ORDINANCE NO. 1700

AN ORDINANCE OF THE CITY OF PAMPA, TEXAS, PROVIDING THAT THE CODE OF ORDINANCES, BE AMENDED BY REVISING CHAPTER 6, SECTION 6.05.010, PROVIDING FOR RATES FOR SOLID WASTE DISPOSAL FOR RESIDENTIAL AND OTHER CUSTOMERS WITHIN AND OUTSIDE THE CORPORATE LIMITS OF THE CITY OF PAMPA, TEXAS, RESPECTIVELY, AND PROVIDING FOR AN EFFECTIVE DATE.

BE IT ORDAINED BY THE CITY OF PAMPA, TEXAS:

Section 1.

That Section 6.05.010(a) of the Code of Ordinances of the City of Pampa, Texas, be amended so that such section shall hereafter read as follows:

(a) Rates within the corporate limits. The monthly rate to be charged and collected for solid waste removal services for each single-family dwelling is fixed at the rate of Twenty-Four and 8/100ths Dollars (\$24.08) per month per single-family dwelling, whether any dumpster is shared by one (1) or more residential, single-family dwellings or a combination of residential and commercial customers. Residential collections and removals shall be made only once a week. The rate is hereby fixed at Twenty-Four and 8/100ths Dollars (\$24.08) per container for each pickup over and above the number of pickups for which a customer ordering said pickup is being charged."

Section 2.

That Section 6.05.010(b) of the Code of Ordinances of the City of Pampa, Texas, be amended so that such section shall hereafter read as follows:

(b) Rates outside the corporate limits.

(1) The monthly rate to be charged and collected for solid waste removal services for each single-family dwelling is fixed at the rate of Thirty-Six and 12/100ths Dollars (\$36.12) per month per single-family dwelling, whether any dumpster is shared by one (1) or more residential, single-family dwellings or a combination of residential and commercial customers. Residential collections and removals shall be made only once a week. The rate is hereby fixed at Thirty-Six and 12/100ths Dollars (\$36.12) per container for each pickup over and above the number of pickups for which a customer ordering said pickup is being charged.

(2) Residential services outside the corporate limits of Pampa shall be subject to the approval of the director of public works or his designated agent. In the event the director of public works or his designated agent should determine what such residential service requires excessive mileage or tonnage, the fee to be

charged will be negotiated on an individual contract basis.

Section 3.

That Section 6.05.010(d) of the Code of Ordinances of the City of Pampa, Texas, be amended so that such section shall hereafter read as follows:

(d) Rates for other customers.

(1) Within the corporate limits. Except as provided in subsections (a), (b) and (c) above, the monthly charge for solid waste services within the corporate limits is fixed as follows and shall be computed on the following formula:

Number of Dumpsters x Number of pickups per week x \$44.36 = Monthly Charge*

*If more than one (1) customer uses a dumpster (or dumpsters), the monthly charge shall be divided by the number of customers using said dumpster (or dumpsters); provided, however, that in no event shall the minimum monthly charge per customer be less than Twenty-Four and 8/100ths Dollars (\$24.08) per month per customer.

(2) Outside the corporate limits. The monthly charge for solid waste services outside the corporate limits are hereby fixed at one and one-half (1.5) times the rate which would be charged under the above schedule and computation for a customer within the City's corporate limits.

Number of Dumpsters x Number of pickups per week x \$66.54 = Monthly Charge*

*If more than one (1) customer uses a dumpster (or dumpsters), the monthly charge shall be divided by the number of customers using said dumpster (or dumpsters); provided, however, that in no event shall the minimum monthly charge per customer be less than Thirty-Six and 12/100ths Dollars (\$36.12) per month per customer.

Services to such other customers, as provided above, who are outside the corporate limits of Pampa, shall be subject to the approval of the director of public works or his designated agent. In the event the director of public works or his designated agent should determine that such service requires excessive mileage or tonnage, the fee to be charged will be negotiated on an individual contract basis.

Section 4.

That Section 6.05.010(f) of the Code of Ordinances of the City of Pampa, Texas, be amended so that such section shall hereafter read as follows:

(f) Dumpster replacement fee. The monthly rate to be charged and collected for the Dumpster replacement fund is fixed at the rate of Two and 32/100ths Dollars (\$2.32) per month per customer.

Section 5.

The rates provided for under this Ordinance shall become effective on the first billing date after September 30, 2018. Nothing in this Ordinance, however, shall be construed to repeal or affect the rates currently in effect to the effective date of this Ordinance for charges which will be billed on the billing date as hereinabove provided. Further, nothing in this Ordinance shall affect the City's rights and remedies to enforce any rates in effect prior to the passage of this Ordinance.

Section 6.

This Ordinance shall be effective upon its final passage and enforceable ten (10) days after its publication.

PASSED AND APPROVED on its first reading this 24th day of July, 2018.

PASSED, APPROVED AND ADOPTED on its second and final reading this 13th day of August, 2018.

ORDINANCE NO. 1701

AN ORDINANCE OF THE CITY OF PAMPA, TEXAS, PROVIDING THAT THE CODE OF ORDINANCES BE AMENDED BY REVISING SECTION 13.03.002 OF SAID CODE PROVIDING FOR THE MONTHLY RATES TO BE CHARGED FOR SEWER SERVICE WITHIN AND OUTSIDE THE CORPORATE LIMITS OF THE CITY OF PAMPA, TEXAS; AND PROVIDING FOR AN EFFECTIVE DATE.

BE IT ORDAINED BY THE CITY OF PAMPA, TEXAS:

Section 1.

That Section 13.03.002 of the Code of Ordinances of the City of Pampa be amended so that said Section shall read as follows:

Sec. 13.03.002 Rates

“(a) The sewer rates per month to be charged and collected within the corporate limits of the city from all customers obtaining service from such system shall be and are fixed as set forth below:

Sewer Rates

- (1) Residential (Minimum bill)—1,000 gallons \$15.50
Each 1,000 gallons or part thereof over 1,000 to 8,000 gallon cap at the volume charge hereinafter set forth
(\$0.10 of said minimum shall be allocated to fund household hazardous waste projects.)
- (2) Commercial (minimum bill) – 1,000 gallons..... \$15.50
Each 1,000 gallons or part thereof over 1,000 gallons at the volume charge hereinafter set forth
- (3) Volume charge, per 1,000 or more gallons over minimum,
1,000 gallons to 2,999 gallons or part thereof (residential only)..... \$1.97
3,000 gallons and over or part thereof (residential only)..... \$2.02
1,000 gallons and over or part thereof (commercial only) \$2.02

“In addition, a Surcharge of \$5.00 per month will be charged to each customer for Treatment Plant improvements”.

“All multifamily units located within any zone of the city other than a single family-one, single family-two, or single family-three, as provided under Ordinance No. 690 (Appendix A to said Code), as amended, shall be classified and charged under commercial rates”.

“(b) The sewer rates per month to be charged and collected from all customers outside the corporate limits of the city, except as provided in paragraph (c) below, obtaining service from such system shall be and are fixed as set forth below:

Sewer Rates

- (1) Residential (Minimum bill)—1,000 gallons \$23.25
Each 1,000 gallon or part thereof over 1,000 to 8,000 gallon cap at the volume charge hereinafter set forth
(\$0.10 of said minimum shall be allocated to fund household hazardous waste projects.)

(2) Commercial (minimum bill) – 1,000 gallons..... \$23.25

Each 1,000 gallons or part thereof over 1,000 gallons at the volume charge hereinafter set forth

(3) Volume charge, per 1,000 or more gallons over minimum,
1,000 gallons to 2,999 gallons or part thereof (Residential Only).....\$2.96
3,000 gallons and over or part thereof (Residential Only).....\$3.03
1,000 gallons and over or part thereof (Commercial Only)\$3.03

"In addition a Surcharge of \$5.00 per meter, per month will be charged to each customer for Treatment Plant improvements".

"(c) The sewer rates to be charged and collected from all state correctional institutions located outside the corporate limits of the city obtaining service from the system shall be and are fixed as follows: One and 31/100ths Dollars (\$1.31) per one thousand (1,000) gallons or part thereof."

Section 2.

The rates provided for under this Ordinance shall become effective on the first billing date after September 30, 2018. Nothing in this Ordinance, however, shall be construed to repeal or affect the rates currently in effect to the effective date of this Ordinance for charges which will be billed on the billing date as hereinabove provided. Further, nothing in this Ordinance shall affect the City's rights and remedies to enforce any rates in effect prior to the passage of this Ordinance.

Section 3.

This ordinance shall be effective upon its final passage and enforceable ten (10) days after its publication.

PASSED AND APPROVED on its first reading this 24th day of July, 2018.

PASSED AND APPROVED on its second and final reading this 13th day of August, 2018.

ORDINANCE NO. 1702

AN ORDINANCE OF THE CITY OF PAMPA, TEXAS, PROVIDING THAT THE CODE OF ORDINANCES, BE AMENDED BY REVISING SECTION 6.06.004 OF SAID CODE PROVIDING FOR FEES TO BE CHARGED AT THE CITY'S SANITARY LANDFILL; AND PROVIDING AN EFFECTIVE DATE.

BE IT ORDAINED BY THE CITY OF PAMPA, TEXAS:

Section 1.

Section 6.06.004 of the Code of Ordinances of the City of Pampa; be amended so that such section shall read as follows:

Sec. 6.06.004. Fees.

(a) There shall be paid and collected from the owner or driver of any vehicle for the use of the sanitary landfill for the disposal of solid waste and rubbish a fee of \$41.50 per ton, except as follows:

(1) Any resident of the City, upon providing proof with current water bill of such residency and for non-commercial disposal only: No Charge

(2) For any non-resident of the City and for non-commercial disposal only:

All vehicles: \$41.50 per ton

(3) Soils: \$41.50 per ton

(4) Sewer sludge: \$41.50 per ton

(5) Trees/Tree Limbs: \$41.50 per ton

(6) Business located within corporate limits disposing of locally generated grease trap slurry, car wash grit and septic tank contents: \$ 9.26 per hundred gallons

(7) Business located outside corporate limits disposing of grease trap slurry, car wash grit, and septic tank contents: \$13.08 per hundred gallons

(8) Small animals (e.g., dogs, cats): \$41.50 per ton with a \$30.00 minimum

(9) Concrete: \$41.50 per ton

- (10) Metal: \$41.50 per ton
- (11) Any item which may require special handling and not otherwise described herein: As quoted by the landfill superintendent
- (12) Any specific Solid Waste Disposal Agreement approved by the City providing for other fees or providing for other waste or rubbish.

