The Board of Education of District #65 Evanston, Cook County, Illinois (hereinafter the “District”), hereby recognizes the Evanston Custodial/Maintenance Association, Illinois Education Association-NEA (hereinafter “ECMA” or the “Association”), as the sole and exclusive bargaining representative for all full-time and part-time custodial and maintenance employees, including general custodians, drivers, second person in middle school, head custodians in elementary and middle schools, and warehouse employees employed by Evanston Community Consolidated School District #65. Such representation shall exclude all custodial substitutes (floaters), managerial, supervisory and confidential employees as defined in the Act. “Bargaining unit member”, “employee”, or “custodial/maintenance employees” when used hereinafter in this Agreement shall refer to all employees represented by the ECMA, IEA-NEA, in the bargaining unit as above defined. The term “District” or “employer” when used hereinafter in this Agreement shall refer to the Board of Education of School District #65 or its administrative or supervisory personnel.

ARTICLE II

DUES DEDUCTION AND FAIR SHARE

- A. Any member of the bargaining unit who is a member or has applied for membership in the Association may sign and deliver to the District a written authorization for continuous or annual dues deduction. The continuous authorization shall remain in effect from year to year unless the employee revokes said authorization in writing between June 1 and July 31 of any calendar year.
- B. The District shall deduct from each employee's pay the current dues of the Association provided the District has received official written notification of the dues amount or increase thereof. Pursuant to such authorization, the District shall deduct such dues from the regular salary check of the bargaining unit member each month beginning in October and ending in June of each year. The District shall remit said deducted dues to the Association within fifteen (15) days following the pay period deduction. The District shall deduct the dues authorized for those employees who are employed after the commencement of the school year in as equal installments as possible to insure that the proper dues are deducted for those employees by June of the school year.

ARTICLE III

When practicable, the President of the Association or the President's designee shall be given written notice of all regular and special meetings of the Board together with a copy of the agenda or statement of purpose of each meeting at least twenty-four (24) hours prior to the scheduled time of the meeting. Further, an updated list of the names and addresses of all bargaining unit employees will be sent to the Association President by October 1 of each year. The District will notify the Association President of bargaining unit employment status changes within ten (10) working days of Board approval.

D. **Meetings on District Property**

The Association and its representatives shall have the right to hold a reasonable number of official meetings per year on District property, related to the Association's role as bargaining agent for bargaining unit employees, provided that such meetings in no way

There shall be no deduction in salary for time lost as a result of legal or administrative proceedings held pursuant to the Board's commitments for indemnification and defense in this section.

K. Complaints Against Employee

Any complaint deemed by any administrator or Board member to justify investigation and/or disciplinary action shall be brought to the attention of the employee involved within

five (5) working days. Except in cases of extreme emotional instability or alleged criminal action, or other situations when the safety or health of the pupils and/or other person(s) appear to be in jeopardy, no action shall be taken until such information has been supplied to the employee.

L. Student Medication

Under no circumstances will employees be required to administer medication to students; however, those employees who provide emergency assistance to students within the scope of their employment will be indemnified as provided in Article III, Section J., of this Agreement.

M. Information Requests

When the Association President or Vice President requests information from the District which the Association needs in order to intelligently perform its function as bargaining representative for the bargaining unit employees, and which the District is required to furnish under the Illinois Educational Labor Relations Act, the District will respond to said request in a timely manner.

ARTICLE IV

A. **Right of Representation**

Upon request, a bargaining unit member shall be entitled to have a representative of the Association present during any meeting relative to disciplinary action.

B. **Suspension and Discharge**

B. **Association Input**

The District will provide the Association with a copy of any evaluation instrument prior to the adoption of such an instrument and will consider comments of the Association concerning such instrument.

ARTICLE VI

PERSONNEL FILES

There shall be only one official personnel file. Employees shall have the right, upon reasonable notice, to review the post-employment contents of their own file. Employees shall have the right to a copy of any such item(s), provided they shall reimburse the District for the cost of such reproduction. Employees shall have the right to respond to any critical or derogatory material contained in their personnel file and to have such response placed in their personnel file. Employees shall be notified within ten (10) work days (days in which the District's Central Administrative Office is open) of any disciplinary matters placed in their personnel files.

