8.6.7 If the compensatory time has not been taken within six (6) months of the date on which it was earned, due to the District's priorities, the District shall either assign the employee time off or pay the employee in cash for all such time at the appropriate overtime rate based on the employee's current rate of pay.

8.6.8 Distribution of Overtime.

8.6.8.1 Within thirty (30) days of this Agreement the District shall circulate within each department or worksite a form upon which bargaining unit employees may affix their names indicating they are and will be available to work overtime assignments and hours. Bargaining unit employees who do not complete the overtime form will not be eligible to work overtime for a three-month period. The District shall circulate the same form on a quarterly basis thereafter.

8.6.8.1.1 Every department and/or worksite shall establish a seniority list per classification for the purposes of overtime and have it posted where it will be visible for all employees to see. Copies of these seniority lists shall be provided to the Teamsters.

8.6.8.2 Each employee who indicates that he/she is available for overtime assignments shall be placed on an overtime assignment list for that department or worksite and listed in seniority order and by classification.

8.6.8.3 Overtime shall be distributed and rotated as equally as is possible among bargaining unit employees within each department or worksite as provided for in this Article. Unit members who have been given written notice of repeated absences and or repeatedly tardies without authority and sufficient reason may be excluded from overtime assignments until this problem is corrected.

8.6.8.4 For the purpose of offering overtime hours to bargaining unit members, the supervisor responsible for such assignments in each department or worksite shall first offer the overtime to the person who normally performs the work. If that person refuses the assignment, the overtime shall be offered to the most senior person within the same classification in the department or worksite. After overtime has been accepted or rejected, the employee shall be put on the bottom of the seniority list for overtime assignments. If there are no bargaining unit employees available to work the overtime at that

worksite, then the overtime shall be offered to other bargaining unit employees holding the same classification in the department or who have indicated their availability to work overtime. This section shall not apply to the maintenance department.

8.6.8.5 Any bargaining unit employee who is offered an overtime assignment and who accepts or rejects the assignment or is unavailable to work on that day shall be put on the bottom of the seniority list for overtime assignments.

8.6.8.6 If there are no bargaining unit employees willing and available to work overtime assignment in a department or worksite and all other lists have been exhausted, the District may offer said overtime to a qualified permanent employee in another classification.

8.6.8.7 Employees assigned to an overtime assignment shall have the right to complete the assignment without regard to any other provision of this Agreement.

8.6.8.8 Overtime assignments in the maintenance department shall be offered as follows: Offers to work an overtime assignment shall be made first to the employee(s) who has signed the overtime form and who normally performs such work. If that employee rejects the assignment or is unavailable to work the assignment shall be put on the bottom of the seniority list for overtime assignments. The overtime shall then be offered to the most senior skilled-maintenance specialist able to perform the assignment safely and competently and who is eligible to work in descending order of seniority, on the approved overtime form list. If none of the above are available or willing to work an overtime assignment, the overtime shall be offered to any other maintenance employee eligible to work overtime, who has signed the overtime form. For purposes of the subsection, competence shall be determined by the minimum qualifications to perform the overtime. If the employee accepts and reports to an assignment and abandons the assignment, the employee will be denied overtime for a period of one (1) month.

8.6.8.9 If there are no regular maintenance employees available or willing to work overtime, the District may offer such overtime in accordance with Section 8.6.8.6 of this Agreement.

8.7 Procedure for School Safety Assistant (SSA) Additional Assignments. This agreement shall be used for the filling of SSA assignment outside of the normal working day.

The Parties agree for the purpose of this article only, seniority will be determined by the date of hire.

Whenever possible, the assignment of SSA overtime will not be delayed until the day of the overtime but shall be done prior to the day of the overtime assignment.

- 8.7.1 When offered, overtime shall initially be offered to the SSAs at his/her site in descending order of District seniority. After overtime has been accepted or rejected, the SSA shall revert to the bottom of the SSA seniority list at that site for SSA overtime assignments. The Chief of School Police or designee shall be responsible for keeping the SSA seniority list current, and for tracking the order of SSA's as they rotate through the list. If all SSAs at the site reject the SSA overtime assignment, then the Chief of School Police or designee shall fill the SSA assignment. School Police shall refer to the District-wide SSA seniority list, and follow the following procedure:

Human Resources shall maintain a master District seniority list that will be revised whenever a new SSA is hired, or a SSA leaves employment. That list will be provided to School Police and the Teamsters as soon as it is completed.

Each school shall designate a school office employee who shall be responsible for relaying immediate messages about overtime assignments to their SSAs on campus. The relay shall occur via radio or the most expedient method available to the designee.

On duty SSAs shall remain accessible to the designee so as to be available for contact about overtime assignments.

SSAs who do not wish to be offered overtime can call School Police and advise them that the SSA does not wish to be called for overtime. The words "DO NOT CALL" will be placed next to that SSAs name until the SSA calls School Police again to state that he/she wishes to be included in the SSA overtime rotation. All SSAs will be considered interested in overtime for the purposes of beginning this new procedure.

School Police shall initially call and offer the overtime assignment to the senior most SSA on their District seniority list through that SSA's school contact designee. After the first assignment, the list shall rotate in seniority order.

When the SSA assignment requires a specific gender, then School Police will follow the same procedures, except that the overtime will be offered only to the SSAs of the needed gender.

When contacted, the SSA must make an immediate decision about the overtime. If the designee cannot immediately reach the SSA, then the designee is to log the receipt of the overtime call from School Police, along with their attempt to contact the SSA, and then tell School Police that the SSA is not available. The overtime is to be considered rejected.

After a SSA has accepted or rejected an overtime assignment at another site that SSA shall revert to the bottom of the District-wide SSA seniority list for SSA

overtime assignments. For example: if a SSA at Morningside High School was called for an overtime assignment at Inglewood High School. After that call, the SSA at Morningside High School will revert to the bottom of the District SSA seniority list.

School Police shall log their attempts to fill all assignments via seniority rotation list. For each assignment this shall include where the rotation started on the list, and the date, time of each attempt made to contact the SSA. For on-duty SSAs, School Police shall log their contact with the school site designee. For off duty SSA's, School Police shall log the phone number called, with a comment (reached answering machine, no answer, wife advised SSA was not available, etc.).

If Police Services has contacted (or attempted to contact) every SSA in the District and has not found a volunteer for the overtime assignment, School Police will fill the assignment with a substitute SSA.