(b) All fees required hereunder shall be paid in cash upon entry into the landfill and prior to the use thereof, unless other method of payment has been made by prior written agreement with the City.

Section 2.

All rates set under Section 1 above shall be effective October 1, 2018.

PASSED AND APPROVED on its first reading this 24th day of July, 2018.

PASSED AND ADOPTED on its second and final reading this 13th day of August, 2018.

APPROVED AS TO FORM:

Leland W. Waters, City Attorney

ORDINANCE NO. 1703

AN ORDINANCE OF THE CITY OF PAMPA, TEXAS, PROVIDING THAT THE CODE OF ORDINANCES BE AMENDED BY REVISING SECTION 13.02.042(a) OF SAID CODE PROVIDING FOR A MINIMUM LATE PENALTY CHARGE OF TEN PERCENT OF THE TOTAL BILL FOR WATER, SEWER AND TRASH (EXCLUDING TAX AND DONATION), OR \$20.00, WHICHEVER IS GREATER; AND PROVIDING FOR AN EFFECTIVE DATE.

BE IT ORDAINED BY THE CITY OF PAMPA, TEXAS:

Section 1.

That Section 13.02.042(a) of the Code of Ordinances of the City of Pampa be amended so that such section shall read as follows:

Section 13.02.042 Security deposit; billing cycle; discontinuance of service for nonpayment; reconnection

(a) All water service customers making application for water service after the effective date of Ordinance 993 adopted November 13, 1984 shall post a security deposit of fifty dollars (\$50.00) prior to being furnished water service by the city. The city may use the cycle billing system, and all bills rendered by the system shall be paid monthly no later than the fifteenth day after the billing date. If the utility bill is not paid in full by such date, a late penalty charge of ten percent (10%) on the total bill for water, sewer and trash (excluding tax and donation), or twenty dollars (\$20.00), whichever is greater, shall be charged. If not paid within twenty-five (25) days of the billing date, the customer's security deposit, if any, will be applied toward the payment of the bill and the service will be discontinued. The customer shall remain liable for any deficiency. If the customer, whose service has been discontinued, applies for reconnection, a reconnection fee of twenty dollars (\$20.00) plus any outstanding balance due the city must be paid in full prior to reconnection if the reconnection to the system is during normal business hours. If the reconnection to the system is at other times, the base reconnection fee will be thirty-five dollars (\$35.00) plus any outstanding balance due the city which must be paid in full prior to reconnection. In addition, all such customers requesting reconnection will post a security deposit with the city in the amount of fifty dollars (\$50.00). The balance of any security deposit already on deposit with the city may be applied toward the fifty dollar (\$50.00) deposit. A returned check charge shall be twenty-five dollars (\$25.00).

Section 2.

This ordinance shall be effective upon its final passage and enforceable ten (10) days after its publication.

INTRODUCED, PASSED and APPROVED on its first reading this 24th day of July, 2018.

PASSED, APPROVED and ADOPTED on its second and final reading this 13th day of August, 2018.

CITY OF PAMPA
ANALYSIS OF REVENUE SOURCES
2018-2019 BUDGET

GENERAL FUND

AD VALOREM TAXES

The Gray County Assessor/Collector collects the ad valorem taxes and makes the deposits to the City bank account on a daily basis. The total taxable value has steadily risen over the past ten years. Ad valorem taxes contribute to the support of the General Fund, Library Fund and the Debt Service Fund.

FISCAL YEAR	AMOUNT	%INCREASE OR DECREASE
2009-10	3,488,498	-2.68%
2010-11	3,633,420	4.15%

2017-18 Est.	4,190,518	-0.37%
2018-19 Budget	4,237,007	1.11%

SALES TAX

Sales Tax is collected by the State Comptroller and remitted to the City by wire transfer. Prior sales tax collections and City population are analyzed to determine the budget amount. A significant downturn in the economy resulted in lower sales tax beginning in 2008. A slow recovery began in 2011, peaking in 2014, at which time the economy began another downturn which continued until the middle of 2018.

FISCAL YEAR	AMOUNT	%INCREASE OR DECREASE

2018-19 Budget	3,550,000	7.27%

Sales Tax Collections

SANITATION CHARGES

Sanitation charges are billed to all customers who receive service for refuse collection. The amount budgeted is based on the present number of customers. Over the past 5 years customer count has seen a decrease due to the economy having a downturn in our area. Due to increased costs of the City landfill, the City has increased the rates for refuse collection slightly for the past several years. The increase in projected revenue for the current budget is due to funding the Community Pride project that was started in 2015.

SPECIAL REVENUE FUNDS

M.K. BROWN MEMORIAL AUDITORIUM FUND

HOTEL OCCUPANCY TAX

The City of Pampa receives a hotel occupancy tax based on quarterly occupancies of the hotels and motels within the city limits. Revenues began increasing due to the building of several new hotels within the City, peaking in 2014, when the economy began another downturn. With the downturn in the oil industry the hotels have experienced a large decrease in occupancy therefore reducing the tax collected.

<u>FISCAL YEAR</u>	<u>AMOUNT</u>	<u>%INCREASE OR DECREASE</u>

2018-19 Budget	300,000	15.38%

SOLID WASTE MANAGEMENT FUND

LANDFILL OPERATOR FEES

Landfill fees are charged to the City of Pampa and surrounding cities that utilize the landfill. Commercial customers such as roofing contractors and private refuse haulers also use our landfill. The escalation in revenue is due to periodic increases made necessary by the costs of opening and closing cells in the subtitle D landfill. Each cell lasts approximately five to seven years. One cell was opened in 2008-09 and another new cell opened in the 2017-18 year. The rate of \$41.50 per ton is included in the 2018-19 budget.

2018-19 Budget	2,370,000	12.86%

ENTERPRISE FUNDS

WATER AND WASTEWATER FUND

WATER SALES

The City of Pampa sells water to residential and commercial customers inside and outside the City limits. Water sales are dependent upon the amount of rainfall received during the spring and summer months. In 2014-15 the City replaced most residential meters with new, more efficient meters which is reflected in the stable water sales revenue over the past few years. This budget includes funds for water line replacement.

FISCAL YEAR	AMOUNT	% INCREASE OR DECREASE	NUMBER OF CUSTOMERS	% INCREASE OR DECREASE
2009-10	4,483,821	6.27%	8,104	-1.30%
2010-11	5,212,992	16.26%	8,193	1.10%

2018-19 Budget	5,240,000	0.67%	7894	-0.83%

WASTEWATER CHARGES

There is a direct correlation between water sales and wastewater charges. Residential customers are charged up to a maximum of eight thousand gallons of water consumption for wastewater charges. There is no cap on commercial customers. The assumptions for water sales are used for wastewater charges. Sewer rates have increased in direct correlation with the increase in water rates. Sewer rates were increased for 2014-15 to include a surcharge to generate funding for necessary improvements to the wastewater treatment plant. Wastewater treatment plant improvements are contained in this budget.

FISCAL YEAR	AMOUNT	% INCREASE OR DECREASE	NUMBER OF CUSTOMERS	% INCREASE OR DECREASE

PAMPA MUNICIPAL GOLF COURSE FUND

GREEN FEES

At Hidden Hills Municipal Golf Course, daily green fees are charged to users of the golf course who do not have an annual pass. In 2009-10 the economic downturn had a significant impact on the golf course and is reflected in a large decrease in revenues before rising again. Revenues were down in 2015-16 due to another economic downturn that has yet to fully recover.

MAYOR AND COMMISSION
2018-19 BUDGET
Dept. 01

MISSION STATEMENT

Our mission is to identify, procure, implement and support the highest values and services for the City of Pampa, its citizens and employees. We are committed to being responsible stewards of the resources entrusted to us by the Citizens of Pampa. We are committed to providing quality services, facilities, a clean city and always doing what is right for the betterment of the City of Pampa.

DESCRIPTION

Pampa was incorporated on February 17, 1912 and currently has a population of approximately 17,994 persons.

The City of Pampa is a "Home Rule" city operating under the City Charter adopted on November 2, 1927. The governing body is known as the City Commission operating with a Commission/Manager form of government. The City Commission hires a City Manager to execute policy. The Commission is elected at large from four wards with ward residency requirements. The Mayor is elected at large, and can live in any area within the city limits.

The City Commission meets in regular meeting session at 5:30 p.m. on the second and fourth Monday of each month.

FUNDING

This program is financed by the General Fund.

GOALS AND OBJECTIVES

1. Provide a catalyst for the involvement of residents, businesses and organizations in the development and maintenance of a well-integrated community.
2. Deliver critical public services in an efficient, professional and timely manner.
3. Preserve community physical and aesthetic assets.
4. Ensure the re-sell of tax foreclosure property and clean-up where feasible.
5. Provide for the efficient and equitable allocation of community fiscal resources.
6. Ensure the selection, training, motivation and retention of qualified men and women as City employees.
7. Identify and anticipate concerns, problems and opportunities, and take action to address them.
8. Provide an advocacy role to achieve changes and greater coordination in the policies of the state and federal governments.
9. Seek to consistently and consciously establish fees, taxes and related policies which allocate the true cost of resource use and public services.
10. Cultivate a healthy business climate within the community through encouragement of business expansion, retention and development.
11. Develop a new comprehensive plan and a five year capital improvement plan for the city. These will set forth the direction the city will take in maintaining and improving the infrastructure, equipment and financial planning for the city.

ADMINISTRATIVE SERVICES
2018-19 BUDGET
Dept. 02

MISSION STATEMENT

The mission of Administrative Services involves the implementation of policies established by the City Commission in a fair, consistent and effective manner. Our mission provides faith based management leadership which emphasizes the desire and ability to be a positive organization which accomplishes stated goals. The dedication and enthusiasm of the City staff supports our commitment to doing what is right for the betterment of the City of Pampa.

DESCRIPTION

The City Manager is the Chief Administrative Officer of the City. It is his duty, under the City Charter, to execute policies as established by the City Commission. He is also responsible for the overall coordination of the City's governmental activities and for the efficient operation of the City of Pampa.