ARTICLE VII
GRIEVANCE PROCEDURE

A. **Definitions**

1. Any claim by the Association or any employee that there has been a violation, misinterpretation or misapplication of the terms of this Agreement, shall be a grievance.
2. The failure of an employee or the Association to act on any grievance within the prescribed time limits will act as a bar to any further appeal. An administrator's failure to give a decision within the prescribed time limits shall permit the grievance automatically to proceed to the next step. These time limits may be extended by mutual written agreement.
3. All time limits shall consist of days when the District's Central Administrative Office is open.

B. **Procedures**

The parties hereby acknowledge that it is usually most desirable for an employee and the employee's immediately involved supervisor to resolve problems through free and informal communications. When requested by the employee, an Association representative may accompany the employee to assist in the informal resolution of the grievance. If, however, the informal process fails to satisfy the employee or the Association, a grievance may be processed as follows:

1. **Step I** - Within twenty (20) days following the occurrence of the event giving rise to the alleged grievance, the employee or the Association may present the grievance in writing to the grievant's immediate supervisor, who will arrange for a meeting to take place within ten (10) days after receipt of the grievance. The Association's

representative, the grievant, the immediate supervisor, and the Director of Buildings and Grounds shall be present for the meeting. Within ten (10) days of the meeting, the grievant and the Association shall be provided with the Assistant Superintendent of Human Resources' written response, including the reasons for the decision.

2. **Step II** - If the grievance is not resolved at Step I, the Association may refer the grievance to the Superintendent or the Superintendent's official designee within ten (10) days after the Step I answer. The Superintendent or designee shall arrange with the Association representatives for a meeting to take place within ten (10) days of the Superintendent's receipt of the appeal. Each party shall have the right to include in its representation such witnesses and internal representatives as it deems necessary. Within ten (10) days of the meeting, the Association shall be provided with the Superintendent's or designee's written response, including the reasons for the decision.
3. **Step III** - If the Association is not satisfied with the disposition of the grievance at Step II, the Association may submit the grievance to arbitration through the American Arbitration Association ("AAA"), which shall act as the administrator of the proceedings. If a demand for arbitration is not filed within twenty (20) days of the date for the Step II answer, then the grievance shall be deemed withdrawn. The arbitrator shall follow the standard rules of the AAA and shall have no authority or jurisdiction to add to, subtract from, alter, or modify the terms of this Agreement. Arbitration awards in keeping with the preceding sentence shall be final and

binding upon the parties. The arbitrator's fees and expenses shall be borne equally by the parties. If the parties agree, the arbitrator may follow AAA's expedited rules.

C. Bypass to Step II

If the Association and the Superintendent or his/her designee agree, Step I of the grievance procedure may be bypassed and the grievance brought directly to Step II.

D. Bypass to Arbitration

If the Superintendent or his designee and the Association agree, a grievance may be submitted directly to arbitration.

E. Association Participation—Employee Representation

The District acknowledges the right of the Association's grievance representative to participate in the processing of a grievance at any level, and no employee shall be required to discuss any grievance if the Association's representative is not present.

F. Released Time

Should the investigation or processing of any grievance require that employees be released from their regular assignment, such employee shall be released without loss of pay or benefits.

G. Grievance Withdrawal

A grievance may be withdrawn at any level without establishing precedent.

H. Grievance Documents

Grievances and documents pertaining solely to the processing of grievances shall be kept separate from employee personnel files.

I. Expedited Arbitration

Upon mutual agreement of the parties, expedited arbitration may be employed under the rules and regulations of the American Arbitration Association.

ARTICLE VIII

LEAVES

A. Sick Leave

Each full-time employee shall be credited with twelve (12) days of sick leave—equal to the number of hours he or she regularly works each day—the unused portion of which shall accumulate from year-to-year without limitation. Sick leave days will be prorated for part-time employees and for employees who are hired during the school year. The sick leave days may be used for disability due to illness, accident, pregnancy or childbirth, quarantine at home, or serious illness or death in the immediate family or household. For purposes of this Section the immediate family or household includes parents, spouse, domestic partner, brothers, sisters, children, grandparents, grandchildren, in-laws and legal guardians. Sick leave taken because of serious illness in the immediate family or household shall not exceed one (1) calendar month in any school year. Special exceptions may be made by approval of the Board.

B. Funeral Leave

Employees shall be granted up to three (3) days of funeral leave which may be used in connection with the death of a member of the employee's immediate family or household, as defined in Paragraph A above, and the employee's domestic partner's immediate family. This is apart from sick leave and is non-cumulative.

