THIS AGREEMENT entered into by and between the Westport Board Of Education, its successors and assigns (hereinafter referred to as "Employer") and Local 1303 Chapter 153 of Council #4, AFSCME, AFL-CIO (hereinafter referred to as the "Union").

ARTICLE I INTENT

Section 1. It is the intention of the Agreement to set forth terms and conditions of employment of the employers covered by this Agreement and to promote and assure a harmonious relationship between the Employer and such of its employees who are covered by the provisions of this Agreement in order that more effective and progressive health services may be rendered.

Section 2. The parties recognize the importance of providing safe and adequate health services.

ARTICLE II RECOGNITION

Section 1. The Employer recognizes the Union as the sole and exclusive representative for purposes of collective bargaining with respect to rates of pay, hours and other conditions of employment of all Registered Professional Nurses and Health Assistants employed by the Employer (collectively "Employees" and each an "Employee") excluding, however, the Supervisor of Health Services, and all other Supervisors as defined by statute, as well as probationary, seasonal, temporary employees and part-time employees working on a regular schedule of less than twenty (20) hours per week.

Section 2. A School Nurse (hereinafter referred to as "Nurse") covered hereby shall mean a nurse who has been licensed as a Registered Nurse (RN) or Advanced Practice Nurse (APRN) and who maintains a current license to practice Registered Nursing or Advanced Practice Registered Nursing in the State of Connecticut and meets qualification requirements of the Westport Board of Education. A Nurse's function may encompass school nursing services or other preventive health services, including but not limited to clinical, educational, collaborative, program management and professional performance responsibilities.

Section 3. A Health Assistant shall mean a member of the health services team who supports the School Nurses and Supervisor of Health Services in performing, among other things, clerical duties, intake/triage and first aid.

ARTICLE III UNION DUES

Section 1. The Employer agrees to deduct from the paycheck of each employee who is a member of the Union and who has voluntarily signed an authorized payroll deduction card a sum certified in writing by the secretary or other authorized official of the Union, as Union dues. Deduction will be made from the payroll periodically as agreed by the Union and the Employer and shall be delivered to the person and place designated by an authorized official of Local 1303.

Section 2. The Union agrees to hold the Employer harmless from and against any claim, loss, damages or expense arising from the application or enforcement of the provisions of this Article.

Section 3. The Board shall provide the Union with a list of all the employees covered by the Agreement on or about October 1 of each year of this Agreement. This list shall include date of hire and current wage rate or salary, step, and insurance status. The Board may meet its notification requirements to the Union (President/Council 4) by electronic mail. This provision applies throughout all Articles of the Agreement.

ARTICLE IV HOURS OF WORK

Section 1. A full time Nurse shall normally work a seven (7) hour day five days per week which shall include a total of forty-five (45) minutes before/after the student day.

The normal work day of a Health Assistant shall consist of between four (4) and seven (7) hours per day as individually scheduled.

In accordance with current practice, all employees shall have a one-half (1/2) hour unpaid lunch period.

The work year for Nurses shall consist of one hundred eighty-eight (188) days, including all student days on the school calendar and such additional days as may be scheduled by the Superintendent or his/her designee. Additional days may reasonably be added to the work year in exigent circumstances (i.e. meeting state or federal mandates).

The work year for Health Assistants shall consist of one hundred eighty-five (185) days (with three days before the start of the student school year), including all student days on the school calendar and such additional days as may be scheduled by the Superintendent or his/her designee. Additional days may reasonably be added to the work year in exigent circumstances (i.e. meeting state or federal mandates).

The work year of each nurse and/or health assistant may also be extended for up to five (5) days per year as specified by the Supervisor of Health Services and as authorized by the Chief Financial Officer in consultation with the Assistant Superintendent of Pupil Services.

Any work performed pursuant to this provision of the Agreement shall be compensated at the applicable per diem rate for each nurse and/or health assistant. Qualified volunteers for such assignments will be sought.