The City Secretary provides legal and proper notice of all official meetings of the City Commission, notice of ordinances, and elections. She also provides maintenance and custodianship of the minutes of all City Commission meetings. Other duties include: file maintenance of official city documents and records; preparation and maintenance of City Commission minutes, ordinances, and resolutions; conducts City elections; certifies applications and issues permits and licenses as prescribed by city ordinances; countersigns checks, official documents and licenses.

The Administrative Assistant/Deputy City Secretary provides clerical services for the Administration staff. Other duties include serving as back-up to the City Secretary.

The City Attorney provides the City Commission and staff legal guidance and assistance, drafts ordinances and resolutions, and represents the City in the event of litigation.

GOALS AND OBJECTIVES

1. Constantly attempt to improve public knowledge of the operations and objectives of City government, and be responsive to public input.
2. Maintain the highest sense of ethical conduct in developing and implementing policies.
3. Respond and handle public concerns in a timely, fair and consistent manner.
4. Seek and identify problem areas and develop corrective measures to enhance the quality of life in Pampa.
5. Operate City government in an efficient and effective manner.
6. Maintain a political environment which emphasizes open, positive and respectful relationships between the professional staff, City Commission and Pampa citizens.
7. Lead by example, with a work ethic which promotes trust, confidence and a commitment to excellence.
8. Foster a productive work environment whereby employees are encouraged to conceive and develop ideas for the betterment of all.
9. Provide for efficient and effective records management and to provide for the care and preservation of records of permanent value.

10. Record the minutes of the City Commission meetings to provide continuity of government for the City as the legal record of legislative action.
11. Preserve the rights of every qualified citizen to cast his/her ballot for every proposition and candidate of the City.
12. Ensure that citizens have full and complete information regarding the affairs of their government.

**CITY OF PAMPA
FINANCIAL SERVICES
2018-19 BUDGET
Dept. 03**

MISSION STATEMENT

The Finance Department is an organization dedicated to providing quality financial services to other city departments, the City Manager, City Commission and the citizens of Pampa. The department ensures that all revenue and expenditures are properly accounted for, coordinates the annual budget, monitors compliance, and invests cash.

DESCRIPTION

The Finance Director coordinates all aspects of the City's financial management. All major decisions, that affect the City's monetary resources, are routed through her. She is instrumental in implementing all new bond issues and is responsible for designing the City's budget each fiscal year. The Finance Director is charged with preparation of the Comprehensive Annual Financial Report. In addition to those duties within Financial Services, the Director oversees the Information Technology Department, Utility Accounting and Collection Office, Payroll, Personnel, Municipal Court, and limited internal audit functions.

The Finance staff handles receipts and actual expenditures of all funds. Accounting personnel include the Assistant Finance Director, Staff Accountant, Payroll Coordinator, Accounts Payable Clerk, and Clerk/Receptionist. The Assistant Finance Director serves in conjunction with the Director of Finance on all phases of the City's annual budget and financial management and directly supervises the Staff Accountant, Accounts Payable, Accounts Receivable and Payroll. The Accounts Payable Clerk is responsible for the payment of invoices. The Clerk/Receptionist is responsible for the receipt of revenues, the ordering and disbursement of office supplies and the billing and collection of accounts receivables.

GOALS AND OBJECTIVES

1. To provide City departments, the City Commission and intergovernmental agencies with accurate and timely financial information.
2. To assist auditors in the preparation of the City's Comprehensive Annual Financial Report.
3. To ensure Budgetary and Legal Compliance with the City's adopted budget
4. Maintain accurate and efficient recording of all disbursements, receipts, and journal entry transactions.
5. To ensure adherence to the City of Pampa Investment Policy.
6. Stay abreast of current developments in governmental accounting and finance principles and statutes.

**MUNICIPAL COURT
2018-19 BUDGET
Dept. 05**

MISSION STATEMENT

The City of Pampa Municipal Court serves to provide an independent forum for the fair and impartial administration of justice, applying and enforcing the rules and laws of the United States and the State of Texas as well as the ordinances of the City of Pampa. The Court is committed to providing those we serve with courteous and efficient customer service, consistent with principles of due process and equality under the law.

DESCRIPTION

The jurisdiction of Municipal Court is provided in Chapters 29 and 30 of the Texas Government Code. Municipal Courts have original and exclusive jurisdiction over criminal violations of certain municipal ordinances, orders or resolutions that do not exceed \$2,000 in some instances and \$500 in others. Municipal courts also have concurrent jurisdiction with the Justice Courts in certain Class C misdemeanor criminal cases.

GOALS AND OBJECTIVES

1. Maintain accurate court records and to that end, ensure that judge and clerk are educated to changes in the laws by attending all required schools and other trainings that may be needed.
2. Provide quality service that ensures that persons are treated with courtesy, dignity and respect.
3. Maintain contract with OMNI and PERDUE BRANDON FIELDER COLLINS & MOTT LLP to improve collections of fines and fees.
4. Maintain the independence of the judiciary while strengthening relations with the public, the bar, and other branches of the government.

**POLICE SERVICES
2018-19 BUDGET
Dept. 08**

MISSION STATEMENT

The mission of the Pampa Police Department is to provide the absolute best Police services possible to the citizens of Pampa and those who choose to visit our community. The Pampa Police Department employees strive to achieve this goal with a spirit of excellence and a servant's heart. We believe in community oriented policing in accordance with Local, State, and Federal laws. We consider it a great honor to be able to serve the City of Pampa and we are committed to doing so with the highest regard to courtesy, respect, and fairness. We will strive to gain and maintain the highest level of training and education for our employees all in an effort, along with other departments in the City of Pampa, to make Pampa the pride of all who live here, and the envy of those who do not.

DEPARTMENT STATEMENT

The Pampa Police Department provides criminal justice and safety services to the people of Pampa. Police Department personnel are expected to maintain the highest degree of integrity, respect and professional conduct. Members of the Department have respect for each other and the public they serve. They obey all laws. Police personnel are problem solvers, cooperating to achieve positive results and are expected to maintain the highest degree of integrity, respect and professional conduct. Officers and personnel of the department have respect for each other, the public they serve, other criminal justice agencies and for themselves.

Pampa police personnel are ever mindful of the rights of others as guaranteed by the United States Constitution and obey all federal, state and local laws, ordinances and statutes. Police personnel are required to participate in training programs to maintain maximum performance levels and the desired reputation for professionalism.

Personnel are problem solvers using the latest legal means, through technology, knowledge and cooperative effort to achieve positive results.

Personnel are always cognizant of their duty, community reputation and loyalty to the profession they have chosen.

GOALS AND OBJECTIVES

1. To protect and improve the quality of life in Pampa through:

- ♦ Community involvement and partnerships
- ♦ Enforcement of all laws courteously, but firmly
- ♦ Team work and cooperation with citizens, other criminal justice agencies, and each other
- ♦ Maintaining the highest degree of integrity
- ♦ Solve problems through cooperation, knowledge, technology and creative legal concepts
- ♦ Compliance with the Pampa Police Department's written directives and the City of Pampa's policy manual.
- ♦ Striving for the highest degree of customer/client service possible
- ♦ Making the most efficient and cost effective use of available resources, fiscal and human
- ♦ Recruiting and selecting the best applicants for employment
- ♦ Identify, formulate and operate within specified plans for present and future needs.
- ♦ Develop and use a core group of instructors to provide training for department personnel
- ♦ Provide direction and supervision in a way that is fair, firm and consistent for all employees.

2. The following programs are presently in place within the City of Pampa, all with the focus of accomplishing the goals set forth above.

Community Involvement/Community Meetings

Citizens are encouraged to act as the "eyes and ears" of the police in their respective neighborhoods in detecting and identifying persons and situations with which the police would, as a matter of duty, be concerned with and a wide range of training programs.

In addition, community meetings are held to augment the citizen involvement and create a flow of information to the police department in terms of program effectiveness, increased program coverage and program improvements based upon actual performance.

SWAT Team

The Pampa PD has teamed with the Gray County Sheriff's Office to form a tactical response unit to better serve the citizens of Pampa and Gray County in any high risk, tactical incident. The team goes through a selection process and is currently training twice a month, every month in areas to include, but not limited to: barricaded subjects, hostage situations, high risk warrant service, manhunts, active shooter, etc.....

Motor Division

The Pampa Police Department initiated the Motor Division to our department last year. These two Officers are selected and sent to an intensive training school. They are primarily traffic Officers. They enforce traffic and also work most, if not all, motor vehicle accidents while on duty. This division has been instrumental in reducing the traffic accidents in our community and making traffic flow safer for all.

Crime Stoppers

Crime Stoppers is a statewide program utilized to obtain information regarding the commission of felony crimes. The Pampa Police Department has teamed up with Roberts County and Wheeler County to form the Top O Texas Crime Stoppers. Information is gathered from citizens who may have witnessed crimes or who possess some relevant information which could lead to the apprehension of the person(s) responsible for the commission of a crime. This information is then provided to the proper law enforcement agency for investigation. The Crime Stoppers program provides cash rewards for persons who provide useful information to law enforcement which results in the apprehension and indictment of criminals.

School Resource Officer

The School Resource Officer Program is a joint venture between the City and School System and funds officers to work at the Schools to provide a safe and secure environment for our children, youth and faculty. These officers are also liaisons for the City and School, providing a great link between these two entities.

**EMERGENCY MEDICAL SERVICE
2018-19 BUDGET
Dept. 09**

MISSION STATEMENT

The mission of the Ambulance Service is to be the premier provider of health and safety solutions.

DESCRIPTION

Emergency Medical Services are provided to the City of Pampa and Gray County through Pampa EMS. Pampa EMS is a non-profit foundation created for the purpose of providing professional and timely ambulance services to the citizens of Pampa and the surrounding areas.

FUNDING

EMS is funded through user fees which are charged and collected by Pampa EMS as a part of their contract. The City of Pampa provides a maximum subsidy of \$140,000 through the General Fund as does Gray County.

**FIRE PREVENTION
2018-19 BUDGET
Dept. 10**

MISSION STATEMENT

Fire Prevention is committed to the enhancement of the quality of life and making Pampa a safer place to live through the enforcement of Fire Prevention, Fire Safety Education and Fire/Arson Investigations.

DESCRIPTION

The Fire Prevention Department is composed of the Fire Marshal.

The Fire Marshal's Office investigates all fires to find the cause and origin and conducts annual inspections of all commercial businesses to locate and correct fire hazards. The hospital and nursing homes are inspected twice a year. Home inspections are performed when requested by the homeowner. This office also assists surrounding communities with annual fire inspections for schools, jails, nursing homes and private residences. Also, the Fire Marshal is called upon to assist other communities and agencies in conducting fire origin and cause investigations when requested. The Fire Marshal also performs code inspections of high weeds, grass, trash and debris.