C. Workers' Compensation

Absence due to injury or illness incurred in the course of employment and which qualifies for workers' compensation under the Illinois Workers' Compensation Act, shall not be charged against the employee's sick leave days, provided that the employee shall pay to

the District the salary insurance received under the Illinois Workers' Compensation Act for the duration of such absence.

D. Personal Business

At the beginning of each school year, each employee shall be credited with two (2) days to be used for personal business which cannot be conducted outside of the normal work hours.

The decision to grant or deny personal business leave will not be made on an arbitrary or capricious basis. An employee planning to use a personal business leave day or days shall notify his/her supervisor at least two (2) days in advance, except in cases of emergency.

Personal business leave days shall be available for the practice of individual religious preferences regardless of the day of the week. Such leave shall be non-cumulative as personal business days, but will be added to the accumulated sick leave days available to the employee. The day immediately preceding or immediately following a legal holiday or school recess shall not be recognized as a personal business leave day, except upon the approval of the Director of Buildings and Grounds, in cases of emergency or religious holidays. Requests for such exceptions must be made in writing as soon as possible.

E. Jury Duty

Any employee called for jury duty during working hours shall be paid his/her full salary for such time and suffer no loss of benefits or contractual advantage.

F. Statement of Available Leave

The District shall furnish each employee with a statement available electronically setting forth the total unused leave day credit available under this Article.

G. Unpaid Maternity/Parental Leave

1. Unpaid Maternity Leave

- a. If a maternity leave in connection with child birth is desired, the employee shall arrange for a meeting with the Assistant Superintendent of Human Resources, or his/her designee. The purpose of the conference shall be to determine a mutually agreeable plan for the leave.
- b. Employees shall notify the Assistant Superintendent of Human Resources in writing if they desire to return after the leave is completed. This written notification shall be accompanied by a physician's written statement that the returning employee is physically able to resume full duties. Employees shall be permitted to return from maternity leave as soon as they are physically able, if they choose to do so. Otherwise, employees shall return at the commencement of the next fiscal year. Employees returning from maternity leave shall be returned to a position comparable ("equal pay") to that which they held prior to the maternity leave, provided that nothing contained herein shall be interpreted to insulate employees on maternity leave from reductions in force.
- c. Employees whose maternity leave exceeds six (6) months shall submit the written notice of intention to return referred to in subparagraph b above, no later than March 1. Failure to comply with the notice to return requirements for maternity leave shall be treated as an election not to return to employment and shall be considered a voluntary resignation from the District.

- d. Any insurance benefits under the provisions of this Agreement which would otherwise accrue to an employee shall be suspended on the first day of the month immediately following the beginning of the leave of absence. Except as provided in Paragraph I (FMLA), employees on maternity leave may make arrangements during said leave to continue insurance coverage as provided in this Agreement at their own expense. Any employee granted maternity leave who has completed ninety (90) days or more of the school year prior to said leave shall be considered to have completed a full year for purposes of any applicable advancement on the salary schedule.
- e. Any employee desiring maternity leave as a result of becoming an adoptive parent shall notify the Assistant Superintendent of Human Resources, in writing, upon the initiation of such adoption proceedings. Leave shall be granted upon satisfactory written notification to the Assistant Superintendent of Human Resources of the date the child is expected to be received. It shall be the responsibility of the applying employee to keep the Assistant Superintendent of Human Resources informed on the status of the proceedings, and, as soon as known, the expected date of the delivery of the child. This subparagraph shall not be applicable if the adopted child is ten (10) or more years of age at the time the child is received.

2. Unpaid Parental Leave

Unpaid parental leave shall be granted to an employee, upon request, to begin any time between the birth or adoption of his/her child and three (3) calendar months thereafter. Subparagraphs a. through e. above shall apply to parental leaves,

except for the disability language of subparagraph b. and the first sentence of subparagraph c.

H. Unpaid Leave of Absence

A leave may be requested in writing for a period not to exceed one (1) year from the date of leaving. Whether or not to grant an unpaid leave of absence shall be at the complete discretion of the Board of Education. An employee shall notify the Assistant Superintendent of Human Resources in writing two (2) months prior to the expiration date of the leave if he/she desires to return after the leave period is completed. The employee shall be returned to a comparable job as soon as is practicable, but not necessarily the same position held prior to the leave of absence. Notwithstanding the foregoing, employees on unpaid leave of absence shall not be insulated from reductions in force.