- 8.7.2 The parties agree to meet and negotiate upon request of either party with respect to the provisions of Article 8, Section 8.6.8 at any time after one year from the effective date of this contract.
- 8.8 Call Back Time. Employees who are called back to work outside their regular work hours shall be guaranteed a minimum of two (2) hours pay or compensatory time off at the appropriate rate.
- 8.9 Substituting. All nine, ten, and eleven-months permanent employees, who request substitute duty during their off month(s), shall be placed on the top of the substitute list and be given preference over regular substitutes, for substitute assignments.
- 8.9.1 Any regular employee performing substitute work in the same position as their regular Board of Education approved assignment for the District shall be paid their regular rate of pay.
- 8.10 Extra Duty. For the purpose of offering extra duty hours to bargaining unit members, the supervisor responsible for such assignments in each department or worksite shall first offer the extra duty to the person who normally performs the work. If that person refuses the assignment or is not available, the extra duty shall be offered to the most senior person within the classification who has the ability and training to perform the task. If there are no bargaining unit employees at the worksite capable and willing to perform the extra duty task, the extra duty shall be offered to other bargaining unit employees within the classification who has the ability, training and have indicated their availability to work extra duty.
- 8.11 The District and the Union agree to establish a joint committee with equal representation to review and make recommendations relative to the wearing of uniforms by unit members.
- 8.12 Maintenance and Operations bargaining unit members are required to wear safety shoes.

The District will reimburse full-time bargaining unit members up to two hundred dollars (\$200) for the purchase of safety shoes (includes steel toe or composite toe) subject to the approval of the Maintenance and Operations Director. The District shall also provide gloves, goggles and face mask upon request of bargaining unit members.

- 8.13 School Safety Assistants (SSAs) shall be required to wear a safety boot. SSAs shall receive up to one hundred and fifty dollars (\$150) for the purchase of footwear as approved by the School Chief of Police. The District shall also provide head cover and eye protection for each bargaining unit member.
- 8.14 Food Services personnel shall wear protective footwear. Food Services personnel shall receive up to one hundred and fifty dollars (\$150) for the purchase of protective, slip resistant with good tread footwear as approved by the Food Service Director.

All receipts are to be submitted prior to May 1<sup>st</sup> of each school year in order to be eligible for reimbursement.

If the request is denied or the employee does not request additional leave, the District shall place the employee on a reemployment list for a period of thirty-nine (39) months. If at any time during the 39 months the employee is able to assume the duties of his or her position, the employee shall be reemployed in the first vacancy in the classification of his or her previous assignment. The employee's reemployment will take preference over all other applicants except for those laid off for lack of work or funds.

## **ARTICLE XIV - PROCEDURES FOR EVALUATION OF PERFORMANCE**

### **14.1 Definition and Purpose.**

#### **14.1.1 Performance Evaluation.**

A performance evaluation is a document that reflects, on a regular or special basis, whether the unit member has met or not met specified competencies and goals.

The performance evaluation process deals with the appraisal and development of a unit member on a continuous basis. It involves ongoing dialogue between supervisors and unit members in communicating work goals, giving, and receiving work instructions, assigning work, as well as observing and evaluating work progress within the job classification. It is a management tool for understanding individual strengths and weaknesses of performance and behavior, a means of determining training and development needs, and may be used as a basis of personnel action to promote and improve performance.

The purpose of a performance evaluation, whether it is a regular (annual) or special evaluation, is to encourage open and honest supervisor-unit member relationships through appraisal, and maintain ongoing dialogue that contributes to coaching, through training, and counseling of unit members while improving the quality, productivity, and responsiveness of the workforce.

#### **14.1.2 Performance Improvement Plan.**

Unit members determined to be in need of improving any areas of performance will be provided with a Performance Improvement Plan (PIP), or documentation following the progressive discipline model. If the PIP does not improve performance, or a PIP is determined to be inappropriate based upon the performance issue identified, the District may refer to Article XVIII Dismissal/Suspension/Disciplinary Action of Classified Employees Section 2.1.

The purpose of a Performance Improvement Plan (PIP) is to serve as a means of improving a unit member's performance and/or behavior to achieve acceptable standards of competence or higher. The evaluator, with input from the affected unit member, shall develop an improvement plan that is fair, measurable, and which outlines work efforts through established timeline, which evaluate progress. A PIP is a model designed to facilitate constructive discussion between supervisors and unit members.

#### **14.1.3 Performance evaluations and PIPs are a fundamental component of each unit member's documented employment history and are not, in and of themselves, disciplinary in nature.**

##### **14.1.3.1 Process.**

#### 14.1.3.2 Performance Evaluation.

14.1.4 Every permanent unit member shall receive a formal, final written evaluation on the District evaluation tool completed between March 1<sup>st</sup> and May 15<sup>th</sup> of each year.

14.1.4.1 Every probationary unit member shall be evaluated twice during the probationary period. The first (1st) evaluation shall be completed on or before the end of the third (3rd) month of service. The second (2nd) evaluation shall be completed on or before the end of the fifth (5th) month of service. Form A shall be utilized for probationary evaluations.

14.1.4.2 Evaluations for permanent and probationary members shall be completed utilizing the District evaluation tool. The Union shall have the right to consult with the District concerning any revisions the District intends to make to the evaluation tool.

14.1.4.3 Permanent employee review procedures shall consist of a series of two (2) meetings between the unit member and the evaluator. Each meeting will allow both the unit member and evaluator to discuss performance and progress towards goals to date, and to make formal comments recorded. The timing and purpose of these two meetings is as follows:

The initial meeting between the unit member and evaluator shall be held between September 1 and October 15 each year. During this meeting, relevant competencies and goals are established for evaluation purposes and recorded.

The second review meeting shall be held between January 1 and February 15 each year. During this meeting, unit member progress towards competencies and goals will be discussed and recorded on the evaluation tool. This second review meeting may be waived by mutual agreement.

14.1.4.4 If a unit member is in a limited term, or out of class during the evaluative period, it shall be noted on the final evaluation. If a unit member transfers into a new assignment, or passes probation between August 16 and December 31, the evaluator shall hold an initial meeting with the unit member prior to December 31, and a final evaluation meeting between March 1 and May 15. Following each meeting, the unit member and evaluator will acknowledge the meeting was held by signing in the evaluation tool. The unit member will then have ten (10) working days to respond to the evaluator's assessment by recording comments in the evaluation tool. Once the response is entered, the unit member will sign the evaluation. If the evaluation is not signed within ten (10) days, that portion of the evaluation is considered finalized.

## 14.2 Performance Improvement Plan.

14.2.1 Notice must be presented to the unit member before a PIP may be issued. Such notice shall be within thirty (30) calendar days of the issuance of a PIP. Form B shall be utilized for probationary evaluations.

14.2.2 A PIP may be issued any time during the annual evaluation period and may be no less than thirty (30) calendar days but not more than ninety (90) calendar days in duration. All PIPs shall be subject to prior authorization by the division director or designee, shall be clearly noted as a PIP, and shall be subject to all other provisions of this Article.

14.2.3 A PIP must include measurable and attainable goals. A PIP may include but is not limited to the following:

A description of the areas for which improvement is needed;

An improvement plan for the unit member to achieve satisfactory performance;

Resources to support and assist in achieving satisfactory performance;

The criteria, standards, or objectives necessary to be met by the unit member to achieve satisfactory performance.