An employee's scheduled hours will not be increased or decreased during the school year without at least two (2) weeks' notice, except in exigent circumstances. The Employer will make a good faith attempt to give reasonable notice of any change in starting and ending times.

Section 2. Employees do not work any school vacation period, nor shall they be paid for such periods. Employees shall be paid for a normal day's work for any workday which is shortened as a result of an unscheduled early school closing or delayed openings provided that all appropriate duties are completed prior to leaving the premises. Employees will continue to be paid for a normal day's work on any scheduled shortened workday (e.g., short day before holiday) provided that all appropriate duties are completed prior to leaving the premises.

Section 3. A Health Assistant who works in excess of her regularly scheduled workday or work week shall be paid for all such work up to forty (40) hours per week at her regular hourly rate. Hours worked in excess of forty (40) in any work week or on Saturday, Sunday or Board of Education holiday will be compensated at time and one-half the Health Assistant's regular hourly rate of pay.

Nurses shall be considered salaried, professional employees. Therefore, Nurses may work beyond the standard work day without additional compensation where reasonably required to fulfill their nursing responsibilities.

ARTICLE V SALARIES

Section 1. During the life of this Agreement, the hourly rates for Health Assistants and the annual salaries for Nurses shall be as set forth in Appendix A attached hereto.

Section 2. During the life of this Agreement, each Nurse on the approval of the Superintendent or his/her designee shall advance one step on the salary scale annually. Step and wage increases are retroactive to July 1, 2019 for active employees only. Credit for previous experience and education, at the discretion of the Superintendent or his/her designee, may be granted newly-hired School Nurses not to exceed four (4) steps.

Section 3. During the life of this agreement, from July 1, 2019 and ending June 30, 2022, Health Assistants will advance a step on the salary scale annually. The general wage increase for the Health Assistants is retroactive to July 1, 2019 for active employees only.

Section 4. Each employee shall be paid every two (2) weeks by direct deposit. Employees will have a choice of receiving either 21 or 24 paychecks.

Section 5. Nurses who obtain national certification shall be awarded an annual stipend of \$1,600. The stipend amount shall be prorated for any partial year of such national certification. The Nurse obtaining national certification must be a full time nurse to be eligible for the stipend unless the Supervisor of Health Services in his/her sole discretion approves eligibility for the stipend.

ARTICLE VI SICK LEAVE

Section 1. Each employee shall be entitled to accumulate sick leave with pay to a maximum of one hundred fifty (150) days at the rate of fifteen (15) days per year from the date of employment. This leave may be used for sick purposes only. Employees may use up to three (3) days of accrued sick leave per year for the illness of an employee's spouse, child, or other family member who resides in the employee's home. The Board shall annually notify, through payroll stub or otherwise, each employee of his accrued but unused sick days. The Board currently provides such notification to employees through an automated system (currently, AESOP), and employees are expected to check their available leave through such automated system by approximately October 31 of each school year to ensure the accuracy of this information. Each employee shall have until November 30 of each applicable school year to challenge the same, after which time such notification shall be binding. Each employee on sick leave pursuant to this Section shall receive his/her regular salary or rate of pay, as applicable, during sick leave. Paid sick leave for eligible employees including probationary employees will comport with the state and federal statutes which includes the state paid sick leave law.

Section 2. In the event any employee requires additional sick leave after the expiration of her individual accumulation of sick leave days, then such employee shall be granted additional sick leave as follows:

4 to 5 years of service	8 days
6 to 10 years of service	16 days
Over 10 years of service	24 days

During this additional sick leave period, such employee shall be paid the difference between her per diem rate and the per diem rate for the substitute.

Each employee will be entitled to the applicable total of additional days only once during her employment by the Board.

ARTICLE VII LEAVES OF ABSENCE

Section 1. Bereavement Leave.

