GRIEVANCE PROCEDURE

A. DEFINITION

A grievance is a complaint by an employee wherein it is alleged that (1) there is a violation, misinterpretation, or misapplication of the provisions of this agreement, or that (2) his/her health or safety is jeopardized. Under this definition an alleged grievance may be taken to final arbitration (Step 5).

An alleged violation, misinterpretation, or misapplication of adopted Board policy not covered by this agreement may also be registered. A grievance in this category may not be taken beyond the Board level (Step 4).

As used in this article, the term "employee" shall mean (1) an individual employee, or (2) a group of employees having the same grievance, or (3) the Federation when not in lieu

of an individual's problem.

B. PROCEDURE

Grievances shall be presented and adjusted in accordance with the following procedures:

1. INFORMAL PROCEDURE

Either the teacher with a grievance or the local Federation representative, or both, may first discuss the matter with the principal or administrator concerned, with the objective of resolving the matter informally.

2. FORMAL PROCEDURE

Step 1 - In the event the matter is not resolved informally, four copies of the grievance stated in writing shall be filed with the building principal. Within five school days in session the principal shall set a time to meet with the party or parties concerned and a decision shall be reached within that five school-day period. The principal shall state his decision in writing, together with the supporting reasons, and shall furnish three copies to the Federation representative.

Step 2 - Informal meeting: An informal meeting with the grievance committee chairperson and the Superintendent to review the opinion will be held within three school-days after a formal grievance is filed to attempt to resolve the grievance.

Step 3 - Should no satisfactory decision be reached in the above procedure, all facts shall be presented to the Superintendent. All action taken heretofore shall be presented in written form to the Superintendent. The Superintendent or his delegated representative shall set a time and meet within five school days in session with the principal, the employee concerned, and the Federation representative. The Superintendent shall make a decision within five school days in session following that meeting. The decision shall be made in writing, together with supporting reasons, to the aggrieved teacher, to the Federation representative, and to the principal or administrator involved.

Step 4 - Failing satisfactory settlement at Step 3, the aggrieved may appeal to the

Board of Education. The request for Board consideration must be written and all procedures heretofore explained. A meeting of the Board, the Superintendent, the principal, the aggrieved, and the Federation representative shall be held within five school days in session after the written request has been received to consider the request. The Board shall make a decision within ten school days in session. This decision shall be made in writing, together with supporting reasons, to the aggrieved teacher, to the Federation representative, and to the principal or administrator involved. Such decision shall be signed by the president of the Board or a delegated member.

Step 5 - If the Board is unable at Step 4 to resolve the grievance to the satisfaction of the aggrieved, written notification shall be sent to the Board. The Board shall then employ the services of the American Arbitration Association or Federal Mediation and Conciliation Service for the purpose of obtaining a resolution. Either party may contact the American Arbitration Association or Federal Mediation and Conciliation Service and shall notify the other party that such action has been taken. If the services of the American Arbitration Association are employed, the Board requests under this section (Article IV, Step 5) that the American Arbitration Association supply to both the Board and the aggrieved a list of seven (7) arbitrators from which an arbitrator will be selected. This arbitrator shall be selected by the alternate striking of names from the list until only one name remains. To determine which party shall strike first, a coin shall be flipped. Representatives of the Board and Federation shall meet at times established by the arbitrator for the purpose of hearing the grievance. The arbitrator shall prepare a written statement of his decision for the parties. The decision of the arbitrator shall be final. All parties to the grievance shall comply with the decision of the arbitrator.

C. GENERAL PROVISIONS

1. If a grievance is not initiated within thirty calendar days of the cause for grievance, it

- shall no longer be considered a grievance under this agreement.
2. When hearings are held during school hours, all employees who are directly involved at the hearing shall be excused for the purpose with pay.
 3. No employee shall be placed in jeopardy or be subject to reprisal for having followed this grievance procedure.