14.2.4 Reasonable release time for duty hours shall be provided to the unit member to review a PIP. The content of individual unit members' PIPs shall not be subject to the grievance procedure.

## 14.3 Evaluation Appeal.

Upon submission of a written rebuttal the unit member may request an appeal to the division director or designee for an objective review. Both the manager or designee and unit member shall have the right to one (1) representative at the appeal conference. Upon completion of the review, the division director or designee shall make a final written determination in the matter within ten (10) working days. If the unit member is not satisfied with this final determination, they may submit written comments within ten (10) working days. Such comments shall be attached to the performance evaluation and included in the unit member's office personnel file. The final content of individual unit members' performance evaluations shall not be subject to the grievance procedure.

### 14.3.1 Notice.

Unit members shall be assigned one evaluator and be informed in writing of the name of his/her evaluator within thirty (30) working days at the beginning of the fiscal/school year. Unit members shall be notified in writing within thirty (30) working days if their evaluator changes.

### 14.3.2 Methods of Assessment.

Evaluations shall be based on standards and criteria appropriate for the classification and assignment of the unit member, along with standards established by the division and the Office.

The evaluator shall utilize, but is not limited to, the following methods of assessing performance:

Personal observations and knowledge, and/or

- Review of work product, and/or
- Appropriate, documented and/or pertinent input from the unit member's supervisor(s) and/or individuals who receive services from the unit member, where applicable, and/or
- Other documented input related to the unit member's job performance.

#### 14.4 Inclusion of Derogatory Materials in Personnel File.

Information of a derogatory nature shall not be placed in the unit member's personnel file or utilized in disciplinary proceedings unless the following procedures have been followed:

14.4.1 Reasonable released time from duty hours shall be provided to the unit member to review the derogatory material;

14.4.2 The unit member has the right to attach a written rebuttal within ten (10) working days of the time the unit member has received the derogatory material. If the material is identified as a reprimand, the unit member shall have five (5) additional days to attach a rebuttal. The actual preparation of the written rebuttal shall be accomplished outside of duty hours;

14.4.3 If the derogatory information is received by the immediate administrator from a non-IUSD external third party, the unit member shall first be provided written or oral notice of the same. However, the information shall be determined as factual in nature before it can be utilized for any disciplinary purposes.

If any derogatory information is going to be utilized there must be prior documentation. The documentation shall include the time and date the issue was discussed and what measures were taken to address the issue.

## **ARTICLE XV – TRANSFER AND PROMOTIONAL PROCEDURES**

Any employee who has attained permanent status may apply for transfer or promotion to that position by filing a written notice with the Personnel Department of the District prior to the closing date of the position. When a vacancy occurs, the District shall consider any written transfer request filed within the previous three (3) months or within the six (6) day posting period by those of the bargaining unit employee serving in the same class in the District. In the case of a transfer, the employee shall be interviewed by the Site Administrator, prior to the job being flown. If the employee is rejected, the Personnel Administrator will furnish an explanation to the employee. Bargaining unit employees, who meet the minimum qualifications for the vacancy, including employees who are requesting a transfer, shall receive an interview for the position. At such interview, bargaining unit members with one (1) or more years of service with the District shall receive one (1) additional point per year of service with the District to a maximum of six (6) on a scale of 100 for purposes of selection provided that such employee has not utilized an excess of the maximum number of days provided by Section 11.1.1 of this Agreement for personal illness or injury leave during the preceding twelve (12) calendar months. Provided further, that absences resulting from industrial accident or illness shall not be considered in determining whether an employee has exceeded such maximum allowance.

Such employees may authorize a Teamsters Shop Steward to file any application or written materials required by this Article on his/her behalf.

15.2.2 When there is a vacancy in a bargaining unit position and there are five (5) or more unit employees who both meet minimum qualifications and apply for the vacancy, the District shall complete the transfer and promotion procedures for bargaining unit employees prior to considering any other applicants outside of the bargaining unit. This provision shall not be construed to require the District to promote or transfer any bargaining unit applicant.

15.2.3 Transfers shall be given priority over promotion where possible.

15.3 Involuntary Transfer.

15.3.1 Employees may be transferred to another job location if the District determines that such change of assignment would be for the good of the District. A copy of the response shall become part of the employee's personnel file. An employee transferred involuntarily shall receive notification of the transfer seven (7) days prior to the actual date of transfer, except in an emergency. The employee will receive a written notice of involuntary transfer, which shall specify the needs of the District which require the transfer.

15.3.3 No employee shall be involuntarily transferred for arbitrary or capricious reasons.

Unit members shall be given preferential reemployment rights over any new outside applicant to available positions to which they are qualified as determined by the District based on its existing hiring criteria. Notice of this right shall be included in the employee layoff notice.

**ARTICLE XVIII – DISMISSAL/SUSPENSION/DISCIPLINARY ACTION OF  
CLASSIFIED EMPLOYEES**

If the Personnel Commission is removed, the District and the Union agree to remove any reference to the Personnel Commission.

18.1 Termination of Probationary Employment.

At any time prior to the expiration of the probationary period, the County Administrator or designee may, at his/her discretion, dismiss a probationary classified employee from District employment.

18.2 Involuntary Suspension Without Pay, Demotion, Reduction of Pay Step in Class, or Dismissal.

Permanent classified employees shall be subject to adverse personnel action (suspension without pay, demotion, reduction of pay step in class, dismissal) only for cause. The Board's determination of the sufficiency of the cause for disciplinary action shall be conclusive.

18.2.1 Progressive Discipline.

As a general concept, the District utilizes progressive discipline consisting of: oral warnings, written warnings, written reprimands, unscheduled evaluations (when appropriate), suspension, and termination.

18.3 Causes for Disciplinary Action.

In addition to any disqualifying or actionable causes otherwise provided for by statute or by policy or regulation of this District, each of the following constitutes cause for adverse personnel action against a permanent classified employee:

18.3.1 Falsifying any information supplied to the School District, including, but not limited to, information supplied on application forms, employment records, or any other School District records.

18.3.2 Incompetency, inefficiency or unsatisfactory performance of the duties of his/her position.

18.3.3 Insubordination.

18.3.4 Dishonesty.

18.3.5 Drinking alcoholic beverages while on duty or in such close time proximity thereto as to cause any detrimental effect upon the employee or upon employees associated with him/her.

18.3.6 Possessing or being under the influence of a controlled substance at work or away from work or furnishing a controlled substance to a minor. (Ed. Code § 44011.)

