CERTIFICATION OF EXTRAORDINARY UNSPECIFIABLE SERVICES (EUS)

Date: May 2, 2017
To: Mayor and Council
From: Paul J. Zarbetski, Town Clerk
Re: Contract for Dental Insurance Coverage

This is to request your approval of a resolution authorizing a contract to be executed as follows:

Firm: Horizon Blue Cross Blue Shield of NJ
Newark, NJ
Cost: Maximum of \$240,000
Period: Maximum of one (1) year
Purpose: To provide contractually-required dental insurance to employees, retirees, and dependents

This is requested to be awarded without competitive bids as an Extraordinary, Unspecifiable Service (N.J.S.A. 40A:11-5(1)(a)). I do hereby certify as follows:

1. Horizon BC/BS of NJ is to provide dental insurance coverage to the Town's employees, retirees, and dependents for a period of one (1) year. This insurance coverage is contractually mandated.
2. Pursuant to N.J.S.A. 40A:11-5(1)(m), the purchase of insurance coverage is a statutory EUS which is exempt from the bidding requirements of the Local Public Contracts Law (N.J.S.A. 40A:11-1, et seq.).
3. Due to the nature of insurance coverage, it is not reasonably possible to draft specifications, and the Town has instead, through its broker, solicited quotations.
4. The Town's broker, Robert Ehnert, has solicited quotations from insurance companies, including Horizon BC/BS of NJ, Delta Dental of NJ and Met Life. The quote from Horizon is the most advantageous to the Town, price and other factors considered.
5. I have reviewed the rules and regulations of the Division of Local Government Services as contained in the Local Public Contract Guidelines and Regulations (revised) and certify that the proposed contract may be considered as an Extraordinary, Unspecifiable Service in accordance with the requirements thereof.

Paul J. Zarbetski, Town Clerk

TOWN OF HARRISON

COUNTY OF HUDSON

ORDINANCE NO. 1337

**AN ORDINANCE CONCERNING EXTRA-DUTY POLICE OFFICERS
AND FIRE-FIGHTERS WORK ASSIGNMENTS**

BE IT ORDAINED by the Mayor and Council of the Town of Harrison, County of Hudson, State of New Jersey, as follows:

Section 1. Findings

- A.** N.J.S.A. 40A:14-118 provides that the governing body of any municipality may, by ordinance, create and establish a police force and provide for the regulation and control thereof; provide for the adoption and promulgation of rules and regulations of the police force; provide for the appointment of officers and personnel as shall be deemed necessary, and prescribe their powers functions and duties.
- B.** There are numerous occasions where retail businesses in the Town of Harrison (“Town”), contractors performing work in the Town, and other private persons or businesses require police related services, including police vehicles, for added security, traffic control, and other public safety reasons.
- C.** The Attorney General of the State of New Jersey and the Department of Community Affairs, Division of Local Government Services, have determined that members of a municipal police department may, during their off-duty hours, engage in police-related activities for private persons or entities. Pursuant to the laws of the State of New Jersey, a municipality must agree to implement a system whereby the extra-duty assignment of police officers is arranged through a contract between the municipality and the private person or entity.
- D.** The contract between the municipality and a private person or entity must include a plan whereby the compensation for extra-duty police related services is paid to the municipality, and that said payment is placed in a special trust fund to be established by the municipality, and that the proceeds of said fund will be disbursed through the finance office to the individual police officers performing such services.
- E.** It is in the best interest of the Town’s citizens, including the business community, to establish a procedure for extra-duty police assignments which will allow for the greater protection of the citizens of the Town.
- F.** The Town has adopted extra-duty fee schedules in the past, and there is a need to consolidate and update these schedules and simplify the fees the Town charges to such persons requiring extra-duty police services, and reset the allocation of the fees as between the Town and the police officers.

Section 2. Definitions

- A.** “Administrative Fee” or “Administration Fee” shall be that portion of the fees paid by the private persons or entities for Extra-Duty Police Services, which shall be allocated to the Town to offset the costs associated with administering the Extra-Duty Police Services.
- B.** “Extra-Duty Police Services” shall mean police officer providing security, traffic control, or other police-related functions for private business or persons where the actual or potential use of law enforcement powers may be required. Extra-Duty Police Services may be provided at the request of a private business or person, or the Chief of Police may mandate, for reasons of public safety, that a private business or person secure Extra-Duty Police Services.

Section 3. Assignment

- A.** The Chief of Police, or his designee, shall be responsible for the assignment of all Extra-Duty Police Services. The Chief of Police shall be authorized to designate other members of the police department as needed to assist him in the assignment and processing of Extra-Duty Police Services. The procedure for assignment of Extra-Duty Police Services shall be as follows:

1. The Chief of Police, or his designee, shall create and maintain a list whereby police officers may volunteer for Extra-Duty Police Services; and
2. The Chief of Police, or his designee, shall assign all Extra-Duty Police Services from the aforementioned list of officers desiring said assignment; said assignments to be made on a rotating basis as the assignment becomes available.