- A. Employees may be granted bereavement leave not to exceed three (3) days without loss of pay commencing with the day after death of the member of the immediate family. Immediate family for purposes of this Article shall include employee's spouse, parent, grandparent, child, grandchild, stepchild, aunt, uncle, brother, sister and the mother or father of the employee's spouse.
- B. In the event of death of a relative other than as herein defined, an employee may be granted a bereavement leave of absence of one (1) day without loss of pay to attend the funeral.
- C. The Superintendent or his/her designee will have the sole discretion to grant additional bereavement leave not to exceed two (2) days without loss of pay beyond the aforesaid three (3) days in case of death in the immediate family which the Superintendent or his/her designee considers to present extreme circumstances. Such circumstances may include, but shall not be limited to, distance or religious practice.

Section 2. Critical Illness.

Absence for a critical illness in the immediate family as defined herein shall be permitted on an individual basis at the discretion of the Superintendent or his/her designee. Pay for such an absence shall not exceed five (5) days per school year. Critical illness means such illness which the attending physician considers sufficiently serious to require the employee's presence at the bedside.

Section 3. Leave without Pay.

Requests for leave of absence without pay, other than for reasons stated above, shall be considered on an individual basis by the Superintendent or his/her designee. At the end of such a leave of absence for one (1) school year or less, the employee shall be reinstated to a position in the same classification at the same rate of pay as prior to the leave, provided that s/he gives written notice of her intention to return at least thirty (30) days prior to expiration of the leave, or other mutually satisfactory arrangements. Seniority shall continue to accrue during the first sixty (60) days of such a leave of absence; however, if the leave exceeds more than sixty (60) days, seniority shall be frozen as of the end of the first sixty (60) days of such leave.

Section 4. Maternity Leave and Child Rearing.

An employee who becomes pregnant shall, upon request, be granted a reasonable leave of absence for disability resulting from such pregnancy subject to applicable law and regulations, including but not limited to the Federal Family and Medical Leave Act. Each employee who is disabled as a result of pregnancy shall, upon request, receive for the duration of the pregnancy disability all compensation to which she is entitled as a result of accumulated sick leave benefits accrued pursuant to this Agreement. Child rearing leave

Section 6. Personal Leave.

- A. In addition to the above-mentioned leave, members of the unit may use two (2) additional days for pressing matters.
 - 1. Personal leave taken after May 15th shall be with the prior approval and permission of the Assistant Superintendent of Pupil Services, and such approval shall not be unreasonably withheld.
 - 2. The leave request will be submitted to the Supervisor of Health Services in writing and in advance.
 - 3. These days will be noncumulative and, except with the approval of the Superintendent or his/her designee, cannot fall on the day immediately preceding or following a school holiday or vacation.
 - 4. Personal leave is defined as involving family, schooling or legal problems or appointments. Personal days may only be used for pressing personal business which requires the presence of the employee and which may not be conducted with reasonable convenience outside the school day or year. For example, personal days may be used for legal appointments, children's wedding, and other pressing personal business. Each application for a personal day will be accompanied by a completed Request for Leave Form. Each application for personal leave shall be submitted to the principal or immediate supervisor describing the need in general terms (e.g., house closing, emergency repair, family problem other than illness) to demonstrate compliance with the above. The principal or supervisor may require additional explanation, provided all information shall be kept confidential. Personal days may not be granted on the days immediately before or after school holidays or vacations except in the absolute discretion of the Superintendent or his/her designee.
- B. If additional time is needed beyond these two days:

1. the request must be reviewed and approved by the Superintendent, or his/her designee;
2. substitute pay will be deducted from the employee's salary;
3. prior permission on the appropriate form is necessary; and
4. the reason for the leave and the date of absence must be clearly indicated.

Section 7. Jury Duty.

Leave for jury duty (duty for which the employee has not volunteered) shall be granted without loss of pay except that any remuneration received by the employee for such jury duty shall be deducted from his/her pay so that in no event can the total amount exceed a regular day's pay. The employee serving jury duty must provide the Board with written documentation that such duty was served. The Board reserves the right to request the employee be excused from jury duty.

