ARTICLE I - RECOGNITION

The Board of Education of the Mount Prospect School District 57, Cook County, Mount Prospect, Illinois, hereinafter known as "Board," recognizes the Mount Prospect Education Association – IEA/NEA, hereinafter known as "Association," as the exclusive bargaining agent for wages, hours, and other terms and conditions of employment leading up to retirement for all certified teaching personnel (including certified school nurses), psychologists and social workers, except the Superintendent and all other administrators, building assistants (while acting in an administrative capacity), substitute teachers, teacher aides, consultants, and interns. As used herein, the term "Teacher" refers to members of the bargaining unit defined above.

The Board shall not negotiate with any teachers' organization other than the Association for the duration of this Agreement

ARTICLE II - ASSOCIATION RIGHTS AND RESPONSIBILITIES

2-1 Association Rights and Responsibilities

Teachers have the right to organize and to join the Association and, as Association members, to participate in negotiations with the Board for their wages, hours, and other terms and conditions of employment, but membership in the Association shall not be required as a condition of initial or continued employment.

The Board shall not discriminate against any Teacher with respect to hours, wages, and other terms and conditions of employment for reasons of membership in the Association, participation in negotiations with the Board, or the institution of any grievance, complaint or proceeding under this Agreement.

2-2 Board Association Communication

Before the Board changes any existing policies that will affect Teachers' wages, hours, or conditions of employment, it shall:

- A. Notify the Association of the potential change and arrange for a meeting to take place within ten (10) days between representatives of the Board and Association.
- B. If the proposed changes are not acceptable to the Association, the Association may, within ten (10) days of the meeting between parties, serve a written demand to bargain the change(s) pursuant to the rules and regulations of the Illinois Educational Labor Relations Board (IELRB).
- C. The administration shall make available to the Association President a copy of the Board agenda, the minutes and the public information media packet.
- D. The Association President and the Superintendent jointly agree to conduct monthly communication meetings, when possible, for the purpose of maintaining ongoing communications and discussing programs and/or issues that affect Teachers in the bargaining unit. At the discretion of the Superintendent or Union President, additional administrators and/or Association members may be included in these meetings.

2-3 Joint Board - Teacher Committee

A joint committee, consisting of up to four (4) board members and up to six (6) Association members, will meet to discuss items specific to this Agreement and make recommendations to the Board and administration on items of mutual interest. The committee will meet on an as needed basis but not less than once a year. Resource people may attend.

2-4 Association Dues Deduction

The District shall deduct the current dues of the Association from the pay of any Teacher who has executed an annual authorization for dues deduction. The Association shall annually certify the amount of the dues. The Association shall furnish the authorization form which shall include a hold-harmless clause exempting the District from liability to the individual or any teacher association for any omissions of deductions. The District shall notify the Association in writing of the receipt of any revocation. All dues deducted by the District shall be remitted to the Association within twenty-one (21) days of that deduction.

2-5 Fair Share

- A. It is recognized that the negotiation and administration of this Agreement entail expenses which appropriately are shared by all Teachers who are beneficiaries of said Agreement. To this end, if a Teacher does not join the Association, such Teacher will:
 1. Execute an authorization for the deduction of a sum equivalent to the proportionate share of the cost of the collective bargaining process and contract administration; or
 2. Pay directly to the Association a like sum.
- B. In the event such an authorization is not signed or such direct payment is not made within thirty (30) days following the commencement of employment of the Teacher or the effective date of this Agreement, whichever is later, the Board will deduct the fair share fee in payments in the same installments as members' deductions.
- C. The IEA/NEA agrees to indemnify and save the Board harmless against any liability which may arise by reason of any action taken by the Board in complying with the provisions of Section B above, including reimbursement for any legal fees or expenses incurred in connection therewith.
- D. The Board agrees to notify the Association promptly in writing of any claim, demand, suit or other form of liability in regard to which it will seek to implement the provisions of Section B above and, if the Association so requests in writing, to surrender claims, demands, suits or other forms of liability.
- E. The parties expressly recognize the rights of non-members based upon their bona fide religious tenets or teachings of a church or religious body as provided for in Section 11 of the IELRA.

2-6 Leave – Association

The Association President will be granted an average of one day per month (10 days per school year) for Association business. The District will provide office space, if available, for the Association President to use for Association business. Office space will not necessarily be the same location each year.

