The term of this Fringe Benefit Plan shall begin on July 1, 2021, and shall continue until June 30, 2026.

II. HOURS AND WORKING CONDITIONS

A. Full-Time Employee

Full-time employees are defined as those employees paid for 260-262 days (12-month) or 217 days (10-month) per fiscal year and regularly scheduled to work five (5) to eight (8) hours per day per week.

B. Part-Time Employee

Part-time employees are defined as those employees that work less than five (5) hours per day. No benefits will be provided other than those identified in the specific sections of this Plan.

A part-time employee cannot receive full-time status unless they work at least five (5) hours per day for 60 continuous working days (unless promoted into a full-time position already established by the district).

Part-time employees work 4.0 hours per day, Monday-Friday. The district will set the number of days per year for each part time position at the time of creating the position.

C. Seniority

The employee's seniority date will be the first working day in the classification (12-month, 10-month and part-time). In the event a part-time employee transfers to a full time 10 or 12 month position, their seniority will be the first working day in the new classification. However, the district will convert all part-time service to full time equivalent service for vacation entitlement.

D. Overtime

The District shall maintain the sole and exclusive right to determine the necessity for overtime. Employees shall receive time and one-half (1.5) their regular hourly rate of pay for all hours worked in excess of forty (40) in any one work week. Nothing in this article shall be construed or interpreted to mean that the district is obligated to assign any overtime work to any regular full-time or regular part-time employee.

~~Only hours actually worked, excluding holidays and bereavement, shall be counted as~~
time worked in the computation of overtime. All hours worked in excess of the employee's normal work day must be pre-approved by the immediate supervisor and/or principal.

E. Summer Work

In the event the District determines the need for additional secretarial work over the summer months, the 10-month secretaries will be offered first right to this additional work based upon district seniority on a round robin basis. If no 10-month secretary accepts this work, it will be offered to the part-time secretaries based upon district seniority on a round robin basis. The employee will receive their regular hourly rate of pay in accordance with this Plan.

F. Lunch Period

Full Time employees will be given a thirty (30) minute non-paid duty free lunch. This lunch period should be scheduled during the building lunch times.

G. Rest Period

All employees working five (5) hours or more per day continuously shall be given, whenever possible, two 15-minute rest periods per day. If the office procedure will allow, these breaks may be scheduled consecutively with the lunch period to allow a total time of one (1) hour at the lunch period.

H. Vacancies and Transfers

Prior to advertising a vacancy or newly created position, the District shall first notify all full-time and part-time employees, via an internal posting, and they shall have the first consideration to apply for said position within five (5) calendar days from notification.

I. Wages and Salaries

The parties agreed that wages and salaries to be affected by this Plan are accurately reflected in Appendix A, and shall remain in force for the period of this Plan. In the event the parties mutually agree to extend the terms of this Plan a revised Appendix A shall be executed and made part of this Plan.

J. Method of Paying Salary

Each full time employee covered by the provision of this Plan shall receive his/her annual salary in twenty-six (26) equal payments paid biweekly.

All employees shall be paid by Direct Deposit

All 10- month employees shall, upon request, receive the salary for June, July and August as close as possible after the last working day of the school year.

K. Staff Reductions

In the event of staff reductions, the affected employee(s) may transfer to the least senior position district-wide within their classification (12-month to 12-month; 10-month to 10-month, P/T to P/T). If the affected employee is least senior within their classification, they may transfer to the least senior position in the next lower classification (12-month to 10-month, 10-month to P/T).

The transfer will be contingent upon meeting the job qualifications as identified on the job description. A proficiency test will be given to determine the ability levels and qualifications to perform the job to permit the transfer.

III. EMPLOYEE BENEFITS

A. Health Care

The District will provide a health care plan for eligible full time employees (work at least 25 hours per week). Eligible full-time members may choose from the available standard medical plans provided by the Allegheny County Schools Health Insurance Consortium (ACSHIC) including the prescription co-pay endorsed by the Allegheny County Health Insurance Consortium including any co-pays contained therein. The District shall pay the full insurance premium less the Plan member's premium share contribution. In addition, the employee may select coverage for other eligible members of his/her family.

The option to enroll in or opt out of dependent coverage under the health insurance plan shall be limited to the open enrollment dates as determined by Highmark. Currently that open enrollment period is May 15th – June 15th each fiscal year with an effective date of July 1st

The employee is responsible for initiating this coverage through the Human Resources Department and for modifying the coverage when necessary. Failure to modify coverage will result in the employee paying the excess premium for which the employee was not eligible.

Retirees who are under the age of sixty-five (65) and are retired under normal retirement or retired with thirty (30) or more years of service and not covered or eligible to be covered as an employee or dependent by any other employer-provided health plan, will be permitted to purchase coverage under the District's health insurance plan by paying premiums monthly until eligible for alternate government-sponsored health insurance. B. Employee's Contribution toward Health Insurance Coverage

In addition to any co-pays and deductibles described in the plan, all eligible employees will contribute an amount or percentage towards the annual cost of health insurance premiums towards the District's cost of the plan according to the following schedule:

	<u>PPO</u>	<u>EPO</u>
July 1, 2021-June 30, 2022	12%	9%

July 1, 2025-June 30, 2026	13%	10%

The applicable employee's health insurance contribution will be automatically deducted from twenty-four (24) of the employee's paychecks each fiscal year. The District will provide a Section 125 Plan that will allow the employee premium contributions described above to be made on a pre-tax basis.

C. Flexible Spending Account

The District agrees to provide all plan members with the option of enrolling in a Flexible Spending Account which will allow participants the option of deferring salary on a pre-tax basis to pay for medical premiums, medical co-pays and deductibles, prescription drugs, dental care, eye care, and other qualifying expenses of said plan. This benefit will be consistent with and meet all requirements of Section 125 of the Internal Revenue Code as amended and all applicable laws.