Fire safety/prevention programs are presented to any group requesting one. Throughout the year, safety and education programs are presented at schools, churches and various other organizations in our city as well as smaller surrounding communities. Suspected arson fires are investigated by the Fire Marshal's Office.

GOALS AND OBJECTIVES

1. Deter arson in our City through the effective prosecution of violators of the law.
 - a. Make public aware that all suspicious fires will be thoroughly investigated.
 - b. Charges will be filed on person or persons suspected of committing the crime of arson.
 - c. Suspects will be punished according to the law.
2. Enforce all local codes, ordinances and state laws relating to fire prevention and fire hazards.
 - a. Public awareness of fire safety through news media.
 - b. Public awareness of fire hazards through public education.
 - c. Eliminate fire hazards through fire inspections.

BUDGET HIGHLIGHTS

- Continue to purchase Fire Prevention materials that will target elementary aged school children and make them more aware of fire prevention measures.
- Continue updating Fire Prevention materials and distributing them to the general public.
- Continue providing annual training required by the State to maintain certification for Fire/Arson Investigator, Fire Inspector, Code Enforcement Officer EMT, Firefighter and Peace Officer.

PUBLIC WORKS/ENGINEERING/PLANNING AND ZONING
2018-19 BUDGET
Dept. 11

MISSION STATEMENT

To be indispensable to the community and other divisions and departments at the City, the City of Pampa Engineering Department shall provide a high level of expertise for the planning, designing, administration, and oversight of all public works improvements and subdivision developments. It is our goal to provide these services in a professional, well-organized, and cost-effective manner, all the while keeping paramount the health, safety, and welfare of the public.

DESCRIPTION

All of the personnel in the Public Works Department are committed to providing quality service to the community. They strive to carry out the responsibilities entrusted to them efficiently and effectively for the citizens of Pampa.

The Director of Public Works coordinates the operation of the following departments: Streets (streets, traffic control, and drainage), Water and Wastewater (water distribution, wastewater collection, water production, and wastewater treatment), Sanitation (landfill, collection, recycling, and composting), Code Enforcement and Engineering. The Public Works/Engineering/Planning and Zoning Department is responsible for supplying professional engineering services to all City departments, assisting each department in the preparation of budget proposals, as well as capital improvement studies in water distribution, wastewater collection, water production, wastewater treatment, sanitation, streets, traffic control, and drainage. The department drafts plans and specifications and administers projects. Projects of a larger nature or those requiring specialized technical knowledge are designed and/or supervised by the Engineering Staff through professional consultants.

The department maintains the City's records of streets, utilities and boundaries in current status. It also assists the public with engineering/feasibility studies, utility companies with service line locations, and provides support for the Planning and Zoning Commission and the Board of Adjustment which is appointed by the City Commission.

The Planning & Zoning Liaison files all plats at the Gray County Clerk's Office and records Volume and Page Numbers in the appropriate records.

Maps and acreage within the city limits are updated regularly, as needed, and State and Federal agencies are informed of annexation. At least one staff member of the department attends the Planning and Zoning and City Commission meetings to follow-up on all zoning, annexation, and platting that have been filed with the zoning officer and answer any questions that might arise.

GOALS AND OBJECTIVES

1. Provide oversight to Planning & Zoning Commission and the Board of Adjustments and Appeals.
2. Provide municipal engineering services for City projects in all departments.
3. Long-range planning for extension of City utilities, streets and other services.
4. Continue digitization of all City records and maps for facilities.
5. Provide citizen assistance in development of properties within the City limits and the extra territorial jurisdiction.

**PUBLIC SERVICE DEPARTMENT
STREET DEPARTMENT BUDGET
2018-19 BUDGET
Dept. 12**

MISSION STATEMENT

The Street Department's mission is to ensure quality service in timely professional manner and provide safe travel throughout Pampa, Texas.

DESCRIPTION

The responsibility of the Street Department involves the maintenance of 137.3 miles of asphalt, 5.70 miles of concrete, 1.25 miles of brick, 14.66 miles of unpaved streets, 86.67 miles of unpaved alley's, 2.25 miles of

Paved alleys, and 252.74 miles of curbs and gutters. Maintenance work includes sweeping, hot mix patching crack sealing, in-house strip seal coating, overlaying streets and dirt roads, hauling sand and gravel. There are 7.57 miles of storm drains, 240 storm inlets and 3918 traffic signs and street markers in the city. We have 961 intersections, 386 of which do not have signs or traffic control devices. Once a year, 5.7 miles of crosswalks and 9.6 miles of parking stripes are repainted while 4.77 miles of curbs and 17.1 miles of driving lanes are repaired every other year. There are also 7 bridges to be maintained, which includes the repairs/painting of guard rails and maintenance of 37 barricades. There are also 53 traffic signals to be maintained.

The Street Department cooperates with other departments in carrying out general operations of the City. This includes Police and Fire Departments with street closures, picking up debris or any other unforeseen hazard.

GOALS AND OBJECTIVES

1. Maintain all streets, alleys and drainage in Pampa.
2. Provide safe flow of traffic with good visibility, stop signs, signal lights, etc. throughout the City.
3. Support other departments in general operations of the City requiring the use of heavy equipment.
4. Establish a good working relationship with the citizens of Pampa, Texas, and respond to their needs in a timely fashion.
5. Provide a safe environment in which to work.

**PARKS DEPARTMENT
2018-19 BUDGET
Dept. 13**

MISSION STATEMENT

The Parks Department mission is to provide citizens and guests with well-maintained public parks, enhancing the quality of life as well as providing recreations and leisure opportunities to help instill pride in our community.

DESCRIPTION

The responsibilities of the Parks Department are to maintain 42 parks through mowing, trimming, minor landscaping, litter control, tree trimming, planting, and fertilizing. Maintain and repair 106 pieces of playground equipment, 8 restrooms, 9 drinking fountains, 130 picnic tables, 58 fire grills, 8 covered shelters, 1888 trees and 68 benches. The Parks Department is responsible for maintaining barrier posts that border parks, 116 trash barrels, and security lights in 30 parks, in addition to installing new facilities, outdoor equipment and sprinkler systems. The Parks Department also maintains the grounds at City Hall, Lovett Memorial Library, the medians at Somerville and 23rd streets, city owned properties bordering Red Deer Creek, Fire Tower Training facility and Service Center grounds. City Hall small parks are reseeded and fertilized annually, and Central Park is fertilized as needed. Other duties include the installation and repair of seasonal decorations, removal of snow and ice, cleaning 3.5 miles of hike and bike trails and assisting other departments as needed.

The Parks Department also assists in emergency response and clean up in disasters, weed and mosquito control, reporting and correcting vandalism in parks and assisting in special events, such as Chautauqua, July 4th Celebration, Woody Guthrie Festival, Christmas Parade, and other events supported by the Parks Department. This department works in conjunction with Clean Pampa, Inc. to help coordinate efforts in the Adopt-a-Park Program.

GOALS AND OBJECTIVES

1. Support other departments in general operations of the City requiring the use of heavy equipment.
2. Establish a good working relationship with the citizens of Pampa and respond to their needs in a timely fashion.
3. Maintain Parks and Facilities in a safe, clean and functional condition conducive to outdoor recreation enjoyment.
4. Provide a safe environment in which to work.
5. Clean the Hike-n-bike trail, removing all weeds, grass and dirt off the trails.

**RECREATION DEPARTMENT
2018-19 BUDGET
Dept. 14**

MISSION STATEMENT

The Recreation Department's mission is to enhance the quality of life in Pampa by providing the opportunity for organized recreation programs, athletic programs and other outdoor group activities, as well as, maintaining the city's recreational facilities in a safe and professional manner.

DESCRIPTION

The Recreation/Building & Grounds superintendent oversees the Recreation Department, which consists of the superintendent , two full-time Recreation Technicians, and several part-time seasonal employees.

The Recreation Department is responsible for the development, implementation and supervision of recreation programs, as well as, the operation, on-going maintenance and repairs to seven softball fields, four outdoor basketball courts, two outdoor volleyball courts, the Pampa H2O Aquatic Center, the Skate Park in Central Park, the Recreation Park R.V. Park and Group Shelter Building, and the Recreation Center.

Recreation programs sponsored by the City of Pampa include three softball, kickball and flag football seasons, one in the spring which is made up of Men's and Women's Open League, Men's Church League and Mixed Open League, one in the summer and one in the fall which are made up of Men's Open League and Mixed Open League; Summer Swimming lessons with instruction provided by lifeguard staff; Men's, Women's and Mixed Open volleyball leagues. Two Cornhole seasons are played in the winter months at the Recreation Center.

GOALS AND OBJECTIVES

To provide "quality of life" recreational services to the citizens of Pampa.

1. Softball, Kickball, Flag Football and Cornhole
 - a. Work with the Player's and Umpire's Associations as well as other organizations to enhance the quality of our adult softball leagues.
 - b. Increase the number of teams in our existing leagues.
 - c. Maintain the quality of the Hobart Street, Lions Club and Recreation Park softball complexes in a professional manner.
2. Aquatic Center
 - a. Maintain a clean, safe, and professional environment.
 - b. Continue to work with the American Red Cross in providing swimming lessons to the public.
 - c. Provide fitness activities for the community outside of operating hours. Aqua Zumba classes are currently being offered evenings, 3 days a week.
 - d. Increase the number of citizens who use the facility.
3. Volleyball
 - a. Coordinate Men's, Women's and Mixed volleyball leagues.
 - b. Maintain Recreation Park's sand volleyball court.
 - c. Coordinate sand and hard court volleyball tournaments.

BUILDING AND GROUNDS
2018-19 BUDGET
Dept. 15**

MISSION STATEMENT

The Building and Grounds Department's mission is to maintain and repair the electrical, mechanical, plumbing, heating and air conditioning systems of public facilities owned by the City of Pampa, as well as provide custodial services for City Hall and Lovett Library.

DESCRIPTION

There is currently one full-time and several part-time employees in Building and Grounds including the Building & Grounds Superintendent and several custodians. All facility maintenance and minor remodeling work on City Hall, Lovett Library, M.K. Brown Memorial Auditorium and Civic Center, National Guard Armory, the Service Center, Recreation Department (buildings and pools), and the South Side Senior Citizens Center is completed by the Building & Grounds Department and contract labor.