In the event that the Association desires to send delegates to attend the Representative Assembly, up to four (4) days may be approved.

The Association shall make an application to the Superintendent for approval of any Association leave days. Association members on leave will not have salary deductions for the leave; however, the Association shall reimburse the District for the substitute's salary. Application for use of these days must be filed in advance with the Superintendent for approval.

ARTICLE III - BOARD OF EDUCATION RIGHTS AND RESPONSIBILITIES

The Association acknowledges that the Board has the responsibility and authority to govern the District as provided by state and federal law.

It is expressly understood and agreed by the Association that the Board retains all functions, rights, powers, or authority of the Board that are not specifically limited by the express language of this Agreement.

ARTICLE IV - TEACHER RIGHTS , WORKING CONDITIONS, AND RESPONSIBILITIES

4-1 Right of Representation

When any Teacher is required to appear before the Board, Superintendent, or administrator concerning a written reprimand in regard to a matter that could lead to the termination of the Teacher or affect his/her salary or any increments, the Teacher shall be given reasonable prior notice of the reasons for such meeting or interview. Upon the Teacher's request, the Teacher shall be entitled to have a representative of the Association present to advise and/or represent him/her during such meeting or interview.

4-2 Personnel File

- A. Only one official file shall be kept for each Teacher in the District, and such file shall be maintained by the Office of the Superintendent. References to the official file will include both hard copies and computer records. The individual Teacher may have access, upon request and at a mutually agreed time, and may add comment(s) to the file upon any of the material contained therein. Any time a written comment or document is received or placed in the Teacher's file, the Teacher shall receive a copy of that comment or document.
- B. All communications which are included in his/her official personnel file shall be shown to the Teacher prior to being placed in the file. The Teacher shall sign and date the written material when shown; however, the signature will not necessarily indicate agreement. The Teacher shall have the right to attach dissenting material to any item in the file. If the general subject of a complaint from a parent is not repeated from any source for a year, the complaint shall be removed from the official file at the request of the Teacher.
- C. - D. Anonymous communications may not be entered in the official personnel file.

4-3 Job Sharing

- A. A tenured Teacher shall apply in writing to the Superintendent by January 31 for participation in a job sharing arrangement for the following school year. The application process and forms will be available from the Superintendent's office.
- B. The application may be approved or denied at the Superintendent's discretion, but shall not be denied solely on the basis of philosophical bias.

- C. A job share may continue from year to year provided the Teacher reapplies by January 31 and receives administrative approval.
- D. No Teacher shall suffer loss of tenure as a result of participation in the job share. The District may limit the number of job shares at any one time.

4-4 Teacher Evaluations

- A. Consistent with the Danielson framework for teaching, the primary purpose of Teacher evaluations is to assess the Teacher's skill using a conversational and relationally based model and to provide Teachers with a supportive and collaborative relationship with the District to develop and refine the craft of educating.
- B. The evaluation criteria and procedures shall be applied uniformly and in a timely manner (in accordance with the Teacher Evaluation Plan) to all Teachers covered by this Agreement.
- C. Summative evaluation ratings shall be based on evidence. Evidence is not an individual's memory, belief, or knowledge. It is data, information, and artifacts that can be seen, heard, or read while observing the Teacher's practice or while engaged in conversation with the Teacher. Hearsay, unsubstantiated claims, or anonymous communications shall not be a part of the evaluation process.
- D. All evaluations shall be conducted in good faith to this end and in accordance with the provisions of the Teacher Evaluation Plan, as jointly created and approved by the District and Association.

A. Vacancies

1. General Guidelines

- a. A vacancy shall be defined as any newly created position or a position created when a Teacher leaves that position for any reason. The District encourages Teachers to consider applying for vacant positions as they become available.
- b. During the school year, the Administration shall post in each school building and online for five (5) school days notice of any District vacancy or anticipated vacancy as it occurs. Such notice shall include the position, school, date available, and date of the posting. A copy of such notice shall be sent to the Association President.
- c. Teachers wishing to apply for a vacant position shall apply through the online application process as an internal candidate. Vacancies will be posted for a minimum of five (5) school days before the position is filled with the exception of emergency vacancies which may require a shorter posting period (e.g., difficult to fill positions, last-minute vacancies, etc.). Additionally, Teachers will be notified by email of summer postings.
- d. All Teachers who have applied for a position shall be interviewed for that position provided such Teacher meets certification requirements and highly qualified provision of the law for such position. Teachers have priority consideration over external candidates. After Teachers are interviewed for such vacancies, they shall be notified of the Administration's decision when the vacancy is filled. New and vacant positions will be filled based upon consideration of certifications, qualifications, merit and ability (including performance evaluations, if available), and relevant experience. Seniority will not be a factor unless all other factors are determined by the District to be equal.

