The town and the union agree not to discriminate against a member of the unit because of the individual's age, sex (including pregnancy), sexual orientation, gender identity, race, color, marital status, genetic information, physical or mental disability, religious creed, national origin, veteran status or any other characteristic protected by local, state or federal law, or membership or non-membership in the union.

ARTICLE VI: STRIKES AND LOCKOUTS

Under no circumstances will the union cause, encourage, sponsor or participate in any strike, sit-down, stay-in, stay-out, sick-in, sick-out, work slowdown, withholding of services or any curtailment of work or restriction or interference with the operations of the department during the term of this agreement.

ARTICLE VII: MANAGEMENT RIGHTS

1. The parties agree that all of the rights and responsibilities of the town which have not been specifically provided for in this agreement are retained in the sole discretion of the town whose right to determine and structure the goals, purposes, functions, and policies of the town without prior negotiation with the union and without being subject to the grievance and arbitration procedures of this agreement shall include but not be limited to the following:
 - a. The right to direct employees; to determine qualifications, promotional criteria, hiring criteria, standards for work, and to hire, promote, transfer, assign, retain employees in positions; and to suspend, demote, discharge or take other disciplinary actions against an employee for proper and just cause, subject to the other provisions of this agreement, including grievance and arbitration;
 - b. The right to relieve an employee from duty because of lack of work or other legitimate reasons;
 - c. The right to take such action as in its judgment it deems necessary to maintain the efficiency of department operations;
 - d. The right to determine the means, methods, budgetary, and financial procedures, and personnel by which the departmental operations are to be conducted;

- e. The right to take such actions as may be necessary to carry out the missions of the departments in case of emergencies;
 - f. The right to make rules, regulations, and policies not inconsistent with the provisions of this agreement and to require compliance therewith; and
 - g. The right to subcontract.
2. The exercise of the management rights and responsibilities of the town set forth hereby, except discipline and discharge, shall not be subject to the grievance procedures set forth in this agreement; grievances alleging a failure to comply with such procedure will be subject to grievance Article XIII of this agreement, except that where a management right is specifically required to be exercised in accordance with a specific procedure as provided in this agreement, grievances alleging a failure to comply with such procedure will be subject to grievance Article XIII of this agreement.
 3. It shall also be the right of the union, however, to present and process grievances of its members whose wages, hours, or working conditions are changed in violation of this agreement.

ARTICLE VIII: CONSULTATION

1. Representatives of the union may meet with the department head or a designee once each month to discuss matters of mutual concern, including those matters necessary to the implementation of this agreement. A written agenda shall be submitted by the Union to the department head or the designee no less than five days before the scheduled date of the meeting. At the discretion of the department head or the designee, additional matters for discussion may be placed on the agenda. When such is the case the union will be given five days to consider the matter prior to its discussion. Nothing contained herein shall prevent the department head or the designee and the union from meeting on a more or less frequent basis upon mutual agreement.
2. Nothing contained herein shall prevent the union from consulting with the department head or the designee at any time, if matters of mutual concern arise of an urgent or emergency nature. However, grievances must be submitted in accordance with the procedure contained in this agreement.

ARTICLE IX: UNION BUSINESS

1. The union officers and representatives shall be President, Vice President, Secretary/Treasurer, Stewards (2).
2. The union shall advise the town of the names of the employees holding the above union offices within thirty days after election.
3. Union officers as described above shall be permitted to process grievances and exercise the Consultation Article during their scheduled hours of duty, provided they have prior permission from the department head or a designee and the amount of time in which employees are engaged in such activities is reasonable.
4. An effort will be made to schedule at least half of the negotiating sessions at a time which does not conflict with the scheduled duty of employees who are members of the union collective bargaining team. In the event that employees, not to exceed three in number who are members of the union's negotiating team, are scheduled for duty at a time during which a collective bargaining meeting will be held, said employee will be permitted to participate in negotiations without loss of pay.
5. Employees elected as delegates to the AFSCME International Convention, N. H. Public Employees Convention, Council #93 or the N.H. State Labor Council Convention, shall be allowed time off with pay to attend these conventions. The union is restricted to a total absence of three working days per calendar year, travel time included, but may select which of the above conventions and the number of employees among which to distribute the three days. Approval will be granted upon written petition by the union which specifies names, dates, and conventions to be attended.