COMMUNITY SERVICES SUPERVISION
2018-19 BUDGET
Dept. 16

MISSION STATEMENT

The Community Services Division of the City of Pampa will provide citizens and visitors with quality facilities, programs, resources and services to meet their leisure, educational and professional needs.

DESCRIPTION

The Director of Community Services is responsible for the following departments: Building and Grounds, Hidden Hills Public Golf Course, Lovett Memorial Library, the M.K. Brown Memorial Auditorium & Civic Center, Recreation and the Pampa H2O Aquatic Center. The efficient, professional and courteous delivery of services to the public on a daily basis is the on-going goal of each department. The Golf Professional at Hidden Hills is designated as contractual rather than a Department Head, and is responsible for both the Pro Shop and the maintenance of the 18-hole golf course.

GOALS AND OBJECTIVES

1. Continue to work toward full Americans with Disabilities Act (ADA) compliance in all Titles (I-IV) and Texas Architectural Standards (TAS) as they pertain to City government and the delivery of services to the public.
2. Continue to work with the Downtown Business Association, the Pampa Economic Development Corporation and local civic groups to promote Pampa and its facilities.
3. Continue to work with government, business and private entities to attract, maintain, and enhance tourism and commerce to this community.
4. Continue to seek grants and other funding to augment City revenues.

**FIRE SUPPRESSION
2018-19 BUDGET
Dept. 17**

MISSION STATEMENT

Minimize loss of life and property and to safeguard the citizens of Pampa and surrounding area by mitigation, response, termination of incidents and providing quality customer service by a highly trained professional team.

DESCRIPTION

The Pampa Fire Service-Suppression is composed of the Fire Chief, two Assistant Chiefs, and twenty-four on-line Firefighters, consisting of six Captains, nine Equipment Operators, and nine Firefighters. There are two stations with nine personnel assigned to Station #2 and fifteen personnel assigned to Central Station #1 divided into A, B and C shifts. The Fire Chief, the two Assistant Chiefs, and the Fire Marshal are located in offices at Station 1 located at 203 W. Foster. The Assistant Chief of Operations is also the Training Officer of the department is also the assigned Safety Officer. The firefighting team has various members specially trained in Hazardous Materials, Rope Rescue, which includes Confined Space Rescue and advanced life support. The department assists industry and business by holding documents of SARA Title III reporting, and performs a vital service in the Community Action in Emergency Response (CAER Program) along with firefighting duties. The members handle minor repairs to departmental buildings and equipment as well as preventative maintenance on Fire Apparatus and Pumps and annual testing & maintenance on Self Contained Breathing Apparatus (SCBA). They perform annual hydrant, hose and apparatus testing. Pampa Fire Department is involved with other regional fire departments through membership in the Sweetwater Creek Fire Association (SCFA) and the Panhandle Emergency Response System (PERS) as well as the more recent, expanded cooperation with the Panhandle Regional Planning Commission (P.R.P.C.) which covers all 26 counties of the Texas Panhandle. All members of the department are required to be at the minimum basic Emergency Medical Technicians and its primary EMS responsibility is to provide First Responder services for the current EMS provider.

- GOAL # 1: Limit property loss by containing fires to their area of origin.

Objective 1: To train in the effective use of all equipment (positive pressure ventilation, apparatus, hand tools, Jaws of Life, and foam systems etc....) for rapid fire control.

Objective 2: To utilize the incident command system for effective scene operations.

- GOAL #2: Improve safety and effectiveness of fire fighting operations through pre-fire planning surveys of commercial structures.

Objective 1: To orientate personnel to local hazards in public places.

Objective 2: To prepare firefighters for any obstacles they may face inside public access areas before they become a hazard.

Objective 3: To familiarize firefighting personnel to overall structural components.

Objective 4: To coordinate information through the Fire Marshal's Office.

Objective 5: To utilize Firehouse (pre-fire plan) software.

- GOAL # 3: Prevent fires by eliminating common hazards.

Objective 1: To educate the public to common hazards in businesses and homes so that these hazards may be alleviated before a problem develops.

- GOAL #4: Develop and provide new training programs to improve performance.

Objective 1: To upgrade firefighting personnel to the Hazardous Material Technician level.

Objective 2: To continue upgrading personnel in emergency medical response in the fire department while providing continuing education units for all members.

Objective 3: Achieve training for continuing education for all personnel in HazMat, Fire Suppression, Emergency Medical training, Infectious Disease control, Confined Space Rescue.

Training Goals

- GOAL #1: Achieve CEUs required by the Commission on Fire Protection, the Texas Department of State Health Service, the EPA, and Sara Title III and by TCLEOSE.

Objective 1: Texas Department of Health training will be achieved through monthly training and Internet to obtain Continuing Education units required.

Objective 2: Continue program for utilization of the automatic external defibrillator.

Objective 3: Update and keep current all personnel on the National Incident Management System.

- GOAL #2: Continue IFSTA Training Manual Program

Objective 1: Through monthly training and testing complete IFSTA Training Manuals.

Objective 2: To keep in the forefront the basics behind firefighter training through the use of the Essentials Manual Training Curriculum.

- GOAL #3: Train and develop a public education program

Objective 1: Participate in school visitations.

Objective 2: Continue the "CHANGE YOUR CLOCK, CHANGE YOUR BATTERY" theme already established.

Objective 3: Introduce more fire prevention ideas through media public safety announcements, signs in front of the station and press releases in the local newspaper.

Objective 4: Participate in high school career day activities and the Shattered Dreams Program.

Objective 5: Participate in the Numerous Community Health Fairs.

Objective 6: Continue to utilize and develop Pumper fire prevention programs for area children.

**CODE ENFORCEMENT
2018-19 BUDGET
Dept. 18**

MISSION STATEMENT

The mission of the code enforcement division is threefold in nature.

1. Work to protect the public's health.
2. Work to improve the quality of life.
3. Work to create a safer community for the people of Pampa.

These goals are achieved through the consistent enforcement of our adopted codes to increase public safety and awareness, by adjusting to the needs of our community, by staying abreast of the latest information, through continuing education, and through providing the best possible customer service.

DESCRIPTION

The Code Enforcement Department is composed of Permitting and Code Enforcement.

The Building Official must review each of the following as it is updated by the major codes: Building, Electrical, Plumbing, Mechanical, Gas, Energy, and Zoning. The Building Official reviews these codes with the Construction Board of Appeals. After proper review, recommendations concerning adoption of revised codes are made to the City Commission. Under provisions of the codes, boards are appointed to work with the inspector. These boards are The Board of Adjustments, the Zoning Board and the Construction Board of Appeals. Appeals regarding decisions from the Building Official may be heard by the appropriate board. Once updated, codes are adopted as ordinances; the Building Official enforces said ordinances, and defends them before the City Commission, the public and in court when necessary. The Building Official accepts applications for permits and reviews plans that are submitted. When the Inspector finds that plans comply with the codes, a permit is issued. Inspections are made to see that construction is performed in accordance with the codes and approved plans. The Inspector investigates all allegations of non-compliance, and takes any necessary actions(s) to bring about compliance. The investigation may range from someone working as a plumber who does not have a license, or it could be to resolve a complaint about dilapidated buildings.

Sections 14-21 through 14-25 of the City Code address the growth of uncultivated weeds. The Code makes it unlawful for a person to allow weeds to grow higher than 12 inches on property under someone's control, or on the right of way adjacent to said property. Sections 17-66 through 17-83 address litter, unsanitary conditions, and objectionable accumulations on private property. Sections 12-261 through 12-268 make it unlawful to keep junked vehicles. Sections 6-81 through 6-82 address dilapidated buildings, stating that dilapidated buildings must be repaired or demolished.

Procedures for compliance include informing, in writing, anyone violating the City Code and providing them a reasonable time to correct any violation prior to instituting court action. Code enforcement employs two full time clerks to issue permits and answer the Action Center telephone lines.

GOALS AND OBJECTIVES

1. Protect the public's health and welfare through the enforcement of adopted codes and ordinances.
2. Seek compliance with all adopted codes and ordinances through:
 - a. Inspections of complaints
 - b. Inspections of permitted jobs
 - c. Re-inspections of violations
 - d. And legal action where necessary
3. Provide the citizens of Pampa with explanations of codes and the necessity of complying with the regulations.
4. Seek increased compliance for dilapidated structures through rehabilitation or demolition.
5. Organize and maintain regular meetings for the Construction Board of Appeals.
6. Update computer equipment and software as needed.

ANIMAL CONTROL
2018-19 BUDGET
Dept. 19

MISSION STATEMENT

The Pampa Animal Services mission is to enforce all state and local ordinances involving animals and their rights, and to promote responsible pet ownership and education. We will always strive to do what's right to reduce the risk of disease and injury to both our citizens and their pet companions.

DESCRIPTION

Animal Control patrols the streets of Pampa, and responds to all complaints received. The department handles all species of animals, dead and alive, and continues a constant battle against their unjust and unfair neglect. Animal Control devotes all efforts to educate the public about responsible pet ownership, the responsibilities involved in owning a pet and all laws which involve pets. Animal Control makes every effort to find good homes for all unclaimed animals and assure a kind and painless death to those unfortunate ones for which homes are not found. Those unfortunate ones are the reason for education.

GOALS AND OBJECTIVES

1. Educate the citizens and their children about the purpose and mission of Animal Control and conduct education programs.
 - a. Investigate all complaints received within 48 hours and take appropriate action to prevent similar complaints or problems in the future.
 - b. Make every effort to identify stray pets and return them to their owners, and consistently increase the percentage of stray pets returned to owners.
 - c. Quarantine all biting animals to protect other pets and people from contracting rabies.
 - d. Utilize the media to educate the public about rabies, including how it can be transmitted and prevented.
2. Maintain facility in a manner that is both safe and presentable to the public.
 - a. Operate an animal shelter that places emphasis on the needs and health of the animals and is disease free and presentable to the public.
 - b. Make necessary repairs to the facility as needed.
3. Maintain continuing education for each Animal Control employee with a Texas Department of Health Animal Control Certification.

DISPATCHING SERVICES
2018-19 BUDGET
Dept. 20

MISSION STATEMENT

Dispatching Services is committed to providing fast and accurate support to fire, police and ambulance personnel as they serve the emergency needs of the citizens of Pampa and our surrounding service area.

