term debt will not be used for current, ongoing obligations.

Short-term Debt

Short-term obligations (those payable within the same calendar year in which they are incurred), lease and installment purchase obligations subject to annual appropriation and intergovernmental obligations are not subject to the legal limitations described above. In addition, refunded obligations cease to count against the City's Debt Structure.

Self-Supporting Bonds

When feasible, special assessment, revenue or other self-supporting bonds will be used instead of general obligation bonds.

Revenue Anticipation Debt

Revenue anticipation debt should be avoided. Should it become necessary to fund operating expenditures the debt will be retired in full within the same fiscal year as when it was incurred.

Monitoring/Compliance

The City shall monitor all forms of debt in conjunction with the preparation of the annual budget. Monitoring of all bond covenants and applicable laws and regulations will be diligently monitored to assure compliance with such covenants and regulations.

Disclosure

Full disclosure on bond prospectus and financial statements shall be followed as well as maintain ongoing communication with the bond rating agencies.

Tax-Exempt Debt*OBJECTIVE*

To comply with all applicable federal and state laws, rules and regulations related to the issuance of tax-exempt debt (the "Debt").

SCOPE

This policy (the "Policy") applies to all Debt issued by or for the benefit of the City of Kingsland, Georgia (the "City") and its related entities.

POLICY

The City shall comply with all federal and state laws, rules and regulations related to the issuance of Debt.

RESPONSIBILITY

The Director of Finance shall be administratively responsible for the Policy. The Director of Finance shall be responsible for reviewing the requirements and responsibilities of the City under the Policy with bond counsel on or before the closing date of any Debt issued by the City.

DISSEMINATION AND TRAINING

The Policy shall be disseminated to all relevant personnel in the City and to the auditor.

The Director of Finance shall provide appropriate training to all personnel directly involved in the administration of tax-exempt debt to ensure they comply with the provisions of the Policy. The Director of Finance shall consult as appropriate with qualified attorneys with respect to the content of such training.

REVIEW

The Policy shall be reviewed and revised annually by the Director of Finance and redistributed to all relevant personnel in the City and to the auditor.

The Director of Finance shall annually conduct a due diligence review of all Debt currently outstanding to ensure proper compliance with each of the provisions of the Policy. If the Director of Finance discovers non-compliance with any provisions of the Policy, steps necessary to correct the noncompliance will be taken within ten (10) business days of the conclusion of the annual due diligence review. Records of all corrective action taken shall be retained in accordance with the Policy.

PROVISIONS

Record Keeping

All records relating to the Debt needed to comply with Section 6001 of the Internal Revenue Code of 1986, as amended (the "Code") shall be maintained. These records shall be kept in paper or electronic form and shall include, among other things, (i) basic records relating to the transaction (including the bond documents, the opinion of bond counsel, etc.), (ii) documents evidencing the expenditure of the proceeds of the Debt, (iii) documentation evidencing the use of Debt-financed property by public and private entities (e.g., copies of management contracts, leases and research agreements) and (iv) documentation pertaining to any investment of Debt proceeds (including the purchase and sale of securities, SLG subscriptions, yield calculations for each class of investments, actual investment income received from the investment of the proceeds of the Debt, guaranteed investment contracts and rebate calculations. Such records must be maintained as long as the Debt is outstanding, plus three years after the final

payment or redemption date of the respective Debt.

Use of Proceeds

A list of all property financed with the proceeds of the Debt shall be created and maintained. The use of such property shall be monitored to ensure that such use does not constitute “private business use” within the meaning of the Code. Without limiting the foregoing, each contract, including but not limited to management contracts and leases, relating to such property shall be reviewed by legal counsel prior to the execution of such contract. The list of property shall be reviewed at least annually to ensure that none of the property has been sold.

Remedial Action

In the event that property financed with the proceeds of the Debt is used in a manner that constitutes “private business use” or the property is sold, the remediation provisions of Treasury Regulation § 1.141-12 shall be carried out in consultation with bond counsel.

Yield Restriction

If bond counsel advises that a fund or account needs to be yield restricted (i.e., not invested at a yield in excess of the Debt), the moneys on deposit in such fund or account shall be invested in United States Treasury Obligations – State and Local Government Series, appropriate “yield reduction payments” shall be made if permitted by the Code or the Director of Finance shall establish other procedures to ensure that such fund or account is yield restricted.

Rebate

At the time the Debt is issued, the Director of Finance shall determine if he or she reasonably expects that one of the arbitrage rebate exceptions will be satisfied. If the arbitrage rebate exception relates to the time period over which the proceeds of the Debt are spent, the Director of Finance shall verify that the appropriate expenditures have been made at each milestone. If one of the milestones is not satisfied or the Director of Finance does not reasonably expect that one of the arbitrage rebate exceptions will be satisfied, an outside arbitrage rebate consultant shall be retained

unless the Director of Finance has determined that positive arbitrage will not be earned.

Continuing Disclosure

The City shall record and comply with any continuing disclosure undertaking entered into with respect to Debt. The Director of Finance shall catalogue and determine any continuing disclosure undertaking entered into by the City prior to the imposition of the Policy to ensure that its continuing disclosure obligations will be updated and satisfied going forward.

The Director of Finance will implement appropriate procedures to ensure that annually recurring disclosure obligations are timely fulfilled. Upon the occurrence of an event requiring the filing of an events notice under any continuing disclosure obligation, the Director of Finance will ensure such event notice is filed within ten (10) business days of the occurrence of such event.

Intergovernmental Relations

The purpose is to coordinate efforts with other governmental agencies to achieve common objectives, share the cost of providing government services on an equitable basis, and support favorable legislation at the state and federal levels.

Local Cooperation in Delivering Services

In order to promote the effective and efficient delivery of services, the City shall actively seek to work with other local jurisdictions in joint purchasing, sharing facilities, sharing equitably the costs of service delivery, and developing joint programs to improve service to its citizens.

Legislative Program

The City shall cooperate with other jurisdictions to actively oppose any state or federal regulation or proposal that mandates additional City programs or services and does not provide the funding to implement them. Equally, as appropriate, the City shall support legislative initiatives that provide more funds for priority local programs.

Purchasing

The purpose is to provide for the fair and equitable treatment of all persons involved in public purchasing by The City of Kingsland, to maximize the purchasing value of public funds in procurement, and to provide safeguards for maintaining a procurement system of quality and integrity. This is a summary of the Purchasing Ordinance.

Budgeted Items/Authority Levels

All budgeted items are approved by the Mayor and City Council in the annual budget. Purchase authority for budgeted items shall be as set forth in the Purchasing Ordinance.

No person shall make any commitment for supplies, materials or services of any kind on behalf of the City except in accordance with the City purchasing ordinance.

Small Purchases Under \$150

For small purchases under \$150, users, or their designee(s), shall be authorized to make purchases up to \$150 without competitive solicitation or issuance of a purchasing order provided such purchase complies with all applicable provisions of this Ordinance and is within the legal limits of the adopted budget. Authorized user will be required to log such purchases on the department's in-house requisition log.

Small Purchases Under \$500

Insofar as it is practical for small purchases under \$500, no less than two businesses shall be solicited to submit quotations. Award shall be made to the business offering the lowest acceptable quotation. The names of the businesses submitting quotations, and the date and amount of each quotation, shall be recorded and maintained as a public record.

Small Purchases Over \$500 and up to \$5,000

Insofar as it is practical for small purchases in excess of \$500 and up to \$5,000, no less than three businesses shall be solicited to submit quotations. Award shall be made to the business offering the lowest acceptable quotation. The names of the businesses submitting quotations, and the date and amount of each quotation, shall be recorded and maintained as a public record.

Large Purchases Over \$5,000

Large purchases in excess of \$5,000, no less than three businesses shall be solicited to submit sealed RFPs or RFQs, as appropriate. The names of the businesses submitting sealed proposals or quotes shall be recorded and maintained as a public record.

Public Works Contracts \$100,000 and Over

Public Works contracts valued at \$100,000 and over shall follow state guidelines for bidding out public works contracts.

Sole Source Procurement

A contract may be awarded without competition when the purchasing agent determines in writing, after conducting a good faith review of available sources, that there is only one source for the required supply, service or construction item. A record of sole source procurements shall be maintained as a public record and shall list the name of the business, the amount and type of each purchase.

Emergency Procurements

The City Manager may make or authorize others to make emergency procurements of supplies, services, or construction items when there exists a threat to public health, welfare, or safety; provided that such emergency procurements shall be made with such competition as practical under. As soon as practicable, a record of each emergency procurement shall be made to include the name of the business, the amount and type of each purchase.

Competitive Sealed Bidding

All contracts of the City in excess of \$5,000 shall be awarded by competitive sealed bidding as set forth in the City of Kingsland's Purchasing Ordinance.

Accounting, Auditing and Financial Reporting

The purpose is to insure compliance with all local, state, and federal regulations as they apply to the City's finances as well as all current professional principles and practices to set procedures for monitoring the financial status of the City.

Conforming to Accounting Principles

The accounting and reporting policies of the City shall conform to Generally Accepted Accounting Principles (GAAP) as they relate to state and local governments. Generally Accepted Accounting Principles for local government also include those promulgated by the Government Accounting Standards Board (GASB) and the American Institute of Certified Public Accountants (AICPA) in its publication entitled Audits of State and Local Governmental Units. Whenever possible, the Government Finance Officers Association's (GFOA) Best Practice guides will be followed.

Annual Reporting

The City shall prepare annual financial statements in accordance with the aforementioned principles that will be audited by an independent auditing firm. Such auditing firm will be selected by Request for Proposals from all qualified firms every five years. The city shall strive to maintain an unqualified auditor's opinion.

Interim Reporting

Monthly budget reports shall be prepared on a timely basis for review by Mayor, Council, City Manager, Deputy City Manager, and staff that clearly demonstrate each department's current financial position.

Awards

The City shall strive to continue to produce a Comprehensive Annual Financial Report in the Government Finance Officers Association's recommended format that qualifies for their Certificate of Achievement for Excellence in Financial Reporting award.

Internal Controls

The purpose is to establish and maintain an internal control system over financial reporting that would reduce the risk of possible material errors and provide reasonable assurance that the City assets are safeguarded.

Proper Authorization

To ensure that financial transactions and activities are properly reviewed and

authorized, safekeeping procedures will be designed, implemented and updated as the control environment changes.

Proper Recording

To ensure all financial reports may be relied upon as accurate and complete, proper procedures shall be developed, maintained and kept up to date.

Separation of Duties

In order to reduce to an acceptable level the opportunity of any one person to be in a position to both perpetrate and conceal errors and irregularities in the normal course of business, adequate separation of duties shall be established.

Access to Records and Assets

Procedures shall be designed and implemented to ensure safeguards exist over the access to and use of financial records and assets.

Cost vs Benefit Analysis

The cost of any control system shall be designed so the cost in terms of reducing and/or preventing losses should not outweigh the apparent benefit to be derived from the system.

E-commerce

The purpose is to expedite cash payments and receipts, improve employee productivity, and provide enhanced customer service through use of innovated technology.

Financial Systems

All E-Commerce systems and transactions must be fully integrated with the City's financial systems, banking systems and any other information system that integrates with an E-Commerce system.

Vendor E-Payments

The City will actively work to reduce paper checks to vendors to other forms of e-payments. This may consist of, but not limited to, ACH payments, procurement card payments or wire transfers.

Direct Deposits

The City will actively work to reduce paper payroll checks to other electronic means such as increasing direct deposit enrollees and the use of electronic pay cards.

Internet Payments

The City will work with its banking and software systems to develop enhanced availability of internet payments to allow increased citizen and customer satisfaction.

Promising Technologies

The City will monitor any promising and emerging technologies and implement those that are consistent with the City's E-Commerce policies.

Cost vs. Benefit Analysis

As with any other system, the decision to implement a new E-Commerce policy should be analyzed to determine the benefit, either to employees or customers, outweighs the cost of implementation.

(The remainder of this page intentionally left blank.)

Benefit Package

Introduction

The importance of each employee cannot be overstated. The City's goal is to provide the finest quality services to the citizens and businesses in Kingsland and to do this efficiently and effectively. Thus, each employee is an important part of this process because his or her work directly influences the City's reputation and how residents, taxpayers, and other branches and levels of government perceive the City. Furthermore, each of the 167.5 full-time equivalent budgeted employees who comprise the City of Kingsland's work force is dedicated to providing the highest quality of services possible to each member of our community.

(The remainder of this page intentionally left blank.)

Note: One position in Administration is budgeted 80% in General Fund and 20% in Water/Sewer Fund. All positions in Finance are budgeted 65% in General Fund and 35% in Water/Sewer Fund. All positions in Information Technology are budgeted 90% in General Fund and 10% in Water/Sewer Fund. All positions in Fleet are budgeted 75% in General Fund and 25% in Water/Sewer Fund.

Benefits

The City of Kingsland benefits package's main goal is to provide incentives in order for each employee to be provided with the opportunity to be the most productive. This goal is met through careful consideration of benefits provided as described below:

✍ **Salaries:** Salaries include regular pay, annual leave, sick leave, holiday leave, jury duty, bereavement leave, and military leave. The City's salaries conform to all State and Federal Guidelines. The salary scale for full-time permanent employees provides for increases based on a twelve-step merit plan with 3.5% increase between each step. Any salary increase is dependent on approval each budget year.

✍ **Major Medical Health Insurance:** The City provides to all full-time employees, a comprehensive major health plan. Coverage begins the 1st day of the next month following 60 days of employment. Based on which salary bracket the employee is in, the employee only pays anywhere from \$29.75 - \$53.55 of its insurance premium for "employee only" coverage with the City paying the difference. Again, based on salary brackets, the City pays anywhere from 46%- 50% of the insurance premiums towards dependent coverage. Employees have a choice of a 90/70 PPO or an 80/60 PPO plan. Depending on which plan the employee selects, the

primary care physician co-pay is \$25/\$30, emergency room is \$150, and the family calendar year deductible is \$1,500/person or \$3,000/family with an out-of-pocket maximum set at \$3,000/\$6,000. See plan details for more comprehensive information.

↳ Life Insurance: The City provides to all full-time employees, life insurance coverage in the amount of \$25,000. The City pays the cost of this life insurance benefit.

↳ Dental Insurance: The City offers dental insurance premium to its employees, but does not cover any of the premium. Coverage begins the 1st day of the next month following 60 days of employment.