B. Transfers

1. A transfer shall be defined as a change in assignment.
2. Teachers shall not be involuntarily transferred during the regular school year to another building or transferred to teach another grade level or subject area without prior consultation between the Teacher and Administrator involved.
3. In the event it is necessary to transfer a Teacher, the Administration will use as its primary consideration academic qualifications, relevant teaching experience, and length of service in the District. Transfers shall be neither arbitrary nor capricious.
4. The District's decision to involuntarily transfer a Teacher does not preclude the affected Teacher from applying for open positions. Open positions will be filled based upon consideration of certifications, qualifications, merit and ability (including performance evaluations, if available), and relevant experience. Seniority will not be a factor unless all other factors are determined by the District to be equal. If a Teacher is not selected for an open position, the Teacher or Association shall be informed.
5. A Teacher who is involuntarily transferred shall be informed in writing of the reason(s) for the transfer. Such notice shall be given as soon as possible to the Teacher so that he or she can more readily facilitate the change. The Teacher may, at his/her option, meet with the administration to discuss the reasons for the transfer. The Teacher being involuntarily transferred shall be notified of existing vacancies and upon request, shall be given consideration for such.
6. Any Teacher involuntarily transferred because of a reduction in the number of positions or assignments in a building will have the option to be returned to the same position if it becomes available within two (2) years of the effective date of the involuntary transfer. Any Teacher may request a voluntary transfer at any time.
7. Any Teacher involuntarily assigned to teach a new subject area and/or grade level shall meet with their building principal prior to the implementation of the transfer to create a transition plan, including, but not limited to training, job or grade alike mentoring, and other support, which will enable the teacher to successfully transition to their new assignment. The Teacher who has been reassigned and the mentor shall not participate in the formal mentoring program. Instead, documentation of their collaboration will be provided to the building principal at a minimum of twice yearly.
8. Room Reassignment- Any Teacher who is required to move to another classroom will be given District support and up to six (6) hours for a classroom and two (2) hours for an office at a rate of forty-four (44) dollars per hour. All requests for medication administration will be referred to the health office.

Teachers must submit a half-day absence if they can not be in attendance for any portion of their morning or afternoon. Teachers should not leave the school during their planning time. Lunchtime is considered free time to leave or take care of personal business. Administration reserves the right to grant any short-term absence (not to exceed a half day), provided the Teacher requesting the short-term absence can find a Teacher volunteer (unpaid) for the internal substitution.
- G. **Preparing for an Absence-** In the event that a teacher is absent from their assignment, it is the regular teacher's responsibility that all materials, teachers' guides, and pertinent information are readily available for the substitute teacher. Substitute teachers also may be asked to cover a regular teacher's duty and supervisory assignments, so a current list of those responsibilities should also be available.
- H. **Transporting Students-** A Teacher shall not transport students in a personal vehicle.

- I. **Mandated Trainings for Staff** -All staff are required to complete annual mandated training as set forth by the District and required by law. 4-11 Procedures for Reduction in Force (RIF) and Recall

A. Reduction in Force (RIF)

1. For purposes of determining the sequence of honorable dismissal (also known as Reduction in Force or RIF), the District will create a list for each job classification that places Teachers who hold appropriate licensure (and qualifications included in the job description by May 10th of the preceding school year) for that position into the following groupings:

- Group 1 – Teachers who are untenured and have yet to receive a District 57 evaluation, employed for one school term or less to replace a Teacher on leave, or employed on a part-time basis, as defined by School Code of Illinois
 - Group 2 – Teachers who have received an unsatisfactory or needs improvement rating in one (1) of their last two District 57 evaluations
 - Group 3 – Teachers who do not fit into any of the other three (3) categories
 - Group 4 – Teachers who have received at least two (2) excellent evaluation ratings within their last three (3) District 57 evaluations.
2. For purpose of categorization into Group 2, each Teacher in category 2 will be assigned a subcategory number. This subcategory number will be determined by calculating the average of the last two (or the last one, if only one has been performed) District 57 evaluations received.
 - a. Teachers in Group 2 will be listed according to their subcategory number from highest to lowest. If the subcategory number is equal, Teachers will be listed in order of seniority.
 - b. The subcategory number is based on the sum of evaluations (as determined by the numbers listed below) divided by 2 rounded to the nearest tenth.
 - 1) Unsatisfactory rating =1
 - 2) Needs improvement rating = 2
 - 3) Satisfactory rating =3
 - 4) Excellent rating = 4
 3. Prior to initiating a RIF, the District will release non-tenured Teachers for whom the District has chosen not to renew employment contracts.
 4. If the District cannot produce or did not conduct the evaluation of a tenured Teacher when it should have done so, that year shall be determined as a proficient rating.
 5. Teachers will be RIFd in the following order:
 - a. 1st Teachers in Category 1 as determined by the District
 - b. 2nd Teachers in Category 2 with reverse seniority within each subgrouping as required by School Code of Illinois
 - c. 3rd Teachers in Category 3 in reverse seniority order
 - d. 4th Teachers in Category 4 in reverse seniority order
 6. The District will notify the Association of the names of all Teachers experiencing the RIF at least five (5) days prior to a RIF list being published.
 7. The District will notify all affected Teachers of the RIF at least forty-five (45) calendar days before the end of the school year. Such notification will occur at a

time least likely to interfere with the Teacher's ability to complete his/her assignment, such as the end of the school day or the end of the school week. Failure to comply with this provision shall not be grounds to invalidate the RIF or dismissal.

B. Recall

1. Recall of Teachers shall be by seniority within the respective RIF Group 3 or 4 provided the RIFd Teacher is licensed and qualified to perform the service(s) required of the position.
2. The District will maintain a recall list for one calendar year from the beginning of the following school term unless the original layoff exceeds fifteen (15) percent of the number of full-time equivalent positions filled by Teachers during the preceding school year, in which case the recall rights extend for two calendar years from the beginning of the school term following the layoff, as specified in the notice of reduction-in-force for each affected Teacher in RIF Group 3 or 4. Those Teachers failing to accept the offer of recall to employment within five (5) business days from receiving notification of recall will be dropped from the recall list.
3. Teachers RIFd from Group 2 shall have recall rights for vacancies until February 1 of the following school term.

- C. All legislative changes to the Illinois RIF and Recall law will be automatically incorporated into this section of the Agreement. The District will notify the Association of any such changes and agrees to bargain with the Association over the impact on Teachers of the changes.

4-12 Professional Development

Purpose

The ultimate goal of professional development is to improve student achievement through high-quality teaching. Professional development must provide for the continuous improvement of professional practice and address the needs of each individual on the staff. It must provide opportunities for Teachers to attain pedagogical content knowledge as well as build their instructional leadership skills.

Implementation

All professional development programs are under the authority of the administration. All district-wide professional development activities will be planned in conjunction with the Professional Development Committee which shall include Teachers and administration.

Professional development shall encompass various delivery models such as but not limited to Trainer of Trainers, co-planning/co-presenting, District Teachers, outside presenters, and online

instruction. When Teachers are asked to formally present or lead professional development, release time for planning will be coordinated through the requesting administrator.

In addition to the institute days annually allocated to professional development (See Calendar, Section 4-9), there shall be only two (2) regularly scheduled staff meetings per month in each school. Such leave is available to a full-time Teacher who has been employed for at least one year and has at least 1,000 hours of service with the Board during the previous twelve (12) months. FMLA leave is unpaid unless accumulated sick leave or personal leave is available. Nothing in this provision shall prohibit the Teacher from use of accumulated sick leave as provided for in this Agreement during the FMLA leave. The Board of Education may require the use of available sick leave and personal leave during FMLA leave. The total FMLA leave, paid or unpaid under this provision, cannot exceed twelve (12) weeks during any fiscal year (July 1 through June 30), except where longer leaves are provided under the FMLA for certain military-related reasons. A written medical certification may be required, and a second medical opinion may be requested and paid for by the Board of Education. The FMLA leave should be requested thirty (30) days in advance of the first day of absence for the leave or as soon as reasonably practicable.