- 18.3.7 Conviction of a felony, conviction of any sex offense made relevant by provisions of law, or conviction of a misdemeanor which is of such a nature as to adversely affect the employee's ability to perform the duties and responsibilities of his/her position. A plea or verdict of guilty, or a conviction following a plea of nolo contendere, is deemed to be a conviction for this purpose.
- 18.3.8 Absence without leave or repeated unexcused tardiness.
- 18.3.9 Immoral conduct.
- 18.3.10 Discourteous treatment of the public, students, or other employees.
- 18.3.11 Improper political activity.
- 18.3.12 Willful disobedience.
- 18.3.13 Misuse of District property.
- 18.3.14 Abandonment of position or excessive absenteeism.
- 18.3.15 Violation of District, Board of departmental rule, policy or procedure including safety rules.
- 18.3.16 Failure to possess or keep in effect any license, certificate, or other similar requirements specified in the employee's class specification or otherwise necessary for the employee to perform the duties of the position.
- 18.3.17 Refusal to take and subscribe any oath or affirmation which is required by law in connection with his/her employment.
- 18.3.18 A physical or mental disability which precludes the employee from the proper performance of his/her duties and responsibilities as determined by competent medical authority, except as otherwise provided by a contract or by law regulating the retirement of employees.
- 18.3.19 Unlawful discrimination, including harassment, on the basis of race, religious creed, color, national origin, ancestry, physical handicap, marital status, sex, or age against the public or other employees while acting in the capacity of a District employee.
- 18.3.20 Unlawful retaliation against any other District officer or employee or member of the public, who in good faith, reports, discloses, divulges, or otherwise brings to the attention of any appropriate authority any information relative to an actual or suspected violation of state or federal law occurring on the job or directly related thereto.

18.3.21 Any other failure of good behavior either during or outside of duty hours which is of such nature that it causes discredit to the District or his/her employment.

18.4 Time Limitation.

Except as defined in item 18.3.18 above, no adverse personnel action shall be taken for any cause which arose before the employee became permanent, no for any cause which arose more than two years before the date of the filing of the notice of cause unless this cause was concealed or not disclosed by the employee when it could be reasonably assumed that the employee would have disclosed the facts to the District.

18.5 Initiation and Notification of Charges.

18.5.1 When disciplinary action is commenced against a permanent employee, the District shall provide the employee with written notice from the County Administrator or designee either in person or by certified mail, including the proposed action, the reasons for such action, and the charges and materials upon which the action is based.

18.5.2 The notice shall contain a statement of the employee's right to respond orally or in writing to the charges within ten (10) business days of the date the notice is given to him or her personally or sent by registered or certified mail to his/her last known address. The notice shall also contain a statement of the employee's right to a preliminary or "Skelly" hearing with the County Administrator or designee on such charges, and the time within which such hearing may be requested, which shall be within ten (10) business days after service of the notice.

18.5.3 Notice of the commencement of disciplinary action shall be accompanied by a card or paper, the signing and filing of which with the County Administrator, or designee within 10 business days of the date of the notice, shall constitute a demand for hearing and a denial of all charges. Failure of the employee to file a request for the hearing within the time specified shall constitute a waiver of the employee's right to a hearing.

18.5.4 Dismissal of an employee of the District shall cause removal of the employee's name from all employment lists.

18.5.5 The employee's failure to appeal as provided in these regulations, shall make the recommendation and action of the County Administrator final without the need for additional action by the Governing Board.

18.6 Employment Status Pending Appeal or Waive.

18.6.1 Except as provided herein, any employee against whom a recommendation of adverse personnel action has been issued shall remain on active-duty status and responsible for fulfilling the duties of the position pending his/her appeal or waiver

thereof.

18.6.2 If the County Administrator or designee determines that a permanent classified employee should be suspended or dismissed and that his/her continuing in active duty status would present an unreasonable risk of harm to students, staff, or property while proceedings are pending, the County Administrator or designee may order the employee immediately suspended from duty without pay in conjunction with the recommendation of adverse personnel action. This suspension order shall be in writing and shall state the reasons that the suspension without pay is deemed necessary. The suspension order shall be served upon the employee wither personally or by registered or certified mail, return receipt requested, immediately after issuance.

18.6.3 Except in cases of emergency when the employee must be removed from the premises immediately, the County Administrator or designee shall give the employee written notice of the proposed recommendation of dismissal at least five (5) calendar days before the effective date of any order of suspension issued in conjunction with a recommendation involving dismissal. This notice shall state that immediate suspension without pay is being considered, the reasons for the proposed dismissal and proposed immediate suspension without pay, materials upon which the proposed action is based, and the employee's right to respond to the County Administrator orally or in writing before the final recommendation and order are issued.

#### 18.7 Amended/Supplemental Charges.

18.7.1 At any time before an employee's appeal is finally submitted to the Board or to a hearing officer selected by the District for decision, the complainant may, with the consent of the Board or hearing officer, serve on the employee and file with the Board an amended supplemental of adverse personnel action.

18.7.2 If the amended or supplemental recommendation presents new cause or allegations, the employee shall be afforded a reasonable opportunity to prepare his/her defense. Any new causes or allegations shall be deemed controverted and any objections to the amended or supplemental causes or allegations may be made orally at the hearing and shall be noted on the record.

#### 18.8 Hearing Procedures.

18.8.1 All hearings shall be heard by a hearing officer selected by the Board except in those cases where the Board determines to hear the appeal itself. In any case in which the Board hears the appeal, the Board may use the services of its counsel or a hearing officer in ruling upon procedural questions, objections, and issues of law. If the appeal is heard by the Board, the Board shall affirm, modify or revoke the recommended personnel action. The Board may conduct hearings of appeals or may appoint a hearing officer to conduct the hearing and report findings and

recommendations to the Board. The Board will make every effort to rotate hearing officers for disciplinary hearings and to ensure that the same hearing officer is not used two (2) consecutive times. The decision of the Board as to the sufficiency of the cause for disciplinary action shall be conclusive without prejudice to any subsequent court action.

18.8.1.1 List of Witnesses.

- A. A list of witnesses to be called by each party and a list of persons authorized to attend the hearing shall be submitted to the Human Resources Office and the representative for the District or the Union at least five (5) working days prior to the date of the hearing.

18.8.1.2 Subpoena of Witnesses.

The Board or its hearing officer may, and shall if requested by either party, subpoena witnesses and/or require the production of records, documents, or other material evidence. The Chief Human Resources Officer shall issue the subpoenas on behalf of the Board or its hearing officer, subpoenas shall be delivered to the requesting party for service.

Request for subpoenas shall be filed with the Human Resources Office at least five (5) working days prior to the date of the hearing.

18.8.2 The hearing officer shall fix the time and place of the hearing, which will be within reasonable length of time from the receipt of the request for a hearing. The hearing can be continued for good cause. The investigation and hearing shall be confined to the reasons for action as charged by the Principal or Department Head or County Administrator and the defenses set forth in the request and answer.

18.8.3 The representatives of the School District shall first present evidence in support of the charges. The employee shall then have the right to present evidence. Witnesses desired by either side shall be subpoenaed by the District.