↳ Prescriptions: In conjunction with health insurance, employees are provided with a prescription card for discount prescriptions; \$15 for generic, \$30 for brand preferred, and \$50 for non-preferred.

↳ Wellness Clinic: Through an intergovernmental agreement with the County, the employees and dependents on the City insurance can use the County Wellness Clinic free of charge.

↳ Social Security: All employees are enrolled in the Social Security Act and Medicare Program.

↳ Retirement and Pension Plan: A retirement and pension plan is provided through the Georgia Municipal Association (GMA) to all full-time employees through employer contributions on behalf of each employee into a retirement and pension fund. The plan offers early, normal, and disability retirement options, as well as, survivor benefits. The alternate normal retirement age for Public Safety employees allows Certified Police and Fire Department employees the option to retire with a benefit unreduced for early age when the employee has 20 years of credited service. A flat 1.60% benefit formula is applied to all plan participants for calculating retirement benefits that was effective beginning in FY 08/09 which will benefit those employees making less than the dynamic break point (\$72,636) the most. However, the previous two-tier (1.25%, 2%)

formula will be grand-fathered in to prevent anyone from having a loss of benefit. Employees are vested after 10 years of service.

- ✎ Deferred Compensation Plan: The City provides MetLife deferred compensation plan for its employees to supplement the pension plan. Effective with the FY 08/09 budget year the City offers a 457(b) plan that provides for city-funded matching contributions of a 10% match with a cap of \$25 per employee per bi-weekly pay period. There is a 1 year waiting period to participate in the 401(a) plan.
- ✎ Section 125-Premium Conversion Plan: The City provides a section 125-premium conversion plan to defer premiums for dependent health insurance.
- ✎ Workers' Compensation: The City provides a self-funded workers' compensation program. Medical care is provided through a panel of physicians selected by the City.
- ✎ Supplemental Insurance: The City provides All-State, Principal, and Cincinnati Life Insurances for supplemental insurance plans for its employees. The City does not contribute to these plans; however, premiums may be paid through payroll deductions.
- ✎ Credit Union: Employees are provided with the opportunity to join the local credit union which allows for payroll deductions.
- ✎ Direct Deposit: Employees are provided with the opportunity to have their payroll checks directly deposited into any financial institution.
- ✎ Recreation Center: Employees are provided with the opportunity to join the local recreation center which may be paid through payroll deductions.

Tuition Reimbursement: The City provides reimbursement for job-specific courses in order to provide for professional growth of the employees. This reimbursement is based on actual tuition paid by the employee and grade-points received.

SAMPLE CALCULATION OF RETIREMENT BENEFITS

The following steps are necessary to calculate a monthly normal retirement benefit under the City's flat 1.60% benefit calculation plan. Our sample participant has final average earnings of \$60,000; 25 years and 0 months of credited service; was born in 1950; and terminates employment in 2015.

1.	Final average earnings.	\$60,000.00
2.	Multiply line 1 by 1.60%	\$960.00
3.	Credited service (years and months).	25.0
4.	Multiply line 2 by line 3 to find annual normal retirement benefit.	\$24,000.00
5.	Divide line 4 by 12 months to find monthly normal retirement benefit.	\$2,000.00

The resulting amount will change if an optional form of payment is chosen or if retirement is before age 65 or if the employee terminates before having 20 years of service at age 62. Also, Social Security benefits and personal savings are counted when estimating total retirement income.

City Debt Structure Summary

Set forth below is information concerning the debt of the City estimated as of September 30, 2015.

	Remaining over the life of the debt	
	Principal	Interest
Note Payable (1)	1,613,448	127,154
Capital Leases (2)	990,337	120,952
Water Revenue Bonds (3)	9,467,200	644,746
Welcome Center Revenue Bond (4)	<u>2,294,732</u>	466,841
Total	\$ <u>14,365,717</u>	\$ <u>1,359,693</u>

1. A note incurred for the purchase of a fire station in the amount of \$646,000 will be paid from the General Fund. The principal balance is \$281,752. Another note was secured to pay the residual debt from the sale of the golf course in 2006. The principal balance is \$1,331,696. These notes are general obligation, are not secured by ad valorem property taxes, and do not constitute a debt of the City within the meaning of the constitutional limitation upon indebtedness.
2. Currently the City has four (4) annually-renewable capital equipment leases. The leases are not general obligation, are not secured by ad valorem property taxes, and do not constitute a debt of the City within the meaning of the constitutional limitation upon indebtedness.
3. In March 2014, the City refinanced bonds issued in 2004 in the amount of \$3,935,000 that was due on 12/1/19. The City also partially refinanced bonds issued in 2010 in the amount of \$5,955,000 leaving \$1,600,000 to be paid with the 2010 bonds by 12/1/15. The City issued two new Water and Sewerage Refunding Revenue Bonds in the amounts of \$5,535,890 and \$3,705,158. The funds of these bonds prepaid a Series 2004 bond and partially prepaid a Series 2010 bond. This bond refunding allowed the City to realize a net present value savings of \$562,848 due to acquiring a lower interest on the overall repayment of existing debt. The Revenue Bonds are for a 5 and 8 year period and are payable solely from the Water

and Sewer Enterprise Fund. Revenue Bonds do not constitute a debt of the City within the meaning of the constitutional limitation upon indebtedness.

4. The State statute that the City falls under governing collections of hotel/motel tax requires the City to expend 16.66% of the collection on construction of a welcome center. The City issued a \$2,500,000 bond in 2007 to construct a new welcome center. In July 2014 the City modified the bond by lowering the interest rate from 4.60% to 2.15%. The payments are paid solely from hotel/motel taxes and the current principal balance is \$2,294,732. The bond is not general obligation, is not secured by ad valorem taxes, and does not constitute a debt of the City within the meaning of the constitutional limitation upon indebtedness.

The City has never defaulted on its debt.

Limitations of City Debt

The Constitution of the State of Georgia provides that the City may not incur long-term obligations payable out of general property taxes without the approval of a majority of the qualified voters of the City voting at an election called to approve the obligations. In addition, under the Constitution of the State of Georgia, the City may not incur long-term obligations payable out of general property taxes in excess of ten percent of the assessed value of all taxable property within the city.

Short-term obligations (those payable within the same calendar year in which they are incurred), lease and installment purchase obligations subject to annual appropriation and intergovernmental obligations are not subject to the legal limitations described above. In addition, refunded obligations cease to count against the City's debt limitations.

As computed in the following table, based upon the 2014 assessed value the City could incur (upon necessary voter approval) approximately \$40,396,424 in additional long-term obligations payable out of general property taxes (or general obligation bonds).

Computation of Legal Debt Margin

Assessed Value of Taxable Property	\$ 387,401,790
For tax year 2015 (<i>Bond Purposes</i>)	<u>x .10</u>
Debt Limit (<i>10% of Assessed Value</i>)	\$ 38,740,179
Amount of Debt Applicable to Debt Limit	<u>\$ 0</u>
Legal Debt Margin	<u>\$ 38,740,179</u>

The obligations of the City are discussed in the capital outlay section as to how they should affect future operating budgets. The City is currently able to maintain and enhance its financial position and the economic outlook is still geared to continuing growth; therefore, revenues should increase while expenditures remain constant.

(The remainder of this page intentionally left blank.)

General Fund Budget Overview

The General Fund accounts for all operations of the City other than the enterprise funds and activities legally required to be accounted for in separate funds. Ten departments are accounted for within the fund. The following pages provide estimated revenues and expenditures with fiscal year 2013/14 actual and fiscal year 2014/15 budget amounts. The approved fiscal year 2015/16 budget has been prepared in a format to provide the Council with more information on department operations and financial issues. The budget is prepared on the cash basis.

Revenue Summary

Revenues for the General Fund are estimated at \$9,661,680. Revenues decreased by 2.02% or \$199,184 resulting in a contingency of \$431,152. This is due to decreases in the tax digest, motor vehicle tax, and ambulance revenue.

Property taxes are anticipated to be set at 8.00 mills and accounts for 38.88% of the total general fund revenues. The next largest single revenue source is generated from excise taxes which comprises 20.49% of the total general fund budget. The revenues are prepared with a conservative approach by using historical information.

Expenditure Summary

Expenditures decreased by 2.15% or \$202,521 mainly due to savings in salaries and benefits resulting from prior year's voluntary separation incentive plan. Personnel services, at 66.07%, account by far as the largest total general government expenditures while public safety accounts for the largest function of expenditures at 52.27%.

A budget expense summary is provided within each department's section.

General Fund**Revenue Summary****Expenditure Summary**

General Fund**Expenditures
By Department - FY 15/16**

General Fund

Major Revenue Sources

Property Taxes Levied

The valuation of property is determined by the County tax assessor's office and given to the City. The City bills the property owner on 40% of the fair market value. The budget was prepared using 8.00 mills. Due to the tremendous growth the City has experienced, the tax base has increased dramatically through 2010 and then began to decrease in 2013 due to the economy and reassessments. The budget is prepared on projected collection instead of taxes levied. Property taxes for 2015 will be billed in the first quarter of FY 2015-16.

Local Option Sales Tax

The Local Option Sales Tax is remitted by the various businesses to the state on a monthly basis. The state returns the monies to the City. The City's share of the 1% tax increased in 2014 to 22.65% which was agreed through an inter-governmental contract with the county. It will continue to increase until it reaches 24.5% by the year 2022.

General Fund

Major Revenue Sources

Franchise Taxes

Franchise fees are fees paid to the City by utility companies. Each type has a unique agreement with the City. Electric companies comprise the bulk of the revenues received. Again, the growth of the City allows an estimated increase. It is an excise tax.

Fines and Forfeitures

Fines and forfeitures are collected for violations of City ordinances. Years reflected with a decrease correlate with lower staffing levels.

General Fund

Major Revenue Sources

Insurance Premium Taxes

Insurance companies doing business in the City are required to submit fees to the State who, in turn, remits the City's portion in October of each year. It has shown a steady increase and is budgeted accordingly. It is also based on population. There was a large increase in FY 2011/12 due to the 2010 census figures being released. It is an excise tax.

Beer and Wine Tax

All beer and wine vendors doing business in the City are required to remit the fees monthly. It is an excise tax.

General Fund

Major Revenue Sources

Building and Zoning Permit Fees

There are various types of permit fees; such as, electrical, building, and plumbing. Fees begin at \$25 and increase based on cost and size of construction. Therefore, there is some fluctuation. Due to the housing market decline, permits have declined since 2007. An upward trend is beginning to show after 2013.

City of Kingsland Building and Zoning Permit Fees FY 2007-2016

General Fund

Major Revenue Sources

Operating Transfers In

Transfers are budgeted to and from the General Fund to the other governmental funds as applicable.

Loan and Lease Revenues

Loans and leases are budgeted in the General Fund as revenues and are offset by the same amount of expenditures.

Other Revenues

These are other revenue sources that singularly do not total 2% of the total budgeted revenues. A breakdown is shown on the pie chart of the General Fund Revenues in the General Fund section depicting the total revenues. These items were increased or decreased over prior years actual and budget amounts based on the underlying assumptions of the other budgeted revenues.

Administration Department

Established 1908

Mission Statement

Mission of the Administration Department is to provide a comprehensive range of services designed to meet the diverse needs of its citizens and customers in a cost-effective and efficient manner. The elected officials, city management, and staff will accomplish this mission through visionary leadership, proactive planning, implementation, and maintaining a consistent work ethic. This work ethic is characterized by a total commitment to customer service, sensitivity to the needs and concerns of the city's citizens, and continual improvement of its service delivery systems, programs, and organizational structure.

Overview

The General Fund Administration Department is responsible for monitoring the daily activities of all City operations. This department consists of the Mayor, City Council, City Manager, City Clerk, Administrative Assistant, and reception(s). Other aspects involved in this department are human resources, election proceedings, and council meeting facilitations.

The City Clerk serves as secretary to the Council, safeguards all records and documents, and implements codes and regulations pertaining to the City. Also, the City Clerk is in charge of all City election proceedings. The City Manager works for the Mayor and City Council and carries out duties as assigned by them. The City Manager is responsible for directing staff and department functions throughout the City organization, including long- and short-range planning, and staff management. The overall responsibility for this department rests with the City Manager.

The Human Resources function of the Administration department provides administrative support to the other departments of the City in the recruitment, selection, development, and retention of their human resources through the development, administration, and compliance of the City's personnel rules and regulations, general policies, and all State and Federal laws. Human Resources function is also responsible for administering and monitoring the employee fringe benefit plan. Some of the City's benefits include: health insurance, dental insurance, life insurance,

retirement plan, worker's compensation, tuition reimbursement, health clinic, and unemployment insurance. The Human Resources function also provides direction, management, and leadership in the administration of all aspects of risk management, insurance, and claims for the City of Kingsland. The Human Resources Department plans and implements risk management strategies and processes, and serves as principal point of contact and liaison with internal and external constituencies on all risk management issues. The overall responsibility of the Human Resource function rests with the City Manager.

IN ORDER TO MEET LONG TERM ECONOMIC AND CULTURAL GOALS, THE ADMINISTRATION DEPARTMENT HAS SET THESE GOALS AND ACHIEVED THESE ACCOMPLISHMENTS:		
FY 2014/2015 Department Goals	FY 2014/2015 Status & Accomplishments...	FY 2015/2016 Department Goals
Continue utilization of the Joint Comprehensive Plan.	This is an ongoing goal, revisions are due 06/2018.	Continue utilization of the Joint Comprehensive Plan.
Continue annual review of the City's Short & Long-term Strategic Plan.	This is an ongoing goal, revisions are due 06/2018.	Continue annual review of the City's Short & Long-term Strategic Plan.
Continue to explore innovative ideas to enhance services to the citizens of Kingsland.	Enhancements to city web site and social media to engage and service constituents. Partnering with other local governments to share assets and resources.	Continue to explore innovative ideas to enhance services to the citizens of Kingsland.
Continue to enhance and develop Human Resource functions.	This is an ongoing goal.	Continue to enhance and develop Human Resource functions.
Continue to research grants to off-set cost in providing services.	Resources are limited but efforts are on-going	Continue to research grants to off-set cost in providing services.
IN ORDER TO MEET LONG TERM FINANCIAL GOALS REGARDING OPERATING BUDGET POLICIES, THE ADMINISTRATION DEPARTMENT HAS SET THESE GOALS AND ACHIEVED THESE ACCOMPLISHMENTS:		
FY 2014/2015 Department Goals	FY 2014/2015 Status & Accomplishments...	FY 2015/2016 Department Goals
Continue to reduce the number of lawsuits against the City.	On-going through safety, education, and risk management efforts	Continue to reduce the number of lawsuits against the City.
Continue to monitor and research State & Federal regulations relative to personnel matters to insure continued compliance.	This is an ongoing goal.	Continue to monitor and research State & Federal regulations relative to personnel matters to insure continued compliance.