 6. If a grievance arises from the action of authority higher than that of the principal of a school, the aggrieved may present such grievance directly to the authority involved. In such cases, the building principal shall be apprised of the grievance and its final disposition.
 7. If the grievance is not satisfactorily resolved at this meeting, the aggrieved may proceed to the next step.
 8. Failure of the party with whom the grievance is registered to observe the specified time limits shall automatically advance a grievance to the next step unless mutually agreed upon.
 9. The time limits specified in this procedure may be altered, in any specific instance, by mutual agreement in writing.
 10. Cost of employing the services of the American Arbitration Association or Federal Mediation and Conciliation Service shall be incurred by the party against whom the arbitrator rules.
 11. It is understood that any teacher who is not a member of the Federation or has not expressed a desire to be represented by it shall have the right to present grievances and appeals on his/her own behalf as an individual.
 12. An appeal by the aggrieved of a decision at any step of the procedure must be made within ten school days after a decision has been rendered. Failure to appeal shall denote acceptance of a decision and such decision shall thereafter be finding on the

aggrieved.

13. A grievance filed with less than five school days in session shall be processed, according to the grievance procedure, within the next five days in session or administrative work days.

14. Should a grievance be filed which involves a second staff member, that staff member shall be given a copy of the grievance filed by the first party.

LEAVE

A. SICK LEAVE

One and one-fourth days of sick leave may be accumulated each month for a total of fifteen days in one school year.

Sick leave shall be accumulated for a total of 450 days, with accumulation beyond 300 days beginning July 1, 1999.

Sick leave is granted for the following reasons:

Pregnancy is defined as the date of conception through child birth and will be treated as any other illness. Maternity is defined as the period after the birth of a child. The adoption procedure is utilized based on the following language: The physical acquisition of a child for adoption begins with the use of two personal leave days, if needed for such things as travel. Any days beyond that time, must be used as sick leave days. If one personal leave day has been used prior to the physical acquisition of a child for adoption, the second personal leave day must be used for the initial day of travel. If both personal leave days have already been used prior to the physical acquisition, sick leave days must be used for the initial day of travel, if that number of days is accumulated. Sick leave use for maternity/adoption is limited to (60) sixty paid days minus any days used under pregnancy leave for the same pregnancy. Maternity/Adoption leave may be used in combination with unpaid days and sick leave up to the maximum number of weeks allowable under FMLA.

shall be advanced the difference between their accumulated balance and (5) five days if needed and requested by the teacher. A teacher who begins the school year with at least (5) accumulated sick leave days will not be advanced sick leave days during the school year.

If disability retirement is awarded by STRS, it must be accepted by the employee.

The Superintendent of schools may require a teacher to furnish a written, signed statement on forms prescribed by the Board to justify the use of sick leave. If medical attention is required, the employee's statement shall list the name and address of the attending physician and the dates when he or she was consulted. Nothing in this section shall be construed to waive the physician-patient relationship provided by law.

Any abuse of sick leave policy will result in non-payment of the delinquent teacher's salary for the duration of employment in question. The Superintendent or his delegated representative shall investigate such absence and make a written report of such findings. The employee involved and the Superintendent shall confer on the report. A recommendation shall then be made to the Board of Education with a recommendation for action.

The Ontario Board of Education and the Ontario Federation of Teachers have mutually agreed to the implementation of the Local Professional Development Committee (LPDC) as established by Ohio Revised Code 3319.22 and adopted by the Board of Education. Any future revisions to the bylaws will be by written mutual consent between the OFT and the Board.

B. TEA

An educational committee will be formed. This educational committee shall be known as Team for Educational Action (TEA).

The committee will consist of the following members: the Superintendent, Director of Operations, the President and Vice-President of the Ontario Federation of Teachers,

Local #1703, a building level administrator, and three (3) Federation members, one from each building. The Board will establish and maintain a yearly professional development fund of \$15,000. Any funds not used at the end of the year (June 30) will be added to the next year's \$15,000. This fund will provide teachers the opportunities to engage in professional development activities and will not replace the building principal's professional development fund.