ARTICLE X: DUES DEDUCTION

1. The town agrees to withhold dues from the members of the union weekly and submit a check along with a list of employees who paid said dues and in what amount, at least once each month, to the treasurer of AFSCME, Local #2986.
2. The union shall submit authorization forms to the Town Finance Department for each member who requests payroll deduction of dues.
3. No weekly deductions will be made whenever the employee's weekly pay is an insufficient amount to cover the deduction. In no case will the town attempt to collect fines or assessments for the union beyond the regular dues.

ARTICLE XI: MAINTENANCE OF MEMBERSHIP

1. Members of the bargaining unit who, on the effective date of this agreement are members of the union, and employees who become members of the bargaining unit and the union after that date, shall continue their memberships in the union during the duration of this agreement provided, however, that employees may at their discretion and in writing, withdraw their memberships from the union any time within the period between 120 days and 60 days prior to the expiration date of the agreement.
2. Should there be a dispute between an employee and the union over the matter of an employee's union membership, the union agrees to hold the town harmless in any such dispute.
3. The union shall post notices on departmental bulletin boards 120 calendar days prior to the expiration date of the agreement advising employees of their right to terminate payment of dues and union membership.

ARTICLE XII: DISCIPLINE AND TERMINATION FOR CAUSE

1. All discipline shall be for just cause and shall be appropriate to the infraction for which the disciplinary action is being taken.
2. Disciplinary action will normally be taken in the following order; however, the sequence need not be followed if an infraction is sufficiently serious to merit a greater disciplinary action.
 - a) verbal warning
 - b) written warning
 - c) suspension without pay
 - d) discharge
3. All warnings, suspensions, and discharge notices shall be in written form and identify the reason for the action and shall be signed by the employee as an acknowledgment of the action only. Employees shall be given 48 hours to respond to a written spot performance appraisal (SPA) and, unless the parties mutually agree to extend the deadline, the Town shall make disciplinary determinations within ten (10) working days of receiving the employee's

comments, if any are received. The employee will receive a copy of such warnings and notices, and the union shall be informed within five working days that the employee has received disciplinary action. Upon written request of the disciplined employee to the Town Manager or a designee, the union shall be provided a complete copy of the disciplinary action.

4. Employees may examine their own individual personnel files at reasonable times under the direct supervision of the employer.
5. In determining the appropriate disciplinary action to take against an employee, the Town may consider any prior infraction(s) that resulted in a suspension without pay for the period of five years from the date discipline is imposed. Further, the Town may consider prior infraction(s) that resulted in a written warning for up to three years from the date discipline was imposed. Verbal warnings will be removed, at the request of the employee, after two years.

ARTICLE XIII: GRIEVANCE **PROCEDURE**

1. Definition

- a. A grievance under this article is defined as an alleged violation of any provision of this agreement except Article VII (Management Rights) in which an individual grievant alleges a personal loss or injury.
- b. NOTE: Employees who have a "complaint" may take up the complaint with their immediate supervisors verbally before they can process the complaint as a formal grievance. Immediate supervisors shall give their answers within five (5) work days. It is anticipated that nearly all complaints can be resolved informally without grievance. Each grievance must be submitted in writing by the union and must contain a statement of the facts surrounding the grievance, the provision(s) of this agreement allegedly violated and the relief requested.

2. Procedure

- a. Step One: An employee, or the union on behalf of an employee, desiring to process a grievance must file a written statement of the grievance to the department head or the designee no later than fifteen (15) work days after the employee knew, or should have known, the facts on which the grievance is based. The department head or the designee shall meet with the employee and the union representative within ten (10) work days following receipt of the notice and shall give a written decision within ten (10) work days thereafter.
- b. Step Two: If the employee or the union on behalf of an employee is not satisfied with the decision of the Step One Hearing Officer, they may file, within ten (10) work days following the department's decision, a written

appeal to the town manager or a designee, setting forth specific reasons why the employee or the union believes the agreement is being violated by the town action in question. Within ten (10) work days following receipt of the appeal, the town manager or the designee shall either issue a written decision or schedule a hearing. Said hearing shall be held no later than twenty (20) work days following receipt of the appeal and written decision shall be rendered within ten (10) work days thereafter.