DESCRIPTION

Dispatching Services Department is part of the total emergency services team, supplying vital support functions in providing efficient, cost-effective emergency response to the citizens of Pampa and Gray County. To ensure success, there must be a total effort to guarantee that four major components of emergency communication are constantly present:

1. Dependability – dependability of our communications system provides that the system will be available and in good operating condition at all times.
2. Accuracy – police officer, fire fighter, ambulance personnel and citizen safety is dependent on a high degree of accuracy in the emergency transmission. It is vital that proper, complete and correct information be communicated to the emergency responder.
3. Speed – the immediate arrival of an emergency responder at the scene of an incident is imperative in the protection of life and property or the apprehension of criminals.
4. Security – the need to limit tactical information to emergency response personnel only.

In addition to emergency response, Dispatching Services provides the communication link between citizens in need of service and various City departments that provide the service. To meet these objectives Dispatching Services Department is staffed seven days a week, twenty-four hours per day. Dispatching Services is under the direct supervision of the Police Department's Assistant Chief of Police.

FUNDING

The program is funded through the General Fund.

GOALS AND OBJECTIVES

1. To provide fast, accurate and courteous service to the citizens in time of police, fire and/or medical emergency.
2. To provide police, fire and ambulance personnel with necessary information and support as they deliver emergency service.
3. To provide a professional communications system through continuing in-house and off site training of operators.
4. To provide a dependable communications system through upgrading and maintenance of equipment.

PAMPA EMERGENCY MANAGEMENT
2018-19 BUDGET
Dept. 26

MISSION STATEMENT

The mission of Pampa Office of Emergency Management (Pampa OEM) is to maintain an on-going Emergency Management program that will provide citizens, local business, and industry in Pampa with a resource to turn to in time of an emergency. Pampa OEM also maintains a written Emergency Plan that meets State and Federal standards for emergency preparedness. The purpose of which is to facilitate hazard planning, prevention, response and recovery activities to best serve the public need. Pampa OEM works closely with the other jurisdictions and organizations in Gray County, the Panhandle, and the State to maintain a high level of emergency preparedness.

DESCRIPTION

The Mayor, being the Chief Elected Official of the City, is the Emergency Management Director, as defined by the Texas Disaster Act. The Emergency Management Director has appointed an Emergency Management Coordinator (EMC) to serve as his representative in matters pertaining to Emergency Preparedness.

Pampa Office of Emergency Management works very closely with area emergency responders and city staff to train personnel. The goal of this training is to mitigate disasters and therefore minimize the loss of life and property. Local hazards have been identified, including: tornadoes, winter storms, hazardous materials spills, and transportation and industrial accidents, among others.

Pampa Office of Emergency Management also works with professional and volunteer agencies by facilitating planning and training to meet the needs of our communities. Pampa OEM works with local churches and other VOADs (Voluntary Organizations Active in Disaster) to support mass care and sheltering requirements that may result from citizens displaced from their homes after a disaster.

The EMC develops and maintains emergency plans and makes recommendations to the Mayor, City Manager, and City Commission on issues pertaining to prevention/protection, planning, response, and recovery. The Basic Plan of the Pampa Emergency Operations Plan (EOP) establishes legal authority of local government to operate during times of an emergency. The Plan also has annexes or Emergency Support Functions (ESFs), which support the Basic Plan and are used to give guidance to those providing support services to the Plan. The Emergency Plan is tested annually and updated when required.

Task specific training to maintain a program of emergency preparedness is provided by the State and Federal Governments to the Coordinator and other emergency management staff and responders. This year, we have been instrumental in broadening that training impact.

FUNDING

Emergency Management is accounted for through the General Fund.

The Department of Homeland Security provides partial funding. This funding permits reimbursement for expenses relating to the administration of the local program for such things as telephone service, office materials, personnel staffing, and other specific expenses. Additional funding comes from periodic and limited grants from other public and private sector organizations.

GOALS AND OBJECTIVES

1. Maintain an on-going program of emergency preparedness that will provide local government, citizens, business, and industry in Pampa with a resource in time of disaster.
 - a. Enhance the capabilities of and competencies within the Emergency Operations Center (EOC) by training staff and ensuring a high level of emergency readiness.
 - b. Coordinate and provide support to the first responders to effectively and efficiently help support their emergency resource, personnel, and coordination needs.
2. Help to maintain a communication network.
3. Revise our Basic Plan and annexes for the Pampa Emergency Operations Plan as needed.
4. Test the Pampa Emergency Plan by conducting not less than three fiscal year training exercises.
5. Support rebuilding the viability of the Local Emergency Planning Committee (LEPC) to serve the citizens of Pampa and Gray County in relation to hazardous materials.
6. Test warning systems and implement the capabilities of our other systems to keep citizens informed of impending hazards.
7. Encourage voluntary participation in the Pampa's Mass Notification System.
8. Continue to build, develop, and support citizen volunteer programs such as CERT (Community Emergency Response Team), Storm Spotters, and ESU.
9. Build and facilitate more competencies in Incident Management in order to better minimize the effects of emergencies and disasters on our community.
10. Work closely with schools and medical facilities to support overall community preparedness.
11. Establish subject matter support for several of the Emergency Operations Plan Annexes.
12. Continue with NIMS training program for all city responders and those managing and supporting personnel.
13. Continue to build and facilitate collaboration with local and regional public and private sector organizations to boost our overall preparedness.

BUDGET HIGHLIGHTS

- Travel expenses have been allotted to train staff and elected officials in matters relating to emergency preparedness that will help increase understanding of their roles in time of disaster, expand their competency during the response, and help facilitate the recovery processes.
- Budget amounts for training of new staff are remaining stable due number of mandated training classes required by FEMA/DHS/TDEM.

**INFORMATION TECHNOLOGY
2018-19 BUDGET
Dept. 41**

MISSION STATEMENT

The mission of the Information Technology Department is to provide the most innovative, highest quality technology-based services, in the most cost-effective manner, and to facilitate the achievement of goals and objectives of each of the City's departments.

DESCRIPTION

Information Technology provides support for the City's multi-platform network environment, operating systems, servers, and office automation programs. Major activities include the evaluation, configuration, and implementation of new technology, development of computer-related standards and policies, installation and maintenance of hardware, software, and network systems, coordination of user training, management of Wide Area Network links, coordination of computer equipment purchases, and inventories.

GOALS AND OBJECTIVES

1. Provide maintenance and technical support for the City's Local and Wide Area Networks, consisting of over 10 file/database/application and test servers.
2. Provide training and support for the City standard software applications.
3. Develop, enhance, and maintain the City's Websites, internet and intranet applications.
4. Promote new uses of information technology within the institution through the support for exploratory and innovative applications.

**CENTRAL GARAGE
2018-19 BUDGET
Dept. 45**

MISSION STATEMENT

The Central Garage funds the cost of labor for the repair of the City fleet. It also provides an area in which employees may perform preventive maintenance and minor repairs to the fleet and other equipment.

DESCRIPTION

Central Garage has two service areas: a central garage and a paint room.

FUNDING

Central Garage is accounted for through the General Fund. Revenues are generated through taxes and administrative charges to other funds.

GOALS AND OBJECTIVES

1. Maintain a safe working area.
 - a. Clean work area
 - b. Organize work area
2. Reduce down time on vehicles and equipment.
 - a. Preventative maintenance

**SOLID WASTE COLLECTION
2018-19 BUDGET
Dept. 48**

MISSION STATEMENT

The mission of the Solid Waste Collection Department is to provide refuse collection services for the citizens of Pampa. This is done in conformance with applicable state and federal standards in the most efficient and effective manner practicable.

DESCRIPTION

The Solid Waste department maintains a fleet of six side loaders, one dumpster repair truck, one roll off truck and one Knuckle Boom for the collection of 17,500 tons, or 35,000,000 lbs. of solid waste collected each year throughout the city.

The department services 7,550 residential and commercial accounts.

Residential In-town	6,748
Residential Outside city limits	23
Commercial In-town	762
Commercial outside city limits	17

The department has a Roll Off Container program that provides a resident or group of residents the opportunity to remove debris from their residences free of charge.

FUNDING

Solid Waste Collection generates revenue from user fees for refuse pickup ("trash" on the utility bill) and is accounted for within the General Fund/Solid Waste Collection.

GOALS AND OBJECTIVES

1. Consolidate Sanitation Routes for efficiency.
2. Continue providing outstanding sanitation services to the citizens of Pampa.
3. Replace deteriorated dumpsters with new or refurbished dumpsters.
4. Continue educating citizens about collection options, recycling and other programs available to assist with solid waste disposal.
5. Strive for higher professionalism.
6. Cross-train employees for efficiency.
7. Maintain Solid Waste Certifications for all sanitation employees.

M.K. BROWN MEMORIAL CIVIC CENTER
2018-19 BUDGET
Dept. 21

MISSION STATEMENT

The mission of M.K. Brown Memorial Auditorium and Civic Center is to play a vital role in the arts and entertainment for Pampa and surrounding areas, and to maintain an inviting gathering place for citizens to celebrate and share human and cultural experiences.

DESCRIPTION

The Civic Center has more than 35,000 square feet available for use. The auditorium itself has permanent continental-style seating for 1,500 people. The stage area consists of more than 2,200 square feet with two dressing rooms flanking each side of the stage.

The Civic Center staff consists of on part-time manager and several part-time event workers, custodians, light and sound techs, etc.

Three entrances, one on the south side and the other on the northeast, open into a main lobby containing approximately 2,800 square feet. This area is also used for exhibits, for craft shows, and hospitality hours. Connected to the lobby is the Civic Center Heritage Room, which contains some 6,500 square feet of open space. The room will accommodate 500 for banquets, 350 for dances, etc. or 500 in theater style for plays and meetings. The third entrance, located just northwest of the northeast entrance, gives access to the business office.

Sufficient paved and lighted parking areas are provided for the convenience of those who use the facility. Loading docks are provided for the Heritage Room, kitchen area and auditorium stage.

FUNDING

The Civic Center is accounted for through a Special Revenue Fund. Revenues are derived from the Hotel/Motel Occupancy Tax, auditorium rentals or charges, transfers from the M.K. Brown Trust Fund and transfers from the General Fund.