The criteria used to apply for funding will be established by OFT. No teacher will be eligible to receive the year end adjustment payment unless they are under contract to teach for the proceeding year. Final year end adjustment payment will be paid the last week in June. If a teacher quits after receiving the year end adjustment payment, the teacher in question must make restitution to the Treasurer's office for the amount in question through payroll deduction. Those monies returned to the Treasurer's office will be carried over to the next year's fund amount.

[Table of Contents 1](#) *NON-TENURED / TENURED EMPLOYEES*

A. NON-TENURED EMPLOYEE / LIMITED CONTRACT TEACHER

1. Before a limited contract teacher, one not eligible for tenure, may be declared unsatisfactory, he/she must have supervision or guidance by the principal. He/she will be evaluated in accordance with district Administrative Procedure.
2. In cases on non-renewal, reasons for non-renewal will not be provided, as in accordance with Ohio law.
3. Teachers first employed after 1998, under one year limited contracts, may be non-

renewed by Board resolution. Such resolution must be adopted on or before April 30th and service upon the teacher of written notice of non-renewal by that date. Service may be made by personal service or certified U.S. mail. Prior to such non-renewal each teacher shall be evaluated once each semester. Each evaluation shall be based upon two observations of at least thirty minutes. Areas in need of improvement will be noted in written form to the teacher within ten school days after each evaluation conference. This procedure shall supersede the procedure provided in R.C. 3319.11 and 3319.111, but this process shall be subject to the grievance procedure (Article IV) of this contract.

B. TENURED EMPLOYEE – CONTINUING CONTRACT TEACHER

1. Teachers who anticipate qualifying for a continuing contract shall notify the Superintendent prior to the first day of the school year. Failure to do so, unless already scheduled for full-cycle evaluation would disqualify consideration until the next full school year. (For additional information regarding the tenured process see the LPDC handbook).

C. PROBATIONARY EMPLOYEE

1. A probationary employee is defined as an employee who becomes eligible for a continuing contract as prescribed by law, and who is not granted a continuing contract because the Board has chosen to exercise its option in law.

 - c. If, after the initial evaluation in December, the principal deems it advisable,

he/she may seek assistance from the Superintendent's office for further evaluation.

- d. If any written evaluation to the Superintendent's office is of a negative nature, the Superintendent will confer with the principal and the probationary employee.
- e. If by 30 days or April 30, whichever comes first, prior to the end of the school year, the probationary employee is deemed to be unsatisfactory, he/she shall be notified in writing that his/her contract shall not be renewed for the forthcoming school year.
- f. In accordance with Ohio law, reasons for non-renewal will not be provided.

[Table of Contents 1](#)

REDUCTION IN FORCE

1. Reasons for Reduction in Staff

Unit members may have their contract suspended pursuant to a reduction in force in accordance with Ohio Revised Code Section 3319.17.

2. Reduction in Staff

- A. When a reduction in the teaching staff is necessary, the Board, upon recommendation of the Superintendent, shall determine the number of positions to be affected, in whole or in part, and the effective date of the reductions.
- B. The Federation President shall be notified prior to a reduction in force to inform him/her of the reasons requiring said reduction.

3. Suspension of Contracts

Reduction will be made by suspension of contracts for unit member in each affected teaching area. Suspension of contracts shall mean that the unit member is placed in

an inactive state of employment, in whole or in part. In circumstances when a contract is wholly suspended, the unit member shall not receive pay or benefits at Board expense or have any other rights or association with the District other than those that may exist in this Agreement or by law.

4. Teaching Areas

Teaching areas shall mean the subject(s) and/or grade level(s) on the teaching certificate(s)/licenses held by the unit member. To qualify under this provision of the Agreement, certificates/licenses must be maintained in accordance with the Ohio Department of Education's certification/licensure requirements.