- c. If the union is not satisfied within the disposition of the grievance or no decision has been rendered by the town manager within ten (10) working days after the town manager received the grievance and prior to submission of the grievance to arbitration, representatives of the union and management may, by mutual consent, meet to determine if the grievance can be settled without arbitration.
 - d. Step Three: If the employee or the union on behalf of an employee is not satisfied with the decisions of the town at Step Two, the union may file, within ten (10) work days following receipt of the last decision, a request for arbitration to the American Arbitration Association or, by mutual agreement, the Public Employees Labor Relations Board, under its rules and regulations. The decision of the arbitrator shall be final and binding on the parties.
3. The cost of the arbitration shall be borne by the losing party. It shall be incumbent upon the arbitrator to specify the party designated as the losing party to facilitate payment of arbitration costs.
 4. The foregoing time limitations may be extended by mutual written agreement of the parties.
 5. Failure of the grievant to abide by the time limits set out in this article shall result in the grievance being deemed settled on the basis of the last decision made by the appropriate hearing officer on behalf of the town.
 6. The town shall not designate a hearing officer at any step of the grievance procedure who has heard the grievance at a prior step.

ARTICLE XIV: HOURS OF WORK AND OVERTIME

1. Normal Work Schedules

- (1) The normal work schedule shall be forty hours per week at times operationally required by the requirements of the job.

2. Work Day and Work Week

- (1) The workday is defined as 12:01 a.m. until 12:00 midnight. The workweek is defined as 12:01 a.m. Sunday until 12:00 midnight on the subsequent Saturday.

3. Overtime

- a. Any work outside of the employee's regularly scheduled work hours shall be paid at the overtime premium of 1.5 times the employee's base hourly rate. All overtime assignment performance shall be in accordance with the provisions of the Overtime Policy of the Town of Merrimack Department of Public Works.
 - b. Employees who work more than twenty hours in a work week outside their regularly scheduled work hours shall be paid overtime at the rate of two times their base hourly rates for each hour worked beyond twenty outside their regularly scheduled work hours. For the purpose of this subsection, callbacks paid as three hours shall be counted as three hours.
 - c. No provision of this Agreement will be interpreted to pay an employee their overtime rate of pay more than once for the same overtime hours – i.e., overtime hours will not be pyramided.
4. General or universal changes in the hours of work (shifts) in excess of a change of one hour will be negotiated with the union prior to change; if a change of one hour or less is made, a one-week notice will be provided to all affected employees.
 5. Employees who have completed their normal shifts and are called back to work for overtime shall be compensated at time and one-half for a minimum of three hours. Persons who have left their place of employment and who are recalled to work prior to the next normal shift will be paid for a minimum of three hours at the rate of time and one-half provided, further, that employees who are called back for overtime or emergency work and who complete the required task and return to their residences within the three-hour minimum guarantee may be called back for additional emergency or overtime without an additional three hours minimum work guarantee. It is the purpose and intent of this section to assure an employee of at least three hours of pay at overtime rates for the inconvenience of being called back to work between the normal shifts, but not to be separately paid for several call-backs within the three-hour minimum guarantee period. "Persons who have left their place of

employment" are defined as those who have punched out on the time clock prior to having been asked to work overtime.

6. There shall be no interrupting of normal schedule to avoid payment of overtime.
7. A ten-minute break will be provided during the morning normally scheduled work period. This break is to be taken at the employees assigned work site for the day.
8. The normal work day is eight consecutive hours of work. Employees are allowed to eat their lunch (30 minute lunch break) during these working hours without loss of pay.
9. Employees shall not be required to work overtime in a division outside of the one in which they perform their normal job duties.

10. Differential Pay

- a. Employees regularly scheduled to work on Saturdays and/or Sundays shall receive an additional \$1.00 per hour for such work actually performed.
 - b. Employees required to operate snow removal vehicles equipped with wing plows shall be paid an additional \$2.00 per hour while operating said equipment during snow plowing only.
11. If employees are scheduled to work a regularly scheduled shift but, in the opinion of management, are unable to do so because of fatigue due to an extended tour of duty, employees may be instructed to use sleeping accommodations provided on the department's grounds or be asked to return home for rest and recuperation. If so instructed, employees will receive their regularly scheduled straight-time pay for the shift. To qualify to be paid for the remainder of the shift, employees shall remain available for immediate recall to work until the start of their next regular shift or for twenty-four hours, whichever is shorter.