The District may recover its premium cost if the Teacher fails to return to work following an approved, unpaid leave unless the reason for the failure to return is a serious health condition of the Teacher, spouse, parent or child or other circumstance beyond the Teacher's control. In this event, the District may require a certification of the existence of a serious health condition which the Teacher must provide within thirty (30) days of the request.
- C. Upon conclusion of a FMLA leave, the Teacher will be restored to his/her former position or to an equivalent position as established by school board policies and practices and this Agreement (with respect to pay, benefits and other terms and conditions of employment) with any general pay increases or benefit enhancements granted during the leave, provided that:

Failure to do so shall result in the forfeiture of the Teacher's right to reinstatement.
- C. If a reduction in force occurs during the leave, the Teacher on leave is subject to the same conditions as those who are currently teaching. Time spent on such leave shall not be counted for the purpose of computing advancements on the salary schedule.
- D. A Teacher on leave of absence may continue in the insurance program if he/she chooses at his/her expense by paying the full premium at the group rate. All other benefits cease.
- E. The Teacher is responsible to notify the Superintendent in writing by February 15 regarding his/her intent to return for the following school year.

6-7 Leave - Health

- A. A tenured Teacher may apply for a leave of absence for health reasons. An appropriate certificate of health, concerning the Teacher's health, shall be submitted together with the application for a health leave. A Teacher on leave may maintain insurance at his/her own expense.
- B. Upon expiration of the leave, the Teacher shall resume his/her duties as the Superintendent may assign to him/her based upon the educational and administrative needs of the District and its students at that time. Every attempt shall be made to make the assignment similar to that held by the individual prior to the leave; however, it is recognized that the interests of the students and the District shall take precedence.
- C. In the event that a leave is denied, the reasons for such denial shall be placed in writing and forwarded to the Teacher.

7-3 Procedural Requirements for Filing a Grievance

Step 1

The grievant or the grievant and the Association shall present a written statement of the alleged violation to the appropriate principal or other administrator within fifteen (15) days of the alleged violation. The administrator shall within ten (10) days of the receipt of the grievance, confer with the grievant and/or his/her representative to try to resolve the grievance. Within ten (10) days after the completion of the conference, the administrator shall give his/her written decision. A copy of this decision shall be given to the grievant and, upon written authorization of the grievant, to the Association.

Step 2

In the event the grievance has not been resolved at Step 1, the grievant or the grievant and the Association may appeal to the Superintendent or the designee. If the Superintendent is the one being grieved, the Board shall appoint the designee. The appeal shall be made within ten (10) days after the receipt of the administrator's decision. Within ten (10) days of the receipt of the appeal, the Superintendent or his/her designee shall confer with the grievant or the grievant and the Association in an effort to resolve the grievance. The Superintendent, within ten (10) days following the conference, shall file his/her written decision with the grievant, and, upon written authorization of the grievant, with the Association.

Step 3

If the grievance is not resolved satisfactorily at Step 2, there shall be available a third step of impartial, binding arbitration. The grievant or the grievant and the Association may submit in writing to the Superintendent within thirty (30) days from the receipt of the Step 2 answer to enter into such arbitration. An arbitrator to be selected by the two parties within seven (7) days after said notice is given shall conduct the arbitration proceeding. If the two parties fail to reach agreement on an arbitrator within seven (7) days, each party is to choose an arbitrator and these arbitrators will choose a third arbitrator. The three arbitrators will render a decision under the current rules and regulations of the American Arbitration Association. The decision of the arbitrators shall be binding on all. The costs associated with securing the third arbitrator and the arbitration process will be borne equally by the Association and the District. Each party will bear the cost of securing their own arbitrator.

MEMORANDUM OF AGREEMENT - PROFESSIONAL DEVELOPMENT COMMITTEE

On May 5, 2022, during negotiations for a successor agreement to the parties' current Collective Bargaining Agreement, the Board and the MPEA teams agreed as follows:

There is a need to review and revise the current District approach to delivering professional development to members of the MPEA bargaining unit. As a result, the Board and MPEA agree to convene a Professional Development Committee to study and recommend options for the delivery of various professional development initiatives.