ARTICLE VIII
PROBATIONARY PERIOD

Section 1. All newly hired employees shall serve a probationary period of six (6) months during which period such probationary employees shall be eligible for any benefits under this Agreement. Thereafter, seniority accrual shall be computed retroactively as of the date of employment. Probationary employees may be terminated by the Employer at its discretion and such termination shall not be subject to grievance or arbitration.

Section 2. The Employer agrees to notify the Union in writing of the name and address of each newly hired employee who may be subject to the terms of this Agreement. In this Section and throughout this Agreement, the Board may satisfy notification requirements through electronic mail to the President of the Union.

Section 3. The Employer agrees that a signed copy of this Agreement shall be available at the office of the Board of Education or electronically on the website of the Board.

ARTICLE IX
EVALUATION

Section 1. Performance evaluations shall be conducted by the Employer on an annual basis. When so performed, such evaluation shall be reviewed by the Supervisor of Health Services with the employee, and the employee shall have the opportunity to include any written comments in her/his file.

ARTICLE X
HEALTH BENEFITS, LIFE INSURANCE
AND PENSION

Section 1. Physical Examination.

- A. All new employees employed by the Westport Board of Education must present to the school physician an acceptable health statement from a licensed medical physician that the employee is free from communicable tuberculosis as evidenced by the PPD Test. If the employee's PPD Test is positive or if the employee has a history of irregular reactions to the PPD Test as attested by a statement from a medical physician, then in either case, the employee shall take an appropriate x-ray. The cost of this x-ray shall be paid by the Board of Education.

Employees returning to regular employment after leaves of absence for periods of one (1) year or more must present a statement from a licensed medical physician that the employee is free from communicable tuberculosis as evidenced by the PPD Test. If the employee's PPD Test is positive or if the employee has a history of irregular reactions to the PPD Test as attested by a statement from a medical physician, then in either case, the employee shall take an appropriate x-ray. The cost of this x-ray shall be paid by the Board of Education.

Explanatory Note: Employees are required to obtain the PPD Test within thirty (30) days of being employed or returning to employment. The test would thus be covered by the Board's health insurance plan for any new or returning employee who is enrolled in the Board's health plan.

- B. In accordance with the Americans with Disabilities Act, the Board reserves the right to require a physical examination of employees at its expense to assure that prospective employees and current employees are capable of performing the essential duties of their assigned position.

Section 2. Medical and Dental Benefits.

A program of benefits shall be provided on a contributory basis to each eligible employee and their eligible dependents. Health benefits shall be in the form of a High Deductible Health Plan (HDHP) with a Health Savings Account (HSA). The deductible for such HDHP shall be \$2,000 for individuals and \$4,000 for families. The Board will contribute 50% of the deductible for active employees participating in the HDHP. Any employee ineligible for the HDHP may participate in a Health Reimbursement Arrangement (HRA) with the same terms as the HDHP. Board funding to the HRA shall include a rollover feature allowing any unused HRA deductible funds to be rolled over up to the amount legally allowed.

Subject to applicable law, it is understood and agreed that an employee who leaves the employ of the Board of Education will have the HSA continue as their account, and the HRA reverts to the Board.

Dental benefits shall reimburse preventive expenses at 100% co-insurance, with a \$50.00 deductible (\$150 family maximum) for general services, and with an 80% co-insurance (50% co-insurance for major services). This benefit is subject to a \$2,500 calendar year maximum per covered individual.

Section 3. Contributions to Medical and Dental Insurance.

The Board shall pay for dependent coverage only if the employee does not have such coverage through another source subject to applicable law. Coverage of dependents is subject to the rules, regulations and other requirements of the applicable insurance carrier. The Board's contribution for dependent coverage for employees working less than full-time shall be on a pro rata basis subject to applicable law.

Unit members shall be provided with the same dental plan available to the other non-certified employees at the premium contribution rates set forth above.

The Board will contribute toward the HDHP deductible by deposition these amounts as follows:

25% of the Board's share of the HDHP deductible at the beginning of each quarter.