12. **Wastewater On-Call.** An employee will be paid two hours at base hourly rate for each 24-hour period that the employee is required to wear a pager. Employees wearing a pager are expected to respond to alarms at the wastewater treatment facility and respond either by way of electronic means or in person if the alarm shall so warrant. Members of the union interested in the overtime shall be pre-qualified by the administration. Employees wishing to be removed from the on-call list must give 30 days notice. Employees that cannot fill a scheduled on-call shift must make arrangement with other qualified employees to swap shifts. Failure to act responsibly may be grounds for the employee's name from being permanently removed from the list. This provision shall become effective upon ratification by the voters and the parties agree to execute a side bar agreement to that effect. The 2 hour stipend is in addition to any overtime applicable to responding to the page. Employees shall be paid an extra 2 hours at 1.0 times their base hourly rate for each

observed Holiday (24-hour period) (based on that employee's regular schedule) under Article XXI Holidays that the employee is required to be on-call. If there are not sufficient volunteers the Town may only mandate unit employees hired on or after February 1, 2023 to fill shifts.

- 13.** Work assignments scheduled in advance that are to be worked outside of the normal workday shall not be subject to the call-back provision (3 hour minimum at 1.5 times hourly rate) in paragraph 5 of this section. i.e.: Voting day.

ARTICLE XV: SENIORITY

1. There shall be two types of seniority:
 - a. Department Seniority: Department seniority shall relate to the time an employee has been continuously employed by any of the town departments represented by this agreement.
 - b. Classification Seniority: Classification seniority shall relate to length of time an employee has been employed in a particular classification.
2. Classification seniority in the classification involved shall prevail in matters concerning layoffs. Qualified and available former regular employees shall be reinstated before new employees are hired following a layoff. This preference shall expire after one year.
3. No employee shall have the right of replacing another employee in any classification by virtue of department seniority alone, except that in the event of a permanent lack of work in any classification, those employees affected in that classification shall be assigned, when operationally possible, to the next lower classification for which they are qualified. Absolute "bumping rights" are not to be assumed by the foregoing.
4. Until new employees have served the initial six-month probationary period, it shall be deemed that they have no seniority status, and they may be discharged or laid off with or without cause, and such discharge or layoff shall not be subject to the grievance procedure.
5. Employees shall not forfeit seniority during absences caused by:
 - a. Illness resulting in total temporary disability due to their regular work with the town, certified to by an affidavit from the worker's compensation carrier.
 - b. Illness resulting in total temporary disability, certified to by a physician's affidavit.
6. Employees shall lose their seniority for, but not limited to, the following reasons:
 - a. discharge for just cause
 - b. resignation.
7. The employee's present classification seniority as of the effective date of this contract, shall be the only type of seniority considered for the purpose of establishing the classification seniority system called for in this article. This classification seniority must have been continuous in nature to merit consideration under this section. The preparation and maintenance of the

classification seniority roster shall be the responsibility of the department head.

ARTICLE XVI: WORK REDUCTION OR LAYOFFS

1. If there is a layoff or any reduction in the work force, the person with the least seniority in the affected classification within the affected division will be laid off first. These laid-off employees will be recalled in the reverse order of layoff. The person with the most seniority will be hired back first.
2. All employees who have been laid off will be kept on a re-employment list for a minimum of one year.

ARTICLE XVII: JOB POSTING

1. All permanent opportunities within the unit must be posted for one week and a copy of the posting sent to the union.
2. Job posting shall include job specifications, rate of pay, job location (by division) and the shift.
3. Current bargaining unit employees shall be given an opportunity to apply for all vacant and/or newly-created positions.

ARTICLE XVIII: SALARIES

1. All members of the bargaining unit will receive a pay increase equal to the amounts set forth in Appendix A – Pay Table.
2. When experience possessed by a newly-employed unit member is in excess of that required for the job, that employee may be started at a step up to Step 3 (1-3 Yrs.) in recognition of the prior experience. Effective July 1, 2020, when experience possessed by a newly-employed unit member is in excess of that required for the job, that employee may be started at a step up to Step 5 in recognition of the prior experience and qualifications. Upon successful completion of the probationary period, such employee shall be moved to the next higher step on the salary schedule, unless such an employee is hired at Step 5, in such case the employee shall not step again until they have been in the position for the required length of time for the next higher step.
3. Any employee who is promoted into a higher classification shall be placed on the lowest step which reflects an increase in the hourly rate of pay of at least

5% for that individual. This right may be waived upon agreement between the president of Local #2986 and the town. A promoted individual shall serve six months on performance probation, during which time unsatisfactory performance may be cause for demotion to the formerly held position or its equivalent. Upon successful completion of the probationary period, the employee shall be moved to the next higher step on the salary schedule and shall not step again until they have served in that position for the required length of time to qualify for the next step, if one exists.