GOALS AND OBJECTIVES

1. Maintain an adequate, well-trained staff to provide traditional services for conventions, meetings and banquets.
2. Provide good housekeeping standards and keep maintenance of the facility up to standards.
3. Work with the Parks, Recreation and Auditorium Advisory Board to obtain recommendations for changes as needed to meet the diverse needs of the community.
4. Work with the Chamber of Commerce, Retail Trade Organizations and Panhandle Tourism Marketing Council to increase tourism and conventions locally and throughout our region.
5. Apply for grants in hopes of obtaining funding to improve the quality of our facility by adding state-of-the-art equipment.
6. Continue to maintain the integrity of the Civic Center and provide professional services to our guests.

LOVETT MEMORIAL LIBRARY

2018-19 BUDGET

Dept. 25

MISSION STATEMENT

The Lovett Memorial Library will offer a broadly defined program of information, education, recreation, and cultural enrichment opportunities for people of all ages and educational, cultural, and economic backgrounds.

DESCRIPTION

The Lovett Memorial Library serves the community of Pampa and Gray County as a cultural, informational, and educational center by providing current books, magazines, newspapers, videos, books on tape, and E-books with regard to the needs of the community. The library has 12 computers available to the public with Internet access and productivity software along with a secured wireless access that requires getting a voucher number to connect. There was a total of 8,113 sessions or uses of the library's internet computers along with 806 Wi-Fi sessions. Library cards must be in good standing to have access to computers. People from out of town who do not belong to an HLC library will receive a guest pass (\$1.00) to access the computers. Request for information may be made in person, phone, or e-mail. The library had 32,144 people visit the library during this year. The library, located at the corner of Houston and Foster streets, houses over 40,480 items. The library circulated 48,550 items. Patrons have access to over 4,674 E-books and 67 databases. There are 4,265 registered users with library cards.

The present building was constructed in 1954 with a bequest from Henry and Fannie Lovett. Major interior modifications to the library were completed in 1999 through a grant from the Pampa Lovett Library Foundation, including the installation of an elevator, a second-story bridge and numerous other Texas Fire Code and ADA-mandated structural modifications.

A 5 member Library Board serves in an advisory role on overall policy and provides promotional efforts on behalf of the library. Other library support groups include the Friends of the Library and the Gray Pampa Foundation.

The hours of operation are: Monday-Friday 9am-7pm, Saturday 1pm-5pm, and closed on Sunday

FUNDING

The City of Pampa provides the majority of the funds necessary for staff, maintenance, and books. Three cents of the tax rate is set aside by ordinance for operation of the Library. The City transfers an additional amount into the Library Fund. The Library Advisory Board seeks other funding for special projects. Other funding sources include: Gray County, the Lovett Library Foundation, Gray-Pampa Foundation, and the Pampa Friends of the Library.

GOALS AND OBJECTIVES

1. The Library will provide the citizens of Pampa and Gray County with the most up-to-date informational, educational, and recreational materials.
2. The Library will encourage children to become responsible life-long patrons of the library.
3. The Library will introduce the citizens of Pampa and Gray County to the informational and educational benefits of technology.
4. The Library will serve a culturally and racially diverse population.
5. The Library will encourage public support and use of the library.

MUNICIPAL UTILITIES ACCOUNTING AND COLLECTION
2018-19 BUDGET
Dept. 32

MISSION STATEMENT

The mission of Municipal Utilities Accounting and Collection is to record, bill and collect fees for water, sewer and sanitation services rendered by the City of Pampa, thereby providing adequate operating funds for the enterprise funds.

DESCRIPTION

The Utility Office is the focal point for delivery of water services. Customers contact the office to establish, terminate or transfer service. Customers may also contact the office for any billing questions they may have. Service requests are processed by field representatives and meters are read by meter readers monthly or are electronically read by a radio tower. Security deposits, payments, delinquent notices, customer inquiries and adjustments are responsibilities handled by the customer service clerks. Computer support is provided by the IT Service Department.

GOALS AND OBJECTIVES

1. Maintain a professional, courteous, and safe atmosphere for customers and employees.
2. Maintain accurate and well-documented customer records.
3. To continue efforts on collection of delinquent utility accounts.
4. Maintain prompt and courteous service to customers.

**WATER PRODUCTION AND TREATMENT
2018-19 BUDGET
Dept. 33**

MISSION STATEMENT

The Water Production Department's mission is to provide potable water of a quality which meets State and Federal drinking water standards in sufficient quantity to meet the City's daily and seasonal peak demand and storage requirements.

DESCRIPTION

The Production and Treatment Department is responsible for the maintenance and operation of the Water Filtration Plant, two Booster Stations, three Elevated Storage Tanks, five Ground Storage Tanks and twelve Water Wells, also Prison Pump Station, one Elevated Storage, one Ground Storage and four Wells.

The Department is operated by Jacobs, Dallas, Texas and operates under permit by the Texas Commission on Environmental Quality – Water Supply #0900003.

The City of Pampa is one of eleven cities comprising the Canadian River Municipal Water Authority (owners of Lake Meredith) with an allocation of 7.163%.

The Water Treatment process for RAW water obtained from the CRMWA includes coagulation-flocculation, sedimentation, filtration and disinfection. The treatment process for city owned ground water is disinfection only.

Operators are responsible for bacteriological sampling of all water in the system. Other tests include turbidity, total chlorine residual, free chlorine residual and ph.

The Water Treatment Plant and Water Supply System are inspected every year or annually by the Texas Commission on Environmental Quality.

Departmental personnel are required to be certified by TCEQ. The staff includes one "C" Certified Surface Water Operators, one "C" Certified Groundwater Operator, one Certified "C" Distribution Operator and one "D" Certified Water Operator.

The employees of the Water Treatment Plant have a great sense of pride in their work. This is evident in the way the facility has improved over the last year. The City should be proud to have local operators who are among the best in the area treating water with state of the art technology. This wouldn't have been possible without the support of City Hall, the City Commissioners, and their continuous efforts to assure the newest technology is identified, explores, and implemented when feasible.

FUNDING

Water Production and Treatment is funded through the sale of water and is accounted for in the Enterprise Fund/Water and Wastewater.

GOALS AND OBJECTIVES

1. Meet all federal and state water quality standards.
2. Have two operators upgrade their certifications.
3. We will have 80 hours of training for each operator consisting of technical and safety topics.
4. Continue improving appearance of facilities.
5. Continue to find ways to reduce the cost of chemicals so savings can be passed back to the City.
6. Perform more tours and presentations in our endeavor to further educate the citizens of Pampa.

**WATER DISTRIBUTION
2018-19 BUDGET
Dept. 34**

MISSION STATEMENT

Our mission is to provide our customers potable water with as few interruptions as possible while maintaining a uniform flow at a constant pressure.

Description

This Department is responsible for the operation and maintenance of approximately 155 miles of various size water distribution mains:

2 "	-	16,656	linear ft.
4 "	-	300,865	linear ft.
6 "	-	252,789	linear ft.
8 "	-	63,004	linear ft.
10 "	-	68,671	linear ft.
12 "	-	49,297	linear ft.
16 "	-	48,848	linear ft.
20 "	-	10,659	linear ft.
24 "	-	2,625	linear ft.
30 "	-	2,400	linear ft.
Total		815,814	linear ft.

This Department also services and maintains approximately 8074 active meters and service lines to meters, 593 fire hydrants and an estimated 2418 main valves.

GOAL AND OBJECTIVES

1. Provide our customers with a dependable potable water supply with uniform flow and pressure to meet the demands of our customer and fire protection.
2. Reduce the occurrence of water line repairs.
3. Continue valve program to locate and operate all valves within the distribution system 100/year.
4. Meter replacement to the new AMR/smart meters.
5. Fire hydrant change out program 30/year.
6. Valve replacement program 20/year.
7. Perform a quality flush on 100 fire hydrants a year.
8. Restore streets and alleys to acceptable quality after excavation.
9. To perform any job that is asked of us to help the City become a safer and better place to live, work and play.

BUDGET HIGHLIGHTS

- Installation of the AMR/Smart Meter Program
- Continue the Water Main Replacement Program
- Continue the Fire Hydrant Replacement Program.
- Continue the Water Valve Replacement Program.
- Continue to Assist and Support the Other Departments when needed.

WASTEWATER COLLECTION
2018-19 BUDGET
Dept. 35

MISSION STATEMENT

Our mission is to provide the citizens with a sanitary Wastewater (Sewer) Collection System with as few interruptions as possible.

DESCRIPTION

Wastewater Collection is responsible for the maintenance and repair of approximately 115 miles of various sizes of collection mains:

6 "	-	293,701	linear ft.
8 "	-	152,209	linear ft.
10 "	-	54,602	linear ft.
12 "	-	54,202	linear ft.
15 "	-	19,367	linear ft.
18 "	-	34,470	linear ft.
30 "	-	3,339	linear ft.
Total		611,890	linear ft.

This Department also services 1,304 manholes and 353 clean outs and assists other Departments by cleaning Storm Sewers, Clarifiers, Water Valves, Mud Pits and Drainage and spill problems.

The Texas Commission on Environmental Quality regulates the operation of Wastewater Collection Systems.

GOALS AND OBJECTIVES

1. Provide a safe and efficient collection of wastewater (sewer).
2. Reduce wastewater stoppages (sewer chokes) through a scheduled main line cleaning program and continue to improve response time on emergency stoppages.
3. Reduce wastewater stoppages (sewer chokes) caused by grease buildup through a grease trap inspection and B.E.F. (Bacteria, Enzymes, Fungi) program.
4. Improve street and alleys by adjusting the grade of manhole lids and clean out plugs and keeping them properly marked.
5. Video inspect mains and laterals to help find infiltration/inflow into the collection system.
6. Repair mains and service connections with new relining equipment to curtail infiltration/inflow into the collection system and to reduce cost of treatment at the Wastewater Treatment Plant.
7. Smoke testing the collection system to curtail infiltration/inflow into the collection system.
8. Repair and/or replace main sewer lines as needed to keep the collection system working properly.
9. Update the collection system grid map and input information into database for easy and more accurate access to collection system information.
10. Training on excavating, trenching, shoring, and confined space entry.
11. Maintain a safe working environment for the employees and the general public in work zones.

**WASTEWATER TREATMENT
2018-19 BUDGET
Dept. 36**

MISSION STATEMENT

The mission statement of the Wastewater Treatment Department is to maintain proper, efficient operation and maintenance of the Wastewater Treatment Facility and to consistently discharge treated water which is in compliance with EPA and Texas commission on Environmental Quality permit requirements.