18.8.4 At the hearing, both the employee and the Principal, Department Head, or County Administrator shall have the right to be heard and present evidentiary facts. The employee shall have the right to be represented by a person(s) of his choice at the employee's expense. The following rules shall apply:

18.8.4.1 Oral evidence shall be taken only on oath or affirmation.

18.8.4.2 Each party shall have these rights: To call and examine witnesses, to introduce exhibits, to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination, to impeach any witness regardless of which party first called him/her to testify, and to rebut any evidence. If respondent employee does

not testify in his/her own behalf, he/she may be called and examined as if under cross-examination.

18.8.4.3 The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to relying in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence, but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are not or hereafter may be recognized in civil actions, and irrelevant and unduly repetitious evidence shall be excluded.

18.8.5 If the appeal is heard by a hearing officer, he/she shall prepare a proposed decision in a form that may be adopted by the Board as the decision in the case. A copy of the proposed decision shall be received and filed by the Board and furnished to each party within 10 days after the proposed decision is filed by the Chief Human Resources Officer. The Board may:

18.8.5.1 Adopt the proposed decision in its entirety.

18.8.5.2 Reduce the personnel action set forth in the proposed decision and adopt the balance of the proposed decision.

18.8.5.3 Reject a proposed reduction in personnel action, approve the personnel action sought by complainant or any lesser penalty, and adopt the balance of the proposed decision.

18.8.5.4 Reject the proposed decision in its entirety.

18.8.5.5 The Board may sustain or reject any or all of the charges filed against the employee. It may sustain, reject, or modify the disciplinary action invoked against the employee. It may not provide for discipline more stringent than that invoked by the County Administrator or his/her designee.

18.8.6 If the Board 1) rejects any or all of the charges filed against the employee; 2) rejects or modifies the disciplinary action or (3) rejects the proposed decision in its entirety, each party shall be notified of such action and the Board may decide the case upon the record including the transcript, with or without the taking of additional evidence, or may refer the case to the same or another hearing officer to take additional evidence. If the case is so assigned to a hearing officer, he/she shall prepare a proposed decision, as provided above, upon the additional evidence

and the transcript and other papers which are part of the record of the prior hearing. A copy of this proposed decision shall be furnished to each party within 10 days after the proposed decision is received by the Chief Human Resources Officer.

18.8.7 In arriving at a decision or a proposed decision on the propriety of the proposed personnel action, the hearing officer may consider the records of any prior personnel action proceedings against the employee in which an adverse personnel action was ultimately sustained and any records that were contained in the employee's personnel files and introduced into evidence at the hearing.

#### 18.9 Hearing Decision.

18.9.1 The decision of the hearing officer shall be in writing and shall contain findings of fact and the adverse personnel action approved, if any. The findings may reiterate the language of the pleadings or simply refer to them.

18.9.2 The decision of the hearing officer shall be certified to the County Administrator or designee who recommended the personnel action, and he/she shall enforce and follow this decision. A copy of the decision shall be delivered to the appellant or his/her designated representative personally or by registered mail. The decision of the hearing officer shall be final.

#### 18.10 Compulsory Dismissal.

18.10.1 The District shall not employ or retain in employment any person who has been convicted of any sex offense as defined in Ed. Code § 44010 or any controlled substance offense as defined in Ed. Code § 44011. However, the District may employ a person convicted of a controlled substance offense if the Board determines from the evidence it requires that the person has been rehabilitated for at least five years. If any such conviction is reversed and the person is acquitted or charges dismissed except as otherwise provided below, the employee may be re-employed by the District, although reemployment is not a guarantee. (Ed. Code § 45123.)

18.10.2 The District reserves the right to dismiss an employee for any acts upon which the original criminal charges were based, despite the disposition by the courts. If dismissal is recommended and upheld, an employee will not be reemployed or compensated for the time he/she was suspended unless otherwise required by law. An employee shall be given notice of the possibility of not being reimbursed during mandatory suspension if he/she is ultimately dismissed for the acts upon which the original charges were based.

#### 18.11 Administrative Leave with Pay.

18.11.1 The County Administrator may place any classified bargaining unit member on administrative leave with pay. Written notice to the employee is required by

personal delivery, registered or certified mail to the employee's last known address. However, the County Administrator must notify the Board within 21 days of notification to the employee for the administrative leave with pay to continue.

18.11.2 Sections 18.4 – 18.10 of these procedures are inapplicable to any administrative leave with pay.

## **ARTICLE XIX – SAFETY**

- 19.1 Safety Policy. It is the desire of both parties to this Agreement to maintain high standards of safety in order to eliminate, as far as possible, industrial injuries and occupational diseases.
- 19.2 Safety Devices. Where safety devices are determined to be necessary by the safety committee and are provided by the District, it shall be mandatory for employees to use them.
- 19.3 Employee's Refusal to Work on Account of Alleged Unsafe Conditions. No employee may be discharged for refusing to work on a job or machine the safety of which has been questioned by the employee if the employee follows the subsequent procedure. Before refusing to perform an assigned job because of an alleged safety hazard, the employee shall attempt to prove to the immediate supervisor the existence of the unsafe condition. If unsuccessful, the employee shall be accorded a conference with the appropriate department head. If still unsuccessful in convincing the District of the unsafe conditions, the employee shall meet with the County Administrator his/her designee. The employee shall do as directed and, if the employee does not agree with the County Administrator or his/her designee, the employee may appeal to the District Safety committee which shall hear the matter as soon as feasible.
- 19.4 Safety Committee. A Safety Committee shall be formed which shall be composed of three (3) members appointed by the District and three (3) members appointed by Teamsters Local 911 and chaired by the County Administrator's designee, which committee shall review health, safety, sanitation and working conditions to ensure compliance with Section 19.1.
- 19.5 No Reprisal. No employee shall suffer reprisal as a result of reporting any conditions believed to be in violation of any section of this Article.
- 19.6 Release Time. The bargaining unit members of the Committee shall be allowed reasonable release time to carry out their obligations.
- 19.7 The District shall reimburse employees one-half the deductible amount, up to five hundred (500) dollars, for loss or damage to their automobiles that occurs while the employees are providing authorized service to the District. The parties agree that the total District liability for the purpose of this section shall not exceed five hundred (500) dollars. Authorized service means service to the District during normal business hours or work at District sites during non-formal business hours after notification to an appropriate District official.