There will be no cost for preventative care. Once the HDHP deductible is met, benefits will be covered at 100% for in-network. Out-of-network services will be subject to an 80%/20% co-insurance after the deductible is met with an out-of-pocket maximum of \$4,000/\$8,000 (including satisfying the deductible). The out-of-pocket maximum will be cross accumulative between in-network, out-of-network and prescription drug cost. The premium contribution is set forth in Article X, Section 3 below.

Prescription benefits under the HDHP shall be provided through a prescription benefits manager (PBM), designated by the Board through a formulary established by the Board. Co-payments under the formulary plan will apply after the deductible is met up to an additional out-of-pocket maximum of \$1,000/\$2,000. The co-payments shall be \$10.00 for generic, \$30.00 for preferred brand, and \$45.00 for non-preferred brand, with mail order of two and one-half (2.5) times these retail co-payments for a ninety day supply. A participant shall pay the difference between the brand name drug cost and the generic drug cost when a generic is available and the individual elects to take the brand name drug without a physician's specification, "Dispense As Written" ("DAW") provided for medical reasons. A summary of the benefits of these plans shall be set forth for informational purposes in Appendices B and C, provided that the actual benefit shall be determined in accordance with the insurance contract(s)."

Effective July 1, 2018, the employee shall pay 20% of the cost of individual or dependent medical and dental insurance coverage. The Board will pay 80% of the cost of individual or dependent medical and dental coverage.

Contributions will be based upon the cost of coverage elected by the employee, i.e. individual, individual plus one, family (the employee premium share contributions shall be computed on the basis of actual expenditures in the prior year). Employee premium share contributions shall be made pursuant to an I.R.C. Section 125 Plan (pre-tax contribution) implemented by the Board.

Section 4. Change of Plans.

The Union agrees that the Employer may change the carrier for the major medical and/or hospitalization plans provided that the benefits provided are substantially equivalent to those currently provided. Any claim by the Union that such benefits or services provided by the new carrier are not substantially equal shall be subject to binding arbitration through the contractual grievance procedure

Section 5. CT State Partnership Plan 2.0.

Subject to the conditions set forth below, effective September 1, 2018, the Board shall provide medical benefits to Employees through the Connecticut State Partnership Plan 2.0 (SPP) in lieu of the medical benefits set forth in Sections 2 and 3 of this Article X. Dental benefits (including Employee premium cost sharing for such benefits) shall continue as provided in Sections 2 and 3 of this Article X. The medical benefits shall be as set forth in the SPP effective on September 1, 2018, including any subsequent amendments or modifications made to the SPP by the State and its employee representatives. The administration of the SPP, including open enrollment, beneficiary eligibility and changes, and other administration provisions shall be as established by the SPP. A summary of the benefits of the SPP shall be set forth for informational purposes in Appendix D provided that the actual benefit shall be determined in accordance with the SPP.

- A. The premium rates shall be set by the SPP.
- B. Effective September 1, 2018, the Board shall pay for all full-time Employees eighty-one and one half percent (81.5%) of the premium cost, and the Employee shall pay eighteen and one half percent (18.5%) of such cost. Effective July 1, 2020, the Board shall pay for all full-time Employees eighty-one percent (81%) of the premium cost, and the Employee shall pay nineteen percent (19%) of such cost. Effective July 1, 2021, the Board shall pay for all full-time Employees eighty and one half percent (80.5%) of the premium cost, and the Employee shall pay nineteen and one half percent (19.5%) of such cost.
- C. The SPP contains a Health Enhancement Plan (HEP) component. All Employees participating in the SPP are subject to the terms and provisions

of the HEP. In the event SPP administrators impose the HEP non-participation or noncompliance \$100 per month premium cost increase or the \$350 per participant to a maximum of \$1400 family annual deductible, those sums shall be paid 100% in their entirety by the non-participating or non-compliant Employee. No portion or percentage shall be paid by the Board. The \$100 per month premium cost increase shall be implemented through payroll deduction, and the \$350/\$1400 annual deductible shall be implemented through claims administration.