I. Family and Medical Leave Act ("FMLA")

The District shall coordinate the benefits provided under this Agreement with those provided under the FMLA. To the extent required by the FMLA, the District will continue to provide hospitalization insurance to eligible employees on Family and Medical Leave for up to twelve (12) weeks in a rolling twelve (12) month period, on the same basis and contribution level as if they were on the active payroll. Any concerns related to the application of this Section may be brought to the attention of the Assistant Superintendent of Human Resources but may not be the subject of a grievance under this Agreement.

ARTICLE IX

MANAGEMENT RIGHTS

The Board retains the right to manage the District and its custodial/maintenance employees and direct the work of such employees in the manner it determines to be in the best interests of the District. Such right includes, but is not limited to, the right to: hire, discipline, and discharge employees; relieve employees from duty because of lack of work or other legitimate reasons; determine the duties, responsibilities, and qualifications of employees and the manner in which the work is to be performed; determine the size of the work force; and establish and enforce reasonable rules and regulations applicable to bargaining unit employees, so long as such rules and regulations do not conflict with the express terms and conditions of this Agreement.

ARTICLE X

NO STRIKE OR WORK STOPPAGE

During the term of this Agreement there shall be no strike, work stoppage, picketing, or any other form of concerted activity by the custodial/maintenance employees, the purpose of which is to cause District employees to render less than full and complete services to the District, by the Union, its members, or any employees covered by this Agreement. This prohibition applies to strikes and work stoppages for any reason, whether grievable or not.

ARTICLE XI

SUPERVISION OF PERSONNEL

- A. The Head Custodian of a building is responsible to the principal and then to the Director of Buildings and Grounds or Custodial Manager for custodial services in the building and grounds. This will include the care and operation of the heating and ventilating system, general maintenance, cleaning, sweeping, etc. The Director of Buildings and Grounds or Custodial Manager will work with all principals and custodians to improve and maintain quality custodial/maintenance employees' services.
- B. The Head Custodian is expected to plan with the Custodial Manager the load of duties for his or her building.
- C. The Head Custodian, after consultation with the principal, shall report to the Custodial Manager all needs for any skilled services and for supplies and repairs of any necessary parts for the successful operation of the school.
- D. All custodial employees are immediately responsible to their principal.

ARTICLE XII

VACANCIES AND TRANSFERS

A. Vacancies/Posting

1. Posting

When a permanent vacancy occurs in any classification or a new job is created, notice of such position shall be posted on-line within five (5) days of the occurrence of the vacancy, and an email shall be sent to the Association President confirming the electronic posting. The position shall be posted for a period of fifteen (15) days. Under normal circumstances, any jobs posted shall be filled within sixty (60) days following the end of the posting period. Application for any position shall be made in writing to the Assistant Superintendent of Human Resources.

2. Notice of Appointment

Notice of an appointment to any position shall be given to each bargaining unit applicant by the Assistant Superintendent of Human Resources shortly after an appointment has been made.

B. Seniority Considered

The District shall consider all bargaining unit employees when bidding for job openings within the bargaining unit. Among the factors the District shall consider are qualifications, length of service with the District and performance.

C. Involuntary Transfers

1. When there is a need for involuntary transfers, the District shall first choose from a list of volunteers who have requested transfers to other locations and assignments. Should an involuntary transfer of a bargaining unit employee be necessary, the involved

employee(s) shall be given ten (10) days' written notice, if possible, before the transfer start date and shall have an opportunity to meet with the Assistant Superintendent of Human Resources or other appropriate administrator regarding same.

2. If a bargaining unit member needs to be involuntarily transferred immediately due to extenuating circumstances, the Association President should be notified in writing immediately.
3. A person's seniority at a location may be taken into consideration when deciding which employee to involuntarily transfer to another location. The Custodial Manager will maintain a waiting list of preferred work shifts for employees with a strong factor placed on seniority.
4. Every reasonable effort should be taken to provide equivalent or as comparable as possible to all aspects of the current assignment. An orientation will be provided for the transferred employees in order to ensure the necessary work can be performed.
5. An employee who has been involuntarily transferred may request to return to their previous assignment after three (3) months. This written request must be submitted to the Assistant Superintendent of Human Resources.
6. In cases where an employee was involuntarily transferred because of a conflict with other personnel, after six (6) months the employee may request to return to their previous assignment. This written request must be submitted to the Assistant Superintendent of Human Resources.