## **ARTICLE XX – CONTRACTING AND BARGAINING UNIT WORK**

### **20.1 Restrictions on Contracting Out.**

20.1.1 The District will not initiate the contracting out of work normally performed by employees with the bargaining unit unless one or more of the following conditions is demonstrated: The bargaining unit employees who would normally perform the work are unavailable;

20.1.1.1 The bargaining unit employees do not possess the required qualifications and skills to do the work in a quality manner;

The District will act in accordance with California Education Code § 45103.1, which reads:

Notwithstanding any other provision of this chapter, personal services contracting for all services currently or customarily performed by classified school employees to achieve cost savings is permissible, unless otherwise prohibited, when all the following conditions are met:

The governing board clearly demonstrates that the proposed contract will result in actual overall cost savings to the school district, provided that:

In comparing costs, there shall be included the school district's additional cost of providing the same service as proposed by a contractor. These additional costs shall include the salaries and benefits of additional staff that would be needed and the cost of additional space, equipment, and materials needed to perform the function.

In comparing costs, there shall not be included the school district's indirect overhead costs unless these costs can be attributed solely to the function in question and would not exist if that function was not performed by the school district. Indirect overhead costs shall mean the pro rata share of existing administrative salaries and benefits, rent, equipment costs, utilities, and materials.

In comparing costs, there shall be included in the cost of a contractor providing a service any continuing school district costs that would be directly associated with the contracted function. These continuing school district costs shall include, but not be limited to, those for inspection, supervision, and monitoring.

Proposals to contract out work shall not be approved solely on the basis that savings will result from lower contractor pay rates or benefits. Proposals to contract out work shall be eligible for approval if the

contractor's wages are at the industry's level and do not undercut school district pay rates.

The contract does not cause the displacement of school district employees. The term "displacement" includes layoff, demotion, involuntary transfer to a new classification, involuntary transfer to a new location requiring a change of residence, and time base reductions. Displacement does not include changes in shifts or days off, nor does it include reassignment to other positions within the same classification and general location or employment with the contractor, so long as wages and benefits are comparable to those paid by the school district.

The savings shall be large enough to ensure that they will not be eliminated by private sector and district cost fluctuations that could normally be expected during the contracting period.

The amount of savings clearly justify the size and duration of the contracting agreement.

The contract is awarded through a publicized, competitive bidding process.

The contract includes specific provisions pertaining to the qualifications of the staff that will perform the work under the contract, as well as assurance that the contractor's hiring practices meet applicable nondiscrimination standards.

The potential for future economic risk to the school district from potential contractor rate increases is minimal.

The contract is with a firm. A "firm" means a corporation, limited liability company, partnership, nonprofit organization, or sole proprietorship.

The potential economic advantage of contracting is not outweighed by the public's interest in having a particular function performed directly by the school district.

If California Education Code § 45103.1 changes in any way, the parties agree that the new Education Code language will be automatically updated and followed in this agreement to reflect the current law.

- 20.1.2 In any grievance arising under Article 20.1, if the District is found by an arbitrator not to be in compliance, after a contract has been signed, the arbitrator's remedial authority shall be limited to a cease-and-desist order applicable to any similar future contracting;

20.2 Bargaining Unit Work. No supervisory or management employee may perform any work within the job description of a bargaining unit employee which will result in the layoff of employees or reducing the number of assigned hours of employment in the bargaining unit.

## **ARTICLE XXI – SEVERABILITY AND SAVINGS**

- 21.1 Savings Clause. If, during the life of this Agreement, there exists any applicable law or any applicable rule, regulation or order issued by governmental authority other than the District, which shall render invalid or restrain compliance with or enforcement of any provision of this Agreement, such provision shall be immediately suspended and be of no effect hereunder so long as such law, rule, regulation or order shall remain effect. Such invalidation of a part or portion of this Agreement shall not invalidate any remaining portions which shall continue in full force and effect.
- 21.2 Replacement for Severed Provision. In the event of suspension or invalidation of any article or section of this Agreement by statute or by the courts, the parties agree to meet, upon written request, within thirty (30) days after such determination for the purpose of arriving at a satisfactory replacement for such article or section.

## **ARTICLE XXII – NEGOTIATIONS**

- 22.1 Release Time for Negotiations. Teamsters Local 911 shall have the right to designate employees who shall be given reasonable time for negotiations and to prepare for negotiations.
- 22.2 Ratification of Additions or Changes. Any additions or changes in this Agreement shall not be effective unless reduced to writing and signed by both parties.
- 22.3 Teamsters Local 911 acknowledges that, during the negotiations which preceded this Agreement, Teamsters Local 911 has had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective negotiations and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. This Agreement shall constitute the full and complete commitments of both parties.
- 22.4 Impasse. If notice has been given in accordance with the preceding sections and the parties have not been able to agree upon terms of a new Agreement, either party may institute impasse procedures in accordance with the rules of the Public Employment Relations Board.

## **ARTICLE XXIII – PROFESSIONAL GROWTH PROGRAM**

### **23.1 Purpose.**

This program is intended to provide an incentive to employees to improve the quality of his/her job performance and for unit members to pursue professional growth and development.

### **23.2 Professional Growth Committee.**

23.2.1 A Professional Growth Committee shall be established comprised of four (4) members, two (2) to be selected by Teamsters Local 911 and two (2) by the District.

23.2.2 Committee members shall be given release time to participate on the Professional Growth Committee.

23.2.3 The Committee shall verify and approve that proposed courses are aligned with professional growth and development. Accepted applications for reimbursement shall state and show progress towards an educational goal such as a degree, certification, or credential.

### **23.3 Procedure.**

23.3.1 The employee shall obtain the committee's approval and the course will meet the goals of the program within six (6) months of starting the course(s) to submission to the Committee.

23.3.2 An employee shall submit a request to the Professional Growth Committee for approval of courses or activities that qualify for this program within six (6) months of starting the course(s) of participating in the activities.

23.3.3 The employee shall provide the Committee with proof of completion and payment of each approved course or other activity in order to be reimbursed.

The District will reimburse the cost of tuition that a unit member incurs for courses taken at a regionally accredited university or college. Only the cost of tuition will be reimbursed. Unit members will be eligible for reimbursement of tuition costs in the following manner.

The District will budget and reimburse up to \$150,000 total for this program on an annual basis. Once this amount is reached, the committee will no longer approve reimbursements.

| Units completed per Semester/Quarter | Maximum Reimbursable Tuition |
|--------------------------------------|------------------------------|
| 1-6 Units                            | \$1,800.00                   |
| 7-15 Units                           | \$3,800.00                   |

*One (1) semester unit is the equivalent of one and a half (1.5) quarter units.*

There is no limit as to how many instances a unit member can be reimbursed for tuition expenses as long as the request is reviewed and approved by the Committee and the applicant is making progress towards their stated educational goal.

The Committee will approve up to an additional \$1,000 reimbursement annually for textbooks, computer, software or other approved required related materials. In-lieu of tuition reimbursement. Proof of payment and application must be submitted prior to reimbursement.