Continue to develop the City's Wellness Program.	Partnered with Camden County, St Marys, and Public Service Authority on the Living Well Clinic project. By utilizing the clinic in FY15, the City and employees saved \$9,500.	Continue to develop the City's Wellness Program.
Continue to promote safety among employees.	Successful partnership with LGRMS to provide health and safety training and resources. Safety management duties have been reassigned to staff at Kingsland Fire & Rescue. W/C premiums are down to \$118,906 from \$136,110 in 2014.	Continue to promote safety among employees.
Continue to reduce overall employee turn-over rate.	Revised police patrol division pay scale to reduce turnover.	Continue to reduce overall employee turn-over rate.
Continue staff development and training.	Partnering with LocalGovtU through LGRMS to provide on-line training programs.	Continue staff development and training.
Continue to monitor, assess, and realign staff for overall efficiency and effectiveness in providing services to the City.	These efforts are on-going and we continue to reduce staffing levels and payroll costs to a more appropriate level. Partnering with other local governments to share resources.	Continue to monitor, assess, and realign staff for overall efficiency and effectiveness in providing services to the City.
Continue to review City policies and Code of Ordinances to determine continued feasibility and effectiveness.	This is routine and an ongoing goal.	Continue to review City policies and Code of Ordinances to determine continued feasibility and effectiveness.
IN ORDER TO MEET LONG TERM FINANCIAL GOALS REGARDING CASH MANAGEMENT AND INVESTMENT POLICIES, THE ADMINISTRATION DEPARTMENT HAS SET THESE GOALS AND ACHIEVED THESE ACCOMPLISHMENTS:		
FY 2014/2015 Department Goals	FY 2014/2015 Status & Accomplishments...	FY 2015/2016 Department Goals
Continue to close the gap on uncollected property taxes until a 100% collection rate is achieved.	Contracted with Government Tax Solutions for delinquent tax collections and tax sales. Collected over \$350,000 in past due taxes.	Continue to close the gap on uncollected property taxes until a 100% collection rate is achieved.
Continue to identify additional cost-saving measures to reduce expenditures.	Saved \$1.1M through a voluntary separation plan, reassignment of duties, and by sharing resources with the county and local governments.	Continue to identify additional cost-saving measures to reduce expenditures.

IN ORDER TO MEET LONG TERM ECONOMIC GOALS REGARDING PLANNED GROWTH MANAGEMENT POLICIES, THE ADMINISTRATION DEPARTMENT HAS SET THESE GOALS AND ACHIEVED THESE ACCOMPLISHMENTS:

FY 2014/2015 Department Goals	FY 2014/2015 Status & Accomplishments...	FY 2015/2016 Department Goals
Continue to work toward West Kingsland force main, Phase II.	Project on hold, began Sheffield Forced Main Project.	Continue to work toward West Kingsland force main, Phase II.
Complete widening of Gross Road from Highway 40 to Laurel Island Parkway.	Reallocated SPLOST VII funding from Gross Road to Boone Street Extension to promote commercial development and improve traffic flow.	Complete widening of Gross Road from Highway 40 to Laurel Island Parkway.
Continue to be pro-active in planning for growth and development within the City.	This is an ongoing goal.	Continue to be pro-active in planning for growth and development within the City.

Capital Outlay Overview

For this budget year this department had no capital outlay.

Budget Summary

Overall decrease of \$49,978 or 4.74% from last year's budget due to decreases in retirement and animal control contract offset by increases in contract labor, records retention software and equipment, and health insurance.

“Let us never forget that government is ourselves and not an alien power over us. The ultimate rulers of our democracy are not a President and senators and congressmen and government officials, but the voters of this country.” ~Franklin D. Roosevelt

Information Technology Department

Established 1996

Mission Statement

The mission of the Kingsland Information Technology (IT) Department is to provide responsive, quality, and cost-effective information technology solutions and services that enable City departments, agencies, and local government units to be successful in achieving their objectives, striving always to exceed expectations.

Overview

The Information Technology Department is responsible for the management and maintenance of all City electronic data. This includes the operation of numerous servers and over one hundred twenty (120) desktop and portable computers. Also, IT provides assistance to other departments of the City by supporting all City purchased software and hardware, monitoring sewer lift stations electronically, and maintaining high security for the Police Department's GCIC system. Other aspects involved in this department are the implementation of new electronic equipment used to monitor water and sewer systems.

This department also assists Camden County in various radio infrastructure projects and is a sitting chair on the Camden County Public Safety radio committee under the 911 director in addition to working with the 911 director. Additional assistance is given to the County through this department on numerous projects; such as, radio infrastructure, communications, New World system implementation, and other technology projects. The Information Technology Director oversees this department.

(The remainder of this page intentionally left blank.)

IN ORDER TO MEET OVERALL LONG TERM FINANCIAL GOALS REGARDING ACCOUNTING, AUDITING, AND FINANCIAL REPORTING POLICIES, THE INFORMATION TECHNOLOGY DEPARTMENT HAS SET THESE GOALS AND ACHIEVED THESE ACCOMPLISHMENTS:

FY 2014/2015 Department Goals	FY 2014/2015 Status & Accomplishments...	FY 2015/2016 Department Goals
Continue to keep the City's information technology running smoothly.	Reduced the waste of toner cartridge supply by not keeping high volumes in stock. IT department implemented a new method of ordering only one replacement per toner being used.	Continue cost saving measures and to develop more efficient ways to document and respond to trouble calls.
Implement and install a city wide time clock system that is web based to streamline time keeping.	This goal has been placed on hold due to budget constraints.	Deferred city wide time clock system to next fiscal year due to budget constraints.
Continue to support most of these applications except Eagle. Eagle will transfer to New World in FY 14/15.	New World Systems is online for LAW and FIRE.	Integrate mobile technology for NEW WORLD software.
Move all servers to the IBM virtual environment.	This goal has been completed.	Add new servers as needed to support City Operations.
Continue to provide responsive and cost-effective support of installed applications, services, and hardware.	We lost a help desk technician this year which reduced efficiency in entering and responding to trouble calls.	Need to add a help desk technician to assist with better management of trouble calls and to assist new projects to run smoother. This will also help reduce the time IT has no support due to vacations and illness.
Have one employee completed with IT Leadership program and analyze if program is cost effective before moving forward with other employees.	This is still in progress.	This item is a work in progress.

Capital Outlay Overview

For this budget year this department had no capital outlay.

Budget Summary

Overall this department's budget reflects a decrease of 18.44% or \$43,037 in the General Fund and a decrease of 12.34% or \$2,872 in the Water/sewer Fund. Decreases are in salaries and court technology expenses. This fund is allocated to General Fund (90%) and Water/Sewer Fund (10%).

“Government is not reason; it is not eloquent; it is force. Like fire, it is a dangerous servant and a fearful master. Never for a moment should it be left to irresponsible action.” ~George Washington

Finance Department Established 1996

Mission Statement

The Finance Department maintains the City's overall financial stability through sound financial planning and by closely monitoring internal controls. The department's mission is to provide a full range of financial and procurement services with integrity to maintain the highest standards of accountability and professionalism. We strive to perform with excellence in providing financial services that not only meet but exceed the expectations of those we serve both internally and externally.

Overview

The Finance Department is responsible for the overall integrity of the City's accounting records. This department is budgeted in both the General Fund and the Water and Sewer Fund. There are five major divisions in the Finance Department:

- ➔ Accounting
- ➔ Billings
- ➔ Disbursements
- ➔ Purchasing
- ➔ Grant Administration
- ➔ Collections

The accounting aspect basically oversees the remaining four categories. It consists of, but is not limited to: accounting for all receipts and disbursements of the City, preparing monthly financial statements, reconciling all City bank accounts monthly, preparing semiannual budget revisions and annual budgets, preparing the Comprehensive Annual Financial Report, accounting for and safeguarding City-wide capital assets, and making all adjusting entries to adhere to GAAP guidelines and assuring all subsidiary ledgers are in-balance.

The billings and collections aspect of the Finance Department is responsible for billing, collecting, and posting all City revenues. This includes all utility and tax bills. The cashiers are responsible for reconciling the daily cash drawer and balancing to the daily collection's report.

The disbursements aspect of the Finance Department consists of accounts payable and

payroll. Citywide payments to all vendors and payroll checks are distributed through this office.

Purchasing processes requests for purchases from department heads followed by approval of the Mayor or his designee. The Purchasing Agent follows through all requisitions, purchase orders, and conducts the sealed bid process when applicable.

Grant Administration involves tracking and accounting for all grants applied for by various departments. This division assures that all necessary paperwork that is sent to grant providers for reimbursement and/or matching funds requests are recorded in the appropriate funds' financial statements.

The Finance Department serves the financial needs of all other departments, Mayor and Council, and the public. The overall responsibility for this department rests with the Director of Finance.

IN ORDER TO MEET OVERALL LONG TERM FINANCIAL GOALS, THE FINANCE DEPARTMENT HAS SET THESE GOALS AND ACHIEVED THESE ACCOMPLISHMENTS:

FY 2014/2015 Department Goals	FY 2014/2015 Status & Accomplishments...	FY 2015/2016 Department Goals
Increase direct deposit usage to at least 92%.	Direct deposit usage increased by 2% to 93%.	Increase direct deposit usage to at least 95%.

IN ORDER TO MEET OVERALL LONG TERM FINANCIAL GOALS REGARDING BUDGET POLICIES, THE FINANCE DEPARTMENT HAS SET THESE GOALS AND ACHIEVED THESE ACCOMPLISHMENTS:

FY 2014/2015 Department Goals	FY 2014/2015 Status & Accomplishments...	FY 2015/2016 Department Goals
Continue to secure funding for priorities as outlined by Mayor and Council and in the operating budget.	This is an ongoing goal.	Continue to secure funding for priorities as outlined by Mayor and Council and in the operating budget.
Implement online payments for utilities and taxes.	This goal has been deferred to next fiscal year due to budget constraints.	Implement online payments for utilities and taxes.

IN ORDER TO MEET OVERALL LONG TERM FINANCIAL GOALS REGARDING ACCOUNTING, AUDITING, AND FINANCIAL REPORTING POLICIES, THE FINANCE DEPARTMENT HAS SET THESE GOALS AND ACHIEVED THESE ACCOMPLISHMENTS:		
FY 2014/2015 Department Goals	FY 2014/2015 Status & Accomplishments...	FY 2015/2016 Department Goals
Prepare a CAFR for FY 12/13 and submit it for the GFOA award.	This goal was accomplished and the GFOA award was received.	Prepare a CAFR for FY 13/14 and submit it for the GFOA award.
Prepare the FY 13/14 Budget and submit it for the GFOA award.	This goal was accomplished and the GFOA award was received.	Prepare the FY 14/15 Budget and submit it for the GFOA award.
IN ORDER TO MEET OVERALL LONG TERM FINANCIAL GOALS REGARDING CAPITAL BUDGET POLICIES, THE FINANCE DEPARTMENT HAS SET THESE GOALS AND ACHIEVED THESE ACCOMPLISHMENTS:		
FY 2014/2015 Department Goals	FY 2014/2015 Status & Accomplishments...	FY 2015/2016 Department Goals
Continue to safeguard all assets of the City.	This is an ongoing goal.	Continue to safeguard all assets of the City.
Tag all Fixed Assets with durable adhesive.	This goal has been deferred to next fiscal year due to budget constraints.	Tag all Fixed Assets with durable adhesive.

Capital Outlay Overview

For this budget year this department had no capital outlay.

Budget Summary

This department had an overall decrease in both the general fund and the water/sewer fund due to reductions in supplies and building maintenance. General fund's decrease for this department was \$2,566 or .86% and water/sewer fund's decrease was \$11,164 or 6.61%.

Municipal Court Department

Established 2000

Mission Statement

To provide fair and efficient service within the Municipal Court process for the City of Kingsland in such a manner that will protect the integrity of the judicial process and will develop public trust and confidence in the court system.

Overview

The Municipal Court of Kingsland has one judge and one assistant judge. The judge hears all cases involving City ordinances including traffic and misdemeanor cases, and State charges including misdemeanor traffic and some misdemeanor criminal offenses.

There are three scheduled sessions of court every month. The first Monday of each month is the trial calendar and the first and second Wednesday of each month is arraignment calendars. All defendants are given an arraignment court date. If a defendant enters a not guilty plea at arraignment, the defendant is then assigned a trial date at which time the case is heard by the judge and a ruling (disposition) is rendered. Court begins at 10:00 a.m. for each arraignment session and at 9:00 a.m. for the trial session and is held at the Municipal Court Building located at 533 North Lee Street in Kingsland.

The Municipal Court is responsible for recording and processing citations filed in this court. Through this process, the court routinely updates criminal and/or driving histories on defendants who have come before the court. This process is very important for the law enforcement community also because it is one of the main ways the state(s) keep accurate records on defendants. Disposition reports are done through Georgia Crime Information Center, FBI, and Georgia Department of Driver Services.

The Municipal Court is responsible for issuing suspension notices, failure to appear warrants, summons, continuances, subpoenas for final cases, and the transfer of paperwork to Superior Court upon request of the defendant. The court also records payments for fines/bonds, and balances probation payments with court fines. Probation is contracted out to a private probation service company.

The court is responsible for the monthly submission of fees/costs to thirteen (13)

different state, county, or local funds that are collected in bonds/fines payments. The court maintains report records for each fund.

IN ORDER TO MEET OVERALL LONG TERM ECONOMIC AND CULTURAL GOALS, THE COURT DEPARTMENT HAS SET THESE GOALS AND ACHIEVED THESE ACCOMPLISHMENTS:		
FY 2014/2015 Department Goals	FY 2014/2015 Status & Accomplishments...	FY 2015/2016 Department Goals

Municipal Court

Police Department Established 1942

Mission Statement

The mission of the Kingsland Police Department, empowered by the community, the government and the organizations; is to provide competent and courteous service to all citizens and to all visitors of the community in their homes and places of business ensuring them of an environment in which they can enjoy a high quality of life characterized by both physical safety and personal freedom.

Overview

The Kingsland Police Department is comprised of five primary divisions: The Office of the Chief, Uniform Patrol Division, Investigative Services, Community Outreach Services, and Support Services.