5. Seniority

- A. All unit members will be placed on a seniority list for each teaching area for which they are properly certificated/licensed and qualified. Unit members serving under continuing contracts will be placed at the top of the list, in descending order of seniority.
- B. System seniority will apply and is defined as the total number of years of continuous service in the District. A year is defined as one hundred twenty (120) days of work of at least three and one-half (3.5) hours and/or leave with pay in any one (1) school year.
 - 1. Board approved unpaid leaves of absence shall not disrupt continuity of seniority but time spent on such leave shall not count toward seniority. Unit members shall accrue seniority while on paid leave.
 - 2. The suspension of a contract under the provisions of "Reduction In Force" shall not disrupt continuity of seniority but such time shall not count toward seniority.

3. If two (2) or more unit members have the same length of continuous service, seniority will be determined by:
 - a. the date of the Board meeting at which the unit member was hired, and then by:
 - b. drawing of lots.

6. Retention

- A. Retention of bargaining unit members and recall of eligible teachers whose contracts have been suspended pursuant to a reduction in force will not be based upon seniority, except in circumstances when choosing between teachers with comparable evaluations. The Superintendent and the OFT President will meet to discuss the teacher performance section of the evaluation for those teachers with comparable evaluations.

7. Order of Reduction

- A. If reductions are necessary, limited contract teachers shall first be reduced in the affected teaching fields (certification/licensure) utilizing the following order:
 1. Comparable evaluations.
 2. When evaluations are comparable, seniority in the District shall prevail, with the contract of the least senior limited contract teacher in the affected teaching field the first to be suspended.
- B. Should the necessary reduction of staff required exceed the number of limited contract teachers in the affected field, continuing contract teachers will be reduced in the affected teaching fields (certification/licensure) utilizing the following order:
 1. Comparable evaluations.
 2. When evaluations are comparable, seniority in the District shall prevail, with the contract of the least senior continuing contract teacher

in the affected teaching field the first to be suspended.

8. Displacement

In those instances where seniority is involved (i.e., when selecting from teachers with comparable evaluations), a teacher affected by a reduction in force may elect to displace a less senior teacher who holds the area of certification/licensure provided he/she holds a valid certification/licensure in the area.

If the displaced teacher is in the ineffective category, they can only bump other less senior ineffective teachers.

9. Teachers whose continuing contracts or limited contracts are suspended shall immediately be placed upon a RIF list. Retention and recall shall be based upon the summative effectiveness ratings as determined in accordance with the Board's standards-based evaluation policy, with continuing contracts taking precedence over those with limited contracts. Seniority shall not be a factor in recalling any bargaining unit member unless the decision is between teachers with comparable evaluations. When selecting among teachers with comparable evaluations, any teacher unemployed as a result of staff reduction shall be recalled in reverse order of being released, provided the teacher is certificated/licensed for the position.

10. The names of unit members whose limited contracts are suspended in a reduction in force will be placed on a recall list for two (2) years and unit members holding continuing contracts shall remain on the list indefinitely. The time on the recall list shall begin to toll on the day following the last work day of the affected unit member.

- A. No new teacher will be employed by the Board while there is a teacher on the recall list who is certificated/licensed and qualified for a vacancy or new position.

- B. If a vacancy occurs or a new position is created, the Board will send a certified notice to the last known address of all unit members on the recall list. It is the unit member's responsibility to keep the Board informed of his/her current address, a telephone number at which he/she can be reached, and the name, address and phone number of a person(s) who has the authority to respond in the unit member's absence. When the unit member provides such address and/or phone number, the Board shall, in addition to sending the notice of vacancy by certified mail, contact the unit member by phone. Unit members holding proper certification/licensure who want to fill the vacancy or new position must respond within fourteen (14) days of the postmark on the envelope of the certified mail containing the notice. Such response must be by certified mail, or if a response was made by phone within the fourteen (14) days. Unit members eligible for the vacancy or new position who do not respond to the notice or who decline the position shall remain on the recall list. This shall not cause the time on the recall list to increase from the two (2) years for the limited contract unit members.
- C. All benefits to which a unit member was entitled at the time of the contract suspension shall be restored as of the effective date of recall. These benefits shall include all seniority and sick leave accumulation. And, the unit member shall be placed at the proper step of the salary schedule. Time spent under a suspended contract shall not count toward the fulfillment of the time requirements for acquiring tenure.
- D. A seniority and recall list shall be prepared and kept current by the Board. Any member of the bargaining unit may see the current seniority list and recall list at any time. Adjustments to these lists shall be made as changes occur.