ARTICLE XIII

SENIORITY/DISMISSAL/LAYOFF

- A. Seniority for all newly hired and rehired employees will begin after a probationary period of six (6) months. After the employee has been employed for six (6) months, seniority rights will revert to the first day of employment in the District. Seniority of employees who have left the service of the District and have thereafter been reinstated will begin from the date of appointment after reinstatement, except when a leave of absence has been granted by the Board of Education, in which case all seniority earned prior to the leave of absence will be retained.
- B. Notice
- In the case of layoff/termination of employment, either by the employee or the District, at least two weeks' notice will be given except that if, in the opinion of the Board of Education or the Superintendent, the continued presence of an employee on the school premises will be detrimental to the best interest of the District, the employment may be terminated immediately upon notice.
- C. Layoff Procedure
1. If it is necessary to reduce the size of the staff, it shall be done in the reverse order of seniority within the separate classifications, which are general custodian, driver, food transporter, second person in middle school, head custodian, warehouse managers, and maintenance employees, assuming that the remaining employees are qualified and able to perform immediately the available work. To the extent required by law, the District will provide full-time employees with at least thirty (30) calendar days' advance written notice of layoff, dismissal, or reduction of hours, due to a reduction in force, together with a statement of honorable dismissal,

if applicable, and the reason therefor. (However, if the reduction in hours is due to an unforeseen reduction in students, only five (5) days' advance notice must be given.) In the event a maintenance employee or head custodian is laid off, he/she shall have the right to replace the least senior employee in the next lower rated classification, provided he/she is qualified and able to immediately perform the available work.

In the event a maintenance employee or head custodian is laid off but has insufficient classification seniority to replace an employee in a lower rated classification, he/she shall have the option to replace the general custodian with the least seniority, provided his total District seniority is greater. Total District seniority shall be credited in making replacement on the custodial salary schedule in the event the aforementioned option is exercised by an employee in a higher rated classification.

2. If the District increases the number of custodial/maintenance employees within one (1) year after a lay-off, the District shall first offer re-employment to the employees laid off in the reverse order of the lay-off. This provision shall not apply to probationary employees.
3. Any such employee so rehired shall be returned to his/her seniority position at the time of lay-off.

ARTICLE XIV

WORKING CONDITIONS

A. Work Week/Hours

The normal work week for bargaining unit employees shall be forty (40) hours, Monday through Friday. The Administration retains the right to establish and revise work schedules as necessary. Should a problem arise concerning any changes in an employee's daily work schedule, the Association shall have the right to request a meeting with the Director of Buildings and Grounds in order to discuss the employee's concerns.

B. Asbestos Abatement Duties

Each year the District will cover the cost for a maximum of three (3) bargaining unit employees who work in the Maintenance Department to be trained and licensed to perform a limited amount of asbestos removal within and around District facilities. The District will pay an annual stipend of \$3,500 over the course of twelve months to each of these employees. These employees shall be responsible to acquire the correct licensure for asbestos abatement by July 15th. The asbestos stipend will be retroactive to July 1, 2021 for current licensees.

B. Overtime

It is understood that the District has the right to assign overtime to employees. The District will continue its practice of giving as much notice of overtime as is practical. Overtime premiums shall be paid as follows:

1. Time and one-half the employee's regular hourly rate for all hours worked in excess of forty (40) per week. When calculating the number of hours worked in a work week for overtime purposes, approved vacation pay shall be counted.

2. Double the employee's regular hourly rate for all hours worked on Sundays, holidays, and emergency call-back work, provided the employee works all scheduled hours in that week. For emergency call-back work, employees will be paid for a minimum of two (2) hours.
3. For emergency call back work, on weekends, after-hours (following last assigned crew in a building), and holidays, dealing with Sonitrol alarms, police and security calls, four (4) employees shall be selected each year to respond to emergency call backs. Each employee shall be paid a \$1500 stipend for the year. A committee comprised of the Director of Buildings and Grounds, the Custodial Manager, the Association President, and one Association member shall select the four (4) employees by August 1 of the fiscal year. The employees shall be chosen based on the following criteria: experience, distance from worksites, track record of reliability, and knowledge of the buildings and equipment.
4. Under normal circumstances, the District will make every reasonable effort to offer available overtime to bargaining unit employees.
5. The Parties agree that the District has the right to contract out the weekend and holiday building check work. If, however, employees are assigned such work they will get one (1) hour of overtime pay for weekend building checks; however, such building checks are not emergency call-back work.
6. When the District finds it necessary to telephone maintenance and custodial workers to report early for snow plowing purposes, which can be done by telephone chains for maintenance and custodial employees, employees will receive a

minimum of an additional two (2) hours' pay at time and one-half, provided that they work all scheduled hours in their work day.