The Office of the Chief consists of the Chief of Police, Assistant Chief of Police, Administrative Assistant, Office of Professional Standards and Training Officer. This division carries out the over-all managerial responsibilities of the department in accordance with policies, procedures and applicable laws. The Police Chief oversees department staff members who are responsible for performing public safety functions including, but not limited to: enforcing laws; investigating crimes against people and property; developing and presenting crime prevention and safety programs; and other related functions and programs. The Police Chief is responsible for the preparation of the department budget, including analyzing needs and resources, and monitoring budget activity. He plans long-range goals, objectives, organizational structure, and overall direction for the department. He develops and implements methods of collaboration with outside agencies and other city departments. The Chief interacts and maintains rapport with other law enforcement departments and non-law enforcement officials within the community, county, state and nation as needed for resolution of criminal cases or other applicable issues for the good of the community.

The Assistant Police Chief is second in command of the Department. Under the direction of the Chief, duties include supervision and evaluation of assigned areas of operations and related personnel. Other duties include participation in the development of annual budgets; overseeing expenditures in assigned areas and ensuring proper use of

assigned equipment and facilities. The Assistant Police Chief may act as Chief of Police when so designated.

The Training Officer is responsible for coordinating the training functions of the department. Incumbent is responsible for assessing the training needs of personnel and coordinating training programs to address identified training needs. Other duties include developing and testing new in-house training formats, investigating and analyzing programs for budgetary information, and maintaining all training records for each officer.

The Administrative Assistant assists the Police Chief and the Assistant Police Chief with clerical duties as needed. Additionally the Administrative Assistant is the assigned evidence custodian of the Department. The incumbent receives, documents, stores, and ensures proper custody and control of physical evidence and property in the custody of the department. Incumbent maintains manual and computerized records inclusive of custody documents, chain of custody documents, property receipts, property control files, and related reports. Incumbent prepares evidence and court exhibits, and testifies in court as required under subpoena. Incumbent is responsible for maintaining property room(s) and arranging the storage, destruction of or return of evidence and/or recovered, stolen, found, or abandoned property to rightful owners as appropriate.

The Office of Professional Standards makes sure all divisions within the Kingsland Police Department, and all members of those divisions, is aware of Department policies and procedures and are in compliance with them at all times. They draft policy, at the direction of the Chief and in compliance with Commission for Georgia Law Enforcement Certification (GACP) and the Commission on Accreditation for Law Enforcement Agencies (CALEA). These policies and procedures are the foundation of a modern, professional law enforcement agency, and are also the foundation to being state and federally accredited or certified.

Inspectors from the office are charged with seeing that all policies and procedures are up to date at all times, and being complied with by all members of the Kingsland Police Department. To that end, they visit all offices on a regular basis, inspecting records and making sure all procedures are being followed appropriately.

The Uniform Patrol Division (UPD) is the most visible part of the Kingsland Police Department (KPD) and deals with the public through a variety of activities. Personnel assigned to the Patrol Division have the responsibility of handling day-to-day calls for service from the citizens of Kingsland. These calls include security patrol, traffic control, investigation and First Aid at accident scenes, detention, investigation and arrest of persons involved in criminal activity or misconduct. This division is presently under the command of an officer with the rank of Major. This division currently consists of two Lieutenants, four Sergeants, and twenty full-time patrol officers.

The Investigative Services Division (ISD) personnel have the responsibility of investigating criminal law violations within the city of Kingsland. This division is tasked with following up on criminal matters brought to the attention of the department through various means and obtaining sufficient information to obtain search and arrests warrants to solve crime and conclude cases. They obtain, process, and document evidence at and away from crime scene(s), follow up with witnesses and relevant others, and prepare cases to present to district attorney for prosecution in a court. Currently KPD has three officers assigned to ISD.

The Community Outreach Division (COD) has the responsibility of making recommendations to superiors to address targeted community problems. They research and implement various outreach programs within the community such as Neighborhood Watch and programs for at-risk youth. Additionally, they maintain a presence within the Camden County School System as School Resource Officers. Currently there are two officers assigned to COD. When needed, they respond to incidents of significant misconduct or criminal activity on school property or functions and investigate reports. They follow cases through by making appropriate charges and attending juvenile court proceedings.

The Support Services Division (SSD) personnel have the responsibility of maintaining incident, accident and traffic reports. Currently there are two certified TAC (Terminal Agency Coordinator) employees who manage all reports generated by Kingsland Police Department. On a daily basis they handle a myriad of clerical duties associated with all divisions within the Department. Each month this division generates a Uniform Crime Report (UCR) and transmits the report to the Federal Bureau of Investigations in the Crime Statistics Division. An officer with the rank of Lieutenant supervises this division and handles the day-to-day general operating activities of the Department such as

purchasing, maintenance of equipment and records, and supervision of the animal control officer (ACO). Additionally, the Lieutenant works closely with the training officer to coordinate matters related to maintaining the department's state accreditation.

The responsibility for the overall activities of Kingsland Police Department ultimately rests with the Chief of Police. Through teamwork within the ranks and divisions of the department and collaboration with the other departments of Kingsland City Government, goals and objectives are ultimately met.

Police Department

Fire Department Established 1943

Mission Statement

We protect the lives and property of the citizens of Kingsland with courage, commitment, and compassion while providing the highest level of public safety services for our community.

Overview

The Fire Department is responsible for fire suppression, fire prevention, and the life and safety of the citizens of Kingsland. This department is dedicated to providing service in the most professional and cost effective manner possible.

Kingsland Fire Rescue has served the City of Kingsland since the early 1940's. The department has 25 career fire fighters, 19 part-time fire fighters and 20 support volunteer firefighters. This department operates out of three modern, well-equipped fire houses, with an ISO class of three. The overall responsibility for the fire department rests with the Fire Chief.

During 2015, the personnel at the fire department achieved a higher level of training qualifications for all of its members. All personnel now are a minimum of National Professional Qualifications Firefighter Level II, whereas previously they were only required to be Level I. In 2016, the fire department will continue to improve the training programs and requirements for its personnel.

IN ORDER TO MEET OVERALL LONG TERM PUBLIC SAFETY GOALS, THE FIRE DEPARTMENT HAS SET THESE GOALS AND ACHIEVED THESE ACCOMPLISHMENTS:

FY 2014/2015 Department Goals	FY 2014/2015 Status & Accomplishments...	FY 2015/2016 Department Goals
Maintain ISO Class 3 rating, with replacing outdated fire apparatus and adding additional manpower.	Replaced outdated engine with a new fire engine.	Maintain ISO Class 3 rating and work towards ISO Class 2.
Meet National Professional Qualifications and NFPA compliance for training.	All members are NPQ FF1 & 2, Fire Officers received there NPQ Officer 1 & 2.	Continue to meet Georgia Standards and Training updated provisions
Continue to recruit and retain volunteers.	Volunteers received their Support firefighter certification.	Continue to recruit and retain current and future volunteers and explorers.

Complete Station 4, phase II renovations with SPLOST funding.	This is an ongoing goal.	Complete Station 4, phase II renovations with functional consolidation.
Continue to improve in training.	All trainings records are up to date with Standards and Training.	Continue providing advance training for all members.
Complete design work on Station 6 at Highway 40 West.	Place on hold.	Continue exploring design for Fire House 6 and land purchase.
Start specification for a 105' mid-mount platform aerial truck fully equipped.	Searching for grants and funding to help complete this goal.	Continue working for specifications for a 105' mid-mount platform aerial truck fully equipped.
Evaluate and implement some of the recommendations from the ICMA consolidation study.	Completed Functional consolidation with the county, closing 2 county fire stations and personnel moving into city fire house (House 4 and House 5).	Continue working with other agencies on functional consolidation. Mainstream supply ordering and purchasing with Camden County Fire Rescue and St. Marys Fire Dept.
Complete Fire House 4 driveway replacement.	Added to the capital outlay for FY 2015/16 budget.	Replacement of front driveway at Fire House 4.
Complete Fire House 3 renovation.	Will review at midyear budget.	Complete Fire House 3 renovation.
Seek replacement cylinders for Self-contained breathing apparatus.	This is an ongoing goal.	Replace Self-Contained Breathing Apparatus cylinders that are reaching their expiration dates.
Fill vacant positions at Fire House 5, new officer promotions.	Filled 1 part time position with a full time firefighter, promoted 1 firefighter to Lieutenant position.	Hire additional 3 firefighters with the growth and increasing call volume.
Replace NFPA 1901 non-compliant fire apparatus.	Replaced outdated engine with a new fire engine.	Replace two 20+ year old fire apparatus, with new NFPA 1901 compliant apparatus.
Complete VHF Communication improvements.	Conducted a communication feasibility study with Camden County.	Determine what communication system we will go to replace the current aging system.
Implement Computer-aided-dispatching with 911.	Implemented New World CAD.	Continue building on New World CAD system with the purchase of mobile devices (laptops) for the fire apparatus.

Capital Outlay Overview

For this budget year this department has one capital outlay for a driveway replacement at fire house 4 for \$50,000.

Budget Summary

This department has an overall increase of \$56,447 or 2.91% due to new capital outlay programs and continuation of functional consolidation goals. Budget includes converting equivalent part-time hours to one full-time position and promoting a fire fighter to lieutenant.

Fire Department

“When the people fear the government, there is tyranny. When the government fears the people, there is liberty.” ~Thomas Jefferson

Public Works Department

Established 1910

Overview

The Public Works Department accounts for the maintenance of City streets, buildings, and grounds. This department is subdivided into three categories: Buildings and Grounds, Streets, and Inventory.

The buildings and grounds crew are responsible for the landscaping and upkeep of all City buildings. This crew maintains all City grounds including right-of-ways and grounds surrounding City buildings. Also, all minor building repairs and maintenance, internal and external, are processed, repaired, and maintained through this crew.

The street crew is responsible for maintaining the upkeep of all City streets, including drainage improvements. All safety regulations and laws regarding streets are implemented through this crew. Also, all street signs, warning signs, road markings, etcetera, are maintained by the street crew. All sidewalks are inspected and repaired regularly by this crew to ensure safety for the citizens and visitors of Kingsland.

Inventory items needed for the repair of streets and water and sewer lines are maintained through the Public Works Inventory Clerk. Such items as pipes and meters are requisitioned by appropriate department heads and distributed through the Inventory Clerk. Inventory items; such as, office supplies are maintained through the Administrative Assistant of this department. Bulk quantities of office supplies are stored and distributed City wide per material requisitions through the Administrative Assistant.

Also, by direction of the Mayor and approval of Council, all major projects undertaken by the City are generally directed through this department. All materials required for major projects are requisitioned through this department. The Public Works Superintendent supervises the day-to-day activities of the Public Works Department.

IN ORDER TO MEET OVERALL LONG TERM ECONOMIC AND CULTURAL GOALS, THE PUBLIC WORKS DEPARTMENT HAS SET THESE GOALS AND ACHIEVED THESE ACCOMPLISHMENTS:

FY 2014/2015 Department Goals	FY 2014/2015 Status & Accomplishments...	FY 2015/2016 Department Goals
Continue to assist code enforcement with the upkeep of foreclosed properties.	This goal is an ongoing goal.	Continue to assist code enforcement with the upkeep of foreclosed properties.
Purchase additional grass cutting equipment with remaining GDOT contract funds.	Purchased three zero-turn mowers and a batwing mower. Replaced wrecked tractor.	Purchase an additional zero-turn mower.

IN ORDER TO MEET OVERALL LONG TERM FINANCIAL GOALS REGARDING CAPITAL BUDGET POLICIES, THE PUBLIC WORKS DEPARTMENT HAS SET THESE GOALS AND ACHIEVED THESE ACCOMPLISHMENTS:

FY 2014/2015 Department Goals	FY 2014/2015 Status & Accomplishments...	FY 2015/2016 Department Goals
Overlay 6 roads utilizing Local Maintenance Improvement funds.	Overlaid Charles Gilman Road. Completed RFPs for 3 roads.	Complete road overlay projects under LMIG grant.
Purchase construction equipment in line with strategic plan.	Purchased prop axle trailer.	No additional equipment purchased planned for this fiscal year.
Purchase 4-wheeler, mower, and bush-hog with GDOT funds.	This goal has been completed.	Purchase a 4-wheeler with GDOT funds.
Restripe major roads to improve visibility.	This goal is an ongoing goal.	Restripe major roads to improve visibility.

IN ORDER TO MEET OVERALL LONG TERM PUBLIC SAFETY GOALS, THE PUBLIC WORKS DEPARTMENT HAS SET THESE GOALS AND ACHIEVED THESE ACCOMPLISHMENTS:

FY 2014/2015 Department Goals	FY 2014/2015 Status & Accomplishments...	FY 2015/2016 Department Goals
Complete repairs on I-95 Exit 3 ramps' street lights.	This goal is an ongoing goal.	Complete repairs on I-95 Exit 3 ramps' street lights.
Use SPLOST funds to complete some of the street repairs.	This goal is an ongoing goal.	Use SPLOST funds to complete some of the street repairs.
Stripe roads with GDOT based on systems striping project.	This goal has been completed.	Stripe roads with GDOT based on systems striping project.
Continue to improve on vehicle inspections to prolong life of equipment.	This goal is completed and ongoing.	Continue to improve on vehicle inspections to prolong life of equipment.
Start replacing old street signs utilizing SPLOST funds.	This goal is an ongoing goal.	Start replacing old street signs utilizing SPLOST funds.

Capital Outlay Overview

For this budget year this department's one capital outlay budget is for one zero-turn mower for \$10,000.

Budget Summary

Overall decrease of \$24,329 or 1.45% from last year's budget. Decreases are in personnel benefits offset by an increase in capital outlay.

Public Works

Community Planning and Development Department

Established 1985

Mission Statement

It is the mission of the Community Planning and Development Department to

- *Envision the future by examining trends, evaluating alternatives, and bringing consensus among the policy makers as to the path the city should pursue;*
- *Give credence to that vision by implementing and enforcing regulations that will encourage appropriate growth and development toward that vision;*
- *Find opportunities for coordination of private and public efforts to maximize the efficiency and economy of government while striving for higher levels of service to the citizens of Kingsland;*
- *Gain compliance with applicable Federal, state and local regulations in an equitable and efficient manner by encouragement when possible and force of law when necessary;*
- *Work with developers to achieve projects that maximize benefits both to the developer and the city; and*
- *Monitor development and provide feedback to other departments to prepare for the impact of these developments.*

Overview

The Planning and Development Department consists of several key divisions of the City of Kingsland. These are: Community Planning and Development, business licenses, Geographic Information Systems (GIS), and Building and Construction. This department operates nearly seamless due to cross training of the responsibilities in the department.