The Committee will be composed of up to fifteen (15) members, 5 appointed by the MPEA President, 5 appointed by the Superintendent, and 5 community members appointed by the Superintendent with input from the MPEA President. It is expected that membership will reflect all levels of the District organization, i.e. elementary school, middle school, administration, etc.

The Committee will meet at least monthly beginning in September 2022, with the expectation of making Committee recommendations to the Board no later than its second regular meeting in December, 2022. This timeline will allow the Board to consider recommendations in approving the 2023-2024 school calendar.

The Committee in developing its recommendations, will seek staff and community input through surveys and other data-gathering methods. In formulating its recommendations, the Committee will, at a minimum, do the following:

1. Define the term "professional development", which will not include additional plan time.
2. Identify the staff and District professional development needs.
3. Quantify the amount of professional development needed.
4. Consider the financial, transportation, and childcare impact of its recommendations.
5. Consider the impact of its recommendations on student contact time.
6. Keep minutes of Committee meetings for distribution to interested parties.

The Committee will operate by consensus. In the event the Committee is unable to agree on recommendations, the decision on recommendations will be made by the Superintendent or designee(s) and the MPEA President or designee(s).

INTRODUCTION

This Memorandum of Agreement ("MOA") amends the Agreement between the Mount Prospect Education Association and the Board of Education, Mount Prospect School District 57, which covers the 2022-2023 through 2026-2027 school years ("Agreement").

ARTICLE I. ELIGIBILITY AND PROCEDURE

To be eligible to participate in Retirement Incentive set forth herein, a Teacher (as defined in the MPEA CBA) must meet all of the following criteria:

- A. At the time of retirement, have the equivalent of at least 15 years of full-time service in the District and, at the time of submitting the notice in subparagraph (E) have attained contractual-continued service status (tenure) as defined by the School Code;
- B. Must be eligible to receive pension benefits through the Teachers' Retirement System for the State of Illinois ("TRS");
- C. Will retire without the Board incurring an "excess salary payment" per TRS for exceeding the 6% creditable earnings increase limitation.
- D. Provide a written and irrevocable notice to the Board by June 1 of the Teacher's intent to retire (at least one year in advance of retirement) and identifying the retirement date. The Teacher must file for retirement with TRS to be effective no later than June 30 of the school year in which the teacher retires.
 - i. The District may, in unusual and extraordinary circumstances (e.g., a major life event such as the death of a spouse, serious illness of the Teacher or spouse, marital status change, or other extraordinary circumstance as determined by the Board) and it is sole discretion, permit a Teacher to rescind the irrevocable notice. The District's decision in this regard shall not be grievable nor arbitrable and shall be non-precedential. Any Teacher allowed to rescind the notice shall pay back to the District the value of any retirement incentive benefits received hereunder as a condition of the rescission.
- E. At the time of retirement, the Teacher shall: (1) be eligible to receive an annuity from TRS (currently for Tier I members, must be at least 60 years old with 10 years of service credit in TRS or 55 years old with 35 years of service credit); and (2) shall have been eligible for the non-discounted annuity from TRS for no more than 12 months. The Teacher shall provide proof of such eligibility from TRS if requested.