Section 4. Contracts with Private Persons/Entities

Any private person or entity desiring to retain Extra-Duty Police Services shall be required to enter into a written contract with the Town. Said contract shall include, but no limited to, the nature of duties to be performed, the location of said duties, the number of officers and equipment involved, the date and hours of service, and the rate of payment for services and equipment. The contract will also provide for payment in advance by the private person or entity for services to be performed.

Section 5. Payment Procedures

The person or entity requesting Extra-Duty Police Services shall pay the Town in advance, based on the Chief of Police's, or his designee's discretion, up to two hundred percent (200%) of the estimated amount due for the requested services. The Town shall deposit the monies collected from said private person or entities, earmarked for payment to the officers performing Extra-Duty Police Services, into a special trust fund to be established to receive such monies. All members of the police department shall be paid for Extra-Duty Police Services performed on the next regular pay date after submission of a pay slip approved by the Police Chief or his designee and properly authorized by the private person or entity. All police officers shall be paid at the rates set forth herein for Extra-Duty Police Services.

Section 6. Insurance & Indemnification

- A. Each private person or entity that shall retain officers for Extra-Duty Police Services pursuant to this Ordinance shall be responsible for maintaining their own insurance coverage. Said insurance coverage shall include, but not be limited to, to the following insurance coverage and amounts:

BE IT ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF HARRISON, IN THE COUNTY OF HUDSON, NEW JERSEY (not less than two-thirds of all members thereof affirmatively concurring) AS FOLLOWS:

Section 1. The Town of Harrison, in the County of Hudson, New Jersey (the "Town") is hereby authorized to refund all or a portion of the Town's \$5,572,000 outstanding principal amount of its School Bonds (School Bond Reserve Act, P.L. 1980, c.72), dated May 1, 2009, originally issued in the aggregate principal amount of \$8,462,000 on May 14, 2009, which amount matures on January 15 in each of the years 2020 through 2030, inclusive (the "Refunded Bonds"). The Refunded Bonds are subject to optional redemption in whole or in part on any date on or after January 15, 2019 at the option of the Town upon notice as required at par, plus accrued interest to the date fixed for redemption.

Section 2. In order to finance the cost of the purpose described in Section 1 hereof and the costs of issuance associated therewith, negotiable refunding bonds are hereby authorized to be issued in the aggregate principal amount not exceeding \$6,200,000 (the "Refunding Bonds") pursuant to the Local Bond Law of the State of New Jersey (N.J.S.A. 40A:2-1 *et seq.*).

Section 3. An aggregate amount not exceeding \$200,000 for items of expense listed in and permitted under N.J.S.A. 40A:2-51(b) has been included in the aggregate principal amount of Refunding Bonds authorized herein.

Section 4. The Town desires to provide for all or a portion of the principal amount of the Refunded Bonds outstanding and the interest and redemption premium, if any due, thereon in order to provide for savings in debt service as a result of lower interest rates in the bond markets.

Section 5. The Supplemental Debt Statement required by the Local Bond Law has been duly prepared and filed in the office of the Clerk, and a complete executed duplicate thereof has been filed in the office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey. Such statement shows that the gross debt of the Town is increased by the authorization of the Refunding Bonds provided in this refunding bond ordinance by \$6,200,000, and that an amount representing the principal amount of the Refunded Bonds, in the amount of \$5,572,000, will be deductible from gross debt. The obligations authorized herein will be within all debt limitations prescribed by that law.

Section 6. A certified copy of this refunding bond ordinance as adopted on first reading has been filed with the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey prior to final adoption.

TOWN OF HARRISON

COUNTY OF HUDSON

ORDINANCE NO.1342

AN ORDINANCE AUTHORIZING THE MAYOR AND COUNCIL OF THE TOWN OF HARRISON, IN THE COUNTY OF HUDSON, NEW JERSEY TO ENTER INTO A FINANCIAL AGREEMENT WITH HARRISON BUILDING 6 URBAN RENEWAL, LLC FOR PROPERTY DESIGNATED AS BLOCK 101, LOTS 1.03, AS SET FORTH ON THE TAX MAPS OF THE TOWN OF HARRISON

WHEREAS, on or about September 4, 1997, the Mayor and Council of the Town of Harrison passed Resolution 19354, designating an area known as The Harrison Waterfront Redevelopment Area as an area in need of redevelopment in accordance with the Local Redevelopment and Housing Law, *N.J.S.A. 40A:12A-1, et seq.* (the “Area”); and

WHEREAS, on November 16, 1998, the Mayor and Council adopted an Ordinance approving a redevelopment plan for the Area dated November 1998 (the “Redevelopment Plan”) pursuant to the Local Redevelopment and Housing Law, *N.J.S.A. 40A:12A-1, et seq.*, which Redevelopment Plan has been amended and supplemented various times thereafter; and

WHEREAS, on June 19, 2000, the Harrison Redevelopment Agency designated Harrison Commons, LLC, an affiliate of the Entity as the designated redeveloper for a portion of the area; and

WHEREAS, Harrison Commons and the Harrison Redevelopment Agency entered into a Master Redevelopment Agreement for the redevelopment of a portion of the area; and