The Community Planning & Development Director has an abundance of responsibilities including, but not limited to, the development of the City in terms of new buildings, residential or commercial with inspections performed by the City of Kingsland Building Inspector. Approving the business licenses issued for retail, home and alcohol licenses

are also included in these responsibilities. With the assistance of the Building Inspector, code violations are monitored for conformity to the ordinances set forth by the City of Kingsland.

The Business License Supervisor issues all business licenses for businesses operated in the City of Kingsland after authorization has been granted by the Community Planning & Development Director. The Community Planning & Development Director is responsible for signing off on all businesses applied for provided they are within the zoning regulations set forth in a specific zoning classification. Assuring that the businesses are not violating any other rules pursuant of the business license is the responsibility of the Community Planning & Development Director. The building official, building inspector, and code enforcement officer also help facilitate this effort through noting code violations.

The Community Planning & Development Director with assistance from the Community Planning & Development Supervisor also prepares agendas and items to be presented to the Planning Commission. Keeping a good working relationship with the Commission is also a necessity. Other working relationships formed include those with the local developers, survey companies, business owners, and the Kingsland constituents.

The building inspections division should exceed the 2015 building permit numbers. A moderate upturn started in 2014. The division has implemented numerous inspections to insure compliance with codes.

Code enforcement is performed by the building inspectors. It is expected that 4 condemnations will be completed with structures removed. Over 300 site inspections for soil erosion and sedimentation compliance need to be conducted. Efforts continue to remove junk vehicles and encourage yard maintenance.

The GIS Department is creating datasets which are helping many departments. New datasets created or expanded in FY 13-14 included drainage, fire department mutual aid agreement with St Marys and County 5 road miles from stations in the south end of the county, mapping of the Lawnwood Cemetery including implementation of cemetery management software, economic and downtown development, and lift stations located in flood zones. Regular updating of the 911 maps, roads, and hydrant datasets and flood zone determination will continue. The addressing system is being updated for the

new Countywide 911 system. The City will soon receive new preliminary flood maps and will proceed toward implementation of these.

To this end, the planning requirements emphasize involvement of stakeholders and the general public in preparation of plans that include an exciting, well-conceived, and achievable vision for the future of the community. The resulting plan will help the community address critical issues and opportunities while moving toward realization of its unique vision for the community's future.

The planning requirements also provide technical guidance to communities in advancing the state's planning goals of:

- A growing and balanced economy;
- Protection of environmental, natural and cultural resources;
- Provision of infrastructure and services to support efficient growth and development patterns;
- Access to adequate and affordable housing for all residents;
- Coordination of land use planning and transportation planning to support sustainable economic development, protection of natural and cultural resources and provision of adequate and affordable housing; and
- Coordination of local planning efforts with other local service providers and authorities, neighboring communities and state and regional plans.

IN ORDER TO MEET OVERALL LONG TERM ECONOMIC AND CULTURAL GOALS, THE PLANNING AND DEVELOPMENT DEPARTMENT HAS SET THESE GOALS AND ACHIEVED THESE ACCOMPLISHMENTS:		
FY 2014/2015 Department Goals	FY 2014/2015 Status & Accomplishments...	FY 2015/2016 Department Goals
Obtain American Institute of Certified Planners (AICP) certification.	This goal has been postponed.	
Review landscaping and tree section.	No changes proposed.	Revision of downtown zoning regulations.
Convert paper records to electronic format.	This goal has been deferred to next fiscal year.	Convert paper records to electronic format.
Continue planned growth initiatives.	Coordinated proposed retail development with planned infrastructure improvements.	Continue planned growth initiatives.
Complete construction of Harris Peeples Trail by FY 2015.	No action due to lack of funding.	

Continue to coordinate with developers to achieve synergies.	Within confidentiality limits, shared plans across developers.	Continue to coordinate with developers to achieve synergies.
IN ORDER TO MEET OVERALL LONG TERM PUBLIC SAFETY GOALS, THE PLANNING AND DEVELOPMENT DEPARTMENT HAS SET THESE GOALS AND ACHIEVED THESE ACCOMPLISHMENTS:

Community Planning & Development

“Government's first duty is to protect the people, not run their lives.” ~Ronald Reagan

Economic Development Department

Established 2007

Mission Statement

Foster positive community economic growth through innovation, collaboration, support, and proactive implementation, while sustaining and enhancing community character and marketability.

Overview

The Economic Development Department, created in fiscal year 2007, consisted of both Economic Development and Downtown Development Divisions. In the beginning of this budget year the County and Cities of Kingsland and Saint Marys unified its economic development agencies under the County Joint Development Authority (JDA). This transition will provide a centralized funding source for resources that will give our community the ability to attract quality jobs and increase the tax base. The new source for funding will come from a one mill County ad valorem tax that will generate approximately \$1.2M for the JDA's budget. Downtown Development expenditures are still funded in this department while the expenditures for economic development have been substantially reduced.

The JDA Director is responsible for the development and coordination of all economic growth and diversification projects for the entire community. The JDA's project manager assists in the coordination of all redevelopment projects on behalf of the City.

Economic Development operates to achieve the following objectives:

1. Facilitate a balanced and diverse economic base for Kingsland.
2. Encourage redevelopment efforts which improve or enhance the economic base of Kingsland.
3. Support community-based workforce development strategies.
4. Foster an environment supportive of businesses and entrepreneurial opportunities through attraction, creative inspiration, and innovation, retention, and expansion activities.
5. Support downtown development efforts in partnership with Kingsland Downtown Development Authority.

The Kingsland Development Authority (KDA) was created in 1962 as a constitutional authority to encourage and promote the expansion of industry, agriculture, trade, commerce, and recreation and to provide long-range plans for promotion and expansion efforts within the City of Kingsland and Camden County. Projects include the former Kingsland Municipal Golf Course, the renovation of the Camden Hotel as Kingsland City Hall, as well as, the new Kingsland Welcome Center. The City appoints the members of the Authority as vacancies arise. The JDA's project manager serves as the secretary for the KDA Board.

The Downtown Development Authority (DDA) is responsible for the creation and implementation of a revitalization plan that results in a thriving local economy and a unique sense of place. This will be accomplished through the professional leadership of the downtown development manager, the seven-member Downtown Development Authority, and community volunteers who will be recruited and organized into four committees as recommended by the National Main Street Center: Organization;

Promotion; Economic Re-structuring; and Design. The mission of the DDA is to promote the revitalization of Downtown Kingsland as a thriving economic environment with a distinctive sense of place for tourists, residents, and entrepreneurs.

The responsibilities for Downtown Development rest with the Downtown Development Manager.

IN ORDER TO MEET OVERALL LONG TERM ECONOMIC AND CULTURAL GOALS, THE DOWNTOWN DEVELOPMENT DIVISION OF THE ECONOMIC DEVELOPMENT DEPARTMENT HAS SET THESE GOALS AND ACHIEVED THESE ACCOMPLISHMENTS:

FY 2014/2015 Department Goals	FY 2014/2015 Status & Accomplishments...	FY 2015/2016 Department Goals
Continue to meet Georgia program standards for Main Street Designation.	Received Main Street Recertification for 2015.	Continue to meet Georgia program standards for Main Street Designation
Continue to foster good relationships and build trust with merchants.	Ongoing	Continue to foster good relationships and build trust with merchants.
Move Model Railroad Exhibit to Exit 3 Welcome Center where it will be seen by more tourists.	Exhibit moved and resized to fit in to the Welcome Center. It is now in a location where the public, local and visitors, can view and enjoy it.	Project Complete
Promote awareness of Georgia Art Tour events and exhibits. Work with gloATL and Living Walls (community dance performances and new mural to coincide with art tour.	Hosted the art tour and organized 11 local events to compliment the tour while it was in Kingsland.	Project Complete
Plan, host, and celebrate the 10 th annual car show and designate funds to a local charity.	Organized and hosted the annual car show. The show is growing in number and quality of participants. After expenses were paid, the proceeds were donated to Habitat for Humanity.	Plan and host the annual car show and designate funds to a local charity.
Continue to update website as needed.	Completely revamped the website, updating information and simplifying content. We continue to use the site to host static information, but post real-time information on Facebook pages.	Rebuild website to refresh the look, update, and simplify content to keep it user friendly.

Continue to seek council from staff, board members, and elected officials on projects and programs to ensure open communication and collaboration.	I continually ask for feedback and input. I don't always get it, but I do ask. If no feedback is given, I just carry-on smartly.	Continue to seek council from staff, board members, and elected officials on projects and programs to ensure open communication and collaboration.
Continue to seek grant funding that is relevant to current projects.	Received a \$3,000 grant from Georgia Council of the Arts for expensed related to the Georgia State Art Collection Tour.	Continue to seek grant funding that is relevant to current projects. We will be receiving a \$2,500 grant from the Georgia Humanities Council to help pay for expenses related to hosting Home Town Teams in the Fall of 2016.
Coordinated the process of designing, bidding and installing new Downtown Lamp Post Banners.	Designed the banners, put the design out for bid and placed the order when the winning bid was selected. Public Works will install banners.	Coordinated the process of designing, bidding and installing new Downtown Lamp Post Banners on a bi-annual basis. Next project date is Summer 2017.
		Organize a dedication ceremony to dedicate Kingsland Veterans Memorial Park to Councilman Don Mounsey.
		Work with downtown churches to organize and host the annual Kingsland Family Fall Festival.
		Work with the Kingsland Community Betterment Program to plan and organize the Kingsland Catfish Festival. • Serve as day-time POC for all festival inquiries. • Manage Facebook content for Facebook.com/KingslandCatfishFestival • Update website: www.KingslandCatfishFestival.com
		Work with the Kingsland Community Betterment Program to plan and organize Kingsland's Christmas event.
		Serve as grant administrator for the 2010/2011 GDOT TE Grant. Let Date: July 2017

		Provide print and social media marketing services for all Kingsland DDA events and activities. Manage Facebook content for: Facebook.com/KingslandRoyalDistrict Facebook.com/KingslandVeteransMemorialPark Facebook.com/RoyalDistrictMarket
		Plan and organize annual Small Business Saturday event to promote downtown businesses and encourage patrons to shop and support Kingsland's small businesses.
		Host Home Town Teams traveling Smithsonian exhibit at the Camden County Library October 1 – November 12, 2016. Plan and organize local events to compliment exhibit.

Capital Outlay Overview

For this budget year this department did not have any capital outlay.

Budget Summary

Overall decrease of \$17,080 or 20.22% from last year's budget. Downtown Development expenditures had decreases in capital outlay and grant transfers out.

(The remainder of this page intentionally left blank.)

Fleet Services Department

Established 1996

Mission Statement

The mission of the Fleet Services Department is to provide low cost, efficient maintenance to prolong the useful life of the fleet, provide vehicles that are safe and reliable and maximize the residual value of the City's fleet.

Overview

The Fleet Services Department is responsible for the maintenance and general repair of all City owned vehicles. In 1996 this department was established in an effort to implement a preventive maintenance program to ensure the safety of City vehicles and to reduce costly repairs. This department is responsible for purchasing all parts and equipment needed to maintain and repair City vehicles and charge out the related cost to user departments. Fleet Services operates to achieve the following five objectives:

1. To decrease the burden on taxpayers by properly maintaining vehicles and equipment in-house in order to reduce expenses and increase the life of the vehicles.
2. To ensure the safety of City employees and officials using the vehicles by properly enforcing preventive maintenance and repairs as needed in order to reduce the risk of accidents created by faulty equipment.
3. To maintain tight controls on parts and supplies in order to keep inventory levels at the desired levels and to avoid theft.
4. To maintain efficient records for use by the City Finance Department and Auditors.
5. To maintain a high level of training for employees of this department.

Overall responsibility for the Fleet Services Department rests with the Fleet Services Manager.

IN ORDER TO MEET OVERALL LONG TERM PUBLIC SAFETY GOALS, THE FLEET DEPARTMENT HAS SET THESE GOALS AND ACHIEVED THESE ACCOMPLISHMENTS:

FY 2014/2015 Department Goals	FY 2014/2015 Status & Accomplishments...	FY 2015/2016 Department Goals
Implement bar-coding on inventory and vehicles.	This is an ongoing goal.	Implement bar-coding on inventory and vehicles.

Continue to keep training up-to-date for all staff members. Also, implement a cross-training process to keep department running.	This is an ongoing goal.	Continue to keep training up-to-date for all staff members. Also, implement a cross-training process to keep department running.
Continue to provide preventive maintenance and repairs efficiently to ensure safety to all drivers.	This is an ongoing goal.	Continue to provide preventive maintenance and repairs efficiently to ensure safety to all drivers.
IN ORDER TO MEET OVERALL LONG TERM FINANCIAL GOALS REGARDING CAPITAL BUDGETING POLICIES, THE FLEET DEPARTMENT HAS SET THESE GOALS AND ACHIEVED THESE ACCOMPLISHMENTS:		
FY 2014/2015 Department Goals	FY 2014/2015 Status & Accomplishments...	FY 2015/2016 Department Goals
Complete renovations of Fleet Services Building to be in compliance with building code.	This goal has been completed.	
IN ORDER TO MEET OVERALL LONG TERM FINANCIAL GOALS REGARDING OPERATING BUDGETING POLICIES, THE FLEET DEPARTMENT HAS SET THESE GOALS AND ACHIEVED THESE ACCOMPLISHMENTS:		
FY 2014/2015 Department Goals	FY 2014/2015 Status & Accomplishments...	FY 2015/2016 Department Goals
Continue to research and negotiate prices to save taxpayer money.	This is an ongoing goal.	Continue to negotiate prices to save taxpayer money.
Continue using comp time instead of overtime pay to reduce payroll costs.	This is an ongoing goal.	Continue using comp time instead of overtime pay to reduce payroll costs.
Implement cost-savings measures to save taxpayers money.	Through an inter-local agreement the city and county were able to share the same fleet director, administrative support staff, and equipment. In addition to salary savings, both entities were able to benefit from economies of scale in purchasing.	Continue to implement cost-savings measures to save taxpayers money.

Capital Outlay Overview

For this budget year this department did not have any capital outlay.