4. Movement between steps shall be based upon the satisfactory performance of the employee. The performance evaluation dated closest to the anniversary date for the step increase shall be used to make the judgment. A performance evaluation which generally rates the employee's overall performance as "Excellence" or "Success" justifies a step increase. An evaluation which generally indicates that the employee's overall performance needs improvement may, at management's discretion, justify denying a step increase. Improvement in performance may make the employee eligible for the increase at a later date.
5. Whenever a step increase has been approved, it will become effective on a Sunday for payroll purposes. If the anniversary date falls on Monday, Tuesday, or Wednesday, the preceding Sunday shall be the effective date of the raise. If the anniversary date falls on a Thursday, Friday, or Saturday, the following Sunday shall be the effective date.
6. When employees assume the duties and responsibilities of a higher classification, they shall receive either the minimum of the range for such classification or an increase of five percent per hour, whichever is greater, for each full hour worked, including break periods, in that classification.

ARTICLE XIX: SUPPLEMENTAL COMPENSATION (BENEFITS)

1. Health Insurance

- a. Employees shall be eligible for participation in the Access Blue New England Site of Service HMO Plan (ABSOS20/40 1KDED RX10/20/45) with \$20 office co-pay and \$40 specialist co-pay and deductibles of \$1,000 per member, per year and \$3,000 per family, per year with RX Plan R&M10/20/45 or, at the Town's option, in another HMO plan or an indemnity plan that provides significantly comparable coverage and Employee out-of-pocket costs. The Blue Cross Comp 100 and Matthew Thornton HMO plans previously offered to all Town employees, as well as Blue Cross' Blue Choice plan, shall be acceptable alternatives to the Union should the Town choose to select one; however, the Town shall have the right to obtain Employee health insurance coverage from any

insurance carrier or to self-insure for any portion of said coverage after consultation with the Union.

- b. The Town shall pay 100% primary plan HMO of the health insurance premiums relating to an Employee's coverage and 100% of the premiums relating to the Employee's spouse and dependent children.
- c. Notwithstanding the foregoing, the Town and the Union agree that if any portion of the parties' negotiated health insurance plan will trigger the application of the so-called "Cadillac Tax," as it may be amended, the parties shall also follow the procedure below:

- (1) It is agreed that the Town or Union may immediately reopen this Agreement solely for the purpose of negotiating any changes in the health insurance plan that may be necessary to avoid the application of the Cadillac Tax to the Town or any plan administrator, insurer, risk pool or plan participant, or to assure that the plan is legally compliant. An initial bargaining session shall be held within ten (10) business days of a request to reopen, unless another schedule is agreed to by the parties. The Town shall assist the Union in obtaining plan design and pricing information from insurance providers.

- (2) If within ninety (90) days of either party's request to reopen this Agreement, the parties are unable to agree on changes in the health insurance plan necessary to avoid the Cadillac Tax and/or achieve legal compliance, then the issue shall be submitted to expedited binding interest arbitration. The interest arbitration shall proceed as follows:

- i. The parties agree that the special nature of this issue may require an arbitrator with specific knowledge of the Affordable Care Act, as it may be amended; therefore, the parties will make every effort to mutually agree on an arbitrator with such specialized knowledge. If the parties cannot agree upon an arbitrator, an arbitrator shall be selected using the procedures described in ARTICLE XV, Grievance Procedure.

- ii. The interest arbitration hearing shall be held no later than thirty (30) days after either party declares

that the reopened negotiations on health insurance are at impasse, unless otherwise agreed to by the parties.

- iii. The Town and the Union shall each submit to the selected arbitrator a proposal for modifying the negotiated health insurance which shall avoid the Cadillac Tax. The Town and the Union shall exchange their proposals not less than ten (10) days prior to the arbitration hearing.
- iv. The arbitrator shall be empowered to select either the Town's proposal or the Union's proposal ("final offer" arbitration) and is expressly not empowered to fashion his or her own modifications to the negotiated health insurance plan.