C. Equitable Distribution of Overtime

All overtime insofar as practicable shall be divided equitably among the personnel in a school building. The District will make every reasonable effort to offer overtime to local building custodian(s) before assigning warehouse or maintenance staff to such jobs in the schools. This would not apply to overtime requiring technical skills, etc.

D. Payment of Overtime

The Business Office will pay overtime on the 15th and the 30th of the month. Except for the months of September and December, properly completed time sheets submitted by the 12th of the month ordinarily will be scheduled for payment on the 30th and such time sheets submitted by the 27th ordinarily will be scheduled for payment on the 15th of the following month. Any minor deviations from this time sheet schedule will be discussed with the Association and communicated to the employees on a timely basis. For the months of September and December, the schedule will be determined by the Administration by July 1 after consultation with the Association.

E. Training

Employees will be required to attend training sessions from time to time to learn more about their work. Employees required to attend such sessions will be paid for their time. A full in-service day will be established yearly and will be part of the official calendar. Attendance will be mandatory. Staff will have an opportunity to propose content for in-service.

F. Calendar/Work Year

The official calendar will be established by the District annually and will be available electronically, with a copy emailed to the Association President and every Head Custodian.

G. Holidays

The work calendar approved by the Board shall include fourteen (14) paid holidays for bargaining unit employees. Part-time employees shall be eligible for holiday pay on a pro-rata basis.

H. Uniforms

The District will furnish uniforms for all regular custodian and maintenance personnel, shipping and receiving personnel, and truck drivers for the entire year (12 months). Seven (7) uniform sets will be furnished for each employee and the District will pay for the laundering of five (5) uniforms per week. The District also will provide seven (7) T-shirts for warm weather wear and two (2) sweatshirts for cold weather wear. In the fall of 2009, the District will provide one cold weather coat. Uniforms are to be worn only while engaged in school business and are to be kept at all times on school premises.

I. Labor and Management Meetings

The parties agree to hold two (2) meeting per calendar year, the Association and Administration each having an opportunity to select up to four (4) employees to participate.

ARTICLE XV

1-5 years	10 days
6-15 years	15 days
16-20 years	20 days

Vacation accrual for part-time employees shall be pro-rated.

Newly-hired bargaining unit employees shall earn and be permitted to use vacation days on a pro-rated basis during their initial year of employment.

B. Vacation Leave Request

For vacation leave of five (5) days or less, employees must submit their vacation requests in writing a minimum of two (2) weeks in advance of the leave date. All vacation leaves for six (6) or more days must be submitted in writing a minimum of ninety (90) calendar days prior to the requested date. Employees must inform the District by June 15 whether they will carry over their unused vacation days or the days will be paid out. The carried over vacation days must be used by October 31. If an employee does not inform the District of their choice by June 15, the remaining unused vacation days will automatically convert to sick days.

ARTICLE XVI

COMPENSATION AND FRINGE BENEFITS

A. Salary Schedule

1. Bargaining unit employees shall be paid in accordance with the salary schedules set forth in Appendices A-1, A-2, A-3, A-4, and A-5 which include the following:

However, the Chair will protect the confidentiality of individual plan participants as required by the ADA or other applicable law. Further, the Committee may meet with the District broker and an IEA approved consultant who may provide recommendations concerning the plan design and options, interpret data generated from reports of carriers, and provide

projections of future plan experience. It shall be the responsibility of the District's broker to contact all potential providers.

If the stipend would result in the employee receiving greater than a six percent (6%) salary increase over the employee's previous year's salary, the amount over six percent (6%) shall be paid to the employee in the second calendar month after the effective date of the employee's retirement. For days that cannot be applied to an employee's pension, in those instances when the employee retires they will receive eighty dollars (\$80) per day for each unused sick day up to a maximum of one hundred eighty (180) days.