Budget Summary

This department had an overall decrease in both the general fund and the water/sewer fund due to a decrease in capital outlay offset by increases in supplies and small equipment. This department also provides management and administrative support to the County under a contract agreement. General fund's decrease for this department was \$35,232 or 10.98% and water/sewer fund's decrease was \$12,648 or 11.93%.

Fleet Services

Note: All positions are budgeted 75% in the General Fund/Fleet Department and 25% in the Water Fund/Fleet Department. The Fleet Services Director also provides Managerial Services for the Camden County Government Fleet Services on a contractual basis.

“The object of government in peace and in war is not the glory of rulers or of races, but the happiness of the common man.” ~William Beveridge

Convention & Visitors Bureau Fund

Mission Statement

The Kingsland Convention & Visitors Bureau (CVB) is a non-profit state authority created by local act of the General Assembly of the State of Georgia in 1991 and registered with the Georgia Department of Community Affairs. The KCVB Authority, governed by an appointed Board of Directors, operates as a component unit of the City Of Kingsland and serves as the City's official designation marketing organization (DMO). Funded through a portion of the hotel/motel tax, the Kingsland CVB's mission is to solicit and coordinate the promotion of tourism for the Kingsland Georgia area. The purpose of the department is to increase and sustain hotel room nights and visitor expenditures in the City of Kingsland. In addition, the department oversees the operation and staffing of the Kingsland Welcome Center; thereby strengthening the community's economic climate, enhancing the quality of life for area residents, encouraging the expansion of existing businesses and continued entrepreneurial growth.

Overview

As the City's sales and marketing arm, it is the CVB Department's responsibility to create and sustain a positive image for the Kingsland area as a destination in the domestic travel markets. The main goals of the department include:

- ❖ Attract more visitors
- ❖ Encourage visitors to stay longer and/or return more frequently
- ❖ Encourage increased visitor expenditures

The CVB Department's annual marketing plan focuses on the area's competitive strengths through promotion of the community's:

- ❖ Natural Scenic Beauty
- ❖ Sightseeing / Outdoor Recreation
- ❖ Inviting Hospitality
- ❖ Year-round Climate
- ❖ Relaxation
- ❖ Good for couples and/or families
- ❖ Affordable travel
- ❖ Safe, worry free

The CVB Department focuses on the strengths and competitive advantages of Kingsland and the Camden County community in order to promote a positive community brand. The Department develops the community brand recognition through the use of effective advertising, marketing communications and tourism promotion.

IN ORDER TO MEET OVERALL LONG TERM ECONOMIC AND CULTURAL GOALS, THE CONVENTION AND VISITORS BUREAU HAS SET THESE GOALS AND ACHIEVED THESE ACCOMPLISHMENTS:		
FY 2014/2015 Department Goals	FY 2014/2015 Status & Accomplishments...	FY 2015/2016 Department Goals
Continue to develop and strengthen partner relationships focusing on the Hospitality Industry in Kingsland.	This is a continual and ongoing process each year. One hotel changed flags and another reopened under new ownership/management.	We will continue to develop and strengthen partner relationships focusing on the Hospitality Industry in Kingsland.
We are looking into generating revenues through sales of ad space on the visitkingsland.com website and ad space in our brochure.	The new website and brochure projects were moved to Fiscal year 15/16 because of the staffing challenges we faced in FY 2014/2015	A new website will be developed and the development of revenues through ad space will be addressed, along with a new brochure.
As new social media areas arise, we will calculate the cost involved and the ROI to determine which projects we will use.	Our Facebook presence continues to grow. A VisitKingsland Youtube channel, Instagram and Pinterest were created. Our Flickr account was reorganized for better visibility.	Expand our social media areas and develop the various channels (Facebook, Youtube, Instagram, Pinterest and Flickr) that were created in FY 2014/2015.
Items for sale will be increased to increase the profits. The use of the State Visitor Information Display box to encourage sales at our visitor's center will be used. Current visitation to the State Visitor Information Center is over 1200 cars a day.	Welcome Center Sales were slightly below last year's, but the commissions from Local Art Sales increased.	Add new 'Georgia' items to meet the needs of our customers in FY 2015-2016.
		Create an area map in a joint venture between the St Marys Welcome Center and the Camden County Chamber of Commerce.
		Develop bike trail information.

Capital Outlay Overview

For this budget year this department had no capital outlay.

Budget Summary

Revenues are based at 44% of estimated Hotel/motel tax revenues and cash carried forward. Revenues decreased by \$22,052 or 5.66% from last year's budget which is attributed to a decrease in contracted services with the Chamber of Commerce.

SPECIAL REVENUE FUNDS

Overview

Special Revenue Funds are used to account for the proceeds of specific revenue sources that are restricted legally to expenditure for specified purposes. The City of Kingsland utilizes the following Special Revenue Funds. All are budgeted on the cash basis.

Revolving Loan Fund – The Revolving Loan Fund is used to account for repayments for a previous grant given to businesses.

Confiscated Assets Fund - The Confiscated Assets Fund is used to account for all proceeds received either as a result of a cash confiscation or from a sale of capital assets acquired from a drug raid. The proceeds are used to finance additional police equipment and personnel.

EPA Grant Fund – This fund accounts for a grant through the Environmental Protection Agency to assist funding on a project to provide expanded wastewater collection service to the northern area of the city.

DOT Grant Fund – The DOT Grant Fund is used to account for any Department of Transportation paving grants. It is unknown at this time if any funds will be available for the coming year.

Multiple Grant Fund – This grant fund will be used for all other grants that do not exceed 2% of the general funds expenditures.

Georgia Gateway CID – This special revenue fund is a component unit whose purpose is to account for the activities of the community improvement district. Current budgeted funds represent an anticipated GEFA loan.

Hotel/Motel Tax Fund - The Hotel/Motel Tax Fund is used to account for the hotel/motel taxes collected as required by law. The City imposes a 6% hotel/motel tax on travelers staying in the City. Approximately 44% of total revenue is to be spent on promoting tourism, 16% for bond payments for the Welcome Center, and 40% for general fund use.

Downtown Development Authority (DDA) Fund – This fund is used to account for revenues created by the authority and related expenditures for the city's blended component unit.

Kingsland Development Authority (KDA) Fund – This fund is used to account for the blended component unit activity related to financing the construction of the city's public buildings.

OTHER FUNDS

Overview

SPLOST Funds – These are Capital Project Funds that are used to account for Special Purpose Local Option Sales Taxes received and expenditures related to real property acquisition and/or construction. SPLOST VI AND VII are depicted in their own individually funds for tracking and oversight purposes.

Debt Service Fund – The Debt Service Fund is used to account for the accumulation of resources for, and retirement of all governmental debt other than bonds.

Revenue Bond Fund – The Revenue Bond Fund is a debt service fund which is used to account for the accumulation of resources for, and retirement of, revenue bonds.

Hotel/Motel Tax Fund

Major Revenue Sources

Hotel/Motel Taxes

The City imposes a 6% hotel/motel tax on travelers staying in the City. This is becoming one of the City's major revenue sources. Approximately 44% of the total is to be spent on promoting tourism, 16% for bond payments for the Welcome Center, and 40% is for general fund use. We currently have 24 hotels with most of them being major chains and being the last exit on I-95 before going into Florida, we maintain a favorable income.

Water and Sewer Fund

Established 1939

Mission Statement

The mission of the Municipal Utilities Department (MUD) is to enhance the City's quality of life, through sound management, innovation, teamwork, and vision. The department strives to provide dependable, high-quality, responsive public works, and utility services consistent with community values. In addition, the department strives to provide a reliable supply of high-quality water at a reasonable price to our customers and to be responsible stewards of the public's water infrastructure, fiscal, and natural resources. The department is dedicated to delivering engineering and operational services that provide the community with pride in their city and its workforce.

Overview

The Water and Sewer Fund finances and accounts for the cost of providing both water and sewer services to the residents and businesses of the City. This fund is divided into four departments: Administration, Information Technology, Finance, and Operations.

The Administration Department is responsible for general administration functions and other duties, such as; reading meters, billing utility accounts, and generating work orders. Also, for indirect cost allocation purposes 20% of the City Manager, Deputy City Manager, Engineer, and Human Resource Director's salaries are included in this department's salary line item. The Finance Director oversees this department.

The Information Technology Department, discussed previously in the general fund, accounts for all City electronic equipment and data. This department is budgeted 90% in the general fund and 10% in the water/sewer fund for allocation of indirect costs purposes.

The Finance Department, discussed previously in the general fund, accounts for all financing related activities including debt services. This department is budgeted 65% in the general fund and 35% in the water/sewer fund for allocation of indirect costs purposes.

The Fleet Department, discussed previously in the general fund, accounts for all maintenance and general repair of all City owned vehicles. This department is

budgeted 75% in the general fund and 25% in the water/sewer fund for allocation of indirect costs purposes.

The Operations Department is responsible for repairs, maintenance, and operations. The Repair crew deals with the general repairs of all existing systems under the City, such as fire hydrant and water meter repairs. The Maintenance crew generally keeps up all existing systems, such as water plants and lift stations. The Operations crew tests, analyzes, and maintains the water and sewer.

The Water Treatment Supervisor and Water Construction Foreman direct the day to day operations. The overall responsibility for the water and sewer department rests with the Municipal Utility Director. This budget is prepared on the cash basis.

IN ORDER TO MEET OVERALL LONG TERM ECONOMIC AND CULTURAL GOALS, THE ADMINISTRATION AND FINANCE DEPARTMENT HAS SET THESE GOALS AND ACHIEVED THESE ACCOMPLISHMENTS:		
FY 2014/2015 Department Goals	FY 2014/2015 Status & Accomplishments...	FY 2015/2016 Department Goals
Continue to provide cross-training on additional functions of Water Administration.	This is an ongoing goal.	Continue to provide cross-training on additional functions of Water Administration.
Complete comprehensive policy & procedure document for all utility policies and guidelines	Water/Sewer ordinance was updated.	Continue to monitor & improve policy & procedure document for all utility policies and guidelines
Upgrade hand held devices for meter reading.	This goal has been deferred to next fiscal year.	Upgrade hand held devices for meter reading.
Provide utility on-line payment services.	This goal has been completed.	Provide utility account notification services.
Provide notification service for customer utility bills.	This goal has been started with our current software and will be fully implemented in the 1 st quarter of FY 15/16.	Provide e-mail service for customer utility bills.
IN ORDER TO MEET OVERALL LONG TERM FINANCIAL GOALS REGARDING CAPITAL BUDGETING POLICIES, THE OPERATIONS DEPARTMENT HAS SET THESE GOALS AND ACHIEVED THESE ACCOMPLISHMENTS		
FY 2014/2015 Department Goals	FY 2014/2015 Status & Accomplishments...	FY 2015/2016 Department Goals
Continue completion of Sewer Expansion from Kingsland Elementary to Waste Water Treatment Plant when needed by EPA.	Replaced William Street water and sewer. Awarded contract for North Force Main and Sheffield Force Main.	Set up preventive maintenance procedures on manholes and valves.

Refurbish two lift stations depending on SPLOST funds cash flow.	This goal has been deferred to next fiscal year due to SPLOST cash flow.	Prioritize replacing lift stations.
Complete installation for sewer trunk from Colerain Road to WWTP when needed by EPA.	This goal has been deferred to next fiscal year.	Complete installation for sewer trunk from Colerain Road to WWTP when needed by EPA.
Continue extension of current water supply system throughout the City as needed.	This is an ongoing goal.	Continue extension of current water supply system throughout the City as needed.

Capital Outlay Overview

For this budget year these departments in the Water/sewer fund had the following capital outlay:

↳ Administration

- o (1) Meter gun, \$4,000

↳ Operations

- o (1) 4x4 Pick-up truck, \$35,000
- o (1) ½ Ton pick-up truck, \$25,000
- o (1) North Lift Station & Force Main funded by SPLOST funds, \$1,378,000
- o (1) Sheffield sewer project funded by SPLOST funds, \$535,000
- o Various manhole replacements funded by SPLOST, \$25,000

Revenue Summary

There is a 15.0% or \$1,425,756 decrease in revenues due to decreases from transfer in from SPLOST to fund approved SPLOST water and sewer projects. Decrease is offset by increases in tap fees and capital recovery fees. Contingency is at \$883,836. This budget does not reflect a rate increase in user fees at this time.

Expense Summary

There is an overall 19.56% or \$1,619,180 decrease in the water and sewer fund.

Administration department includes a .68% or \$3,532 increase mainly in purchased contracted services and supplies.

Information Technology department reflects a decrease of 18.44% or \$43,037 in the General Fund and a decrease of 12.34% or \$2,872 in the Water/sewer Fund. Decreases are in salaries and court technology expenses. This fund is allocated to General Fund (90%) and Water/Sewer Fund (10%).

Finance department reflects a decrease in both the general fund and the water/sewer fund due to reductions in supplies and building maintenance. General fund's decrease for this department was \$2,566 or .86% and water/sewer fund's decrease was \$11,164 or 6.61%.

Fleet Services reflects an overall decrease in both the general fund and the water/sewer fund due to a decrease in capital outlay offset by increases in supplies and small equipment. This department also provides management and administrative support to the County under a contract agreement. General fund's decrease for this department was \$35,232 or 10.98% and water/sewer fund's decrease was \$12,648 or 11.93%.

Operations department reflects a decrease of 21.39% or \$1,596,028. Decreases are attributed supplies, capital outlays, and transfers out for SPLOST funded projects offset by a increase in repairs. Of the \$7.5M budget, \$1.6M is reserved for Debt Service.

Water & Sewer Fund**Revenue Summary****Expense Summary**

Water & Sewer Fund

Major Revenue Sources

Water and Sewer Revenues

Water and Sewer charges comprise 61.03% of the total revenues. The City billed a total of 7,190 users for these services in September 2014. The City has experienced tremendous growth over the past years but economic conditions have slowed the growth. There is evidence that the local housing market may be increasing. The City issued 62 building permits in the past year, which required new tap fees.

Water & Sewer Fund

Major Revenue Sources

Tap Fees

This revenue source is included as operating income due to the determination of the City in prior years that the cost of providing the taps are equal to the fees charged. These fees are difficult to determine; however, the City has used a conservative approach. As the housing market has declined, so have tap fees. Although there are signs of improvement, a cautious amount was used for this years

Capital Recovery Fees

This revenue source was implemented in FY 2005 in order for the future growth of the City to pay its share of present and future needs for water and sewer capacity. These revenues are reserved to ensure there will be sufficient capacity available to service the needs of the citizens associated with the growth of the City. As with the tap fees, a cautious amount was budgeted for

Interest Income

The majority of interest is earned on the funds sinking funds. All investments are in the form of Certificates of Deposit and all checking accounts are interest bearing with fluctuating interest rates. The amount budgeted for the coming year was estimated at approximately the same amount as the prior year amount.