2. Dental Insurance

- a. Employees shall be eligible for participation in the current town's dental insurance plan or, at the Town's option, in another plan that provides significantly comparable coverage and Employee out-of-pocket costs. The Town shall have the right to obtain Employee dental insurance coverage from any insurance carrier or to self-insure for any portion of said coverage.
- b. The Town shall pay 90% of the dental insurance premiums relating to an Employee's coverage and 90% of the premiums relating to his spouse and dependent children. Employees shall be responsible for the remaining 10% of the dental plan premium

3. Life Insurance

- a. Employees shall receive the following term life insurance coverage, and the Town shall pay 100% of the related premiums.

Employee life	1x annual salary rounded to nearest \$1,000, whichever is greater
Employee accidental death and dismemberment	1x annual salary rounded to nearest \$1,000, whichever is greater
Spouse life	\$ 10,000
Child life - under 6 months	\$5,000
Child life - 6 months and older	\$5,000

- b. The supplemental life insurance program that is currently available for Employee participation at their own expense shall continue to be offered solely at the Town's option.

4. Disability Insurance

- a. Employees shall receive short-term disability insurance coverage providing a weekly benefit equal to the lesser of 70% of their base weekly wages or \$700.00 per week for a 26-week period. This benefit shall be payable from the first day of a covered accident or the eighth day of a covered illness.
- b. The Town shall pay 100% of the related premiums.
- c. During a covered absence, an Employee may elect to receive 100% of his or her base weekly wage from the Town and to have such payments charged against his or her accrued sick leave balance until exhausted and then, if necessary, against his or her accrued vacation balance. Town payments shall be discontinued when both accrued leave balances have been exhausted. All disability benefit checks from the insurance carrier, that relate to the period for which such payments are made by the Town, shall be endorsed to the Town and credited to the Employee's accrued leave balances.
- d. An Employee that becomes eligible for a weekly disability benefit must apply for that benefit.
- e. The Town and/or its disability insurance carrier shall have the right to request updates of medical information during a covered absence and to designate a physician for a related medical examination, for which the Town shall pay the cost.
- f. Any covered absence must be supported by a physician's statement that outlines the nature of the Employee's disability and that provides an estimated date for the Employee's return to full duty. Immediately upon an Employee's return to duty from a covered absence, he shall provide to the Town a physician's statement certifying as to the Employee's fitness for duty.
- g. During a covered absence, no Employee shall engage in any form of employment.

5. Worker's Compensation

- a. Employees shall receive workers compensation insurance coverage as prescribed by, and to the extent required by, the laws of the State of New Hampshire.
- b. The Town shall pay 100% of the related premiums.
- c. During a covered absence, an Employee may elect to receive 100% of his or her base weekly wage from the Town and to have such payments

charged against his or her accrued sick leave balance until exhausted and then, if necessary, against his or her accrued vacation balance. Town payments shall be discontinued when both accrued leave balances have been exhausted. All workers compensation benefit checks from the insurance carrier, that relate to the period for which such payments are made by the Town, shall be endorsed to the Town and credited to the Employee's accrued leave balances.

- d. An Employee that becomes eligible for a workers compensation benefit must apply for that benefit.
- e. The Town and/or its workers compensation insurance carrier shall have the right to request updates of medical information during a covered absence and to designate a physician for a related medical examination, for which the Town shall pay the cost.
- f. Any covered absence must be supported by a physician's statement that outlines the nature of the Employee's disability and that provides an estimated date for the Employee's return to full duty. Immediately upon an Employee's return to duty from a covered absence, he shall provide to the Town a physician's statement certifying as to the Employee's fitness for duty.
- g. During a covered absence, no Employee shall engage in any form of employment.

6. Unemployment Compensation

- a. Employees shall receive unemployment compensation insurance coverage as prescribed by, and to the extent required by, the laws of the State of New Hampshire.
 - b. The Town shall pay 100% of the related premiums.
7. During any paid absence of more than 30 calendar days, except one covered by workers compensation insurance, the Town will pay the Employee's group insurance premiums only for the first 12 weeks of the absence. Thereafter, the Employee may keep the insurance coverage in force by paying to the Town the related premiums for each month by the last day of the preceding month. An Employee's failure to pay premiums on a timely basis shall be sufficient grounds for the termination of insurance coverage. During any absence covered by workers compensation insurance, the Town's portion of the Employee's group insurance premiums will continue to be paid fully by the Town.
8.