- D. In the event any of the following occur, the Board or the Union may reopen negotiations in accordance with Conn. Gen. Stat. Section 7-473c(b)(1) as to the sole issue of medical benefits, including plan design and plan funding, premium cost share, and/or introduction of a replacement medical benefits plan in whole or in part.
- i) If the SPP in its current form is no longer available; or if the benefit plan design of the SPP is modified as a result of a change in the State's collective bargaining agreement with SEBAC, if such modifications would substantially increase the cost of the medical benefits plan offered herein. Reopener negotiations shall be limited to medical benefits plan design and funding, premium cost share, and/or introduction of an additional optional medical benefits plan; and/or
 - ii) If Conn. Gen. Stat. Section 3-123rrr et seq. is amended, or if there are any changes to the administration of the SPP, or if additional fees and/or charges for the SPP are imposed so as to affect the Board, any of which amendments, changes, fees or charges (individually or collectively) would substantially increase the cost of the medical benefits plan offered herein. Reopener negotiations shall be limited to medical benefits plan design and funding, premium cost share, and/or introduction of an additional optional medical benefits plan; and/or
 - iii) If the cost of medical benefits plan offered herein is expected to result in the triggering of an excise tax under The Patient Protection and Affordable Care Act ([ACA; P.L. 111-148], as amended, inter alia, by the Consolidated Appropriations Act of 2016 [P.L. 114-113]) and/or if there is any material amendment to the ACA that would substantially increase the cost of the medical benefits plan offered herein. Reopener negotiations shall be limited to medical benefits design and funding, premium cost share, and/or introduction of an additional optional medical benefits plan.
- E. In any negotiations triggered under subparagraph D above as well as negotiations for a successor to this Agreement, the parties shall consider the High Deductible Health Plan with a Health Savings Account set forth in this Article X (as well as the premium cost-sharing amounts set forth in Section 3 of this Article X) to be the baseline for such negotiations, and the parties shall consider the following additional factors:

- Trends in medical insurance plan design outside of the SPP;
- The costs of different plan designs, including a high deductible health plan structure and a PPO plan structure.

Should such negotiations be submitted to arbitration for resolution, the arbitration panel shall consider the foregoing in applying the statutory criteria in making its ruling.

Section 6. Liability and Workers' Compensation.

The Employer agrees to continue its present coverage for professional liability, workers' compensation and other liability insurance.

Section 7. Life Insurance.

The Employer agrees to provide, without cost to the employee and subject to I.R.S. laws and regulations, group life insurance equal to approximately one and one-half (1.5) times the annual salary for each Nurse and twenty-five thousand dollars (\$25,000) group life insurance for each Health Assistant.

Section 8. Pension.

The Board shall protect and save harmless any employee from financial loss and expense, including legal

fees and costs, if any, arising out of any claim, demand or suit instituted against such employee by reason of alleged malicious, wanton or willful act or ultra vires act, on the part of such employee while acting in the discharge of his duties. In the event such employee has a judgment entered against him/her for a malicious, wanton or willful act in a court of law, the Westport Board of Education shall be reimbursed by such employee for expenses it incurred in providing such defense and shall not be held liable to such employee for any financial loss or expense resulting from such act.

Requests for such time will be made two (2) weeks prior to the meeting, whenever possible. A response to this request will be made, whenever possible, within three (3) working days of said request.

Section 4. School Nurses shall participate in faculty, staff and community meetings as required by the Employer.

Section 5. Nurses shall plan for their own professional growth and continuing education.

Section 6. Staff members may be reimbursed for courses taken at colleges or universities subject to the rules established herein. ARTICLE XIV GRIEVANCE PROCEDURE

Section 1. Any grievance concerning the discharge, suspension, discipline, or demotion of an employee(s) or a misunderstanding involving the application, meaning, or interpretation of the Agreement, unless specifically excluded by this Agreement, shall be settled in the following manner:

Step 1-A. Prior to submitting a written grievance, the employee shall discuss the problem with the Supervisor of Health Services, in an effort to obtain a resolution without resorting to the formal grievance procedure.