#### **ARTICLE XXIV – NO STRIKE – NO LOCKOUT**

- 24.1 Neither the Union nor its agents or members will assist in or participate in strike sanctions, slowdown or any concentrated effort designed to improve its bargaining position which interferes with, impedes, or impairs the normal operation of the schools.
- 24.2 It is not the intent of the above to abrogate the Agreement due to an unsanctioned or wildcat strike by a small number of members, providing the Union exerts concerted effort to prevent said wildcat strike or other concentrated efforts.
- 24.3 The District agrees that it shall not engage in a lockout of bargaining unit employees during the term of this Agreement. The term lockout is intended to cover a situation where the employer refuses to permit employees to work in an effort to obtain bargaining concessions from Teamsters Local 911. Disputes arising under this Article are to be handled according to appropriate legal proceedings rather than the grievance and/or arbitration procedures of Article XVIII.
- 24.4 It is agreed and understood that in the event this Article is violated, the District shall be entitled to withdraw any rights, privileges or services provided for in this Agreement from those individuals involved in the action(s).

## **ARTICLE XXV – MANAGEMENT RIGHTS**

- 25.1 The Union agrees that the Board’s authority is limited only by that which is consistent with law or violation of specific provisions of this Agreement. Further, the Board and its duly selected administrators have the responsibility and authority to manage and to direct on behalf of the public all operations and activities of the school district, both to the fullest extent authorized by law and in any manner which the Board deems appropriate.
- 25.2 The Board retains its right to amend, modify or rescind provisions in this Agreement in cases of emergency, such as an Act of God. The determination of whether or not an emergency exists is within the reasonable discretion of the Board, the County Administrator, or his or her designee.
- 25.3 All other rights and responsibilities of the Board not limited by the clear and explicit language of the contract are reserved to the Board.

- 26.3 New Positions or Classes of Positions. All newly created positions or classes of positions, unless specifically exempted by law, shall be assigned to the bargaining unit if the job descriptions describe duties performed by employees in the bargaining unit or which by the nature of the duties should reasonably be assigned to the bargaining unit.
- 26.4 Salary Placement of Reclassified Positions. When a position or class of positions is reclassified, the position or positions shall be placed on the salary schedule in a range which will result in at least a one (1) range increase above the salary of the existing position or positions where there will be an increase in salary.

- 26.5.2 Requests may be submitted only by an employee who has had permanency in the position for a minimum of one (1) year.
- 26.5.3 This article is specifically excluded from the grievance/arbitration section of the Agreement except for the limited issue of whether or not the District has complied with the contractual time limits.
- 26.5.4 The reclassification request form shall be in two (2) copies and shall provide a

statement indicating that the unit member may forward a copy to the Teamsters if desired.

26.5.5 Reclassification Committee.

A District/Teamster Reclassification Committee shall be comprised of the following:

26.5.5.3 The committee will make a recommendation to the County Administrator or designee for a final decision.

26.7 The findings and recommendations of the Reclassification Committee shall be submitted to the District and Teamsters no later than May 1<sup>st</sup>.

26.8 All District recommendations for new and abolished classifications shall be forwarded to Teamsters.

26.9 At the end of the reclassification process, the employee shall have the right to present an appeal to the Reclassification Committee if their reclassification is denied. 27.1.1 The summer bid list for driving assignments shall be prepared in accordance with the Annual Bid Procedures (reference 27.1.2).

27.1.2 Annual Bid Procedures. Driver's assignments for the school year shall be made annually based on the results of the annual bid meeting. The meeting times and dates shall be announced two weeks prior to the annual bid meeting. Copies of the bid lists shall be made available three days prior to the meeting. A driver may request clarification of the bid list prior to the bid meeting. All clarification requests are to be submitted in writing to the Coordinator of Transportation or designee.

27.1.3 A driver who is absent from the bid meeting may submit to the bid Coordinator a written "Authorization to Bid" form, designating another employee to bid on his/her behalf. Drivers will first bid a route and then bid a bus from the available buses for the designated route. Drivers that have knowledge that they will not be able to attend the bid meeting will be able to submit a "proxy bid sheet" in advance of the bid meeting to the Transportation Supervisor.

The bid meeting shall be held one calendar week prior to the start of the student school year.

27.1.4 Filling Vacancies that Occur During the Year. When there is a vacancy in a bus driver position, notice of that vacancy shall be posted for a minimum of five (5) days. The vacancy shall be made available for bidding as above (27.1.2, Annual Bid Procedure), as assigned in order of seniority. Notwithstanding the foregoing, the District may assign a portion of the run to an existing assignment for reasons of economy or efficiency. When no driver bids for the vacant position, it may then be filled from an eligibility list.

27.1.5 The Union shall be allowed observers at each bid meeting.

### **27.2 Working Rules.**

Base Hours - each driver shall begin with a base of six (6) hours or eight (8) hours per day.

In the event a driver selects a special trip which is scheduled to run so late as to prevent him/her from legally driving his/her regularly assigned time the following day, he/she shall be paid only for service provided after eight (8) hours rest within the legal restriction. In the event the trip is delayed for mechanical reasons, acts of God, a student emergency, a civil emergency, or an approved field trip extension, the driver shall be paid these hours. Drivers will not exceed the legally mandated working and driving hours. When the possibility of this becomes apparent, drivers will contact their immediate supervisor of the possibility of exceeding maximum driving or maximum working hours.

Selection of routes and schedules shall be determined on the basis of seniority through the bidding process. Compensation for minimum show-up time for any assigned route shall be two (2) hours.

Extra work. Drivers will express interest for extra work by 8:30 a.m. of the day of the extra work assignment.

Management has the right to assign additional work in the transportation department (e.g., such as bus washing, refueling, dispatching, and the like) to meet the 8-hour minimum base hours.

Extra work will be assigned based on seniority. Such work can only be accepted if it does not conflict with the regularly scheduled route.

Extra work will be assigned by 9:30 a.m. by radio and/or cell phone by the Transportation or designee.

Any assignment that becomes available for any reason with less than one (1) hour notice to the transportation department will be offered to drivers who are located within the transportation building complex in seniority order. Drivers have 15 minutes to respond to the offer of extra work. If no drivers respond, the assignment will be offered over the radio and given to the bus driver in closest proximity.

### 27.3 Bid Procedures.

Routes shall be posted in Transportation and emailed to each driver's district email no later than five working days before the first day of bidding. The initial bidding will be conducted after the drivers have had one week before the first day of the start of school to review the scheduled routes and hours.

Regular home to school a.m. and p.m. routes will be posted separately from all mid-day and activity runs.

Each driver will be given a pre-scheduled fifteen (15) minute period for any bidding process, including a rebidding process, during which the driver must make his/her choice. The next scheduled person will not be able to bid until his/her scheduled time slot.

If for any reason a driver cannot make his/her scheduled bid time, the driver may submit a proxy bid sheet (as mentioned earlier – duplicative language).

After a route is chosen, it will be removed from the group. There will be a signature sheet to sign verifying the driver's choice.

Each driver will be paid one (1) hour for the bidding process.

