The budgets are prepared on a modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recorded when they are susceptible to accrual, i.e., both measurable and available. Expenditures are recognized in the accounting period in which the fund liability is incurred, if measurable except that principal and interest on indebtedness are not recognized as expenditures until paid. Capital assets are recorded as expenditures and depreciation is not recorded.

SECTION 1

2018 Adopted Budget Statement

Dear Town Citizens:

We are pleased to present to citizens of the Town of Malta the Adopted Budget for 2018. The following summarizes the significant information in this proposed budget:

I. Total Appropriations by Fund including Transfers to Reserves

	Adopted 2018	Adopted 2017
General Townwide	\$ 3,767,863	\$ 3,925,615
General Part-Town	1,268,082	1,168,131
Part-Town Highway	<u>2,510,100</u>	<u>2,562,400</u>
Subtotal	7,546,045	7,656,146
Fire Protection District	2,090,500	2,017,000
Library	339,000	339,000
Water District	600	600
Sewer Districts	115,938	111,945
Lighting Districts	<u>5,990</u>	<u>5,975</u>
Grand Totals	<u>\$10,098,073</u>	<u>\$10,130,666</u>

The above represents a fiscally conservative budget that funds core Town responsibilities for road maintenance, fire protection, ambulance services, local courts, planning and code enforcement while staying below the State 2% tax cap and maintaining the Town free of general town-wide property taxes. The overall budget of \$10,098,000 is a balanced budget that only requires the use \$36,000 of

recreation mitigation fees towards the Community Center debt repayment, \$30,000 from the Town's tax stabilization reserve and \$51,000 of the Town's fund balance.

II. Tax and User Rates by Fund

- General - The general town tax levy of \$12,000 funds the voter approved service award program for ambulance service volunteers at a tax rate of approximately \$.0063 per thousand.
- Highway - There will be no Highway Tax for the seventeenth (17th) consecutive year.
- Fire - The Town's Fire Protection levy will increase by \$72,620 resulting in a tax rate of approximately \$.834. This levy is based on a taxable assessment of \$2,490,139,613. The levy covers the cost of Volunteer Firefighter Service Award Program, fire service contracts with the Malta Ridge Volunteer Fire Department Inc., the Village of Round Lake and the Fire Companies of Malta, including the cost of the new shared fire station, fire hydrant rental as well as monies to fund a building and equipment capital improvement account.
- Library The Town's library tax levy funds the voter approved proposition of \$339,000 for the library. The library tax rate is approximately \$.1321 per thousand.
- Sewer - The Town has one sewer district and the users of the district are responsible for operation and maintenance costs of this district. Sewer user charges for 2018 will increase by \$5 to \$175 per equivalent dwelling unit for Sewer District #2.

III. Appropriations/Revenues

Personnel:

A COLA of 1.84% has been applied to the salaries of Town employees in additional to eligible step/longevity raises.

Highway:

The Town's approximate 74 lane miles of highway need regular repair and improvements. An appropriation of \$674,000 for road improvements has been provided for in the adopted budget. An appropriation of \$215,000 has been provided in the 2018 adopted budget to fund the highway equipment reserve which is used to pay for new highway equipment.

Parks:

Continued improvements to the Town's parks and pedestrian/bicycle trail system are important quality of life issues. Therefore, the adopted budget provides \$195,000 in the general outside village fund to finance maintenance and operation to Town parkland.

Seniors:

This proposed budget funds the following programs for the Town's seniors: Care Links - \$6,000, Malta Seniors Citizen's Inc. - \$8,800, Office for the Aging Transportation and Nutrition - \$5,600 and Malta

Community Center Program Discounts - \$15,000.

Revenues:

Sales tax receipts continue to remain the largest revenue component in the Town's budget. As result of an increase in the Town's share of assessed values due to economic growth, the Town's percentage share of the county sales tax will increase in 2018. The 2018 adopted budget projects sales tax revenues of \$5,115,000.

Fund Balance:

The Town recognizes four competing needs which must be balanced in order to be successful:

- The Town must provide quality services and protection/care (fire/ambulance) to our residents
- The Town must maintain public facilities and infrastructure (roadways)
- The Town must recruit, train and retain employees that meet our goal of excellent service
- The Town must maintain fiscal integrity

All four are equally important. Therefore, neglecting any one or placing more importance on another will negatively impact the Town's overall goals.

In order to ensure the fiscal strength of the Town in 2017 while at the same time limiting the accumulation fund balance so that service, maintenance and personnel issues can be addressed, we are proposing to maintain an amount equivalent to at least two (2) months of general operating expenditures as unreserved fund balance but also taking into account anticipated future capital improvements and repairs (ie, road infrastructure improvements). In the event of emergencies or legislative mandates that negatively affect our financial operations, the Town may need to reduce the unrestricted fund balance below the targeted minimum. If such should happen our goal is to replenish these amounts within the next two fiscal years.

In order to balance the Town budget and to cover appropriations that are not considered the Town's core mission, but provides benefits to Town residents, the adopted budget includes the use of some of our fund balance. Estimated unreserved fund balance as of December 31, 2017 is \$3,601,000.

IV. Summary of Significant Changes in Appropriations from 2017 Adopted Budget

Fire Protection Increased - \$74,000
Townwide Refuse Pickup Decreased - \$50,000
Highway Equipment Decreased - \$90,000
Fringe Benefits Increased - \$76,000

V. Summary of Significant Appropriations by Service Type

Community Center	\$ 393,000
Summer Youth Programs	\$ 179,000
Parks and Recreation	\$ 195,000
Library	\$ 339,000

Building and Planning	\$ 723,000
Street Repairs and Improvements	\$1,108,000
Highway Machinery and Repairs	\$ 382,000
Snow Removal	\$ 451,000
Debt Service	\$ 301,000
Emergency Services (Fire and Ambulance)	\$2,587,000

Additionally, we have attached to the budget report two pie charts which reflect 2018 estimated revenues and appropriations by major category.

Given the dependence on the economy of the Town's revenue projections, revenues potentially might not be available to support all service requests while maintaining a tax free status, Therefore, we recommend that the Town continue to take corresponding measures to contain expenditures. We are pleased to propose a budget that will be our 34th year with no general town tax aside from the voter approved \$.0063 per thousand tax rate for the service award program for the emergency services volunteers and \$.132 per thousand tax rate for voter approved library services and a \$.834 per thousand fire protection tax rate and no highway tax for the seventeenth consecutive year. The proposed tax rates are below the real property tax cap levy limits established by New York State.

This budget means that a property tax owner with a \$250,000 assessment will pay \$243 next year in real property taxes to cover the cost for fire protection, ambulance and library services (\$253 in 2017). All other costs are paid from sales and mortgage tax receipts, court fines and a number of grants and users fees as shown in the pie chart.

Sincerely,

Vincent R. DeLucia, Supervisor
 John Hartzell, Councilman
 Timothy Dunn, Councilman
 Craig Warner, Councilman
 Maggi Ruisi, Councilwoman
