Councilor Ciciarelli asked Zachary if they looked into any other resources to fulfill their needs.

Zachary confirmed that they have been trying to work around the problem in a variety of ways for quite some time. He continued to cover the training required for all staff.

He went on to explain that the Highway Superintendent is in the supervisory collective bargaining agreement between the Town of Salina and Teamsters Local 317 and that this proposal is a conflict under Taylor law and he encouraged the Town Attorney to contact the Teamsters Local 317 legal counsel.

George Lowe, seasonal employee for the Town of Salina Parks department, praised the Parks Department and Mark Newman, the Parks Maintenance Supervisor. He questioned the 1st, 2nd and 4th Ward councilors as to whether, or not, they will be ready to deal with this change if the Town Supervisor and 3rd Ward councilor are gone next year, pending election results. He also asked the Board to explain why this change is being considered.

Supervisor Paro explained that the ultimate goal of this change is to transition the Parks department into more of a recreation department. He affirmed him that the service at Salina parks is not changing and employees will continue to do the same work that they currently do, just under the supervision of the Highway Superintendent.

Councilor Ciciarelli reminded residents that they were welcome to attend budget meetings where a lot of this was discussed. The Board agreed that this was the best path to take for the future of the Town and hopes that the change will improve efficiencies and cut costs going forward. MEMO: last Board meeting (9/23/24) the Town approved a budget transfer in the amount of \$1,195.82. That was to cover the August billing - my proposal is to transfer \$3,500 to cover September's and October's bills. For reference: the Town has been billed every month by the SPCA, with the average bill (over the past 8 months) coming in at \$1,737.50.

MEMO: The budget was set too low for 2024 (actual charges anticipated: \$4,478,685 / budgeted for 2024: \$4,042,080); the monthly charges for 2024 are \$36,383.75 for brush removal and \$336,840 for our trash contract. We do have enough in fund balance to support this budget modification.