ARTICLE II. BENEFITS

- A. In addition to the salary increases set forth in Section 5-9 of the Agreement, for each school year following the submission of the irrevocable notice, the employee shall receive annual increases of 1% (to a max of 6% total) over their base salary in the previous year each year leading up to their retirement to a max of four years prior to retirement. The base salary only includes the salary per the salary schedules in appendix A and does not include any stipend or additional compensation.
- a. Example 1: Teacher puts in for retirement on June 1, 2023, to retire on June 30, 2027. The teacher would receive the following raises:
 - i. 2023-2024: 5% + 1% for a total of 6%
 - ii. 2024-2025: 4.5% + 1% for a total of 5.5%
 - iii. 2025-2026: 4.2% + 1% for a total of 5.2%
 - iv. 2026-2027: 4.5% + 1% for a total of 5.5%
 - b. Example 2: Teacher puts in for retirement on June 1, 2025, to retire on June 30, 2027. The teacher would receive the following raises:
 - i. 2025-2026: 4.2% + 1% for a total of 5.2%
 - ii. 2026-2027: 4.5% + 1% for a total of 5.5%
- B. If a staff member is not receiving a step increase (e.g., frozen in a lane at the end of the salary schedule), the staff member will receive the same retirement incentive percent increase as what other employees would receive who are receiving the full contract increase, as set for immediately above. For example, in 2024-2025, the staff member would receive an additional 1% to their regular increase.
- C. Teachers with less than 15 years of service to District 57 shall be entitled to a one-time \$200 per year post-retirement stipend for service to District 57. Teachers are eligible if meeting the eligibility requirements in B-E above.
- D. For any teachers who do not fall within the eligibility requirement Article I, E because the teacher will have been eligible to receive a non-discounted annuity for more than 12 months (which may include ineligibility because of Article I,E and Article I.C), there will be a one-time opportunity to receive a retirement benefit. The following must be followed:
- a. Provide written notice to the Board by March 1, 2023, with an intent to retire at the end of the 2022-2023 school year and satisfy all other eligibility criteria in Article I above.
 - b. The teacher shall receive a one-time lump sum \$10,000 post-retirement stipend less any TRS penalty, to be paid at least 45 days following their final paycheck and no more than one year from the Teacher's retirement.

- E. For any teacher who does not fall within the eligibility requirement Article I, C, but will be eligible to retire between June 2024 and June 2026, there will be a one-time opportunity to receive a retirement benefit. The following must be followed:
- Provide written notice to the Board by June 1, 2023, with an intent to retire by June 30, 2026 (or as soon as eligible), and satisfy all other eligibility criteria in Article I above, other than C.
 - The teacher would receive a one-time \$10,000 post-retirement stipend, less any TRS penalty, to be paid at least 45 days following their final paycheck and no more than one year from the Teacher's retirement.
 - The teacher cannot exceed 6% base salary increases over any remaining years of service after 2022-2023.
- F. For any teacher who meets all eligibility requirements except for possibly Article I.C. and wishes to retire at the end of the 2022-2023 school year, there will be a one-time opportunity to receive a retirement benefit. The following must be followed:
- Provide written notice to the Board by March 1, 2023, with an intent to retire by June 30, 2023, and satisfy all other eligibility criteria in Article I above, other than C.
 - The teacher would receive a one-time \$10,000 post-retirement stipend, less any TRS penalty, to be paid at least 45 days following their final paycheck and no more than one year from the Teacher's retirement.

ARTICLE III. Duration

- A. This MOA will be in effect until June 30, 2027, and the benefits set forth herein shall not survive the expiration of the Agreement. Staff members can submit their letter of intent to retire as late as June 1, 2027, to retire by the end of the 2030-2031 school year with the benefits listed in this MOA.

Memorandum of Understanding

Section 4-5 B
Duty-Free Lunch

This Memorandum of Understanding is entered between the Board of Education of Mount Prospect School District (“Board”) and the Mount Prospect Educational Association, IEA-NEA (“Association”), which are collectively referred to as “the parties.”

The parties’ current 2022-2027 collective bargaining agreement provides in Section 4-5B that, “All Teachers are entitled to a duty-free lunch period as provided in the School Code. A duty-free lunch of one hour at the elementary level and the length of one period at the middle level is provided to teachers.”

The parties agree that beginning with the 2024-2025 school year, one period at the middle school level shall be interpreted as 38 minutes except in the following situations:

1. Mondays in which the regular schedule allows for 35 minutes per lunch period;
2. During State and District-mandated testing; and, on days on which a special schedule is necessary for operational or student learning purposes, lunch periods will be shortened only after the following has occurred:
 - A. *Staff Leadership Team (either building leadership team or team leaders) and MPEA Leadership will be consulted to help develop the schedule or provide input to a draft of a schedule.*
 - B. *For any schedule requiring a shortened lunch period, which will be defined as a lunch period between 30-37 minutes, communication will be provided by Administration to the Lincoln Staff as soon as possible, with 10 school days prior notice when feasible.*

“Although the above language is in acknowledgment of situations that may occur, Administration will strive to avoid implementing schedules that include shortened lunch periods if it can be avoided and still achieve the necessary programming for students. Accordingly, a “special schedule” shall be permitted only in exceptional circumstances where operating under a 38-minute schedule or as otherwise set forth herein is not reasonably feasible (e.g. an unforeseeable event such as a visit from a dignitary or other unique opportunity).