WHEREAS, pursuant to the Assignment and Assumption of the Master Redevelopment Agreement and Sector Agreements dated as of December 15, 2006, Harrison Commons assigned to CJUF II Harrison Holdings, LLC (“Holdings”) all of Harrison Commons’ interest in the Redevelopment Agreement and the Sector Agreements; and

WHEREAS, pursuant to a to be executed Partial Assignment and Assumption of Redevelopment Agreement and Sector Agreement, Holdings assigned to Harrison Building 6 Urban Renewal LLC (the “Entity”), all of Holding’s interests in the Redevelopment Agreement and the Sector Agreement as they relate to the Project; and

WHEREAS, the Entity plans to construct or cause to be constructed and/or rehabilitated within the Area a Project consisting of five stories and includes 270 market rate rental apartments and an accessory parking garage with 524 spaces consisting of approximately 169,608 square feet. No retail space is proposed for this building. The building includes 270 apartments with a mix of 60 studio apartments ranging in size from 430 sf to 480 sf, (177) 1 BR apartments ranging in size from 580 sf to 675 sf and (33) 2 BR apartments at 830 sf and 855 sf hereinafter referred to as the “Project”; and

WHEREAS, the Entity wishes to have a long term tax exemption granted for the Project and has requested that the Town grant such tax exemption; and

WHEREAS, on March 24, 2017, the Entity filed an Application with the Town for approval of a long term tax exemption for the Improvements proposed for the Project as permitted by the Long Term Tax Exemption Law (*N.J.S.A. 40A 20-1, et seq.*) (the “LTTEL”); and

WHEREAS, Town is agreeable to granting a long term tax exemption for those Improvements; and

WHEREAS, the provisions of the LTTEL, and such other statutes as may be sources of relevant authority, if any, authorize the Town to accept, in lieu of real property taxes, an annual service charge paid by the Entity to the Town as set forth in such laws; and

WHEREAS, the Town made the following findings:

- (a) As to the relative benefits of the Project:
 - i. The Project will provide economic activity within the Area, create jobs and yield significant municipal revenue.

- (b) As to the assessment of the importance of the tax exemption in obtaining development of the Project and influencing the locational decisions of probable occupants:
- i. In the current real estate marketplace, the rents likely to be achieved by this Project are not sufficient to pay for the costs of land and construction and the payment of full taxes while allowing the developer the opportunity to make a return on its investment that is sufficient to both warrant the risks and to convince the lending markets to provide the construction and permanent financing required by the project.
 - ii. Since the Town believes that amounts to be paid under the terms of the Financial Agreement are greater than the incremental costs to be incurred by the Town as a result of the Project, the Town believes that it is in its interest to provide the necessary incentive that will cause the Project to be constructed. Since the formulas used in the Financial Agreement provide for growth in the amounts to be paid over time, the Town expects the Project will continue to make payments that are greater than the costs to be incurred. Finally, the useful life of the Project is expected to be substantially longer than the term of the Financial Agreement, so that in the future the project will become fully taxable and remain part of the Town's ratable base for many years thereafter; and

WHEREAS, the Mayor and Council have approved the Application, subject to such conditions as may be indicated herein, and have determined the amount of the Annual Service Charge, and have authorized the execution of the attached Financial Agreement; and

WHEREAS, Town and the Entity wish to enter into this Financial Agreement to memorialize the terms and conditions by which the Entity will pay an Annual Service Charge (as defined herein) in lieu of real property taxes on the Project Improvements.

NOW, THEREFORE, BE IT ORDAINED BY THE MAYOR AND COUNCIL OF THE TOWN OF HARRISON, HUDSON COUNTY, NEW JERSEY that:

1. The recitals above are fully incorporated herein.
2. The application of the Entity is hereby accepted and, subject to the receipt and review of the additional materials requested by the Town, approved in the form submitted by the Entity, with such modifications as have been made by the Town Attorney.
3. The Mayor is hereby authorized and directed, subject to the satisfaction of all legal requirements and such specific conditions as are enumerated in this Ordinance, to execute the Financial Agreement with the Entity, in substantially the form attached hereto, but with such non-material changes, insertions or deletions as the Mayor, in consultation with the Town Attorney, deems in his sole discretion necessary or desirable, with such execution by the Mayor to be deemed as conclusive evidence of the Mayor's consent to such changes, insertions or deletions.
4. The Clerk of the Town is hereby authorized and directed, upon execution of the Financial Agreement in accordance with the terms of this ordinance, to attest to the signature of the Mayor and to affix the corporate seal of the Town to that Financial Agreement.
5. This Ordinance shall not be in force and effect until such time as all of the following conditions have been satisfied.
 - a. The Entity has paid to the Town, all fees and charges required by the Financial Agreement to be paid as of the time of the execution of the Financial Agreement.
 - b. The Entity has submitted such additional information regarding the Application, as been requested by the Town
6. The Clerk of the Town is hereby authorized and directed to publish this Ordinance at the times and in the manner required by law and to make a copy of this Ordinance available for inspection by the public at the offices of the Town during the Town's normal business hours.