Standby time - Each driver shall be allowed standby time of thirty (30) minutes between the regularly scheduled run if it is thirty (30) minutes or less.

Split-time – in building routes, every effort shall be made to provide a driver with his/her base or adjusted base hours in the least number of total hours.

Each driver shall be allowed thirty (30) minutes per day to perform required inspections, warm up and cleaning of the bus fifteen (15) minutes pre-trip and fifteen (15) minutes bus cleaning. The Transportation Supervisor, or in the Director's absence a management designee, may approve an additional forty-five (45) minutes. All required cleaning shall be done in the yard at the end of each day's use unless it is included in the route at a different time. All cleaning and check out time are part of the accepted bid package.

#### 27.4 Bus Drivers.

Licenses. All bus drivers must have proper certification and must always carry his/her Class A or B driver's license and his/her special driver certificate while on duty. Training priority shall be given to drivers whose certificate expires within the next six (6) months. It is the responsibility of all bus drivers to maintain current certifications required for the position. Any lapse in certification may result in termination after due process.

In the first instance in a five-year period that a driver allows their certifications to lapse, the District shall allow the driver to work in an alternative assignment, at the sole discretion of the Deputy Chief of Maintenance, Operations and Transportation, for a maximum of ten days or until the certifications are obtained.

Change of Address and Telephone. All school bus drivers must notify the Transportation Office and the Human Resources Department of any change of address and/or telephone within three (3) working days of the change. Drivers without a valid telephone number on file in the Transportation Office will not be called.

#### 27.5 Substitute Bus Driver.

Substitute bus drivers will be used to cover home-to-school routes only on an "as needed" basis. Substitute bus drivers will be assigned to cover a.m. and p.m. runs ONLY. Mid-day, after school, and extra assignments that are attached to a route the substitute bus driver has accepted will be covered by bargaining unit drivers and will be assigned using the existing procedures for assigning daily work.

Substitute bus drivers will not be allowed to work any assignment other than a.m./p.m. runs and/or other driving assignment that may result in overtime unless said work has been offered to all bargaining unit members.

#### 27.6 Assignments.

As vacancies occur through separation of employment, additional runs, or for other reasons, the routes shall be assigned by the Transportation Supervisor.

Modification of an existing route shall not be considered a new route.

All drivers shall be “locked in” to their routes for the remainder of the school year.

#### 27.7 Bus Drivers Summer School Procedures.

Annually, no later than one (1) week before the first day of summer school, routes/hours will be posted and will be available for bidding by seniority following the regular bidding procedure described in ARTICLE VIII, Section 6, sub section 8, Distribution of Overtime.

Summer school dates, routes and students are subject to many changes and the Transportation Supervisor will modify assignments based on the needs of the summer school program and students.

If drivers miss more than one day, for any reason, during their summer school assignment, the Transportation Supervisor may reassign the route to another driver.

#### 27.8 Field Trips.

The Transportation Supervisor shall establish and keep a field trip sign up book. The book shall be accessible to all drivers in the Transportation Yard.

The field trip sign up book shall be updated every Friday and drivers will have the opportunity to sign up for a desired field trip.

The field trips will be awarded to drivers through the seniority-based and rotation bidding process.

Rotation is defined as going to the bottom of the list once the driver has been assigned a field trip.

In the event that a more senior driver is skipped in the bidding process, that driver will be placed on a “skip list” which gives them priority for the next field trip.

Once a driver has accepted a field trip, if the driver “returns” the trip with less than 24 hours’ notice shall automatically go to the bottom of the seniority rotation and shall also forgo the next field trip assignment on the respective list in the seniority rotation.

If a field trip requires stop time, it must be stated on the request form; if not, and there is a stop time, the driver will be paid straight through. A driver in paid status shall be responsible for the vehicle and remain available to the field trip group for the duration of the trip, except during meal, rest, and unpaid periods. The driver will also provide the chaperone a means to contact them in the event the driver is needed.

Field trip assignments to the bus driver will include the route to be used to and from the destination, with the driver to have the authority to depart from the assigned route only in the case of inclement weather, authorized roadblocks, and detours.

Except when scheduled for training, if a driver does not accept a trip, regardless for the reason, his/her name will go to the bottom of the respective list.

If a field trip becomes available on a weekend that was not posted during the regular workweek, each driver is given one phone call or text message only, the driver has 15 minutes to respond. (Phone number of his/her choice).

Compensation for minimum show-up time for any trip shall not be less than:

Two (2) hours. If not provided a 24-hour cancellation notice.

Four (4) hours. Weekend field trips that are not cancelled prior to 4:30 p.m. on any Friday prior to the weekend of the field trip.

27.9 Bus Monitors.

Like Drivers, routes shall be posted in Transportation and emailed to each monitor's district email no later than five working days before the first day of bidding. All Bus Monitor positions shall be no less than four hours per day, five days per week, with the basic assignment of hours contingent upon the route selected and the normal operation. Bus monitor assignments can be changed based on the needs of special education students.

27.10 Use of Charter Buses. The District shall prioritize the use of District drivers and District vehicles in preference to charter buses.

Charter buses may not be used when District funds (including site-based and grant funds) are utilized to pay for field trips, or other types of student transportation. This policy does not apply to the following situations:

Trips funded by parent donations, student fundraising, non-profit 501(c)(3) organizations and/or charitable donations from corporations or other community organizations, where there is no contribution from the District towards a charter bus.

Grad Nite or middle school promotion trips.

Out-of-Town for CIF Championship sports events outside a 35-mile radius of the Transportation bus yard.

Out-of-state Trips.

Overnight trips.

Trips during non-school days including holidays, weekends and Thanksgiving, Winter, and Spring Breaks.

In the event that the District has offered the trip to District drivers, but the trip has not been bid on.

27.11 Bus Driver and Bus Monitor Uniforms and Dress Code.

Drivers shall be afforded uniforms as per the following:

Each Bus Driver and Bus Monitor shall be afforded five (5) t-shirts or buttoned shirts with the District's logos, long and/or short sleeved, the full value of which shall be reported to CalPERS (as applicable) for the purposes of final retirement benefits.

## **ARTICLE XXVIII – RETIREMENT OPTION**

- 28.1 The District, in order to realize savings, will promote early retirement, by purchasing two (2) years of additional service credit for qualified retiring Public Employee Retirement System (PERS) members who request it, provided the District qualifies to do so under Section 20904 Government Code and Los Angeles County Office of Education approved it.

## **ARTICLE XXIX - TERM OF AGREEMENT**

The parties agree to meet and negotiate after appropriate written notice has been received, pursuant to the above paragraphs. Pending a conclusion of the meeting and negotiating to terminate or modify any of the specific provisions, these provisions shall remain in full force and effect.

- 29.3 Teamsters Local 911 agrees to present to the District its initial proposal with respect to any such provision which has been reopened pursuant to this Article no later than thirty (30) days following submission of the written notice.