Lunches will never be shortened below 30 minutes. Other than on Mondays, on days in which lunches are shortened below 38 minutes, staff will be allowed to leave the building the corresponding number of minutes before the typical end of the work day. For instance, if lunch is 30 minutes, staff can leave the building eight minutes before the typical staff end time.

Upon full execution of this agreement, the Association withdraws Grievances #1:2023-24, #2:2023-24 and #3:2023-24 which were all submitted on March 17, 2024, and agrees not to refile those particular grievances.

This Agreement includes a negotiated resolution of the grievances identified above. Nothing in this Agreement is intended to be, nor shall be construed as, an admission of fault, responsibility, or violation by either party.

Section 5-2
Section 5-3

The parties' current 2022-2027 collective bargaining agreement provides in Section 5-2 that, "Insurance for non-renewal and retiring Teachers will cease on June 30th." The parties to this Memorandum of Agreement ("Agreement") wish to modify that provision.

The parties agree that retirees will have an option of keeping their insurance through August 31 if they choose. In this case, the final pay for retiring teachers will be on August 31 rather than June 30 as noted in Section 5-3.

This AGREEMENT supersedes any prior agreement(s) between the parties with respect to its subject matter and constitutes a complete and exclusive statement of the terms of the agreement between the parties with respect to its subject matter.

This Memorandum of Agreement ("MOA") amends the Agreement between the Mount Prospect Education Association and the Board of Education, Mount Prospect School District 57, which covers the 2022-2023 through 2026-2027 school years ("Agreement").

The following changes will be made to insurance options for staff beginning July 1, 2023:

 - B. *For any schedule requiring a shortened lunch period, which will be defined as a lunch period between 30-37 minutes, communication will be provided by Administration to the Lincoln Staff as soon as possible, with 10 school days prior notice when feasible.*

“Although the above language is in acknowledgment of situations that may occur, Administration will strive to avoid implementing schedules that include shortened lunch periods if it can be avoided and still achieve the necessary programming for students. Accordingly, a “special schedule” shall be permitted only in exceptional circumstances where operating under a 38-minute schedule or as otherwise set forth herein is not reasonably feasible (e.g. an unforeseeable event such as a visit from a dignitary or other unique opportunity).

Lunches will never be shortened below 30 minutes. Other than on Mondays, on days in which lunches are shortened below 38 minutes, staff will be allowed to leave the building the corresponding number of minutes before the typical end of the work day. For instance, if lunch is 30 minutes, staff can leave the building eight minutes before the typical staff end time.

Upon full execution of this agreement, the Association withdraws Grievances #1:2023-24, #2:2023-24 and #3:2023-24 which were all submitted on March 17, 2024, and agrees not to refile those particular grievances.

This Agreement includes a negotiated resolution of the grievances identified above. Nothing in this Agreement is intended to be, nor shall be construed as, an admission of fault, responsibility, or violation by either party.

Memorandum of Agreement
Between The Board of Education of Mount Prospect School District 57
AND
The Mount Prospect Educational Association, IEA-NEA

Section 5-2
Section 5-3

The parties' current 2022-2027 collective bargaining agreement provides in Section 5-2 that, "Insurance for non-renewal and retiring Teachers will cease on June 30th." The parties to this Memorandum of Agreement ("Agreement") wish to modify that provision.

The parties agree that retirees will have an option of keeping their insurance through August 31 if they choose. In this case, the final pay for retiring teachers will be on August 31 rather than June 30 as noted in Section 5-3.

This AGREEMENT supersedes any prior agreement(s) between the parties with respect to its subject matter and constitutes a complete and exclusive statement of the terms of the agreement between the parties with respect to its subject matter.

Section 4-3
Job Sharing

This Memorandum of Understanding is entered between the Board of Education of Mount Prospect School District ("Board") and the Mount Prospect Educational Association, IEA-NEA ("Association"), which are collectively referred to as "the parties."

The parties agree that for the 2026-2027 school year, Taylor Arguelles, who is currently completing her 4th year in the district shall be eligible to request a job share partnership with Megan Crawford-Finnegan for the 2026-2027 school year, even though Mrs. Arguelles had not yet attained tenure at the time of the request.

The parties agree that this does not constitute a precedent-setting agreement or evidence of a practice.