DESCRIPTION

The Wastewater Treatment Department is responsible for the maintenance and operation of two collection system lift stations and the Wastewater Treatment Plant and also the Prison Lift Station.

The Department is operated by Jacobs, Dallas, Texas and operates under permit #0010358-002 issued by Texas Natural Resource Conservation Commission and permit #TX0027618 issued by the U.S. EPA.

The Wastewater Treatment Plant is equipped with a bar screen, grit removal unit, oxidation ditch (which includes six aeration devises), two secondary clarifiers, a sludge thickener, three RAS pumps, one WAS pump, chlorine feed facilities, sulfur dioxide feed facilities, a chlorine contact/de-chlorination basin, two reuse pumps, 44,000 square feet of sludge drying beds and a 1-meter belt filter press sludge dewatering facility.

Current Permit limitations listed in the facilities NPDES permit for discharge into Red Deer Creek are as follows: Carbonaceous Biochemical Oxygen demand 10mg/L on a monthly average and 15 mg/L on a 7-day average; Total suspended Solids on a monthly average 15 mg/L and 25 mg/L on a 7-day average; Ammonia-Nitrogen on a monthly average 3 mg/L and 6 mg/L on a 7-day average. A minimum total chlorine residual of 1.0 mg/L is required in the effluent for disinfection. After disinfection, it is required that the effluent be de-chlorinated to a residual no greater than .099 mg/L.

The Wastewater Plant's Treatment capacity is 3.0 MGD with a peak hydraulic capacity of 6.0 MGD. Lagoons are available for storage of flows in excess of the plant capacity. The stored sewage can later be treated during normal plant flows.

Departmental personnel are required to be certified by TCEQ. The staff includes two "B" Certified Operators and one "C" Certified Operator.

The operators at the wastewater plant have made it a goal to improve the facility appearance and look forward to the opportunity to show off the facility. Last year we had a couple of tours and the participants were impressed with the facility and the technology used. We hope by the time the same people come back we will impress them once again with new additions to the facility.

FUNDING

The plant is funded through the Enterprise Fund/Water and Wastewater with revenues generated from sewer collection fees.

GOALS AND OBJECTIVES

1. No permit violations.
2. Two operators will upgrade their certification.
3. We will have 80 hours of training for each operator consisting of technical and safety topics.
4. Continue improving facility appearance.
5. Review and recommend further improvements to existing plant infrastructure.
6. Increase security and improve remote monitoring capabilities.
7. Improve screening capabilities for the reuse water system.
8. Continue to find ways to reduce the cost of chemicals so savings can be passed back to the City.
9. Perform more tours and presentations in our endeavor to further educate the citizens of Pampa.

2018-19 BUDGET
Dept. 16

MISSION STATEMENT

The mission of the City of Pampa Outdoor Family Aquatic Center is to provide a safe, fun recreational aquatic experience for the citizens of Pampa as well as tourists from around the area.

DESCRIPTION

The aquatic center, also known as Pampa H2O, is an outdoor family aquatic center with 7,600 square feet of water surface area and holds approximately 350,000 gallons of water. Amenities include a 2,700 sq. ft. bathhouse, three large water slides, a lazy river, children's play feature with bucket waterfall and a certified 25 meter competition pool with two diving boards. Season of operation is Memorial Day through Labor Day. The Center employs 80-90 seasonal staff members annually.

FUNDING

Funding for the aquatic center construction was a cooperative effort between the City of Pampa, the Pampa Economic Development Corporation and miscellaneous individual grants. Annual operations are funded through user fees.

LANDFILL COMPOSTING/RECYCLING
2018-19 BUDGET
Dept. 28

MISSION STATEMENT

The mission of the Landfill Composting/Recycling Department is to provide service to the citizens of Pampa and the surrounding area by offering the opportunity for recycling. By providing these services at no charge, valuable landfill space is saved. All composting/recycling procedures are done in accordance with applicable state and federal requirements.

DESCRIPTION

The Composting Department maintains a fleet of one backhoe, one front end loader, and one SCARAB Windrow Composting Machine.

The curbside collection of grass clippings runs seasonal from April through September.

The Recycling center operates at the entrance of the Landfill. The newly constructed facility houses the city bailing operation and serves the citizens and area community Drop-off Center for recycled goods.

Currently the department employs one full time employee for the bailing operation and two part time seasonal employees that pick up grass clippings for composting.

FUNDING

The Composting/Recycling Department is funded by the MSW Landfill which is accounted for within the Enterprise Fund with additional revenue being generated by the sale of recycled goods.

GOALS AND OBJECTIVES

1. Continue educating citizens about collection options to include the recycling and composting programs.
2. Construct recycling programs to better serve the citizens and community.
3. Strive for higher professionalism.
4. Cross train employees for efficiency.
5. Send operator to classes provided by the TCEQ for certification in composting operations.
6. Construct building to house SCARAB Windrow Composting machine.
7. Reliable Tree chipping services.

BUDGET HIGHLIGHTS

The City of Pampa Recycle Center has diverted over 1,000 tons of recyclable material from entering into the Landfill space since opening January, 2012.

MUNICIPAL SOLID WASTE LANDFILL
2018-19 BUDGET
Dept. 38

MISSION STATEMENT

The mission of the MSW Landfill is to provide outstanding sanitation services for the citizens of Pampa and surrounding areas. This is done in conformance with applicable state and federal standards in the most efficient and effective manner practicable.

DESCRIPTION

The MSW Landfill maintains a fleet of two compactors, two scrapers, one tractor, one backhoe, one dozer, one motor grader and one mulcher for ADC to facilitate the disposal of 63,000 tons of solid waste each year.

The MSW landfill operates with a Subtitle D Class I permit and is located northeast of Pampa.

FUNDING

The MSW Landfill generates revenue from user fees for refuse pickup and disposal fees from surrounding cities, approximately twenty, that use our facility. The MSW Landfill Department is accounted for within the Enterprise Fund.

Pampa residences are allowed to dispose of 1,000 pounds of refuse per month for free with proof of residency in the form of their City utility bill. After the 1,000 pounds has been met they are required to pay disposals fees at the rate established for commercial users.

GOALS AND OBJECTIVES

1. Strive for higher compaction rate.
2. Continue use of ADC.
3. Provide outstanding sanitation services to the citizens of Pampa and surrounding areas.
4. Safety for all employees and visitors.
5. Strive for higher professionalism.
6. Cross train employees for efficiency.
7. Maintain Solid Waste Certifications for all sanitation employees.
8. Adequately educate employees and customers of the importance of waste stream diversion, thus giving longevity for the landfill.
9. Violation free inspections, as have been in the past five.

**MUNICIPAL GOLF COURSE
2018-19 BUDGET
DEPT. 39**

MISSION STATEMENT

The mission of Hidden Hills Public Golf Course is to promote golf in the City of Pampa and the surrounding area by providing a quality facility which offers a place for recreational enjoyment for all people and to stimulate economic development through a well maintained facility. To provide the best overall public golf course experience in the region. Our goal has always been to offer the best golf experience for the most affordable price to all citizens young and old. COME EXPERIENCE THE HILLS !!!

DESCRIPTION

The Hidden Hills Public Golf course has been constructed to provide recreation to the citizens of Pampa and Gray County. Prior to the construction of this golf course, residents of Pampa were required to travel a minimum of thirty miles to gain access to a public course.

Hidden Hills was designed and built by Ray Hardy and was built from the partnership of three parties, private donations and volunteers, Gray County, and the City of Pampa. Opened in 1990, Hidden Hills has become a popular place to play in the North Texas Region. The course offers over 100 feet of slope, deep valleys, extreme elevation changes, and a creek that winds through its back nine. Hidden Hills was recognized in 2014 as the 4th best economy course in the State of Texas by the Dallas Morning News.

An additional benefit of the golf course concerns economic development. A public facility makes the Pampa area more attractive to prospective businesses searching for an industrial location. The course will also provide permanent and seasonal employment and will serve to retain businesses in Pampa by providing a local alternative to golfers traveling out of the community. Since Hidden Hills opened in 1990, \$20,000,000 has been spent in Pampa from out of county play.

GOALS AND OBJECTIVES

1. Maintain or improve upon Three-star rating that Pampa Municipal Golf Course received in the 2009-2014 edition of Golf Digest Places to Play. A One-star rating is basic golf, a Two-star rating is good, not great but not a rip-off either; a Three-star rating is very good – Tell a friend it's worth getting off the highway to play; a Four-star rating is outstanding- Plan your next vacation around it, and a Five-star rating is golf at its absolute best – Pay any price at least once in your life.
 - a. Promote golf through the establishment of tournaments, lessons and free publicity.
 - b. Serve the public with a customer service oriented attitude and in a professional manner.
 - c. Rebuild 18 tee boxes and add water to all areas around the greens and along the fairways.
 - d. Continue tree program for the beauty and protection of the golf course.
 - e. Provide for additions to the irrigation system, and provide additional drainage and continue to improve quality of grass.
 - f. To become #1 economy course in Texas.

BUDGET HIGHLIGHTS

- The effluent water project with pipeline from the wastewater plant to the golf course which includes a 300,000 gallon water storage tank and new pump station which was completed in May 2002. Currently, Hidden Hills uses 100% reclaimed water.
- Hidden Hills has maintained a membership of 200 to 300 card holdings and rounds from 15,000 to 20,000 per year.
- Hidden Hills continues to strive to operate on a break even basis, and in the past have been within 10- 25 percent, revenue verses our cost to operate.

If the approved capital expenditure will incur the use of multiple vendors, invoices, and/or purchase orders, you may complete multiple lines on the Capital Expenditure sheet as you request payment. Please remember if you have a "project" that is budgeted in the capital account, but you have small components that don't need to be capitalized, go ahead and pay it from the correct g/l account and do a budget adjustment for the change. It is very important for us to track everything, especially if we are using bond proceeds.

If the approved capital expenditure will incur the use of multiple vendors, invoices, and/or purchase orders, you may complete multiple sheets if you wish. If you use one sheet, you may complete multiple lines and keep updating the sheet as you request payment. Please remember if you have a "project" that is budgeted in the capital account, but you have small components that don't need to be capitalized, go ahead and pay it from the correct g/l account and do a budget adjustment for the change. It is very important for us to track everything, especially if we are using bond proceeds. REMINDER: Capital budgeting is very specific due to funding - changes/transfers must be approved.