11. Nothing in this Article shall limit the Board's authority to create new or additional

teaching areas or positions or be construed to require the Board to fill any vacancy in any teaching area that it has abolished.

MEDICAL EXAMINATION

- A. After notifying the Board of Education, the administration may require a physical examination of an employee whose general health condition does not permit him/her to fulfill his/her teaching assignment adequately. The Board of Education shall pay the cost of such an examination and may designate the physician for said examination. The physician's report and recommendation shall be final.
- B. After notifying the Board of Education, the administration may require a psychological and psychiatric examination of an employee whose emotional state does not permit him/her to fulfill his/her teaching assignment adequately. The Board of Education shall pay the cost of such an examination and may designate the specialist to make such an examination. The specialist's report and recommendation shall be final.
- C. Flu shots are covered by Ontario Schools' medical insurance. Therefore, any employee covered under the medical insurance plan who desires to receive a flu shot may get the flu shot on their own and must turn the bill into the insurance company. An employee may also be reimbursed for any insurance reimbursement that was less than the current Mansfield/Ontario/Richland Health Department cost, plus 10%. The employee must submit a copy of their Explanation of Benefit from the insurance company to the Treasurer's Office in order to be reimbursed.

If the serum is not available for purchase by the Board of Education, employees, not covered by the School's medical program, can go to the health department or their doctor and be reimbursed for the cost of the flu shot up to the current Mansfield/Ontario/Richland County Health Department cost, plus 10%. The employee must submit a receipt from their provider to the Treasurer's Office in order to be reimbursed.

When the flu shot serum is available, the Board of Education will purchase the serum in bulk and provide the flu shot at no charge to any certified employee who desires it. Employees covered under the medical insurance plan will not be required to process anything with the insurance company for the flu shot. When the Board of Education can provide the shot, no employee will be reimbursed for a flu shot administered by someone other than the Board's nurse unless the staff member is required to have the shot administered by a physician. In this instance, he or she will be reimbursed up to the current Mansfield/Ontario/Richland County Health Department cost, plus 10%.

AIDS includes Acquired Immune Deficiency Syndrome, AIDS related complex, or the presence of HTLV-III antibody.

B. AIDS EVALUATION

The Board of Education believes, based on current medical information, that each employee who is diagnosed as having AIDS is entitled to an evaluation of his or her medical condition. Decisions regarding the advisability of a particular employee continuing to attend or work in the schools of this district will be made only after consideration of all available information regarding the physical condition of that individual.

To conduct these evaluations, the Board of Education will appoint an AIDS evaluation team. That team will consist of a physician appointed by the Board, the individual's primary care physician, and a physician specializing in AIDS.

The physician specializing in AIDS shall be mutually agreed upon by the Board

appointed physician and the employee's physician. The physician appointed by the Board shall act as chairperson of the AIDS evaluation team with the Board paying for the Board appointed physician and the physician specializing in AIDS. The individual will incur the cost of his/her physician.

C. CONFIDENTIALITY

The Board of Education recognizes the need to protect the individual rights and health of persons infected the AIDS and the rights and health of those not infected. The Board believes that information concerning the health of any employee should be treated as confidential information. In the case of an employee, the Superintendent, building principal and employee's immediate supervisor should be informed of any physical condition which may require special attention, including AIDS. Unless there is a specific need, other employees shall not be informed about the individual's physical condition, including whether or not an individual is infected with AIDS.