Water Administration

NOTE: The Finance Director and Accounting Tech are budgeted 65% in the General Fund/Finance Department and 35% in the Water Fund/Finance Department.

Municipal Utilities Department

Solid Waste Fund Established 1969

Overview

The Solid Waste Fund finances and accounts for the cost of providing residential and commercial refuse service. This fund consists of one department, operations.

All solid waste containers are inventoried, distributed, and tracked through this department. The meter reading crew delivers trash containers to new customers. They pick up containers as customer accounts are closed due to relocation or for non-payment. The sanitation crew repairs or replaces containers as needed per work orders generated. Also, yard waste collection service is provided on an “as needed” basis per customer requests. However, the main duty of this department is weekly door to door refuse collection service for residential and commercial customers. This fund is budgeted on the cash basis.

The overall responsibility for this department rests with the Public Works Superintendent.

IN ORDER TO MEET OVERALL LONG TERM ECONOMIC AND CULTURAL GOALS, THE OPERATIONS DEPARTMENT HAS SET THESE GOALS AND ACHIEVED THESE ACCOMPLISHMENTS		
FY 2014/2015 Department Goals	FY 2014/2015 Status & Accomplishments...	FY 2015/2016 Department Goals
Increase Solid Waste ordinance enforcement.	This is an ongoing goal.	Continue to monitor illegal dump sites and enforce solid waste ordinance.
Continue to hand out Rules and Regulations pamphlet to all residents to keep them informed.	This is an ongoing goal.	Continue to hand out Rules and Regulations pamphlet to all residents to keep them informed.
Purchase recycling bins to establish a 2 nd drop off location at East Kingsland for recycling materials.	This goal has been completed.	Enhance recycling program.
Continue to take efforts to retain quality employees and reduce turn-over rate.	This is an ongoing goal.	Continue to take efforts to retain quality employees and reduce turn-over rate.
Continue to monitor illegal dumping and enforce laws against illegal dumping. Purchase a camera for illegal dump sites.	This is an ongoing goal.	Continue to monitor illegal dumping and enforce laws against illegal dumping. Purchase a camera for illegal dump sites.

IN ORDER TO MEET OVERALL LONG TERM FINANCIAL GOALS REGARDING OPERATING BUDGET POLICIES, THE OPERATIONS DEPARTMENT HAS SET THESE GOALS AND ACHIEVED THESE ACCOMPLISHMENTS

FY 2014/2015 Department Goals	FY 2014/2015 Status & Accomplishments...	FY 2015/2016 Department Goals
Continue to check and verify customer accounts to prevent theft of services. Review Solid Waste ordinance.	This is an ongoing goal.	Continue to check and verify customer accounts to prevent theft of services. Review Solid Waste ordinance.
Review rates with Finance Department.	This is an ongoing goal. Current revenues sustain expenses, no rate increase was needed.	Review rates with Finance Department.

IN ORDER TO MEET OVERALL LONG TERM FINANCIAL GOALS REGARDING CAPITAL BUDGETING POLICIES, THE OPERATIONS DEPARTMENT HAS SET THESE GOALS AND ACHIEVED THESE ACCOMPLISHMENTS

FY 2014/2015 Department Goals	FY 2014/2015 Status & Accomplishments...	FY 2015/2016 Department Goals
Purchase a limb wagon to replace aging fleet. Reskin old garbage truck.	These goals were completed.	Purchase a garbage truck. Receive limb wagon from bid awarded in FY 15/16.

Capital Outlay Overview

For this budget year this department had the following capital outlay:

- ↳ (1) Limb wagon funded by SPLOST funds, \$133,00
- ↳ (1) Garbage truck funded by SPLOST funds, \$225,000

Revenue Summary

Revenues increased by 10.24% or \$116,716 resulting in a contingency of \$108,615. Overall increase is due to SPLOST transfers in offset by a decrease in insurance recovery proceeds. This budget does not reflect a rate increase in user fees at this time.

Expense Summary

Overall expenses increased by 9.25% or \$97,257. Overall increase is in solid waste containers and capital outlay offset by a decrease in vehicles repairs.

Performance Measures

	Performance Indicators	Actual FY 13/14	Actual FY 14/15*	Projected FY 15/16
Output	# of Solid Waste Customers in September	5,429	5,540	5,650
	White Goods Picked Up (Tons)	622.94	667.06	733.77
	Regular Garbage Processed (Tons)	6,005.26	6,170.08	6,272.22
	Lumber/Industrial Processed (Tons)	38.98	51.77	45.38
	Residential Yard Processed (Tons)	1,605.21	1,251.67	1,428.44
	Illegal Dumping Complaints Received	6	8	7
	% of New Accounts Processed	18%	15%	15%
Efficiency & Effectiveness	# of New Accounts Processed	1,251	1,440	1,656
	Refuse Collection Costs Per Capita ²	\$50	\$64	\$69
	Regular Garbage Processed Per Capita ²	0.37	0.38	0.38
	Activity Expenses as % of Solid Waste Fund ¹	100.00%	100.00%	100.00%

**Includes Estimated Figures for September.*

¹ Amount based on actual expenditures for FY 13/14, Actual for FY 14/15 with September estimated and projected for FY 15/16. Other Financing Sources/Uses are excluded.

² Based on estimated population of 16,241, 16,416 and 16,591. Amount is based on actual FY 13/14 and FY 14/15 and projected 15/16. Capital Outlays are excluded.

Solid Waste Fund**Major Revenue Sources****Refuse User Fees**

There were 5,450 solid waste customers as of September 30, 2014. The large increase in revenues for FY 2007 is attributed to a 14% increase in user fees.

Sanitation Department

NOTE: The Public Works Director is budgeted 50% the General Fund/PW Department & 50% in the Water Fund/Municipal Utilities Department .

Capital Outlay Summary

Introduction

This section summarizes the capital outlay requests of all departments and funds. Also, capital projects are discussed here along with the City's Short-term Work Program. Capital outlay totals by fund are as follows: general fund \$256,821; water/sewer fund \$2,002,950; solid waste fund \$358,000, and other SPLOST funded projects are \$2,063,500. This section is provided to give the reader an overview of the current year equipment (capital outlay) requests and projects.

Capital Outlays

Capital outlays are expenditures that result in the acquisition or addition of fixed assets. Generally, three criteria are used as the basis of classifying expenditures as fixed assets. These are the cost threshold and useful life of the item. Capital outlays should generally cost \$3,000 or more and last more than 2 years. Normally, all outlays financed by long term debt will be included.

Examples of Capital Outlays are:

1. Purchase, construction, or renovation of buildings,
2. Acquisition of land, and
3. Any item that lasts over 2 years and cost over \$5,000 for governmental funds and over \$3,000 for Enterprise Funds, including furniture and fixtures, vehicles, heavy equipment, and machinery, etc.

Following is a listing of this year's capital outlay requests with a rating depicting whether the current year or future budgets are affected by the outlay. Depreciation and replacement costs are not considered when determining the effect on future budgets.

(The remainder of this page intentionally left blank.)

City-Wide Capital Outlays, Capital Projects, & SPLOST Projects Budget					
Rate Code	Capital Outlay	Description	Acquisition Cost	Affecting Current Budget*	Affecting Future Budgets*
General Fund					
Police Department					
CF2	Vehicles	(5) fully equipped patrol vehicles	\$196,821	\$20,987	\$177,546
Subtotal Police Department			196,821	20,987	177,546
Fire Department

Subtotal Operations Department			1,998,950	1,998,950	0
Total Water & Sewer Fund			2,002,950	2,002,950	0
Solid Waste Fund					
Operation Department					
CF2	SPLOST Funded	Limb Wagon	\$133,000	\$133,000	0
C	SPLOST Funded	Garbage Truck	\$225,000	\$225,000	0
Total Solid Waste Fund			358,000	358,000	0
Grand Total All Funds			2,617,771	2,441,937	177,546
Other SPLOST Funded Projects					
Total SPLOST (VII) Projects (see detail next 2 pgs)			\$2,063,500	\$2,063,500	\$0
Total City-Wide Capital Outlays & SPLOST Budget			\$4,681,271	\$4,505,437	\$177,546

Note: Amounts affecting current & future budgets reflect principal & interest payments for financed items.

Rate code Descriptions

C= Current year budget funds will be used entirely to fund the project/purchase with no effect on future budgets.

CF1= Current year budget funds will be used entirely and future budgets will be minimally affected by less than \$10,000 per budget year.

CF2= Current year budget funds will be used entirely and future budgets will be affected by more than \$10,000 per budget year.

F1= Future operating budgets will be minimally affected by less than \$10,000 per budget year and current will not be affected. For example, an annual lease payment is deferred to future years.

F2= Future budgets will be affected by more than \$10,000 per budget year and current will not be affected.

All of the capital outlay requests with a rate code of "C" are budgeted with current year funds only and without affecting future budgets. All of the capital outlay requests with rate code of "CF1" and "CF2" will affect future budgets by the remaining lease payments. All requested capital outlays should enhance service delivery to the citizens of Kingsland. The only effect on future budgets from the purchase of the listed equipment will be minimal operating costs.

Depicted below is a graph showing the capital outlay requests by department:

Capital Projects

Capital Projects are an accumulation of expenditures related to a project; such as, construction of a new park or city hall. Projects should have a definite beginning and end, should not occur annually, and should have a total cost in excess of \$100,000.

Funding of Capital Projects

Whenever possible, the users of projects or services will pay for it. If a project benefits all taxpayers, such as a police or fire station, it will be paid from general tax dollars or special purpose local option sales tax (SPLOST) which must be approved by a majority

of voters through a referendum. If a project benefits certain users, such as water/sewer extensions, the project will be paid for by user fees or revenue bonds will be issued and the repayment will be made with these fees.

To prevent erosion of the City's ability to provide basic services, new programs initiated should be self-sustaining with sufficient income to offset operating expenses and program investment costs. If a program or project cannot fund the cost, it will be considered ineffective and not initiated unless it benefits the majority of taxpayers.

The City will strive to fund projects, first with developers' contributions and grants. If these are not available the City will select the most cost effective means of financing a project. These currently consist of municipal leases, revenue bonds, and state funded programs such as the State of Georgia Revolving Fund.

Capital Projects Funded by SPLOST VII			
SPLOST VII (Years: 2013 – 2019)			
	Total SPLOST Referendum	Spent in Prior Years*	Remaining \$ Project Life
Machinery & Equipment	\$508,000	\$172,588	\$335,412
Road Construction Projects	\$6,900,000	\$21,465	\$6,878,535
Re-Surfacing Projects	\$700,000	\$19,326	\$680,674
Sidewalk Projects	\$100,000	\$21,049	\$78,951
Miscellaneous Repairs & Improvements	\$335,000	\$130,700	\$204,300
Water & Sewer Projects	\$8,096,629	\$1,482,891	\$6,613,738
Total SPLOST VII Fund	\$16,639,629	\$1,848,019	\$14,791,610

Capital Planning Process

The State of Georgia requires local governments to adopt a 5-year Short Term Work Program (STWP) that complies with the minimum planning standards and procedures of the Georgia Planning Act of 1989 in order to maintain their Qualified Local Government Status. The City last updated their STWP in 2013.

All departments are involved in the planning process. The STWP lists the major projects or purchases that are planned for the next five years with an estimated cost

and funding source. It also specifies who is responsible for the project, i.e. city staff, developers, Department of Transportation, contractors. The City must also submit a STWP Accomplishment Report to the Department of Community Affairs. This report lists the prior five years' projects and whether they are complete, on-going, postponed, or dropped.

The STWP along with the City's strategic plan is a starting point for the yearly budget process. The strategic plan is discussed in more detail in the financial policies section. Each department reviews both of these plans with the City Manager and determines if the projects are still valid for the coming year. Those projects and other current needs are then submitted as capital outlay requests. The Director of Finance determines if the funding is available and the list is then prioritized and/or changed by the City Manager.

Effects on Future Budgets

The rest of the capital outlay is replacing older equipment and vehicle fleet. By replacing older equipment maintenance costs are reduced and fuel is more efficient.

City of Kingsland

Report of Accomplishments 2008 - 2012

Project or Activity	Completed	Currently Underway	Postponed	Not Accomplished	Explanation
DEVELOPMENT PATTERNS					
Conduct evaluation of land development ordinances for consistency with quality growth principals.	X				Ordinances have great flexibility in allowing new quality growth concepts while maintaining minimum standards.
Adopt a Conservation Subdivision Ordinance in which homes are placed on smaller lots and a portion of land is preserved as open greenspace	X				Have zoned two large areas for planned development that contain these principals.
Modify subdivision regulations to require the preservation of sensitive/unique natural areas; including streams, wetlands rivers and marshlands.	X				Have adopted Coastal Stormwater Supplement, the latest Soil Erosion & Sedimentation Control ordinance model and the latest Flood Damage Prevention model. Have Groundwater Recharge Areas Protection and Wetlands Protection Ordinances.
Acquire property or require developers to provide pockets parks and new recreational areas.	X				To get any reduction in standard minimum lot areas, developers must provide amenity and open space.
Adopt ordinances and codes that promote compatible uses at neighborhood centers.	X				Adopted new C-5 Neighborhood Commercial Zone that incorporates maximum limits for neighborhood centers.

Project or Activity	Completed	Currently Underway	Postponed	Not Accomplished	Explanation
DEVELOPMENT PATTERNS					
Review ordinances related to manufactured housing and adopt design standards	X				Require that manufactured housing moved in the city be state certified.
Draft a small area/corridor plan for the area west of I-95 along Highway 40 toward downtown.		X			State is undertaking installation of center turn lane. City coordinated with improvements to water and sewer service. Further planning awaits results of final GDOT plans.
Conduct a parking study for downtown.	X				New parking space striping implemented.
Revise zoning regulations and procedures to include formal determination of compliance with the Comprehensive Plan.	X				Planning Director performs review of Planning Commission Review items that includes determination of compliance.
ECONOMIC DEVELOPMENT					
Support the Downtown Development Association's programs and activities.		X			The City supports the Kingsland Downtown Development Authority and the Kingsland Main Street program through staffing and budget funding.
Draft Economic Development implementation plan that includes a recruitment strategy that advances opportunities related to the ports and permutes local small businesses.		X			The city currently uses the 2005 Economic Diversification Study prepared for Camden County by Georgia Tech. The City has prepared a draft Economic Development Incentive Policy. These efforts are ongoing.
Draft a development plan for Exit 6.		X			The City has investigated the creation of an interstate interchange overlay for the I-95 interchanges in Kingsland. This is an ongoing effort.