Step 1-B. If the problem cannot be resolved informally, the employee or the Union shall submit a grievance in writing to the Assistant Superintendent of Pupil Services, setting forth the nature of the grievance. Within ten (10) working days after the Superintendent of Schools or his/her designee receives such grievance, he or she shall arrange to and shall meet with the grievant and representatives of the Union for the purpose of adjusting or resolving such grievance.

Step III. If such grievance is not resolved by the Superintendent to the satisfaction of the Union and the issue involves the application or interpretation of this Agreement, then the

Union within ten (10) days after the decision by the Superintendent or his/her designee may submit the matter to the Connecticut State Board of Mediation and Arbitration for arbitration in accordance with its rules and regulations. DESCRIPTION OF HEALTH BENEFITS
Connecticut Partnership Plan 2.0

A Great Opportunity for Very Valuable Healthcare Coverage

Welcome to the Connecticut (CT) Partnership Plan—a low-/no-deductible Point of Service (POS) plan now available to you (and your eligible dependents up to age 26) and other non-state public employees who work for municipalities, boards of education, quasi-public agencies, and public libraries.

The CT Partnership Plan is the same POS plan currently offered to State of Connecticut employees. You get the same great healthcare benefits that state employees get, including \$15 in-network office visits (average actual cost in CT: \$150), free preventive care, and \$5 or \$10 generic drug copays for your maintenance drugs. You can see any provider (e.g., doctors, hospitals, other medical facilities) you want—in- or out-of-network. But, when you see in-network providers, you pay less. That's because they contract with UnitedHealthcare/Oxford—the plan's administrator—to charge lower rates for their services. You have access to Oxford's Freedom Select Network in Connecticut, New Jersey, and parts of New York, and United's Choice Plus Network for seamless national access!*

When you join the CT Partnership Plan, the state's Health Enhancement Program (HEP) is included. HEP encourages you to get preventive care screenings, routine wellness visits, and chronic disease education and counseling. When you remain compliant with the specific HEP requirements on page 5, you get to keep the financial incentives of the HEP program!

Look Inside for a summary of medical benefits, and visit www.osc.ct.gov/CTpartner to find out if your doctor, hospital or other medical provider is in UnitedHealthcare/Oxford's network. Information about the dental plan offered where you work, and the amount you'll pay for healthcare and dental coverage, will be provided by your employer.

A MESSAGE FROM UNITEDHEALTHCARE

We are dedicated to helping people live healthier lives. This is our mission and we take it seriously. By making healthier decisions, you can live a healthier life. It's that simple. Our programs and network can help you do just that.

Our Network

We have a robust local and national network. Nationally and in the tri-state area, we have a large number of doctors, health care professionals and hospitals. For years, our members have accessed our Connecticut, New York and New Jersey tri-state network. Whichever plan you choose, you'll have seamless access to our UnitedHealthcare Choice Plus Network of physicians and health care professionals outside of the tri-state area. This gives State of Connecticut employees, retirees and their families better access to care whether you are in Connecticut, travelling outside the tri-state area, or living somewhere else in the country.

Just giving you a list of doctors is not very helpful. The UnitedHealth Premium® designation program recognizes doctors who meet standards for quality and cost-efficiency. We use evidence-based medicine and national industry guidelines to evaluate quality and the cost-efficiency standards are based on local market benchmarks for the efficient use of resources in providing care. The 2016 UnitedHealth Premium program covers 27 specialty areas of medicine, including two new specialties (Ear, Nose and Throat, and Gastroenterology).

For more information about our network and the Premium designation program or to search for physicians participating in our local network and the national UnitedHealthcare Choice Plus Network, please visit partnershipstateofct.welcometouhc.com.