Project or Activity	Completed	Currently Underway	Postponed	Not Accomplished	Explanation
ECONOMIC DEVELOPMENT					
Draft a redevelopment plan for Exit 3.		X			The City has investigated the creation of an interstate interchange overlay for the I-95 interchanges in Kingsland. This is an ongoing effort.
Continue Downtown revitalization activities as part of economic development efforts.		X			The City of Kingsland is leading the effort in the redevelopment plan of City Park as Kingsland Veterans Memorial Park. This redevelopment activity is supporting downtown revitalization efforts.
HOUSING					
Draft a small area revitalization plan for MLK Blvd.		X			The City, through a Coastal Incentive Grant from NOAA and the GA. DNR-Coastal Resources Division developed a redevelopment plan for property owned by the city of Kingsland located along Grove Boulevard. This property is located east of MLK Boulevard and the plan may be enhanced to include this area at a future date.
Draft a small area revitalization plan for North and South Orange Ave.		X			The City has adopted an Urban Redevelopment Plan and may develop a revitalization area strategy for the North and South Orange Edwards Boulevard area in the future.
Inventory city-owned property to identify sites appropriate for the development of workforce housing.		X			See comment on Grove Boulevard property noted above.

Project or Activity	Completed	Currently Underway	Postponed	Not Accomplished	Explanation
NATURAL AND CULTURAL RESOURCES					
Continue the practice of encouraging developers to provide for open space in their developments that links together into a publicly accessible open space network.		X			No developers recently.
Inventory historic properties.	X				An inventory of historic properties for Kingsland was completed in 2005. The Kingsland Downtown Development conducts a building inventory for their annual Main Street Report.
Adopt an ordinance requiring the protection of locally designated historic properties and districts, where appropriate.				X	Dropped. No interest developed.
Apply for the National and State Register of Historic Places designation for buildings of historic significance.		X			The City does not have any historic properties that are not already on the National Register for Historic Places. We do promote the listing of historic properties to the National Register.
Adopt corridor overlay districts for prominent roads in the City; require the preservation of existing trees in landscaped buffers.		X			The City has investigated an overlay district along the highway 17 corridor. This is an ongoing effort.
Adopt a tree ordinance.			X		Examined other City ordinances. Found none worth adopting.
Submit application to become a Tree City USA.				X	Dropped. Impossible without tree ordinance.

Project or Activity	Completed	Currently Underway	Postponed	Not Accomplished	Explanation
NATURAL AND CULTURAL RESOURCES					
Adopt a River Corridor Protection ordinance.			X		At this time City has only one property fronting protected river.
Evaluate results of historic preservation programs.		X			Through the Downtown Development Authority, the city annually evaluates historic preservation efforts as a component of their Main Street Report.
Continue to support the annual Catfish Festival.		X			The City continues to support the Labor Day Catfish Festival through the Convention and Visitors Bureau, the Public Works Department and other departments.
COMMUNITY FACILITIES AND SERVICES					
Maintain a capital improvements plan.		X			Included in City's Strategic Plan adopted by City Council.
Update capital improvement project listed in Short Term Work Program		X			As needed.
Explore implementing impact fees.				X	This program was dropped. The City has W/S impact fees. Others determined to be unneeded.
Update water and sewer master plan.		X			Part of City Strategic Plan as adopted by City Council.
Document and map the water and sewer system.	X				Now in a maintenance/correction mode.

Project or Activity	Completed	Currently Underway	Postponed	Not Accomplished	Explanation
COMMUNITY FACILITIES AND SERVICES					
Refurbish old water lines in the downtown area.		X			The City has investigated the use of Community Development Block Grant funding to enhance these water lines, however demographics information and lack of citizen service complaints has not proven eligible for CDBG funding. Woodlawn and May Street refurbished with City funding.
Loop water system along Colerain to St. Marys Road, east of I-95.	X				10" line installed along Laurel Island Parkway and connected into Laurel Island Plantation system.
Replace dilapidated sanitary sewers in downtown and old city areas.		X			The City has investigated the use of Community Development Block Grant funding to enhance these sewer lines, however demographics information and lack of citizen service complaints has not proven eligible for CDBG funding. Sheffield, North Satilla and Hwy 40 replaced with City funding.
Participate in the drafting of the Coastal Greenway Plan.		X			The City has worked with the Coastal Regional Commission and the Coastal Georgia Greenway to develop the Kingsland and Camden County component of the Greenway Plan.
Begin work on the riverfront facility.				X	This project was dropped due to the City not being able to obtain property.
Develop multi-purpose facility (fire, police, administration) in west Kingsland.			X		Only three houses have been built in primary service area.
Expand water treatment plant.			X		Raised permitted withdrawals without expansion.

Project or Activity	Completed	Currently Underway	Postponed	Not Accomplished	Explanation
COMMUNITY FACILITIES AND SERVICES					
Expand waste water treatment plant.	X				WWTP now has 4.4MGD capacity/2.2MGD permitting/1.8MGD usage
Continue to upgrade lift stations to SCADA monitoring equipment.	X				All lift stations have SCADA
INTERGOVERNMENTAL COORDINATION					
Work in conjunction with neighboring jurisdiction to implement the Joint Comprehensive Plan.		X			Notify on all actions adjacent to borders and any action that might have impact.
Continue mutual aid agreements (fire, police, building inspection, code enforcement, etc.)		X			Have fire agreements. City covers Woodbine for building inspection and code enforcement. In conversation on other linkages.
Update Comprehensive Plan in 1997, or sooner if major changes occur or new trends develop in conjunction with other jurisdictions.	X				Adopted in 2008.

Project or Activity	Completed	Currently Underway	Postponed	Not Accomplished	Explanation
TRANSPORTATION					
Improve the intersection of Laurel Island Parkway, Boone Street and Haddock Road; Middle School and Gross Roads; Lake Blvd and Boone St.	X				Laurel Island intersection four-laned with traffic signal; Boone Street extended and rail crossing signalized; Gross Road intersection 4-laned with traffic signal installed; Boone street improved with rail crossing signalized.
Implement Rails to Trails (2007) recommendations, such as multi-use path.			X		Rail is still active.
Connect Colerain Road to highway 40 via Camden Woods Parkway.		X			The City of Kingsland has worked with local proponents to determine appropriate paths for bike trails and Rails with Trails paths in Kingsland.
Construct extension of Middle Schools Road.		X			FY2013 project
Implement recommendations from the Downtown Master Plan.				X	The City has not prepared a Downtown Master Plan
Widen Colerain to St. Marys Rd. to four lanes from SR 40 west to Kings Bay Rd in St. Marys; Improve the intersection at North Old Jefferson.		X			County lead. I-95 to Kings Bay design approved. I-95 to SR40 west in concept stage.
Install signalized rail crossings on U.S. Highway 17, Satilla St. May St. East St. and Grove Blvd.				X	No funding/no priority
Extend Woodbridge Rd. to Colerain- St. Marys Rd.				X	Subdivision is foreclosed. City has not yet accepted much of existing road.

BUDGET TERMS

<i>Accrual Basis</i>	The basis of accounting under which revenues are recorded when earned and expenditures (or expenses) are recorded as soon as they result in liabilities for benefits received.
<i>Ad Valorem Taxes</i>	According to value; an assessment such as taxes or insurance based on the value of the commodity (real or personal property) involved.
<i>Appropriation</i>	An authorization made by the City Council that permits the city to set aside money or materials for a specific purpose.
<i>Assessed Value</i>	A determination of the estimated value of property as prescribed by the Camden County Tax Assessors office.
<i>Balanced Budget</i>	Estimated expenditures may not exceed estimated revenues.
<i>Beer & Wine Tax</i>	Taxes on alcoholic beverages (beer, wine, liquor) sold within the city.
<i>Bond Debt</i>	Payments on bonds sold by the city to spread debt over a long term.
<i>Budget</i>	A financial plan for a specific period of time (fiscal year) that matches all planned revenues and expenditures with various city services.
<i>Budget Calendar</i>	The schedule of key dates or milestones that the city follows in the preparation, adoption, and administration of the budget.
<i>Budget Message</i>	The instrument used by the Mayor in presenting a comprehensive financial program to the City Council and the citizens of Kingsland.
<i>Budget Resolution</i>	The official enactment by the City Council legally authorizing

them to obligate and spend resources.

Budgetary Control

The control or management of a governmental unit or enterprise in accordance with an approved budget for the purpose of keeping expenditures within the limitation of available appropriations and available revenue.

Capital Improvement

Any major project requiring the expenditures of public funds (over and above operating expenditures) for the construction, reconstruction, or replacements of physical assets in the community.

Cash Basis

A system of accounting in which revenues and expenses are recorded as they are received and paid.

Debt Service

Interest and principal payments associated with Bond Issues.

***Debt Service
Requirements***

The amount of money necessary for scheduled payment of outstanding debt, both principal and interest becoming due during the fiscal year, and contributions required to accumulate money for the future retirement of term bonds.

Depreciation

The measure of the value of a fixed asset that has been consumed during a period whether arising from use, passage of time or obsolescence.

Enterprise Funds

A governmental accounting fund in which the services provided are financed and operated similarly to those of a private business. The rate schedules for these services were established to ensure that revenues are adequate to meet all necessary expenditures.

***Equipment or
Vehicle Depreciation***

A line item expenditure within each individual department budget for equipment and vehicle replacement cost.

Expenditures

This term refers to the outflow of funds paid, or to be paid for assets, goods or services obtained regardless of when the expenses are actually paid.

Fifa

Fieri facias is a lien placed on property for unpaid taxes. Fifa is filed with the Clerk of Court and once filed can only be satisfied by the tax bill being paid.

Fiscal Year

A twelve (12) month period between settlements of financial accounts. This fiscal year for the City of Kingsland begins October 1, and ends September 30, of each year.

Fixed asset

An item that is fairly expensive, does not occur annually, and last a long time. It is usually held for business use and is not expected to be converted to cash in the current or upcoming fiscal year. Examples are equipment and furnishings. Can also be land and buildings.

Fund

A fiscal and accounting entity that is composed of a self balancing set of accounts that reflects all assets, liabilities, equity, revenue, and expenditures (or expenses) necessary to disclose position and the results of operations. Funds are established as individual records for purposes of legal compliance, different natures of the activities performed, measurement of different objectives, and to facilitate management control.

Fund Accounting

A method of municipal accounting where resources are allocated to, and accounted for in separate funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled.

Fund Balance

Refer to the net of unrestricted money remaining in a fund after the year's expenditures and revenues are tallied, and is therefore also known as surplus funds.

<i>General Fund</i>	This fund is used to account for all revenues and expenditures of the City of Kingsland not accounted for in any other fund; and is an operating fund from which most of the current operations of the city are financed.
<i>Governmental Funds</i>	Funds generally used to account for tax-supported activities. There are five different types of governmental funds: the general fund, special revenue funds, capital projects funds, debt service funds, and permanent funds.
<i>Infrastructure</i>	The basic installations and facilities on which the continuance and growth of a community depends upon. Examples include water and sewer improvements, roads and street paving, and public buildings.
<i>Insurance Tax</i>	Tax paid by insurance companies for premiums collected inside the city.
<i>Levy</i>	The assessment and collection of tax or other fees.
<i>Line Item Budget</i>	A budget that lists each expenditure category (personnel services, supplies, travel, training, etc.) separately, along with the dollar amount budgeted for each specified category.
<i>Local Option Sales Tax</i>	Sales tax collected from local businesses for the purpose of reducing property taxes and maintaining governmental operations. On-going after referendum.
<i>Maintenance & Repair</i>	Expenses resulting from the purchase of labor and materials for the repair or maintenance of city property by an outside vendor.
<i>Millage Rate</i>	The ad valorem tax rate expressed in terms of the levy per thousand dollars of taxable assessed value.
<i>Modified Accrual</i>	Under the modified accrual basis of accounting, revenues

<i>Basis</i>	are recognized in the period in which they become available and measurable, and expenditures are recognized at the time a liability is incurred.
<i>Motor Vehicle & Mobile Home Tax</i>	Taxes collected from license plate sales inside the city.
<i>Operating Budget</i>	The portion of the budget pertaining to daily operations and/or maintenance of city services, programs, facilities or fixed assets incurred in a fiscal year.
<i>Personal Services</i>	Expenditures directly attributable to city employees, including salaries, overtime, and the city's contribution to social security, health insurance, workers' compensation insurance and retirement.
<i>Purchased Services</i>	Services that by their nature can be performed only by persons or firms with specialized skills and knowledge. These include professional, technical, property, and other services such as communications, liability insurance, and training.
<i>Real Estate Tax</i>	Taxes collected by Camden County on real estate transfers (deed fees) within the city.
<i>Reserve</i>	An account used to indicate a portion of a fund balance legally restricted for a specific purpose and therefore not available for general appropriations.
<i>Retained Earnings</i>	A fund equity account that reflects accumulated net earning or losses of a proprietary fund. As in the case of fund balance, retained earnings may include certain reservations of fund equity.
<i>Revenue</i>	Funds that the city receives as income. It includes such items as taxes, licenses, permits, fines, forfeitures, user fees, service charges, and grants.

<i>SPLOST</i>	A tax voted on by the public authorizing the collection of an additional 1% sales tax to be used only for specific purposes as authorized by law. In Georgia these are for various capital projects and for roads, streets and bridges.
<i>State Revolving Fund (SRF)</i>	State of Georgia loan pool for sewer varies improvements by local governments.
<i>Supplies</i>	Expenditures for items that are consumed or deteriorate through use or that lose their identity through incorporation into different or more complex units.
<i>Taxes</i>	Compulsory charges levied by a government for the purpose of financing services performed for the common benefit. Taxes levied by the City of Kingsland are approved by the Council and are within their limits determined by the State of Georgia.
<i>Training</i>	Expenditures incurred as a result of city approved instructional courses.
<i>Transfer</i>	Intra Division Transfer: A transfer from one departmental account in a division, to another within the same division. Inter Division Transfer: A transfer from an account in a division to an account in a different division.
<i>Travel</i>	Expenditures incurred in the conduct of city business. This includes subsistence, transportation, mileage (private vehicle), and hotel cost.