PRESCRIPTION DRUGS

PRESCRIPTION DRUGS	Maintenance* (31-to-90-day supply)	Non-Maintenance (up to 30-day supply)	HEP Chronic Conditions
Generic (preferred/non-preferred)**	\$5/\$10	\$5/\$10	\$0
Preferred/Listed Brand Name Drugs	\$25	\$25	\$5
Non-Preferred/Non-Listed Brand Name Drugs	\$40	\$40	\$12.50
Annual Out-of-Pocket Maximum	\$4,600 Individual/\$9,200 Family		

+ Initial 30-day supply at retail pharmacy is permitted. Thereafter, 90-day supply is required—through mail-order or at a retail pharmacy participating in the State of Connecticut Maintenance Drug Network.

++ Prescriptions are filled automatically with a generic drug if one is available, unless the prescribing physician submits a Coverage Exception Request attesting that the brand name drug is medically necessary.

Preferred and Non-Preferred Brand-Name Drugs

A drug's tier placement is determined by Caremark's Pharmacy and Therapeutics Committee, which reviews tier placement each quarter. If new generics have become available, new clinical studies have been released, new brand-name drugs have become available, etc., the Pharmacy and Therapeutics Committee may change the tier placement of a drug.

If your doctor believes a non-preferred brand-name drug is medically necessary for you, they will need to complete the Coverage Exception Request form (available at www.osc.ct.gov/ctpartner) and fax it to Caremark. If approved, you will pay the preferred brand co-pay amount.

If You Choose a Brand Name When a Generic Is Available

Prescriptions will be automatically filled with a generic drug if one is available, unless your doctor completes Caremark's Coverage Exception Request form and it is approved. (It is not enough for your doctor to note "dispense as written" on your prescription; a separate

form is required.) If you request a brand-name drug over a generic alternative without obtaining a coverage exception, you will pay the generic drug co-pay PLUS the difference in cost between the brand and generic drug.

Mandatory 90-day Supply for Maintenance Medications

If you or your family member takes a maintenance medication, you are required to get your maintenance prescriptions as 90-day fills. You will be able to get your first 30-day fill of that medication at any participating pharmacy. After that your two choices are:

- Receive your medication through the Caremark mail-order pharmacy, or
- Fill your medication at a pharmacy that participates in the State's Maintenance Drug Network (see the list of participating pharmacies on the Comptroller's website at www.osc.ct.gov).

CONNECTICUT PARTNERSHIP PLAN 2.0

HEALTH ENHANCEMENT PROGRAM

The Health Enhancement Program (HEP) is a component of the medical plan and has several important benefits. First, it helps you and your family work with your medical providers to get and stay healthy. Second, it saves you money on your healthcare. Third, it will save money for the Partnership Plan long term by focusing healthcare dollars on prevention.

Health Enhancement Program Requirements

You and your enrolled family members must get age-appropriate wellness exams, early diagnosis screenings (such as colorectal cancer screenings, Pap tests, mammograms, and vision exams). Here are the 2018 HEP Requirements:

*Dental cleanings are required for all members who are participating in the Partnership Plan

**Or as recommended by your physician

The Health Enhancement Program features an easy-to-use website to keep you up to date on your requirements.

Additional Requirements for Those With Certain Conditions

If you or any enrolled family member has 1) Diabetes (Type 1 or 2), 2) asthma or COPD, 3) heart disease/heart failure, 4) hyperlipidemia (high cholesterol), or 5) hypertension (high blood pressure), you and/or that family member will be required to participate in a disease education and counseling program for that particular condition. You will receive free office visits and reduced pharmacy copays for treatments related to your condition.

These particular conditions are targeted because they account for a large part of our total healthcare costs and have been shown to respond particularly well to education and counseling programs. By participating in these programs, affected employees and family members will be given additional resources to improve their health.

If You Do Not Comply with the requirements of HEP

If you or any enrolled dependent becomes non-compliant in HEP, your premiums will be \$100 per month higher and you will have an annual \$350 per individual (\$1,400 per family) in-network medical deductible.
